§ 2.2-2499.8. Cannabis Equity Reinvestment Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Cannabis Equity Reinvestment Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of:

1. Supporting persons, families, and communities historically and disproportionately targeted and affected by drug enforcement;
2. Providing scholarship opportunities and educational and vocational resources for historically marginalized persons, including persons in foster care, who have been adversely impacted by substance use

individually, in their families, or in their communities;

3. Awarding grants to support workforce development, mentoring programs, job training and placement services, apprenticeships, and reentry services that serve persons and communities historically and disproportionately targeted by drug enforcement.

4. Contributing to the Virginia Indigent Defense Commission established pursuant to § 19.2-163.01; and

5. Contributing *50 percent of the Fund* to the Virginia Cannabis Equity Business Loan Fund established pursuant to § 4.1-1501.

§ 2.2-2818. Health and related insurance for state employees.

A. The Department of Human Resource Management shall establish a plan, subject to the approval of the Governor, for providing health insurance coverage, including chiropractic treatment, hospitalization, medical, surgical, and major medical coverage, for state employees and retired state employees with the Commonwealth paying the cost thereof to the extent of the coverage included in such plan. The same plan shall be offered to all part-time state employees, but the total cost shall be paid by such part-time employees. The Department of Human Resource Management shall administer this section. The plan chosen shall provide means whereby coverage for the families or dependents of state employees may be purchased. Except for part-time employees, the Commonwealth may pay all or a portion of the cost thereof, and for such portion as the Commonwealth does not pay, the employee, including a part-time employee, may purchase the coverage by paying the additional cost over the cost of coverage for an employee.

Such contribution shall be financed through appropriations provided by law.

B. The plan shall:

1. Include coverage for low-dose screening mammograms for determining the presence of occult breast cancer. Such coverage shall make available one screening mammogram to persons age 35 through 39, one such mammogram biennially to persons age 40 through 49, and one such mammogram annually to persons age 50 and over and may be limited to a benefit of \$50 per mammogram subject to such dollar limits, deductibles, and coinsurance factors as are no less favorable than for physical illness generally.

The term "mammogram" shall mean an X-ray examination of the breast using equipment dedicated specifically for mammography, including ~~but not limited to the~~ X-ray tube, filter, compression device,

93 screens, film, and cassettes, with an average radiation exposure of less than one rad mid-breast, two views of
94 each breast.

95 In order to be considered a screening mammogram for which coverage shall be made available under this
96 section:

97 a. The mammogram shall be (i) ordered by a health care practitioner acting within the scope of his
98 licensure and, in the case of an enrollee of a health maintenance organization, by the health maintenance
99 organization provider; (ii) performed by a registered technologist; (iii) interpreted by a qualified radiologist;
100 and (iv) performed under the direction of a person licensed to practice medicine and surgery and certified by
101 the American Board of Radiology or an equivalent examining body. A copy of the mammogram report shall
102 be sent or delivered to the health care practitioner who ordered it;

103 b. The equipment used to perform the mammogram shall meet the standards set forth by the Virginia
104 Department of Health in its radiation protection regulations; and

105 c. The mammography film shall be retained by the radiologic facility performing the examination in
106 accordance with the American College of Radiology guidelines or state law.

107 2. Include coverage for postpartum services providing inpatient care and a home visit or visits that shall be
108 in accordance with the medical criteria, outlined in the most current version of or an official update to the
109 "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College
110 of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the
111 American College of Obstetricians and Gynecologists. Such coverage shall be provided incorporating any
112 changes in such Guidelines or Standards within six months of the publication of such Guidelines or Standards
113 or any official amendment thereto.

114 3. Include an appeals process for resolution of complaints that shall provide reasonable procedures for the
115 resolution of such complaints and shall be published and disseminated to all covered state employees. The
116 appeals process shall be compliant with federal rules and regulations governing nonfederal, self-insured
117 governmental health plans. The appeals process shall include a separate expedited emergency appeals
118 procedure that shall provide resolution within time frames established by federal law. For appeals involving
119 adverse decisions as defined in § 32.1-137.7, the Department shall contract with one or more independent
120 review organizations to review such decisions. Independent review organizations are entities that conduct
121 independent external review of adverse benefit determinations. The Department shall adopt regulations to
122 assure that the independent review organization conducting the reviews has adequate standards, credentials,

and experience for such review. The independent review organization shall examine the final denial of claims to determine whether the decision is objective, clinically valid, and compatible with established principles of health care. The decision of the independent review organization shall (i) be in writing, (ii) contain findings of fact as to the material issues in the case and the basis for those findings, and (iii) be final and binding if consistent with law and policy.

Prior to assigning an appeal to an independent review organization, the Department shall verify that the independent review organization conducting the review of a denial of claims has no relationship or association with (i) the covered person or the covered person's authorized representative; (ii) the treating health care provider, or any of its employees or affiliates; (iii) the medical care facility at which the covered service would be provided, or any of its employees or affiliates; or (iv) the development or manufacture of the drug, device, procedure, or other therapy that is the subject of the final denial of a claim. The independent review organization shall not be a subsidiary of, nor owned or controlled by, a health plan, a trade association of health plans, or a professional association of health care providers. There shall be no liability on the part of and no cause of action shall arise against any officer or employee of an independent review organization for any actions taken or not taken or statements made by such officer or employee in good faith in the performance of his powers and duties.

4. Include coverage for early intervention services. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy and assistive technology services and devices for dependents from birth to age three who are certified by the Department of Behavioral Health and Developmental Services as eligible for services under Part H of the Individuals with Disabilities Education Act (20 U.S.C. § 1471 et seq.). Medically necessary early intervention services for the population certified by the Department of Behavioral Health and Developmental Services shall mean those services designed to help an individual attain or retain the capability to function age-appropriately within his environment, and shall include services that enhance functional ability without effecting a cure.

For persons previously covered under the plan, there shall be no denial of coverage due to the existence of a preexisting condition. The cost of early intervention services shall not be applied to any contractual provision limiting the total amount of coverage paid by the insurer to or on behalf of the insured during the insured's lifetime.

