## HOUSE BILL NO. 225

House Amendments in [ ] - February 6, 2026

*A BILL to amend and reenact § 37.2-311.1 of the Code of Virginia, relating to Marcus Alert Evaluation Task Force creation.*

## Patron Prior to Engrossment—Delegate Hope

Referred to Committee on Health and Human Services

**Be it enacted by the General Assembly of Virginia:**

**1. That § 37.2-311.1 of the Code of Virginia is amended and reenacted as follows:**

**§ 37.2-311.1. Comprehensive crisis system; Marcus alert system; powers and duties of the Department related to comprehensive mental health, substance abuse, and developmental disability crisis services.**

A. As used in this section and §§ 37.2-311.2 through 37.2-311.6, unless the context requires a different meaning:

"Community care team" means a team of mental health service providers, and may include registered peer recovery specialists and law-enforcement officers as a team, with the mental health service providers leading such team, to help stabilize individuals in crisis situations. Law enforcement may provide backup support as needed to a community care team in accordance with the protocols and best practices developed pursuant to § 9.1-193. In addition to serving as a co-response unit, community care teams may, at the discretion of the employing locality, engage in community mental health awareness and services.

"Comprehensive crisis system" means the continuum of care established by the Department of Behavioral Health and Developmental Services pursuant to this section.

"Crisis call center" means a call center that provides crisis intervention that meets NSPL standards for risk assessment and engagement and the requirements of § 37.2-311.2.

"Crisis stabilization center" means a facility providing short-term (under 24 hours) observation and crisis stabilization services to all referrals in a home-like, nonhospital environment.

"Fund" means the Crisis Call Center Fund established under § 37.2-311.4.

"Historically economically disadvantaged community" means the same as that term is defined in § 56-576.

"Mental health awareness response and community understanding services alert system" or "Marcus alert system" means a set of protocols to (i) initiate a behavioral health response to a behavioral health crisis, including for individuals experiencing a behavioral health crisis secondary to mental illness, substance abuse, developmental disabilities, or any combination thereof; (ii) divert such individuals to the behavioral health or developmental services system whenever feasible; and (iii) facilitate a specialized response in accordance with § 9.1-193 when diversion is not feasible.

"Mobile crisis response" means the provision of professional, same-day intervention for children or adults who are experiencing crises and whose behaviors are consistent with mental illness or substance abuse, or both, including individuals experiencing a behavioral health crisis that is secondary to mental illness, substance abuse, developmental or intellectual disability, brain injury, or any combination thereof. "Mobile crisis response" may be provided by a community care team or a mobile crisis team, and a locality may establish either or both types of teams to best meet its needs.

"Mobile crisis team" means a team of one or more qualified or licensed mental health professionals and may include a registered peer recovery specialist or a family support partner. A law-enforcement officer shall not be a member of a mobile crisis team, but law enforcement may provide backup support as needed to a mobile crisis team in accordance with the protocols and best practices developed pursuant to § 9.1-193.

"NSPL" or "National Suicide Prevention Lifeline" means the national suicide prevention and mental health crisis hotline established by the federal government in accordance with 42 U.S.C. § 290bb—36c to provide a national network of crisis centers linked by a toll-free number to route callers in suicidal crisis or emotional distress to the closest certified local crisis center.

"NSPL Administrator" means the entity designated by the federal government to administer the NSPL. [DRAFT, see also [§ 54.1-2500](#)]

"Registered peer recovery specialist" means the same as such term is defined in § 54.1-3500.

"SAMHSA" or "Substance Abuse and Mental Health Services Administration" means the agency within the U.S. Department of Health and Human Services that leads federal behavioral health efforts.

B. The Department shall have the following duties and responsibilities for the provision of crisis services and support for individuals with mental illness, substance abuse, developmental or intellectual disabilities, or brain injury who are experiencing a crisis related to mental health, substance abuse, or behavioral support needs:

59       1. The Department shall develop a comprehensive crisis system, with such funds as may be appropriated  
60 for such purpose, based on national best practice models and composed of a crisis call center, community  
61 care and mobile crisis teams, crisis stabilization centers, and the Marcus alert system. In addition to all  
62 requirements under this section, the crisis call center shall meet the requirements of § 37.2-311.2.

