60 **§ 15.2-914. Regulation of child-care services and facilities in cities and certain counties.**

61 Any (i) county that has adopted the urban county executive form of government or (ii) city may by
62 ordinance provide for the regulation and licensing of persons who provide child-care services for
63 compensation and for the regulation and licensing of child-care facilities. "Child-care services" means
64 provision of regular care, protection and guidance to one or more children not related by blood or marriage
65 while such children are separated from their parent, guardian or legal custodian in a dwelling not the
66 residence of the child during a part of the day for at least four days of a calendar week. "Child-care facilities"
67 includes any commercial or residential structure that is used to provide child-care services.

68 Such local ordinance shall not require the regulation or licensing of any child-care facility that is licensed
69 by the Commonwealth and such ordinance shall not require the regulation or licensing of any facility
70 operated by a religious institution as exempted from licensure by § 22.1-289.031.

71 Except as otherwise provided in this section, such local ordinances shall not be more extensive in scope
72 than comparable state regulations applicable to *family day homes home-based child care*. Such local
73 ordinances may regulate the possession and storage of firearms, ammunition, or components or combination
74 thereof at child-care facilities and may be more extensive in scope than comparable state statutes or
75 regulations applicable to *family day homes home-based child care*. Local regulations shall not affect the
76 manner of construction or materials to be used in the erection, alteration, repair or use of a residential
77 dwelling.

78 Such local ordinances may require that persons who provide child-care services shall provide certification
79 from the Central Criminal Records Exchange and a national criminal background check, in accordance with
80 §§ 19.2-389 and 19.2-392.02, that such persons have not been convicted of any offense involving the sexual

83 certification from the central registry of the Department of Social Services that such persons have not been
84 the subject of a founded complaint of abuse or neglect. If an applicant is denied licensure because of any
85 adverse information appearing on a record obtained from the Central Criminal Records Exchange, the
86 national criminal background check, or the Department of Social Services, the applicant shall be provided a
87 copy of the information upon which that denial was based.

88 **§ 15.2-2292. Zoning provisions for home-based child care.**

89 A. Zoning ordinances for all purposes shall consider a *family day home home-based child care* as defined
90 in § 22.1-289.02, serving one through four children, exclusive of the provider's own children and any children
91 who reside in the home as residential occupancy by a single family. No conditions more restrictive than those
92 imposed on residences occupied by persons related by blood, marriage, or adoption shall be imposed upon
93 such a home. Nothing in this section shall apply to any county or city which is subject to § 15.2-741 or
94 15.2-914.

95 B. A local governing body may by ordinance allow a zoning administrator to use an administrative
96 process to issue zoning permits for a *family day home home-based child care*, as defined in § 22.1-289.02,
97 serving five through 12 children, exclusive of the provider's own children and any children who reside in the
98 home. The ordinance may contain such standards as the local governing body deems appropriate and shall
99 include a requirement that notification be sent by registered or certified letter to the last known address of
100 each adjacent property owner. If the zoning administrator receives no written objection from a person so
101 notified within 30 days of the date of sending the letter and determines that the *family day home home-based*
102 *child care* otherwise complies with the provisions of the ordinance and all other applicable local ordinances,
103 the zoning administrator shall issue the permit sought. If the zoning administrator receives a written objection
104 from a person so notified within 30 days of the date of sending the letter and determines that the *family day*
105 *home home-based child care* otherwise complies with the provisions of the ordinance, the zoning
106 administrator shall consider such objection and may (i) issue or deny the permit sought or (ii) if required by
107 the ordinance, refer the permit to the local governing body for consideration. The ordinance shall provide a
108 process whereby an applicant for a *family day home home-based child care* that is denied a permit through
109 the administrative process may request that its application be considered after a hearing following public
110 notice as provided in § 15.2-2204. Upon such hearing, the local governing body may, in its discretion,
111 approve the permit, subject to such conditions as agreed upon by the applicant and the locality, or deny the
112 permit. The provisions of this subsection shall not prohibit a local governing body from exercising its
113 authority, if at all, under subdivision A 3 of § 15.2-2286.

114 **§ 18.2-371.1. Abuse and neglect of children; penalties; abandoned infant.**

123 B. 2. If a prosecution under this subsection is based solely on the accused parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense to prosecution of a parent under this subsection that such parent safely delivered the child within the first 30 days of the child's life to (i) a hospital that provides 24-hour emergency services, (ii) an attended emergency medical services agency that employs emergency medical services personnel, or (iii) a newborn safety device located at and operated by such hospital or emergency medical services agency. 125 C. 2. 126 C. 3. It is an affirmative defense to prosecution for a violation of this subsection if the parent, guardian, or other person responsible for the care of a child caused or enabled such child to gain possession of a firearm while in a dwelling because of a reasonable belief that he or such child was in imminent danger of bodily injury.

127 D. Any parent, guardian, or other person having care, custody, or control of a minor child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall not, for that reason alone, be considered in violation of this section.

700 A. Notwithstanding any other provision of law, neither parent, regardless of whether such parent has
701 custody, shall be denied access to the academic or health records or records of a child day center or ~~family~~

710 record, the health care entity denying the request shall comply with the provisions of subsection F of
711 § 32.1-127.1:03. The minor or his parent, either or both, shall have the right to have the denial reviewed as
712 specified in subsection F of § 32.1-127.1:03 to determine whether to make the minor's health record available
713 to the requesting parent.

714 C. For the purposes of this section, the terms "health record" or the plural thereof and "health care entity"
715 mean the same as those terms are defined in subsection B of § 32.1-127.1:03 and the terms "child day center"
716 and "~~family day home~~ *home-based child care*" mean the same as those terms are defined in § 63.2-100
717 22.1-289.02.

718 **§ 22.1-289.02. Definitions.**

719 As used in this chapter, unless the context requires a different meaning:

720 "Child day center" means a child day program offered to (i) two or more children under the age of 13 in a
721 facility that is not the residence of the provider or of any of the children in care or (ii) 13 or more children at
722 any location.

723 "Child day program" means a regularly operating service arrangement for children where, during the
724 absence of a parent or guardian, a person or organization has agreed to assume responsibility for the
725 supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period.

726 "Early childhood care and education entity" means a child day center, ~~family day home~~ *home-based child*
727 *care*, or ~~family day home~~ *home-based child care* system serving children under the age of five.