152 5. Include coverage for prescription drugs and devices approved by the United States Food and Drug
153 Administration for use as contraceptives.

154 6. Not deny coverage for any drug approved by the United States Food and Drug Administration for use
155 in the treatment of cancer on the basis that the drug has not been approved by the United States Food and
156 Drug Administration for the treatment of the specific type of cancer for which the drug has been prescribed, if
157 the drug has been recognized as safe and effective for treatment of that specific type of cancer in one of the
158 standard reference compendia.

159 7. Not deny coverage for any drug prescribed to treat a covered indication so long as the drug has been
160 approved by the United States Food and Drug Administration for at least one indication and the drug is
161 recognized for treatment of the covered indication in one of the standard reference compendia or in
162 substantially accepted peer-reviewed medical literature.

163 8. Include coverage for equipment, supplies, and outpatient self-management training and education,
164 including medical nutrition therapy, for the treatment of insulin-dependent diabetes, insulin-using diabetes,
165 gestational diabetes, and noninsulin-using diabetes if prescribed by a health care professional legally
166 authorized to prescribe such items under law. To qualify for coverage under this subdivision, diabetes
167 outpatient self-management training and education shall be provided by a certified, registered, or licensed
168 health care professional.

169 9. Include coverage for reconstructive breast surgery. For purposes of this section, "reconstructive breast
170 surgery" means surgery performed on and after July 1, 1998, (i) coincident with a mastectomy performed for
171 breast cancer or (ii) following a mastectomy performed for breast cancer to reestablish symmetry between the
172 two breasts. For persons previously covered under the plan, there shall be no denial of coverage due to
173 preexisting conditions.

174 10. Include coverage for annual pap smears, including coverage, on and after July 1, 1999, for annual
175 testing performed by any FDA-approved gynecologic cytology screening technologies.

176 11. Include coverage providing a minimum stay in the hospital of not less than 48 hours for a patient
177 following a radical or modified radical mastectomy and 24 hours of inpatient care following a total
178 mastectomy or a partial mastectomy with lymph node dissection for treatment of breast cancer. Nothing in
179 this subdivision shall be construed as requiring the provision of inpatient coverage where the attending
180 physician in consultation with the patient determines that a shorter period of hospital stay is appropriate.

12. Include coverage (i) to persons age 50 and over and (ii) to persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one prostate-specific antigen test in a 12-month period and digital rectal examinations.

13. Permit any individual covered under the plan direct access to the health care services of a participating specialist (i) authorized to provide services under the plan and (ii) selected by the covered individual. The plan shall have a procedure by which an individual who has an ongoing special condition may, after consultation with the primary care physician, receive a referral to a specialist for such condition who shall be responsible for and capable of providing and coordinating the individual's primary and specialty care related to the initial specialty care referral. If such an individual's care would most appropriately be coordinated by such a specialist, the plan shall refer the individual to a specialist. For the purposes of this subdivision, "special condition" means a condition or disease that is (i) life-threatening, degenerative, or disabling and (ii) requires specialized medical care over a prolonged period of time. Within the treatment period authorized by the referral, such specialist shall be permitted to treat the individual without a further referral from the individual's primary care provider and may authorize such referrals, procedures, tests, and other medical services related to the initial referral as the individual's primary care provider would otherwise be permitted to provide or authorize. The plan shall have a procedure by which an individual who has an ongoing special condition that requires ongoing care from a specialist may receive a standing referral to such specialist for the treatment of the special condition. If the primary care provider, in consultation with the plan and the specialist, if any, determines that such a standing referral is appropriate, the plan or issuer shall make such a referral to a specialist. Nothing contained herein shall prohibit the plan from requiring a participating specialist to provide written notification to the covered individual's primary care physician of any visit to such specialist. Such notification may include a description of the health care services rendered at the time of the visit.

14. Include provisions allowing employees to continue receiving health care services for a period of up to 90 days from the date of the primary care physician's notice of termination from any of the plan's provider panels. The plan shall notify any provider at least 90 days prior to the date of termination of the provider, except when the provider is terminated for cause.

For a period of at least 90 days from the date of the notice of a provider's termination from any of the plan's provider panels, except when a provider is terminated for cause, a provider shall be permitted by the

210 plan to render health care services to any of the covered employees who (i) were in an active course of
211 treatment from the provider prior to the notice of termination and (ii) request to continue receiving health care
212 services from the provider.

213 Notwithstanding the provisions of this subdivision, any provider shall be permitted by the plan to continue
214 rendering health services to any covered employee who has entered the second trimester of pregnancy at the
215 time of the provider's termination of participation, except when a provider is terminated for cause. Such
216 treatment shall, at the covered employee's option, continue through the provision of postpartum care directly
217 related to the delivery.

218 Notwithstanding the provisions of this subdivision, any provider shall be permitted to continue rendering
219 health services to any covered employee who is determined to be terminally ill (as defined under §
220 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation, except
221 when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue for
222 the remainder of the employee's life for care directly related to the treatment of the terminal illness.

223 A provider who continues to render health care services pursuant to this subdivision shall be reimbursed
224 in accordance with the carrier's agreement with such provider existing immediately before the provider's
225 termination of participation.

226 15. Include coverage for patient costs incurred during participation in clinical trials for treatment studies
227 on cancer, including ovarian cancer trials.

228 The reimbursement for patient costs incurred during participation in clinical trials for treatment studies on
229 cancer shall be determined in the same manner as reimbursement is determined for other medical and surgical
230 procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments, and
231 coinsurance factors that are no less favorable than for physical illness generally.

232 For purposes of this subdivision:

233 "Cooperative group" means a formal network of facilities that collaborate on research projects and have
234 an established NIH-approved peer review program operating within the group. "Cooperative group" includes
235 (i) the National Cancer Institute Clinical Cooperative Group and (ii) the National Cancer Institute
236 Community Clinical Oncology Program.

237 "FDA" means the Federal Food and Drug Administration.

