ORIGINAL

**Bill Number:** HB1524                            **Patron:** McGuire  
**Bill Title:** Carrying assault firearms in public areas prohibited; penalty.

**Bill Summary:** Prohibits the carrying of certain semi-automatic center-fire rifles, pistols, and shotguns or any firearm modified to be operable as an assault firearm on any public street, road, alley, sidewalk, or public right-of-way or in any public park or any other place of whatever nature that is open to the public, with certain exceptions. Under current law, the prohibition on carrying certain shotguns and semi-automatic center-fire rifles and pistols applies to a narrower range of firearms, only in certain localities, and only when such firearms are loaded. A violation of this prohibition is a Class 1 misdemeanor.

**Budget Amendment Necessary:** Yes  
**Explanation:** See below

**Items Impacted:** Item 390

**Fiscal Summary:**

Proposal requires minimum “Woodrum” impact funding per § 30-19.1:4, Code of Virginia, to account for a possible increase in the need for state prison beds due to this legislation.

**General Fund Expenditure Impact:**

<u>Agency</u>	<u>FY2026</u>	<u>FY2027</u>	<u>FY2028</u>	<u>FY2029</u>	<u>FY2030</u>	<u>FY2031</u>
Dept. of Corrections		\$50,000				
<b>TOTAL</b>		<b>\$50,000</b>				

**Fiscal Analysis:**

This proposal expands an existing Class 1 misdemeanor to include additional places and circumstances. Pursuant to § 18.2-311.2, a third or subsequent Class 1 misdemeanor weapon violation (defined in Article 4, 5, 6, or 7 of Chapter 7 of Title 18.2) is punishable as a Class 6 felony. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both. Anyone convicted of a Class 6 felony is subject to a term of imprisonment of not less than one year nor more than five years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both. Therefore, this proposal could result in an increase in the number of persons sentenced to jail or prison.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth

currently pays the localities \$5.00 a day for each misdemeanor or otherwise local-responsible prisoner held in a jail and \$15.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails' operating costs, e.g., correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2025), the estimated total state support for local jails averaged \$58.25 per inmate, per day in FY 2024.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to §30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 725, 2025 Acts of Assembly, requires that a minimum impact of \$50,000 be assigned to the bill.