728 "Family day home" means a child day program offered in the residence of the provider or the home of any
729 of the children in care for one through 12 children under the age of 13, exclusive of the provider's own
730 children and any children who reside in the home, when at least one child receives care for compensation.
731 The provider of a licensed or registered family day home shall disclose to the parents or guardians of children
732 in their care the percentage of time per week that persons other than the provider will care for the children.
733 Family day homes serving five through 12 children, exclusive of the provider's own children and any children
734 who reside in the home, shall be licensed. However, no family day home shall care for more than four
735 children under the age of two, including the provider's own children and any children who reside in the home,
736 unless the family day home is licensed or voluntarily registered. However, a family day home where the
737 children in care are all related to the provider by blood or marriage shall not be required to be licensed.

738 "Family day system" means any person who approves family day homes as members of its system; who
739 refers children to available family day homes in that system; and who, through contractual arrangement, may
740 provide central administrative functions including, but not limited to, training of operators of member homes;

741 technical assistance and consultation to operators of member homes; inspection, supervision, monitoring, and
 742 evaluation of member homes; and referral of children to available health and social services.

743 "Head Start provider" means a public or private, nonprofit or for-profit organization or agency, including
 744 any community-based organization, as such term is defined in 20 U.S.C. § 7801, to which a grantee has
 745 delegated all or part of the responsibility of the grantee for operating a Head Start program.

746 "*Home-based child care*" means a child day program offered in the residence of the provider or the home
 747 of any of the children in care for one through 12 children under the age of 13, exclusive of the provider's own
 748 children and any children who reside in the home, when at least one child receives care for compensation.
 749 The provider of licensed or registered home-based child care shall disclose to the parents or guardians of
 750 children in their care the percentage of time per week that persons other than the provider will care for the
 751 children. Home-based child care in which five through 12 children are served, exclusive of the provider's
 752 own children and any children who reside in the home, shall be licensed. However, no more than four
 753 children under the age of two shall be served in home-based child care, including the provider's own children
 754 and any children who reside in the home, unless the home-based child care is licensed or voluntarily
 755 registered. However, home-based child care where the children in care are all related to the provider by
 756 blood or marriage shall not be required to be licensed.

757 "*Home-based child care system*" means any person who approves providers of home-based child care as
 758 members of its system; who refers children to available home-based child care in that system; and who,
 759 through contractual arrangement, may provide central administrative functions including the training of
 760 operators of member homes; technical assistance and consultation to operators of member homes;

767 "Publicly funded provider" means any (i) educational program provided by a school division or local
 768 government to children between birth and age five or (ii) child day program that receives state or federal
 769 funds in support of its operations that serves three or more unrelated children. "Publicly funded provider"
 770 does not include any program for which the sole source of public funding is (a) the federal Child and Adult
 771 Care Food Program (CACFP) administered by the U.S. Department of Agriculture Food and Nutrition
 772 Service or (b) financial assistance for military child care pursuant to 10 U.S.C. § 1798 and that is accredited
 773 by a U.S. Department of Defense-approved national accrediting body. Any program described in clause (b)
 774 shall subsequently be considered a publicly funded provider if each child for whom such program receives
 775 such financial assistance for military child care either disenrolls from or ages out of such program.

833 weekend trainings provided by the Navigator and (ii) received incentive payments for first achieving
834 voluntary registration or licensure or participating in VQB5.

835 § 22.1-289.06. Confidential records and information; penalty.

836 A. The records, information, and statistical registries of the Department and of all child day programs and
837 *family day home-based child care* systems concerning services to or on behalf of individuals shall be

 891 as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an
 892 association, partnership, limited liability company, or corporation, the names and addresses of its officers and
 893 agents. The application shall also contain a description of the activities proposed to be engaged in and the
 894 facilities and services to be employed, together with other pertinent information as the Superintendent may
 895 require.

896 C. The licenses shall be issued on forms prescribed by the Superintendent. Any two or more licenses may
 897 be issued for concurrent operation of more than one child day program or *family day home-based child care*
 898 system, but each license shall be issued upon a separate form. Each license for a *family day home-based

 904 redistribute the workload for greater efficiency in staff utilization.

905 E. Each license shall indicate the maximum number of persons who may be cared for in the child day
 906 program or *family day home-based child care* system for which it is issued.

907 F. The license and any other documents required by the Superintendent shall be posted in a conspicuous
 908 place on the licensed premises.

 915 child care* to which a business license was issued.

916 **§ 22.1-289.014. Variances.**

917 The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a
 918 licensee or applicant for licensure as a child day program or *family day home-based child care* system has
 919 demonstrated that the implementation of a regulation would impose a substantial financial or programmatic
 920 hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The
 921 Superintendent shall review each allowable variance at least annually. At a minimum, this review shall
 922 address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions
 923 attached, and the continuing need for the allowable variance.

924 **§ 22.1-289.015. Voluntary registration of home-based child care; inspections; investigation upon

967 reports, technical assistance, consultation, training, monitoring, and random inspections.

968 E. The scope of services in contracts shall include:

978 F. The contract organization, upon determining that a *family day home home-based child care* has
979 satisfied the requirements of the regulations for voluntarily registered *family day homes home-based child*
980 *care*, shall certify the home as eligible for registration on forms prescribed by the Superintendent. The
981 Superintendent, upon determining that certification has been properly issued, may register the *family day*
982 *home home-based child care*.

983 G. The provisions of this section shall not apply to any *family day home home-based child care* located in
984 a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of

 991 regulated by the Department and referring parents to a website maintained by the Department for additional
 992 information regarding licensed, registered, and unlicensed, unregistered *family day homes home-based child*
 993 *care*. The provisions of this section shall not apply to an unlicensed, unregistered *family day home home-*

§ 22.1-289.018. Inspections and interviews.

A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable opportunity to inspect all of their facilities, books and records, and to interview their agents and employees and any person living or participating in such facilities, or under their custody, control, direction, or supervision. Interviews conducted pursuant to this section with persons living or participating in a facility operated by or under the custody, control, direction, or supervision of an applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

B. All licensed child day programs and *family day home-based child care* systems shall be inspected not less than twice annually, and one of those inspections shall be unannounced.

C. The activities, services, and facilities of each applicant for renewal of his license as a child day program or *family day home-based child care* system shall be subject to an inspection or examination by the Superintendent to determine if he is in compliance with current regulations of the Board.