238 "Multiple project assurance contract" means a contract between an institution and the federal Department

of Health and Human Services that defines the relationship of the institution to the federal Department of Health and Human Services and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects.

"NCI" means the National Cancer Institute.

"NIH" means the National Institutes of Health.

"Patient" means a person covered under the plan established pursuant to this section.

"Patient cost" means the cost of a medically necessary health care service that is incurred as a result of the treatment being provided to a patient for purposes of a clinical trial. "Patient cost" does not include (i) the cost of nonhealth care services that a patient may be required to receive as a result of the treatment being provided for purposes of a clinical trial, (ii) costs associated with managing the research associated with the clinical trial, or (iii) the cost of the investigational drug or device.

Coverage for patient costs incurred during clinical trials for treatment studies on cancer shall be provided if the treatment is being conducted in a Phase II, Phase III, or Phase IV clinical trial. Such treatment may, however, be provided on a case-by-case basis if the treatment is being provided in a Phase I clinical trial.

The treatment described in the previous paragraph shall be provided by a clinical trial approved by:

a. The National Cancer Institute;

b. An NCI cooperative group or an NCI center;

c. The FDA in the form of an investigational new drug application;

d. The federal Department of Veterans Affairs; or

e. An institutional review board of an institution in the Commonwealth that has a multiple project assurance contract approved by the Office of Protection from Research Risks of the NCI.

The facility and personnel providing the treatment shall be capable of doing so by virtue of their experience, training, and expertise.

Coverage under this subdivision shall apply only if:

(1) There is no clearly superior, noninvestigational treatment alternative;

(2) The available clinical or preclinical data provide a reasonable expectation that the treatment will be at least as effective as the noninvestigational alternative; and

(3) The patient and the physician or health care provider who provides services to the patient under the plan conclude that the patient's participation in the clinical trial would be appropriate, pursuant to procedures

268 established by the plan.

269 16. Include coverage providing a minimum stay in the hospital of not less than 23 hours for a covered
270 employee following a laparoscopy-assisted vaginal hysterectomy and 48 hours for a covered employee
271 following a vaginal hysterectomy, as outlined in Milliman & Robertson's nationally recognized guidelines.
272 Nothing in this subdivision shall be construed as requiring the provision of the total hours referenced when
273 the attending physician, in consultation with the covered employee, determines that a shorter hospital stay is
274 appropriate.

275 17. Include coverage for biologically based mental illness.

276 For purposes of this subdivision, a "biologically based mental illness" is any mental or nervous condition
277 caused by a biological disorder of the brain that results in a clinically significant syndrome that substantially
278 limits the person's functioning; specifically, the following diagnoses are defined as biologically based mental
279 illness as they apply to adults and children: schizophrenia, schizoaffective disorder, bipolar disorder, major
280 depressive disorder, panic disorder, obsessive-compulsive disorder, attention deficit hyperactivity disorder,
281 autism, and drug and alcoholism addiction.

282 Coverage for biologically based mental illnesses shall neither be different nor separate from coverage for
283 any other illness, condition, or disorder for purposes of determining deductibles, benefit year or lifetime
284 durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and
285 coinsurance factors, and benefit year maximum for deductibles and copayment and coinsurance factors.

286 Nothing shall preclude the undertaking of usual and customary procedures to determine the
287 appropriateness of, and medical necessity for, treatment of biologically based mental illnesses under this
288 option, provided that all such appropriateness and medical necessity determinations are made in the same
289 manner as those determinations made for the treatment of any other illness, condition, or disorder covered by
290 such policy or contract.

291 18. Offer and make available coverage for the treatment of morbid obesity through gastric bypass surgery
292 or such other methods as may be recognized by the National Institutes of Health as effective for the long-term
293 reversal of morbid obesity. Such coverage shall have durational limits, dollar limits, deductibles, copayments,
294 and coinsurance factors that are no less favorable than for physical illness generally. Access to surgery for
295 morbid obesity shall not be restricted based upon dietary or any other criteria not approved by the National
296 Institutes of Health. For purposes of this subdivision, "morbid obesity" means (i) a weight that is at least 100

pounds over or twice the ideal weight for frame, age, height, and gender as specified in the 1983 Metropolitan Life Insurance tables, (ii) a body mass index (BMI) equal to or greater than 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes, or (iii) a BMI of 40 kilograms per meter squared without such comorbidity. As used herein, "BMI" equals weight in kilograms divided by height in meters squared.

19. 1545 subtitle is further intended to establish a competitive, sustainable, and decentralized market structure built
1546 for long-term success, prioritizing the creation of durable, independent businesses over the maximization of
1547 short-term tax revenue.

1548 B. Further, the General Assembly determines that the creation of an authority for this purpose is in the

2604 *or governmental agency or authority, by making or filing any report, document, or tax return required by*
2605 *statute or regulation that is fraudulent or contains a willful or knowing false representation of a material fact*
2606 *or has willfully deceived or attempted to deceive the Board, or any federal, state, or local government or*
2607 *governmental agency or authority, by making or maintaining business records required by statute or*
2608 *regulation that are false or fraudulent.*

2609 *3. The licensee is not operational within 24 months of the issuance of the license.*

2610 **§ 4.1-903. Suspension or revocation of licenses; notice and hearings; imposition of civil penalties.**

2611 *A. Before the Board may suspend or revoke any license, reasonable notice of such proposed or*
2612 *contemplated action shall be given to the licensee in accordance with the provisions of § 2.2-4020 of the*
2613 *Administrative Process Act (§ 2.2-4000 et seq.).*

2614 Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee,
2615 permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the
2616 licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or
2617 present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board
2618 and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle
2619 against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or
2620 copies or portions thereof, that are within the possession, custody, or control of the Board and upon which
2621 the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee.
2622 In addition, any subpoena for the production of documents issued to any person at the request of the licensee
2623 or the Board pursuant to § 4.1-604 shall provide for the production of the documents sought within 10
2624 working days, notwithstanding anything to the contrary in § 4.1-604.

