

Fiscal Impact Statement for Proposed Legislation

Virginia State Corporation Commission

Published: February 3, 2026

Senate Bill 339

Version: Introduced

Patron: Perry

Title: State Corporation Commission; cost allocation proceedings for certain electric utilities.

Summary: Directs the State Corporation Commission to conduct proceedings to review cost allocation among different customer classifications for certain electric utilities. For Dominion Energy and Appalachian Power, the Commission is directed to determine if the cost allocation of transmission costs require customers that are not data centers to unreasonably subsidize the transmission costs attributable to serving customers that are data centers by January 1, 2027. For Dominion Energy, the Commission is directed to determine if the current allocation of generation and distribution costs require customers that are not data centers to unreasonably subsidize the generation and distribution costs attributable to serving customers that are data centers by January 1, 2028.

Effective Date(s): July 1, 2026

Amendment Necessary: ☒ Budget, Item 475
☐ Technical, see *Technical Note* below
☐ None

Fiscal Analysis

Revenue

When considered individually, the SCC can meet this bill's requirements with the adjustments identified in the fiscal impact summary table and within its existing funding authority. If enacted, the SCC will review operational and fiscal impacts of this legislation along with other enacted 2026 electric utility bills to determine implementation.

Expenditures

The SCC will be required to hire a consultant to meet the requirements of this bill.

Change in FTE

None.

Other Comments

None.

Technical Note

None.