D. The Superintendent may authorize such other announced or unannounced inspections as the Superintendent considers appropriate.

§ 22.1-289.019. Inspections of child day programs and home-based child care systems; prioritization.

The Superintendent shall prioritize inspections of child day programs and *family day home-based child care* systems in the following order: (i) inspections conducted in response to a complaint involving a licensed, registered, license-exempt, or unlicensed child day program or *family day home-based child care* system; (ii) inspections of licensed or registered child day programs and *family day home-based child care* systems that are not conducted in response to a complaint; (iii) inspections of license-exempt or unlicensed child day programs and *family day home-based child care* systems that have entered into a contract with the Department or its agents or designees or a local department of social services to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license-exempt and unlicensed child day programs and *family day home-based child care* systems that are not conducted in response to a complaint.

§ 22.1-289.021. Records and reports.

Every licensed or registered child day program and *family day home-based child care* system shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

§ 22.1-289.022. Enforcement and sanctions; child day programs and home-based child care systems; revocation and denial.

A. The Superintendent may revoke or deny the renewal of the license of any child day program or *family day home-based child care* system that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

B. Pursuant to the procedures set forth in subsection C, and in addition to the authority for other disciplinary actions provided in this title, the Superintendent may issue a notice of summary suspension of the license of any child day program or *family day home-based child care* system, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the child day program or *family day home-based child care* system that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care, and the Superintendent believes the operation of the child day program or *family day home-based child care* system should be suspended during the pendency of such proceeding.

C. A notice of summary suspension issued by the Superintendent to a child day program or *family day home-based child care* system shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this subsection; (iii) facts and evidence that formed the basis for the summary suspension; and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the child day program or *family day home-based child care* system or its designee as soon as practicable thereafter by personal service or certified mail, return receipt

1051 requested, to the address of record of the child day program or *family day home-based child care* system.

1052 The summary suspension hearing shall be presided over by a hearing officer selected by the
1053 Superintendent from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be
1054 held as soon as practicable, but in no event later than 15 business days following service of the notice of
1055 summary suspension; however, the hearing officer may grant a written request for a continuance, not to
1056 exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the
1057 hearing officer shall provide to the Superintendent written findings and conclusions, together with a
1058 recommendation as to whether the license should be summarily suspended.

1059 Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation,
1060 the Superintendent may issue a final order of summary suspension or an order that such summary suspension
1061 is not warranted by the facts and circumstances presented. The Superintendent shall adopt the hearing
1062 officer's recommended decision unless to do so would be an error of law or Department policy. In the event
1063 that the Superintendent rejects the hearing officer's findings, conclusions, or recommendation, the
1064 Superintendent shall state with particularity the basis for rejection. In issuing a final order of summary
1065 suspension, the Superintendent may choose to suspend the license of the child day program or *family day*
1066 *home-based child care* system or to suspend only certain authority of the child day program or *family day*
1067 *home-based child care* system to operate, including the authority to provide certain services or perform
1068 certain functions that the Superintendent determines should be restricted or modified in order to protect the
1069 health, safety, or welfare of the children receiving care. A final order of summary suspension shall include
1070 notice that the licensee may appeal the Superintendent's decision to the appropriate circuit court no later than
1071 10 days following service of the order. The sole issue before the court shall be whether the Superintendent
1072 had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent
1073 revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be
1074 affected by the outcome of any hearing on the appropriateness of the summary suspension.

1075 A copy of any final order of summary suspension shall be prominently displayed by the child day
1076 program or *family day home-based child care* system at each public entrance of the facility, or in lieu thereof,
1077 the child day program or *family day home-based child care* system may display a written statement
1078 summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface,
1079 and identifying the location within the facility where the final order of summary suspension may be reviewed.

1080 The willful and material failure to comply with the final order of summary suspension constitutes a
1081 violation of subdivision 3 of § 22.1-289.027.

1082 The provisions of this subsection shall not apply to any child day program or *family day home-based child*
1083 *care* system operated by an agency of the Commonwealth, which shall instead be governed by the provisions
1084 of subsection D.

1085 D. Whenever the Superintendent issues a summary order of suspension of the license to operate a child
1086 day program or *family day home-based child care* system operated by an agency of the Commonwealth:

1087 1. Before such summary order of suspension shall take effect, the Superintendent shall issue to the child
1088 day program or *family day home-based child care* system a notice of summary order of suspension setting
1089 forth (i) the procedures for a hearing and right of review as provided in this section and (ii) facts and evidence
1090 that formed the basis on which the summary order of suspension is sought. Such notice shall be served on the
1091 licensee or its designee as soon as practicable thereafter by personal service or certified mail, return receipt
1092 requested, to the address of record of the licensee. The notice shall state the time, date, and location of a
1093 hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three
1094 business days after the issuance of the notice of the summary order of suspension and shall be convened by
1095 the Superintendent or his designee. After such hearing, the Superintendent may issue a final order of
1096 summary suspension or may find that such summary suspension is not warranted by the facts and
1097 circumstances presented.

1098 2. A final order of summary suspension shall include notice that the licensee may request, in writing and
1099 within three business days after receiving the Superintendent's decision, that the Superintendent refer the
1100 matter to the Secretary of Education for resolution within three business days of the referral. Any
1101 determination by the Secretary shall be final and not subject to judicial review. If the final order of summary
1102 suspension is upheld, it shall take effect immediately, and a copy of the final order of summary suspension
1103 shall be prominently displayed by the licensee at each public entrance of the facility. Any concurrent
1104 revocation, denial, or other proceedings shall not be affected by the outcome of any determination by the
1105 Secretary.

1106 **§ 22.1-289.023. Enforcement and sanctions; special orders; civil penalties.**

1107 A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the
1108 Superintendent may issue a special order (i) for violation of any of the provisions of this chapter,
1109 § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects,
1110 or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii)
1111 for permitting, aiding, or abetting the commission of any illegal act in a child day program or *family day*
1112 *home-based child care* system. Notice of the Superintendent's intent to take any of the actions enumerated in

1113 subdivisions B 1 through 6 shall be provided by the Department, and a copy of such notice shall be posted in
 1114 a prominent place at each public entrance of the licensed premises to advise consumers of serious or
 1115 persistent violations. The issuance of a special order shall be considered a case decision as defined in
 1116 § 2.2-4001. Actions set forth in subsection B may be appealed by (a) a child day program or *family day*
 1117 *home-based child care* system operated by an agency of the Commonwealth in accordance with
 1118 § 22.1-289.025 or (b) any other child day program or *family day home-based child care* system in accordance
 1119 with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority
 1120 to impose civil penalties in conjunction with the issuance of special orders.

