ORIGINAL

Bill Number: HB1165

Patron: Cole, N.T.

Bill Title: Board of Education; regulations; qualifications of division superintendents.

Bill Summary: Requires the Board of Education to amend its regulation that establishes the qualifications for division superintendents to (i) require the record of each candidate for the list of eligible division superintendents and the renewable division superintendent license under any of the four permitted options to attest to good character and demonstrated ability as an educational administrator and (ii) amend Option IV by requiring the candidate to have (a) completed five years of successful educational experience in a public school or an accredited nonpublic school, two years of which shall have been full-time teaching experience at the preK-12 level and two years of which shall have been in administration and supervision and (b) been recommended by a school board that is interested in employing the individual as division superintendent and that governs a school division with fewer than 2,000 enrolled students.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact as a result of the provisions of this bill. Any impact to local school divisions is indeterminate.

Fiscal Analysis: The Department of Education can absorb any work to update regulations related to the qualifications for division superintendents.

Other: None.