2625 If the Board fails to provide for inspection or copying under this section for the licensee after a written
2626 request, the Board shall be prohibited from introducing into evidence any items the licensee would have
2627 lawfully been entitled to inspect or copy under this section.

2628 The action of the Board in suspending or revoking any license or in imposing a civil penalty shall be
2629 subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). Such review
2630 shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the
2631 Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court.
2632 Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed,
2633 or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction
2634 shall lie in any such case.

2635 B. In suspending any license, the Board may impose, as a condition precedent to the removal of such
2636 suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in
2637 investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and
2638 collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty
2639 exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the
2640 violation or \$5,000 for the second or subsequent violation occurring within five years immediately preceding
2641 the date of the second or subsequent violation. However, if the violation involved selling marijuana or
2642 marijuana products to a person prohibited from purchasing marijuana or marijuana products or allowing
2643 consumption of marijuana or marijuana products, the Board may impose a civil penalty not to exceed \$3,000
2644 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000

for a second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in § 4.1-604. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail marijuana store or microbusiness licensee where the licensee can demonstrate that it provided to its employees marijuana seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this subtitle or Board regulations.

§ 4.1-904. Suspension or revocation; disposition of marijuana or marijuana products on hand; termination.

A. Marijuana or marijuana products owned by or in the possession of or for sale by any licensee at the

time the license of such person is suspended or revoked may be disposed of as follows:

1. Sold to persons in the Commonwealth licensed to sell such marijuana or marijuana products upon permits granted by the Board in accordance with § 4.1-808 and conditions specified by the Board; or

2. Destroyed by the Board or its designee.

B. Marijuana or marijuana products owned by or in the possession of or for sale by any licensee at the time the license of such person is suspended may be placed on administrative hold by the Board during any such suspension period. For the purpose of this subsection, "administrative hold" means a status given to marijuana or marijuana product by the Board that prohibits any activity with the marijuana or marijuana product, including waste, sale, or transfer of the marijuana or marijuana product, until the administrative hold is lifted.

C. All marijuana or marijuana products owned by or in the possession of any person whose license is suspended or revoked shall be placed on administrative hold or disposed of by such person in accordance with the provisions of this section within 60 days from the date of such suspension or revocation.

D. Marijuana or marijuana products owned by or in the possession of or for sale by persons whose licenses have been terminated other than by suspension or revocation may be disposed of in accordance with subsection A within such time as the Board deems proper. Such period shall not be less than 60 days.

E. All marijuana or marijuana products owned by or remaining in the possession of any person described in subsection A or D after the expiration of such period shall be deemed contraband and forfeited to the Commonwealth in accordance with the provisions of § 4.1-1303.

CHAPTER 10.

ADMINISTRATION OF LICENSES; APPLICATIONS FOR LICENSES; FEES; TAXES.

§ 4.1-1000. Applications for licenses; publication; notice to localities; fees; permits.

A. Every person intending to apply for any license authorized by this subtitle shall file with the Board an application on forms provided by the Board and a statement in writing by the applicant swearing and affirming that all of the information contained therein is true.

B. Such applications, including applications for renewal, shall include any information necessary for the Board to determine whether the applicant meets or continues to meet the criteria set forth in subdivision B 13 of § 4.1-606.

C. Applicants for licenses for establishments that are otherwise required to obtain an inspection by the Department of Agriculture and Consumer Services shall provide proof of inspection or proof of a pending request for such inspection. If the applicant provides proof of inspection or proof of a pending request for an

2707 inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending
2708 application or inspection, such license shall authorize the licensee to purchase marijuana, marijuana
2709 products, immature marijuana plants, or marijuana seeds in accordance with the provisions of this subtitle;
2710 however, the licensee shall not sell marijuana, marijuana products, immature marijuana plants, or marijuana
2711 seeds until an inspection is completed.

2712 D. Each applicant for a license under the provisions of this subtitle shall post a notice of his application
2713 with the Board on the front door of the building, place, or room where he proposes to engage in such
2714 business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such
2715 information as required by the Board, including a statement that any objections shall be submitted to the
2716 Board not more than 30 days following initial posting of the notice required pursuant to this subsection.

2717 The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a
2718 newspaper published in or having a general circulation in the county, city, or town wherein such applicant
2719 proposes to engage in such business. Such notice shall contain such information as required by the Board,
2720 including a statement that any objections to the issuance of the license be submitted to the Board not later
2721 than 30 days from the date of the initial newspaper publication.

2722 E. The Board shall conduct a background investigation on each license applicant, which shall include a
2723 criminal history records search and may include a fingerprint-based national criminal history records search
2724 and a requirement for the provision of personal descriptive information to be forwarded through the Central
2725 Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal
2726 history record information regarding such applicant. The Central Criminal Records Exchange shall forward
2727 the results of the criminal history background check to the Board or its designee, which shall be a
2728 governmental entity.

2729 However, the Board may waive, for good cause shown, the requirement for a criminal history records
2730 search and completed personal data form for officers, directors, nonmanaging members, or limited partners
2731 of any applicant corporation, limited liability company, or limited partnership. In considering criminal
2732 history record information, subject to the provisions of subdivision B 1 b of § 4.1-810, the Board shall not
2733 disqualify an applicant because of a past conviction for a marijuana-related offense.

2734 F. The Board shall notify the local governing body of each license application through the town manager,
2735 city manager, county administrator, or other designee of the locality. Local governing bodies shall submit
2736 objections to the granting of a license within 30 days of the filing of the application.

2737 G. Each applicant shall pay the required application fee at the time the application is filed. The license

2738 application fee shall be determined by the Board and shall be in addition to the actual cost charged to the
2739 Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records
2740 Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central
2741 Criminal Records Exchange for each criminal history records search required by the Board. Application fees
2742 shall be in addition to the state license fee required pursuant to § 4.1-1001 and shall not be refunded.

2743 H. Subsection A shall not apply to the continuance of licenses granted under this subtitle; however, all
2744 licensees shall file and maintain with the Board a current, accurate record of the information required by the
2745 Board pursuant to subsection A and notify the Board of any changes to such information in accordance with
2746 Board regulations.