1121 B. The Superintendent may take the following actions regarding child day programs and *family day home-*
 1122 *based child care* systems through the issuance of a special order and may require a copy of the special order
 1123 provided by the Department to be posted in a prominent place at each public entrance of the licensed
 1124 premises to advise consumers of serious or persistent violations:

1125 1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the
 1126 terms of its license and that the health and safety of children are at risk;

1127 2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the
 1128 licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary
 1129 restriction of its scope of service;

1130 3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee,
 1131 when the Superintendent concludes that the lack of such training has led directly to violations of regulations;

1132 4. Assess civil penalties of not more than \$500 per inspection upon finding that the child day program or
 1133 *family day home-based child care* system is substantially out of compliance with the terms of its license and
 1134 the health and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this
 1135 subdivision on any child day program or *family day home-based child care* system operated by an agency of
 1136 the Commonwealth;

1137 5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health
 1138 and safety violations; and

1139 6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the
 1140 regulations from receiving public funds.

1141 C. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.024. Appeal from refusal, denial of renewal, or revocation of license.

1142 A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a
 1143 child day program or *family day home-based child care* system operated by an agency of the Commonwealth,
 1144 the provisions of § 22.1-289.025 shall apply. Whenever the Superintendent refuses to issue a license or to
 1145 renew a license or revokes a license for any child day program or *family day home-based child care* system
 1146 other than a child day program or *family day home-based child care* system operated by an agency of the
 1147 Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that
 1148 all appeals from notice of the Superintendent's intent to refuse to issue or renew, or revoke a license shall be
 1149 received in writing from the child day program or *family day home-based child care* system operator within
 1150 15 days of the date of receipt of the notice. Judicial review of a final review agency decision shall be in
 1151 accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the
 1152 Supreme Court or the Court of Appeals.

1153 B. In every appeal to a court of record, the Superintendent shall be named defendant.

1154 C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for
 1155 operation without a license.

1156 D. When issuance or renewal of a license for a child day program or *family day home-based child care*
 1157 system has been refused by the Superintendent, the applicant shall not thereafter for a period of six months
 1158 apply again for such license unless the Superintendent in his sole discretion believes that there has been such
 1159 a change in the conditions on account of which he refused the prior application as to justify considering the
 1160 new application. When an appeal is taken by the applicant pursuant to subsection A, the six-month period
 1161 shall be extended until a final decision has been rendered on appeal.

**§ 22.1-289.025. Right to appeal notice of intent; child day programs and home-based child care
 1164 systems operated by agencies of the Commonwealth.**

1165 Any child day program or *family day home-based child care* system operated by an agency of the
 1166 Commonwealth shall have the right to appeal any notice of intent as follows:

1167 1. Within 30 days after receiving a notice of intent to impose a sanction, the licensee shall request in
 1168 writing that the Superintendent review the intended agency action and may submit, together with such
 1169 request, relevant information, documentation, or other pertinent data supporting its appeal. The
 1170 Superintendent shall issue a decision within 60 days after receiving the request and shall have the authority to
 1171 uphold the sanction or take whatever action he deems appropriate to resolve the controversy.

1172 2. If the child day program or *family day home-based child care* system disputes the Superintendent's
 1173 decision, the licensee shall request, within 30 days of receiving the Superintendent's decision, that the
 1174 Superintendent refer the matter to the Secretary of Education. The Secretary shall issue a decision within 60

1175 days of receiving the request for review. The Secretary's decision shall be final and shall not be subject to
1176 review.

1178 Any circuit court having jurisdiction in the county or city where the principal office of any child day
1179 program or ~~family day~~ *home-based child care* system is located shall, at the suit of the Superintendent, have
1180 jurisdiction to enjoin its operation without a license required by this chapter.

1181 § 22.1-289.027. Offenses; penalty.

1182 Any person, and each officer and each member of the governing board of any association or corporation
1183 that operates a child day program or ~~family day~~ *home-based child care* system, shall be guilty of a Class 1

1193 Department for renewal prior to the expiration date of the license. Every day's violation of this subdivision
1194 shall constitute a separate offense; or

1566 It shall be unlawful for any person to operate a *family day home home-based child care* if he, or if he
1567 knows that any other person who resides in, is employed by, or volunteers in the home, has been convicted of
1568 a felony in violation of § 18.2-48, 18.2-61, 18.2-63, 18.2-64.1, 18.2-67.1, 18.2-67.2, 18.2-67.3, 18.2-67.5,
1569 18.2-355, 18.2-361, 18.2-366, 18.2-369, 18.2-370, 18.2-370.1, 18.2-371.1, or 18.2-374.1, has been convicted
1570 of any offense that requires registration on the Sex Offender and Crimes Against Minors Registry pursuant to
1571 § 9.1-902, or is the subject of a founded complaint of child abuse or neglect within or outside the
1572 Commonwealth. A violation of this section is punishable as a Class 1 misdemeanor.

1573 **§ 22.1-289.042. Establishment of toll-free telephone line for complaints; investigation on receipt of
1574 complaints.**

1575 With such funds as are appropriated for this purpose, the Superintendent shall establish a toll-free
1576 telephone line to respond to complaints regarding operations of child day programs or *family day home-based*
1577 *child care* systems. Upon receipt of a complaint concerning the operation of a child day program or *family*
1578 *day home-based child care* system, regardless of whether the program is subject to licensure, the
1579 Superintendent shall, for good cause shown, cause an investigation to be made, including on-site visits as he
1580 deems necessary, of the activities, services, records, and facilities. The child day program or *family day*
1581 *home-based child care* system shall afford the Superintendent reasonable opportunity to inspect all of the
1582 operator's activities, services, records, and facilities and to interview its agents and employees and any child
1583 within its control. Whenever a child day program or *family day home-based child care* system subject to
1584 inspection under this section is determined by the Superintendent to be in noncompliance with the provisions
1585 of this chapter or with regulations adopted pursuant to this chapter, the Superintendent shall give reasonable
1586 notice to the child day program or *family day home-based child care* system of the nature of its
1587 noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the
1588 operation of the child day program or *family day home-based child care* system.

