ORIGINAL

Bill Number: HB941

Patron: Clark

Bill Title: High school graduation requirements; hands-on bleeding control training.

Bill Summary: Requires the Board of Education to establish as a requirement for graduation from high school hands-on practice of the skills necessary to perform bleeding control using a bleeding control kit, as such term is defined in relevant law.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact resulting from the provisions of this bill. Any impact to local school divisions is indeterminate.

Fiscal Analysis: The Department of Education can absorb any work to update requirements related to this bill. Any impact to local school divisions to provide the required practice is indeterminate.

Other: None
