

## Fiscal Impact Statement for Proposed Legislation

*Virginia State Corporation Commission*

**Published:** January 25, 2026

### House Bill 1151

**Version:** Introduced

**Patron:** Willett

**Title:** Electric utilities; duty to furnish adequate service; high-demand customers.

**Summary:** Provides that an electric utility may delay the provision of service to a customer with demand that is reasonably expected to exceed 90 megawatts if such delay is necessary to maintain electric grid reliability, to avoid exceeding available generation or transmission capacity constraints, or to ensure compliance with load interconnection policies issued by the Federal Energy Regulatory Commission. This bill is a recommendation of the Commission on Electric Utility Regulation.