1589 **§ 22.1-289.043. Confidentiality of complainant's identity.**

1590 Whenever the Department conducts inspections and investigations in response to complaints received
1591 from the public, the identity of the complainant and the identity of any child who is the subject of the
1592 complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the
1593 public. Identities of the complainant and child who is the subject of the complaint shall be revealed only if a
1594 court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from
1595 disclosing to the child day program or *family day home-based child care* system the nature of the complaint
1596 or the identity of the child who is the subject of the complaint. Nothing contained herein shall prevent the
1597 Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. If the
1598 Department intends to rely, in whole or in part, on any statements made by the complainant at any
1599 administrative hearing brought against child day program or *family day home-based child care* system, the
1600 Department shall disclose the identity of the complainant to the child day program or *family day home-based*
1601 *child care* system a reasonable time in advance of such hearing.

1602 **§ 22.1-289.044. Retaliation or discrimination against complainants.**

1603 No child day program or *family day home-based child care* system shall retaliate or discriminate in any
1604 manner against any person who (i) in good faith complains or provides information to, or otherwise
1605 cooperates with, the Department or any other agency of government or any person or entity operating under
1606 contract with an agency of government having responsibility for protecting the rights of children in child day
1607 programs and *family day system home-based child care systems*, (ii) attempts to assert any right protected by
1608 state or federal law, or (iii) assists any person in asserting such right.

1609 § 22.1-289.045. Retaliation against reports of child abuse or neglect.

1610 No child day program or *family day home-based child care* system shall retaliate in any manner against
 1611 any person who in good faith reports child abuse or neglect pursuant to Chapter 15 (§ 63.2-1500 et seq.) of
 1612 Title 63.2.

1613 § 22.1-289.046. Regulations for child day programs and home-based child care systems.

1614 A. The Board shall adopt regulations for the activities, services, and facilities to be employed by persons
 1615 and agencies required to be licensed under this chapter; *which that* shall be designed to ensure that such
 1616 activities, services, and facilities are conducive to the welfare of the children under the control of such
 1617 persons or agencies.

1618 Such regulations shall be developed in consultation with representatives of the affected entities and shall
 1619 include matters relating to the sex, age, and number of children and other persons to be maintained or cared
 1620 for, as the case may be, and to the buildings and premises to be used, and reasonable standards for the
 1621 activities, services and facilities to be employed. Such limitations and standards shall be specified in each
 1622 license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or
 1623 doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or
 1624 certification agency.

1625 Such regulations governing child day programs providing care for school-age children at a location that is
 1626 currently approved by the Department or recognized as a private school by the Board for school occupancy
 1627 and that houses a public or private school during the school year shall not (i) prohibit school-age children
 1628 from using outdoor play equipment and areas approved for use by students of the school during school hours
 1629 or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport
 1630 children attending the child day program that are owned by the school, or meals served to such children that
 1631 are prepared by the school.

1632 Such regulations governing orientation and training of child day program staff shall provide that parents
 1633 or other persons who participate in a cooperative preschool center on behalf of a child attending such
 1634 cooperative preschool center, including such parents and persons who are counted for the purpose of
 1635 determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to
 1636 staff of child day programs; however, such regulations may require such parents and persons to complete up
 1637 to four hours of training per year. This orientation and training exemption shall not apply to any parent or
 1638 other person who participates in a cooperative preschool center that has entered into a contract to provide
 1639 child care services funded by the Child Care and Development Block Grant.

1640 B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in
 1641 collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall
 1642 prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et
 1643 seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or
 1644 employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation
 1645 programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral
 1646 Health and Developmental Services.

**1647 § 22.1-289.049. Regulated child day programs to require proof of child identity and age; report to
 1648 law-enforcement agencies.**

1649 A. Upon enrollment of a child in a regulated child day program, such child day program shall require
 1650 information from the person enrolling the child regarding previous child day care and schools attended by the
 1651 child. The regulated child day program shall also require that the person enrolling the child present the
 1652 regulated child day program with the proof of the child's identity and age. The proof of identity, if reproduced
 1653 or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of
 1654 retention. The procedures for the disposal, physical destruction, or other disposition of the proof of identity
 1655 containing social security numbers shall include all reasonable steps to destroy such documents by (i)
 1656 shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them
 1657 unreadable or indecipherable by any means.

1658 B. For purposes of this section:

1659 "Proof of identity" means a certified copy of a birth certificate or other reliable proof of the child's identity
 1660 and age.

1661 "Regulated child day program" is one in which a person or organization has agreed to assume
 1662 responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a
 1663 24-hour period that is licensed pursuant to § 22.1-289.011, voluntarily registered pursuant to § 22.1-289.015,
 1664 certified as a preschool or nursery school program pursuant to § 22.1-289.032, exempted from licensure as a
 1665 child day center operated by a religious institution pursuant to § 22.1-289.031, or approved as a *family day*
 1666 *home-based child care* by a licensed *family day home-based child care* system.

1667 C. If the parent, guardian, or other person enrolling the child in a regulated child day program for longer
 1668 than two consecutive days or other pattern of regular attendance does not provide the information required by
 1669 subsection A within seven business days of initial attendance, such child day program shall immediately
 1670 notify the local law-enforcement agency in its jurisdiction of such failure to provide the requested

HB258E

1671 information.

1672 D. Upon receiving notification of such failure to provide the information required by subsection A, the
1673 law-enforcement agency shall, if available information warrants, immediately submit an inquiry to the
1674 Missing Children Information Clearinghouse and, with the assistance of the local department of social
1675 services, if available information warrants, conduct the appropriate investigation to determine whether the
1676 child is missing.

1677 E. The Board shall adopt regulations to implement the provisions of this section.

1678 **§ 22.1-289.050. Insurance notice requirements for home-based child care; civil penalty.**

1679 A. Any person who operates a *family day home home-based child care* approved by a licensed *family day*
1680 *home-based child care* system, a licensed *family day home home-based child care*, or a voluntarily registered
1681 *family day home home-based child care* shall furnish a written notice to the parent or guardian of each child
1682 under the care of the *family day home home-based child care*, which states whether there is liability
1683 insurance in force to cover the operation of the *family day home home-based child care*, provided that no
1684 person under this section shall state that liability insurance is in place to cover the operation of the *family day*
1685 *home home-based child care*, unless there is a minimum amount of coverage as established by the
1686 Department.

