61     granted or if the candidate does not respond to the custodian's request within five business days, the  
62     information shall be redacted. Nothing in this section shall have any bearing upon disclosures required to be

64     to make records or parts of records covered by such exemption privileged under the rules of discovery.

65     B. A candidate shall be permitted to provide the unique identifier assigned to him in the voter registration  
66     system pursuant to subdivision A 1 of § 24.2-404 in place of his residence address on any candidate filing

82     be counted towards the minimum number of signatures required pursuant to this subsection.

83     Each voter signing the petition may provide on the petition the last four digits of his social security  
84     number, if any; however, noncompliance with this requirement shall not be cause to invalidate the voter's

86     The minimum number of signatures of qualified voters required for candidate petitions shall be as  
87     follows:

88     1. For a candidate for the United States Senate, Governor, Lieutenant Governor, or Attorney General,

101     least 1,500 but not more than 3,500 registered voters, 50 signatures; or if from a ward or other district not at  
102     large, 25 signatures;

104     fewer than 1,500 registered voters, no petition shall be required;

105     9. For a candidate for director of a soil and water conservation district created pursuant to Article 3  
106     (§ 10.1-506 *et seq.*) of Chapter 5 of Title 10.1, 25 signatures; and

107     10. For any other candidate, 50 signatures.

108     B. The State Board shall approve uniform standards by which petitions filed by a candidate for office,  
109     other than a party nominee, are reviewed to determine if the petitions contain sufficient signatures of  
110     qualified voters as required in subsection A. *Such standards shall not include a requirement for a candidate  
111     for office to provide his residence address or the unique identifier assigned to the voter in the voter  
112     registration system pursuant to subdivision A 1 of § 24.2-404 on the petition prior to it being filed.*

113     The State Board of Elections, on or before January 1, 2020, shall revise its processes and associated  
114     regulations for reviewing and processing candidate petitions. Such revisions shall provide a process for  
115     checking petition signatures that includes a method for determining if a petition signature belongs to an  
116     individual whose prior registration has been canceled and the reason for such cancellation. The process shall  
117     provide for the tracking of such information associated with each petition. The process shall provide for the  
118     escalation of cases of suspected fraud to the electoral board, the State Board, or the office of the attorney for  
119     the Commonwealth, as appropriate.

120     C. If a candidate, other than a party nominee, does not qualify to have his name appear on the ballot by  
121     reason of the candidate's filed petition not containing the minimum number of signatures of qualified voters

122 for the office sought, the candidate may appeal that determination within five calendar days of the issuance of  
 123 the notice of disqualification pursuant to § 24.2-612 or notice from the State Board that the candidate did not  
 124 meet the requirements to have his name appear on the ballot.

125 Appeals made by candidates for a county, city, or town office shall be filed with the electoral board.  
 126 Appeals made by candidates for all other offices shall be filed with the State Board. The appeal shall be heard  
 127 by the State Board or the electoral board, as appropriate, within five business days of its filing. The electoral  
 128 board shall notify the State Board of any appeal that is filed with the electoral board.

129 The State Board shall develop procedures for the conduct of such an appeal. The consideration on appeal  
 130 shall be limited to whether or not the signatures on the petitions that were filed were reasonably rejected  
 131 according to the requirements of this title and the uniform standards approved by the State Board for the  
 132 review of petitions. Immediately after the conclusion of the appeal hearing, the entity conducting the appeal  
 133 shall notify the candidate and, if applicable, the State Board, of its decision in writing. The decision on appeal  
 134 shall be final and not subject to further appeal.

135 **§ 24.2-676. Secretary to make out and deliver certificate of election.**

136 Immediately after the electoral board has determined the election results, the secretary shall make out  
 137 certificates of election for each county, city, town, or district office other than an office shared by more than  
 138 one county or city, or any combination thereof. The secretary shall make out the certificate for each of the  
 139 persons who has the highest number of votes for the office, who has sufficient votes to be elected to a  
 140 multi-member office, or, in case of a tie, who has been decided by lot to be elected. The secretary, or another  
 141 board member or registrar designated by the secretary, shall deliver in person or the secretary shall transmit

 150 the election of a member of the United States Congress, it shall also forward a certificate of election to the  
 151 clerk of the United States Senate or House of Representatives, as appropriate. The names of members elected  
 152 to the General Assembly shall be certified by the State Board to the clerk of the House of Delegates or  
 153 Senate, as appropriate. The names of the persons elected Governor, Lieutenant Governor, and Attorney