2747 I. Every application for a permit granted pursuant to § 4.1-808 shall be on a form provided by the Board.
2748 Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as
2749 otherwise provided by law.

2750 The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for
2751 applicable licenses to sell marijuana or marijuana products computed to the nearest cent and multiplied by
2752 the number of months for which the permit is granted.

2753 **§ 4.1-1001. Labor peace agreements.**

2754 A. For purposes of this section:

2755 "Bona fide labor organization" means a labor organization, as defined by 29 U.S.C. § 402(i), that is
2756 actively seeking to represent marijuana establishment employees in the Commonwealth. In determining
2757 whether a labor organization is a bona fide labor organization, the Authority shall consider each of the
2758 following as indicative, but not determinative, of a finding that a labor organization is a bona fide labor
2759 organization:

2760 1. The labor organization has been recognized or certified as the bargaining representative for marijuana
2761 establishment employees in the Commonwealth;

2762 2. The labor organization has executed current collective bargaining agreements with marijuana
2763 establishment employers in the Commonwealth;

2764 3. The labor organization has spent resources as part of current and active attempts to organize and
2765 represent marijuana establishments in the Commonwealth;

2766 4. The labor organization has filed the annual report required by 29 U.S.C. § 431(b) for the three years
2767 immediately preceding;

2768 5. The labor organization has audited financial reports covering the three years immediately preceding;

2769 6. The existence of written bylaws or a constitution for the three years immediately preceding; and

2770 7. The labor organization's affiliation with any regional or national association of unions, including
2771 central labor councils.

2772 "Labor peace agreement" means an agreement between a marijuana establishment and a bona fide labor
2773 organization that, at a minimum, protects the Commonwealth's proprietary interests by prohibiting the labor
2774 organization from engaging in picketing, work stoppages, or boycotts against the marijuana establishment.

2775 B. All marijuana establishment license applicants, renewal applicants, and license holders shall have
2776 entered into, maintained, and abided by the terms of a labor peace agreement. Such labor peace agreement
2777 requirement is an ongoing material condition of the license, of which a violation may result in denial,
2778 suspension, or revocation of the license.

2779 C. All initial marijuana establishment license applicants shall submit a labor peace agreement attestation
2780 (LPA attestation) signed by both the applicant and the bona fide labor organization stating that the applicant
2781 meets this section's requirements and has entered into, maintained, and abided by the terms of the LPA
2782 attestation. All renewal applicants must submit a new LPA attestation executed within 10 days of the
2783 submission date of the renewal application. An applicant's failure to submit a timely LPA attestation shall
2784 result in a denial of the initial or renewal license.

2785 D. The Authority shall be required to determine a schedule establishing the ongoing review of the status
2786 and maintenance of a labor peace agreement to assess eligibility of license holder. Upon review and findings
2787 of unsatisfactory status or the insufficient maintenance of a labor peace agreement, the Authority shall
2788 suspend a licensee for a marijuana establishment.

2789 **§ 4.1-1002. Fees for state licenses.**

2790 A. Annual fees on state licenses shall be established by the Board in an amount sufficient to cover the
2791 costs of regulating the marijuana establishment

2792 B. Nothing in this subtitle shall exempt any licensee from any state merchants' license or state restaurant
2793 license or any other state tax. Every licensee, in addition to the taxes and fees imposed by this subtitle, shall
2794 be liable to state merchants' license taxation, state restaurant license taxation, and other state taxation.

2795 C. In addition to the fees set forth in this section, a fee of \$5 may be imposed on any license purchased in
2796 person from the Board if such license is available for purchase online.

2797 D. The Board shall have the authority to increase state license fees. The Board shall set the amount of
2798 such increases on the basis of the consumer price index and shall not increase fees more than once every
2799 three years. Prior to implementing any state license fee increase, the Board shall provide notice to all

licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year

§ 4.1-1003. Refund of state license fee.

A. The Board may (i) correct erroneous assessments made by it against any person, (ii) refund any amounts collected through erroneous assessments or collected as fees on license applications that are subsequently refused or withdrawn, and (iii) allow credit for any license fees paid for any license that is subsequently merged or changed into another license during the same license period. No refund shall be made of any such amount, however, unless made within three years from the date of collection of the same.

B. In any case where a licensee has changed its name or form of organization during a license period without any change being made in its ownership, and because of such change is required to pay an additional license fee for such period, the Board shall refund to such licensee the amount of such fee so paid in excess of the required license fee for such period.

C. The Board shall make refunds, prorated according to a schedule of its prescription, to licensees of state license fees paid pursuant to subsection A of § 4.1-1002 if the place of business designated in the license is destroyed by an act of God, including a fire, earthquake, hurricane, storm, or similar natural disaster or phenomenon.

D. Any amount required to be refunded under this section shall be paid by the State Treasurer out of moneys appropriated to the Board and in the manner prescribed in § 4.1-614.

§ 4.1-1004. Marijuana taxes; exceptions.

A. A tax of eight percent is levied on the sale in the Commonwealth of any marijuana or marijuana products. Subject to the provisions of subsection C, the tax shall be in addition to any tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) or any other provision of federal, state, or local law. The tax shall not apply to any sale:

1. From a marijuana establishment to another marijuana establishment.
2. Of cannabis products for treatment under the provisions of Chapter 16 (§ 4.1-1600 et seq.).
3. Of industrial hemp by a grower, processor, or handler under the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.
4. Of a hemp product.

B. 1. Each locality shall by ordinance levy an additional local tax on any sale taxable under subsection A

2831 at a rate not less than one percent but not greater than three and one-half percent. Other than the tax
2832 authorized and identified in this subsection, a locality shall not impose any other tax on a sale taxable under
2833 subsection A. The tax imposed by a surrounding county under this subsection shall not apply within the limits
2834 of any town. Each locality shall, within 30 days, notify the Authority and any retail marijuana store and
2835 microbusiness in such locality of the ordinance enacted pursuant to this subsection. The ordinance shall take
2836 effect on the first day of the second month following its enactment and such rate shall be effective for at least
2837 three years.