1687 B. Each parent or guardian shall acknowledge, in writing, receipt of such notice. In the event there is no
1688 longer insurance coverage, the person operating the *family day home home-based child care* shall (i) notify
1689 each parent or guardian within 10 business days after the effective date of the change and (ii) obtain written
1690 acknowledgment of such notice. A copy of an acknowledgment required under this section shall be
1691 maintained on file at the *family day home in which home-based child care is provided* at all times while the
1692 child attends the *family day home home-based child care* and for 12 months after the child's last date of
1693 attendance.

1694 C. Any person who fails to give any notice required under this section shall be subject to a civil penalty of
1695 up to \$500 for each such failure.

1696 **§ 22.1-289.055. Public funds to be withheld for serious or persistent violations.**

1697 The Board may adopt policies, as permitted by state and federal law, to restrict the eligibility of a child
1698 day program or *family day home-based child care* system to receive or continue to receive funds when such
1699 agency is found to be in serious or persistent violation of regulations.

1700 **§ 22.1-289.056. Storage of firearms in certain homes in which home-based child care is provided.**

1701 During hours of operation, all firearms in a *family day home in which home-based child care* licensed
1702 pursuant to § 22.1-289.011 or voluntarily registered pursuant to § 22.1-289.011 is provided or in a *family day*
1703 *home in which home-based child care* approved by a *family day home-based child care* system is provided
1704 shall be stored unloaded in a locked container, compartment, or cabinet, and all ammunition shall be stored in
1705 a separate locked container, compartment, or cabinet. The key or combination to such locked containers,
1706 compartments, or cabinets shall be inaccessible to all children in the home.

1707 **§ 22.1-289.059. Possession and administration of an appropriate weight-based dosage of**
1708 **epinephrine by employees.**

1709 A. The Board shall amend its regulations to require each child day center to implement policies for the
1710 possession and administration of epinephrine in every such center to be administered by any nurse at the
1711 center, employee at the center, or employee of a local health department who is authorized by a prescriber
1712 and trained in the administration of epinephrine to any child believed to be having an anaphylactic reaction.
1713 Such policies shall require that at least one school nurse, employee at the center, or employee of a local health
1714 department who is authorized by a prescriber and trained in the administration of epinephrine has the means
1715 to access at all times during regular facility hours any such appropriate weight-based dosage of epinephrine
1716 that is stored in a locked or otherwise generally inaccessible container or area.

1717 B. The Board shall amend its regulations to require each *family day home home-based child care* provider
1718 or at least one other caregiver employed by such provider in the *family day home home-based child care* to
1719 be trained in the administration of epinephrine and to notify the parents of each child who receives care in
1720 such *family day home home-based child care* whether the provider stores an appropriate weight-based dosage
1721 of epinephrine in the residence or home in which the *family day home home-based child care* operates.

1722 **§ 22.1-296.3. Certain private school employees subject to fingerprinting and criminal records**
1723 **checks.**

1724 A. As a condition of employment, the governing boards or administrators of private elementary or
1725 secondary schools that are accredited pursuant to § 22.1-19 shall require any applicant who accepts
1726 employment, whether full time or part time or permanent or temporary, to submit to fingerprinting and to
1727 provide personal descriptive information to be forwarded along with the applicant's fingerprints through the
1728 Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining
1729 criminal history record information regarding such applicant.

1730 The Central Criminal Records Exchange, upon receipt of an applicant's record or notification that no
1731 record exists, shall report to the governing board or administrator, or to a private organization coordinating
1732 such records on behalf of such governing board or administrator pursuant to a written agreement with the

1733 Department of State Police, that the applicant meets the criteria or does not meet the criteria for employment
 1734 based on whether or not the applicant has ever been convicted of any barrier crime as defined in
 1735 § 19.2-392.02.

1736 B. The Central Criminal Records Exchange shall not disclose information to such governing board,
 1737 administrator, or private organization coordinating such records regarding charges or convictions of any
 1738 crimes. If any applicant is denied employment because of information appearing on the criminal history
 1739 record and the applicant disputes the information upon which the denial was based, the Central Criminal
 1740 Records Exchange shall, upon request, furnish the applicant the procedures for obtaining a copy of the
 1741 criminal history record from the Federal Bureau of Investigation. The information provided to the governing
 1742 board, administrator, or private organization coordinating such records shall not be disseminated except as
 1743 provided in this section. A governing board or administrator employing or previously employing a temporary
 1744 teacher or a private organization coordinating such records on behalf of such governing board or
 1745 administrator pursuant to a written agreement with the Department of State Police may disseminate, at the
 1746 written request of such temporary teacher, whether such teacher meets the criteria or does not meet the
 1747 criteria for employment pursuant to subsection A to the governing board or administrator of another
 1748 accredited private elementary or secondary school in which such teacher has accepted employment. Such
 1749 governing board, administrator, or private organization transferring criminal records information pursuant to
 1750 this section shall be immune from civil liability for any official act, decision, or omission done or made in the
 1751 performance of such transfer, when such acts or omissions are taken in good faith and are not the result of
 1752 gross negligence or willful misconduct.

1753 Fees charged for the processing and administration of background checks pursuant to this section shall not
 1754 exceed the actual cost to the state of such processing and administration.

1755 C. The governing board or administrator of a private elementary or secondary school may disclose
 1756 information in records received pursuant to subsection A to the Virginia Council for Private Education (the
 1757 Council) or its authorized designee for purposes of seeking or maintaining accreditation by the Council as
 1758 permitted pursuant to § 22.1-19.

1759 D. The governing board or administrator of a private elementary or secondary school that is accredited
 1760 pursuant to § 22.1-19 that operates a child day program or *family day home-based child care* system
 1761 regulated by the Department pursuant to Chapter 14.1 (§ 22.1-289.02 et seq.) shall accept evidence of a
 1762 background check in accordance with § 22.1-289.035 for individuals who are required to undergo a
 1763 background check in accordance with that section as a condition of employment in lieu of the background
 1764 check required by subsection A.

1765 E. The governing boards or administrators of private elementary and secondary schools that are accredited
 1766 pursuant to § 22.1-19 shall adopt and implement policies prohibiting any individual who is a governing board
 1767 member, administrator, employee, contractor, or agent of a private elementary or secondary school to assist a
 1768 governing board member, administrator, employee, contractor, or agent of such private elementary or
 1769 secondary school in obtaining a new job if such individual knows or has probable cause to believe that the
 1770 individual seeking new employment engaged in sexual misconduct regarding a minor or student in violation
 1771 of law.

