Fiscal Analysis

Revenue

There are no assumptions for revenue for this bill.

This bill does not impact revenue at the State Corporation Commission. The requirements of this bill can be satisfied within the Bureau's current revenue authority.

Expenditures

There are no assumptions for expenditures for this bill.

This bill will reduce the existing ongoing reports workload, freeing up capacity to take on new report mandates that may arise from the 2026 Regular Session (either one-time or a new ongoing report) and to take on other proactive policy projects for the Bureau. The maintenance of the mandated benefits dashboard will be a small lift but would not constitute anything beyond a minimal impact.

Change in FTE

There is no change in FTEs.

Other Comments

The identical companion to this bill is SB 626.