2838 2. Nothing in this subsection shall be construed to (i) prohibit a locality from imposing any tax authorized
2839 by law on a person or property regulated under this subtitle or (ii) limit the authority of any locality to
2840 impose a license or privilege tax or fee on a business engaged in whole or in part in sales taxable under
2841 subsection A if such tax or fee is (a) based on an annual or per-event flat fee authorized by law or (b) an
2842 annual license or privilege tax authorized by law and such tax includes sales or receipts taxable under
2843 subsection A in its taxable measure.

2844 C. Any tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) on a sale taxable
2845 under subsection A shall be limited to a 1.125 percent tax, which shall be distributed as follows: (i) the
2846 revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C, and D of
2847 § 58.1-638 and (ii) the revenue from the tax at the rate of 0.125 percent shall be distributed as provided in
2848 subdivision F 2 of § 58.1-638. No other tax shall be levied pursuant to the Virginia Retail Sales and Use Tax
2849 Act (§ 58.1-600 et seq.) on a sale taxable under subsection A.

2850 D. All revenues remitted to the Authority under this subsection shall be disposed of as provided in
2851 § 4.1-614.

2852 **§ 4.1-1005. Tax returns and payments; commissions; interest.**

2853 A. For any sale taxable under § 4.1-1004, the seller shall be liable for collecting any taxes due. All taxes
2854 collected by a seller shall be deemed to be held in trust for the Commonwealth. The buyer shall not be liable
2855 for collecting or remitting the taxes or filing a return.

2856 B. On or before the tenth day of each month, any person liable for a tax due under § 4.1-1004 shall file a
2857 return under oath with the Authority and pay any taxes due. Upon written application by a person filing a
2858 return, the Authority may, if it determines good cause exists, grant an extension to the end of the calendar
2859 month in which the tax is due, or for a period not exceeding 30 days. Any extension shall toll the accrual of
2860 any interest or penalties under § 4.1-1008.

2861 C. The Authority may accept payment by any commercially acceptable means, including cash, checks,

2862 *credit cards, debit cards, and electronic funds transfers, for any taxes, interest, or penalties due under this*
2863 *subtitle. The Board may assess a service charge for the use of a credit or debit card.*

2864 *D. Upon request, the Authority may collect and maintain a record of a person's credit card, debit card, or*
2865 *automated clearinghouse transfer information and use such information for future payments of taxes,*
2866 *interest, or penalties due under this subtitle. The Authority may assess a service charge for any payments*
2867 *made under this subsection. The Authority may procure the services of a third-party vendor for the secure*
2868 *storage of information collected pursuant to this subsection.*

2869 *E. If any person liable for tax under § 4.1-1004 sells out his business or stock of goods or quits the*
2870 *business, such person shall make a final return and payment within 15 days after the date of selling or*
2871 *quitting the business. Such person's successors or assigns, if any, shall withhold sufficient of the purchase*
2872 *money to cover the amount of such taxes, interest, and penalties due and unpaid until such former owner*
2873 *produces a receipt from the Authority showing payment or a certificate stating that no taxes, penalties, or*
2874 *interest are due. If the buyer of a business or stock of goods fails to withhold the purchase money as provided*
2875 *in this subsection, such buyer shall be liable for the payment of the taxes, interest, and penalties due and*
2876 *unpaid on account of the operation of the business by any former owner.*

2877 *F. When any person fails to timely pay the full amount of tax due under § 4.1-1004, interest at a rate*
2878 *determined in accordance with § 58.1-15 shall accrue on the tax until it is paid. Any taxes due under*
2879 *§ 4.1-1004 shall, if applicable, be subject to penalties as provided in §§ 4.1-1205 and 4.1-1206.*

2880 **§ 4.1-1006. Bonds.**

2881 *The Authority may, when deemed necessary and advisable to do so in order to secure the collection of the*
2882 *taxes levied under § 4.1-1004, require any person subject to such tax to file a bond, with such surety as it*
2883 *determines is necessary to secure the payment of any tax, penalty, or interest due or that may become due*
2884 *from such person. In lieu of such bond, securities approved by the Authority may be deposited with the State*
2885 *Treasurer, which securities shall be kept in the custody of the State Treasurer, and shall be sold by the State*
2886 *Treasurer at the request of the Authority at public or private sale if it becomes necessary to do so in order to*
2887 *recover any tax, interest, or penalty due the Commonwealth. Upon any such sale, the surplus, if any, above*
2888 *the amounts due shall be returned to the person who deposited the securities.*

2889 **§ 4.1-1007. Refunds.**

2890 *A. Whenever it is proved to the satisfaction of the Authority that any taxes levied pursuant to § 4.1-1004*
2891 *have been paid and that the taxable items were or are (i) damaged, destroyed, or otherwise deemed to be*
2892 *unsalable by reason of fire or any other providential cause before sale to the consumer; (ii) destroyed*

2893 voluntarily, after notice to and approval by the Authority of such destruction, because the taxable items were
2894 defective; or (iii) destroyed in any manner while in the possession of a common, private, or contract carrier,
2895 the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state
2896 treasury to such extent as may be proper.

2897 B. Whenever it is proved to the satisfaction of the Authority that any person has purchased taxable items
2898 that have been sold by such person in such manner as to be exempt from the tax, the Authority shall certify
2899 such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may
2900 be proper.

2901 C. In the event purchases are returned to the seller by the buyer after a tax imposed under § 4.1-1004 has
2902 been collected or charged to the account of the buyer, the seller shall be entitled to a refund of the amount of
2903 tax so collected or charged in the manner prescribed by the Authority. The amount of tax so refunded to the
2904 seller shall not, however, include the tax paid upon any amount retained by the seller after such return of
2905 merchandise. In case the tax has not been remitted by the seller, the seller may deduct the same in submitting
2906 his return.

