Bill Title: Firearm transfers to another person from a prohibited person.

Bill Summary: Provides that a person who is prohibited from possessing a firearm because the person is subject to a protective order or has been convicted of an assault and battery of a family or household member may transfer a firearm owned by the prohibited person to any person who is not otherwise prohibited by law from possessing such firearm, provided that the person who is not otherwise prohibited by law from possessing such firearm is 21 years of age or older and does not reside with the person who is subject to the protective order. The bill also provides that a person who is prohibited from possessing a firearm because the person is subject to a protective order or has been convicted of an assault and battery of a family or household member shall be advised that a law-enforcement officer may obtain a search warrant to search for any firearms from the person if the law-enforcement officer has reason to believe that the person has not relinquished all firearms in his possession.