1772 F. For purposes of this section, "governing board" or "administrator" means the unit or board or person
 1773 designated to supervise operations of a system of private schools or a private school accredited pursuant to
 1774 § 22.1-19.

1775 Nothing in this section or § 19.2-389 shall be construed to require any private or religious school that is
 1776 not so accredited to comply with this section.

1777 **§ 32.1-46. Immunization of patients against certain diseases.**

1778 A. The parent, guardian or person standing in loco parentis of each child within this Commonwealth shall
 1779 cause such child to be immunized in accordance with the Immunization Schedule developed and published by
 1780 the Centers for Disease Control and Prevention (CDC), Advisory Committee on Immunization Practices
 1781 (ACIP), the American Academy of Pediatrics (AAP), and the American Academy of Family Physicians
 1782 (AAFP). The required immunizations for attendance at a public or private elementary, middle, or secondary
 1783 school, *a child care center, a nursery school, family day care home-based child care, or a* developmental center shall be those set forth in the State Board of Health Regulations for the Immunization
 1784 of School Children. The Board's regulations shall at a minimum require:

1785 1. A minimum of three properly spaced doses of hepatitis B vaccine (HepB).

1786 2. A minimum of three or more properly spaced doses of diphtheria toxoid. One dose shall be
 1787 administered on or after the fourth birthday.

1788 3. A minimum of three or more properly spaced doses of tetanus toxoid. One dose shall be administered
 1789 on or after the fourth birthday.

1790 4. A minimum of three or more properly spaced doses of acellular pertussis vaccine. One dose shall be
 1791 administered on or after the fourth birthday. A booster dose shall be administered prior to entry into the
 1792 seventh grade.

1793 5. Two or three primary doses of Haemophilus influenzae type b (Hib) vaccine, depending on the

ENGROSSED

HB258E

1795 manufacturer, for children up to 60 months of age.

1796 6. Two properly spaced doses of live attenuated measles (rubeola) vaccine. The first dose shall be
1797 administered at age 12 months or older.

1798 7. One dose of live attenuated rubella vaccine shall be administered at age 12 months or older.

1799 8. One dose of live attenuated mumps vaccine shall be administered at age 12 months or older.

1800 9. Two properly spaced doses of varicella vaccine. The first dose shall be administered at age 12 months
1801 or older.

1802 10. Three or more properly spaced doses of oral polio vaccine (OPV) or inactivated polio vaccine (IPV).
1803 One dose shall be administered on or after the fourth birthday. A fourth dose shall be required if the three
1804 dose primary series consisted of a combination of OPV and IPV.

1805 11. One to four doses, dependent on age at first dose, of properly spaced pneumococcal conjugate (PCV)
1806 vaccine for children up to 60 months of age.

1807 12. Two doses of properly spaced human papillomavirus (HPV) vaccine. The first dose shall be
1808 administered before the child enters the seventh grade.

1809 13. Two or three properly spaced doses of rotavirus vaccine, depending on the manufacturer, for children
1810 up to eight months of age.

1811 14. Two properly spaced doses of hepatitis A vaccine (HAV). The first dose shall be administered at age
1812 12 months or older.

1813 15. Two properly spaced doses of meningococcal conjugate vaccine (MenACWY). The first dose shall be
1814 administered prior to entry to seventh grade. The second dose shall be administered prior to entry to twelfth
1815 grade.

1816 The parent, guardian or person standing in loco parentis may have such child immunized by a physician, a
1817 physician assistant, an advanced practice registered nurse, a registered nurse, or a licensed practical nurse, or
1818 a pharmacist who administers pursuant to a valid prescription, or may present the child to the appropriate
1819 local health department, which shall administer the vaccines required by the State Board of Health
1820 Regulations for the Immunization of School Children without charge to the parent or person standing in
1821 loco parentis to the child if (i) the child is eligible for the Vaccines for Children Program or (ii) the child is
1822 eligible for coverages issued pursuant to Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq.
1823 (Medicare), Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq. (Medicaid), Title XXI of the
1824 Social Security Act, 42 U.S.C. § 1397aa et seq. (CHIP), or 10 U.S.C. § 1071 et seq. (CHAMPUS). In all
1825 cases in which a child is covered by a health carrier, Medicare, Medicaid, CHIP, or CHAMPUS, the
1826 Department shall seek reimbursement from the health carrier, Medicare, Medicaid, CHIP, or CHAMPUS for
1827 all allowable costs associated with the provision of the vaccine. For the purposes of this section, the
1828 Department shall be deemed a participating provider with a managed care health insurance plan as defined in
1829 § 32.1-137.1.

1830 B. A physician, a physician assistant, an advanced practice registered nurse, a registered nurse, a licensed
1831 practical nurse, a pharmacist, or a local health department administering a vaccine required by this section
1832 shall provide to the person who presents the child for immunizations a certificate that shall state the diseases
1833 for which the child has been immunized, the numbers of doses given, the dates when administered and any
1834 further immunizations indicated.

1835 C. The vaccines required by this section shall meet the standards prescribed in, and be administered in
1836 accordance with, the State Board of Health Regulations for the Immunization of School Children. The State
1837 Board of Health shall amend the State Board of Health Regulations for the Immunization of School Children
1838 as necessary from time to time to maintain conformity with evidence-based, routinely recommended
1839 vaccinations for children. The adoption of such regulations shall be exempt from the requirements of Article
1840 2 (§ 2.2-4006 et seq.) of the Administrative Process Act (§ 2.2-4000 et seq.). However, the Department shall
1841 (i) provide a Notice of Intended Regulatory Action and (ii) provide for a 60-day public comment period prior
1842 to the Board's adoption of the regulations.

1843 D. The provisions of this section shall not apply if:

1844 1. The parent or guardian of the child objects thereto on the grounds that the administration of immunizing
1845 agents conflicts with his religious tenets or practices, unless an emergency or epidemic of disease has been
1846 declared by the Board;

1847 2. The parent or guardian presents a statement from a physician licensed to practice medicine in Virginia,
1848 a licensed advanced practice registered nurse, or a local health department that states that the physical
1849 condition of the child is such that the administration of one or more of the required immunizing agents would
1850 be detrimental to the health of the child; or

1851 3. Because the human papillomavirus is not communicable in a school setting, a parent or guardian, at the
1852 parent's or guardian's sole discretion, may elect for the parent's or guardian's child not to receive the human
1853 papillomavirus vaccine, after having reviewed materials describing the link between the human
1854 papillomavirus and cervical cancer approved for such use by the Board.