2907 **§ 4.1-1008. Statute of limitations; civil remedies for collecting past-due taxes, interest, and penalties.**

2908 A. The taxes imposed under § 4.1-1004 shall be assessed within three years from the date on which such
2909 taxes became due and payable. In the case of a false or fraudulent return with intent to defraud the
2910 Commonwealth, or a failure to file a return, the taxes may be assessed, or a proceeding in court for the
2911 collection of such taxes may be begun without assessment, at any time within six years from such date. The
2912 Authority shall not examine any person's records beyond the three-year period of limitations unless it has
2913 reasonable evidence of fraud or reasonable cause to believe that such person was required by law to file a
2914 return and failed to do so.

2915 B. If any person fails to file a return as required by this section, or files a return that is false or
2916 fraudulent, the Authority may make an estimate for the taxable period of the taxable sales of such person and
2917 assess the tax, plus any applicable interest and penalties. The Authority shall give such person 10 days'
2918 notice requiring such person to provide any records as it may require relating to the business of such person
2919 for the taxable period. The Authority may require such person or the agents and employees of such person to
2920 give testimony or to answer interrogatories under oath administered by the Authority respecting taxable
2921 sales, the filing of the return, and any other relevant information. If any person fails to file a required return,
2922 refuses to provide required records, or refuses to answer interrogatories from the Authority, the Authority
2923 may make an estimated assessment based upon the information available to it and issue a memorandum of

2924 *lien under subsection C for the collection of any taxes, interest, or penalties. The estimated assessment shall*
2925 *be deemed prima facie correct.*

2926 *C. 1. If the Authority assesses taxes, interest, or penalties on a person and such person does not pay*
2927 *within 30 days after the due date, taking into account any extensions granted by the Authority, the Authority*
2928 *may file a memorandum of lien in the circuit court clerk's office of the county or city in which the person's*
2929 *place of business is located or in which the person resides. If the person has no place of business or residence*
2930 *within the Commonwealth, the memorandum may be filed in the Circuit Court of the City of Richmond. A*
2931 *copy of the memorandum may also be filed in the clerk's office of all counties and cities in which the person*
2932 *owns real estate. Such memorandum shall be recorded in the judgment docket book and shall have the effect*
2933 *of a judgment in favor of the Commonwealth, to be enforced as provided in Article 19 (§ 8.01-196 et seq.) of*
2934 *Chapter 3 of Title 8.01, except that a writ of fieri facias may issue at any time after the memorandum is filed.*
2935 *The lien on real estate shall become effective at the time the memorandum is filed in the jurisdiction in which*
2936 *the real estate is located. No memorandum of lien shall be filed unless the person is first given 10 or more*

3236 be prima facie evidence of willful intent to defraud the Commonwealth when any person reports its taxable
3237 sales to the Authority at 50 percent or less of the actual amount.

3238 D. If any check tendered for any amount due under § 4.1-1004 or this section is not paid by the bank on
3239 which it is drawn, and the person that tendered the check fails to pay the Authority the amount due within five
3240 days after the Authority gives it notice that such check was returned unpaid, the person that tendered the
3241 check is guilty of a violation of § 18.2-182.1.

3242 E. All penalties shall be payable to the Authority and if not so paid shall be collectible in the same manner
3243 as if they were a part of the tax imposed.

3244 **§ 4.1-1300. Enjoining nuisances.**

3245 A. In addition to the penalties imposed by § 4.1-1113, the Board, its agents, the attorney for the
3246 Commonwealth, or any citizen of the county, city, or town where a common nuisance as defined in § 4.1-1113
3247 exists may maintain a suit in equity in the name of the Commonwealth to enjoin the common nuisance.

3248 B. The courts of equity shall have jurisdiction, and in every case where the bill charges, on the knowledge
3249 or belief of the complainant, and is sworn to by two reputable citizens, that marijuana or marijuana products
3250 are cultivated, processed, stored, sold, dispensed, given away, or used in such house, building, or other place
3251 described in § 4.1-1113 contrary to the laws of the Commonwealth, an injunction shall be granted as soon as
3252 the bill is presented to the court. The injunction shall enjoin and restrain the owners and tenants and their
3253 agents and employees, and any person connected with such house, building, or other place, and all persons
3254 whomsoever from cultivating, processing, storing, selling, dispensing, giving away, or using marijuana or
3255 marijuana products on such premises. The injunction shall also restrain all persons from removing any
3256 marijuana or marijuana products then on such premises until the further order of the court. If the court is
3257 satisfied that the material allegations of the bill are true, although the premises complained of may not then
3258 be unlawfully used, it shall continue the injunction against such place for a period of time as the court deems
3259 proper. The injunction may be dissolved if a proper case is shown for dissolution.

3260 **§ 4.1-1301. Contraband marijuana or marijuana products and other articles subject to forfeiture.**

3261 A. All apparatus and materials for the cultivation or processing of marijuana or marijuana products, all
3262 marijuana or marijuana products and materials used in their manufacture or processing, and all containers
3263 in which marijuana or marijuana products may be found that are kept, stored, possessed, or in any manner

3264 *used in violation of the provisions of this subtitle, and any dangerous weapons as described in § 18.2-308*
3265 *that may be used or that may be found upon the person, or in any vehicle that such person is using, to aid*
3266 *such person in the unlawful cultivation, manufacture, processing, transportation, or sale of marijuana or*
3267 *marijuana products, or found in the possession of such person, or any horse, mule, or other beast of burden*
3268 *or any wagon, automobile, truck, or vehicle of any nature whatsoever that is found in the immediate vicinity*
3269 *of any place where marijuana or marijuana products are being unlawfully manufactured or processed and*
3270 *where such animal or vehicle is being used to aid in the unlawful manufacture or processing, shall be deemed*
3271 *contraband and shall be forfeited to the Commonwealth.*

3272 *B. Proceedings for the confiscation of the property in subsection A shall be in accordance with § 4.1-1303*
3273 *for all such property except motor vehicles, which proceedings shall be in accordance with Chapter 22.1*
3274 *(§ 19.2-386.1 et seq.) of Title 19.2.*