63       2. By July 1, 2021, the Department, in collaboration with the Department of Criminal Justice Services and  
64 law-enforcement, mental health, behavioral health, developmental services, emergency management, brain  
65 injury, and racial equity stakeholders, shall develop a written plan for the development of a Marcus alert  
66 system. Such plan shall (i) inventory past and current crisis intervention teams established pursuant to Article  
67 13 (§ 9.1-187 et seq.) of Chapter 1 of Title 9.1 throughout the Commonwealth that have received state  
68 funding; (ii) inventory the existence, status, and experiences of community services board mobile crisis teams  
69 and crisis stabilization units; (iii) identify any other existing cooperative relationships between community  
70 services boards and law-enforcement agencies; (iv) review the prevalence of crisis situations involving  
71 mental illness or substance abuse, or both, including individuals experiencing a behavioral health crisis that is  
72 secondary to mental illness, substance abuse, developmental or intellectual disability, brain injury, or any  
73 combination thereof; (v) identify state and local funding of emergency and crisis services; (vi) include  
74 protocols to divert calls from the 9-1-1 dispatch and response system to a crisis call center for risk assessment  
75 and engagement, including assessment for mobile crisis or community care team dispatch; (vii) include  
76 protocols for local law-enforcement agencies to enter into memorandums of agreement with mobile crisis  
77 response providers regarding requests for law-enforcement backup during a mobile crisis or community care  
78 team response; (viii) develop minimum standards, best practices, and a system for the review and approval of  
79 protocols for law-enforcement participation in the Marcus alert system set forth in § 9.1-193; (ix) assign  
80 specific responsibilities, duties, and authorities among responsible state and local entities; and (x) assess the  
81 effectiveness of a locality's or area's plan for community involvement, including engaging with and providing  
82 services to historically economically disadvantaged communities, training, and therapeutic response  
83 alternatives.

84       C. 1. No later than December 1, 2021, the Department shall establish five Marcus alert programs and  
85 community care or mobile crisis teams, one located in each of the five Department regions.

86       2. No later than July 1, 2023, the Department shall establish five additional Marcus alert system programs  
87 and community care or mobile crisis teams, one located in each of the five Department regions. Community  
88 services boards or behavioral health authorities that serve the largest populations in each region, excluding  
89 those community services boards or behavioral health authorities already selected under subdivision 1, shall  
90 be selected for programs under this subdivision.

91       3. The Department shall establish additional Marcus alert systems and community care teams in  
92 geographical areas served by a community services board or behavioral health authority by July 1, 2024; July  
93 1, 2025; and July 1, 2026. No later than July 1, 2028, all community services board and behavioral health  
94 authority geographical areas shall have established a Marcus alert system that uses a community care or  
95 mobile crisis team.

96       4. All community care teams and mobile crisis teams established under this section shall meet the  
97 standards set forth in § 37.2-311.3.

98       D. *The Department shall convene a Marcus Alert Evaluation Task Force, as described in the written plan  
99 developed pursuant to subdivision B 2, at least semi-annually. Staffing support for such Task Force shall be  
100 provided by the Department. [ Notwithstanding the written plan developed pursuant to subdivision B 2, the  
101 Department shall have the authority to adjust and update the Task Force membership. ]*

102       E. *The Department, in collaboration with the Marcus Alert Evaluation Task Force, shall report annually  
103 by November 15 to the Governor and the Chairman Chairs of the House Committees for Courts of Justice  
104 and on Health and Human Services, the Senate Committees for Courts of Justice and on Education and  
105 Health, and the Behavioral Health Commission regarding the comprehensive crisis system and the  
106 effectiveness of such system in meeting the goals set forth in this section. The report shall include, for the  
107 previous calendar year, (i) a description of approved local Marcus alert programs in the Commonwealth,  
108 including the number of such programs operating in the Commonwealth, the number of such programs added  
109 in the previous calendar year, and an analysis of how such programs work to connect the Commonwealth's  
110 comprehensive crisis system and mobile crisis response programs; (ii) the number of calls received by the  
111 crisis call center established pursuant to this section; (iii) the number of mobile crisis responses undertaken  
112 by community care teams and mobile crisis teams in the Commonwealth; (iv) the number of mobile crisis  
113 responses that involved law-enforcement backup; (v) the number of crisis incidents and injuries to any parties  
114 involved; (vi) an analysis of the overall operation of any local protocols adopted or programs established  
115 pursuant to § 9.1-193, including any disparities in response and outcomes by race and ethnicity of individuals  
116 experiencing a behavioral health crisis and recommendations for improvement of the programs; (vii) a  
117 description of the overall function of the Marcus alert program and the comprehensive crisis system,  
118 including a description of any successes and any challenges encountered; and (viii) recommendations for  
119 improvement of the Marcus alert system and approved local Marcus alert programs. The report shall also  
120 include (a) a description of barriers to establishment of a local Marcus alert program and community care or*

121 mobile crisis team to provide mobile crisis response in each geographical area served by a community  
122 services board or behavioral health authority in which such program and team has not been established and  
123 (b) a plan for addressing such barriers in order to increase the number of local Marcus alert programs and  
124 community care or mobile crisis teams. The Department of Criminal Justice Services shall assist the  
125 Department in the preparation of the report required by this subsection.