1855 E. For the purpose of protecting the public health by ensuring that each child receives age-appropriate
1856 immunizations, any physician, physician assistant, advanced practice registered nurse, licensed institutional

1857 health care provider, or local or district health department, the Virginia Immunization Information System,
 1858 and the Department of Health may share immunization and patient locator information without parental
 1859 authorization, including, but not limited to, the month, day, and year of each administered immunization; the
 1860 patient's name, address, telephone number, birth date, and social security number; and the parents' names.
 1861 The immunization information; the patient's name, address, telephone number, birth date, and social security
 1862 number; and the parents' names shall be confidential and shall only be shared for the purposes set out in this
 1863 subsection.

1864 F. The State Board of Health shall review this section annually and make recommendations for revision
 1865 by September 1 to the Governor, the General Assembly, and the Joint Commission on Health Care.

§ 63.2-603. Eligibility for TANF; childhood immunizations.

1867 An applicant for TANF shall provide verification that all eligible children not enrolled in school, a
 1868 licensed *family day home home-based child care* as defined in § 22.1-289.02, or a licensed child day center
 1869 as defined in § 22.1-289.02, have received immunizations in accordance with § 32.1-46. However, if an
 1870 eligible child has not received immunizations in accordance with § 32.1-46, verification shall be provided at
 1871 the next scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has
 1872 received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's
 1873 age and that the child's physician or the local health department has developed a plan for completing the
 1874 immunizations. Verification of compliance with the plan for completing the immunizations shall be presented
 1875 at subsequent redeterminations of eligibility for TANF.

1876 If necessary, the local department shall provide assistance to the TANF recipient in obtaining verification
 1877 from immunization providers. No sanction may be imposed until the reason for the failure to comply with the
 1878 immunization requirement has been identified and any barriers to accessing immunizations have been
 1879 removed.

1880 Failure by the recipient to provide the required verification of immunizations shall result in a reduction in
 1881 the amount of monthly assistance received from the TANF program until the required verification is
 1882 provided. The reduction shall be \$50 for the first child and \$25 for each additional child for whom
 1883 verification is not provided.

1884 Any person who becomes ineligible for TANF payments as a result of this provision shall nonetheless be
 1885 considered a TANF recipient for all other purposes.

§ 63.2-1506. Family assessments by local departments.

1886 A. A family assessment requires the collection of information necessary to determine:

- 1887 1. The immediate safety needs of the child;
- 1888 2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;
- 1889 3. Risk of future harm to the child;
- 1890 4. Whether the mother of a child who was exposed in utero to a controlled substance sought substance abuse counseling or treatment prior to the child's birth; and
- 1891 5. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services.

1892 B. When a local department has been designated as a child-protective services differential response
 1893 system participant by the Department pursuant to § 63.2-1504 and responds to the report or complaint by
 1894 conducting a family assessment, the local department shall:

1895 1. Conduct an immediate family assessment and, if the report or complaint was based upon one of the
 1896 factors specified in subsection B of § 63.2-1509, the local department may file a petition pursuant to
 1897 § 16.1-241.3;

1898 2. Obtain and consider the results of a search of the child abuse and neglect registry for any individual
 1899 who is the subject of a family assessment. The local board shall determine whether the individual has resided
 1900 in another state within at least the preceding five years, and, if he has resided in another state, the local board
 1901 shall request a search of the child abuse and neglect registry or equivalent registry maintained by such state.
 1902 The local board also may obtain and consider, in accordance with regulations of the Board, statewide
 1903 criminal history record information from the Central Criminal Records Exchange for any individual who is
 1904 the subject of a family assessment;

1905 3. Immediately contact the subject of the report and the family of the child alleged to have been abused or
 1906 neglected and give each a written and an oral explanation of the family assessment procedure. The family
 1907 assessment shall be in writing and shall be completed in accordance with Board regulation;

1908 4. Complete the family assessment within 60 days and transmit a report to such effect to the Department
 1909 and to the person who is the subject of the family assessment;

1910 5. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to
 1911 the child and his family. Families have the option of declining the services offered as a result of the family
 1912 assessment. If the family declines the services, the case shall be closed unless the local department
 1913 determines that sufficient cause exists to redetermine the case as one that needs to be investigated. In no
 1914 instance shall a case be redetermined as an investigation solely because the family declines services;

1915 6. Petition the court for services deemed necessary;

1927 report of child abuse or neglect; (iii) the parent or guardian requesting disclosure of the child's location has
1928 legal custody of the child and provides to the local department any records or other information necessary to
1929 verify such custody; (iv) the local department is not aware of any court order, and has confirmed with the
1930 child's other parent or guardian or other person responsible for the care of the child that no court order has
1931 been issued, that prohibits or limits contact by the parent or guardian requesting disclosure of the child's
1932 location with the child, the child's other parent or guardian or other person responsible for the care of the
1933 child, or any member of the household in which the child is located; and (v) disclosure of the child's location
1934 to the parent or guardian will not compromise the safety of the child, the child's other parent or guardian, or
1935 any other person responsible for the care of the child.

1936 C. When a local department has been designated as a child-protective services differential response
1937 agency by the Department, the local department may investigate any report of child abuse or neglect, but the

1946 department shall (a) conduct a family assessment, unless an investigation is required pursuant to this
1947 subsection or other provision of law or is necessary to protect the safety of the child, and (b) develop a plan
1948 of safe care in accordance with federal law, regardless of whether the local department makes a finding of
1949 abuse or neglect.

1950 D. Any individual who is the subject of a family assessment conducted under this section shall notify the
1951 local department prior to changing his place of residence and provide the local department with the address of

1968 where there is no match within the central registry within 10 business days of receipt of such requests. In
1969 cases where there is a match within the central registry regarding applicants for employment, the Department
1970 shall respond to requests made by local departments, local school boards, and governing boards or

1973 The Department shall disclose information in the central registry to the Chairmen of the House and Senate
1974 Committees for Courts of Justice for the purpose of determining if any person being considered for election
1975 to any judgeship has been the subject of any founded complaint of child abuse or neglect.