3275 **§ 4.1-1303. Confiscation proceedings; disposition of forfeited articles.**

3276 *A. All proceedings for the confiscation of articles, except motor vehicles, declared contraband and*
3277 *forfeited to the Commonwealth under this subtitle shall be as provided in this section.*

3278 *B. Whenever any article declared contraband under the provisions of this subtitle and required to be*
3279 *forfeited to the Commonwealth has been seized, with or without a warrant, by any officer charged with the*
3280 *enforcement of this subtitle, he shall produce the contraband article and any person in whose possession it*
3281 *was found. In those cases where no person is found in possession of such articles, the return shall so state*
3282 *and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found,*
3283 *or if there is no door, then in any conspicuous place upon the premises.*

3284 *In case of seizure of any item for any offense involving its forfeiture where it is impracticable to remove*
3285 *such item to a place of safe storage from the place where seized, the seizing officer may destroy such item*
3286 *only as necessary to prevent use of all or any part thereof. The destruction shall be in the presence of at least*
3287 *one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction*
3288 *to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for*
3289 *seizure and destruction, an estimate of the fair cash value of the item destroyed, and the materials remaining*
3290 *after such destruction. The report shall include a statement that, from facts within their own knowledge, the*
3291 *seizing officer and witness have no doubt whatever that the item was set up for use, or had been used in the*
3292 *unlawful cultivation, processing, or manufacture of marijuana, and that it was impracticable to remove such*
3293 *apparatus to a place of safe storage.*

3294 *In case of seizure of any quantity of marijuana or marijuana products for any offense involving forfeiture*

3295 of the same, the seizing officer may destroy them to prevent the use of all or any part thereof for the purpose
3296 of unlawful cultivation, processing, or manufacture of marijuana or marijuana products or any other
3297 violation of this subtitle. The destruction shall be in the presence of at least one credible witness, and such
3298 witness shall join the officer in a sworn report of the seizure and destruction to be made to the Board. The
3299 report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, and a
3300 statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever
3301 that the marijuana or marijuana products were intended for use in the unlawful cultivation, processing, or
3302 manufacture of marijuana or marijuana products or were intended for use in violation of this subtitle.

3303 C. Upon the return of the warrant as provided in this section, the court shall fix a time not less than 10
3304 days, unless waived by the accused in writing, and not more than 30 days thereafter, for the hearing on such
3305 return to determine whether or not the articles seized, or any part thereof, were used or in any manner kept,
3306 stored, or possessed in violation of this subtitle.

3307 At such hearing, if no claimant appears, the court shall declare the articles seized forfeited to the
3308 Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall turn
3309 them over to the Board. Any person claiming an interest in any of the articles seized may appear at the
3310 hearing and file a written claim setting forth particularly the character and extent of his interest. The court
3311 shall certify the warrant and the articles seized along with any claim filed to the circuit court to hear and
3312 determine the validity of such claim.

3313 If the evidence warrants, the court shall enter a judgment of forfeiture and order the articles seized to be
3314 turned over to the Board. Action under this section and the forfeiture of any articles hereunder shall not be a
3315 bar to any prosecution under any other provision of this subtitle.

3316 D. Any articles forfeited to the Commonwealth and turned over to the Board in accordance with this
3317 section shall be destroyed or sold by the Board as it deems proper. The net proceeds from such sales shall be
3318 paid into the Literary Fund.

3319 If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board in
3320 accordance with this section are usable, should not be destroyed, and cannot be sold, or whose sale would be
3321 impractical, it may give such foodstuffs to any institution in the Commonwealth and shall prefer a gift to the
3322 local jail or other local correctional facility in the jurisdiction where seizure took place. A record shall be
3323 made showing the nature of the foodstuffs and amount given, to whom given, and the date when given and
3324 shall be kept in the offices of the Board.

3325 § 4.1-1304. Contraband marijuana or marijuana products.

3326 *Failure to maintain on a conveyance or vehicle a permit or other indicia of permission issued by the*
3327 *Board authorizing the transportation of marijuana or marijuana products within the Commonwealth when*
3328 *other Board regulations applicable to such transportation have been complied with shall not be cause for*
3329 *deeming such marijuana or marijuana products contraband.*

3330 **§ 4.1-1305. Punishment for violations of title or regulations; bond.**

3331 *A. Any person convicted of a misdemeanor under the provisions of this subtitle without specification as to*
3332 *the class of offense or penalty, or convicted of violating any other provision thereof, or convicted of violating*
3333 *any Board regulation is guilty of a Class 1 misdemeanor.*

3334 *B. In addition to the penalties imposed by this subtitle for violations, any court before whom any person is*
3335 *convicted of a violation of any provision of this subtitle may require such defendant to execute bond based*
3336 *upon his ability to pay, with approved security, in the penalty of not more than \$1,000, with the condition that*
3337 *the defendant will not violate any of the provisions of this subtitle for the term of one year. If any such bond is*
3338 *required and is not given, the defendant shall be committed to jail until it is given, or until he is discharged*
3339 *by the court, provided that he shall not be confined for a period longer than six months. If any such bond*
3340 *required by a court is not given during the term of the court by which conviction is had, it may be given*
3341 *before any judge or before the clerk of such court.*

3342 *C. The provisions of this subtitle shall not prevent the Board from suspending, revoking, or refusing to*
3343 *continue the license of any person convicted of a violation of any provision of this subtitle.*

3344 *D. No court shall hear such a case unless the respective attorney for the Commonwealth or his assistant*
3345 *has been notified that such a case is pending.*

3346 **§ 4.1-1306. Witness not excused from testifying because of self-incrimination.**

3347 *No person shall be excused from testifying or from producing books, papers, correspondence,*
3348 *memoranda, or other records for the Commonwealth as to any offense alleged to have been committed by*
3349 *another under this subtitle by reason of his testimony or other evidence tending to incriminate himself, but*
3350 *the testimony given and evidence so produced by such person on behalf of the Commonwealth when called*
3351 *for by the trial judge or court trying the case, or by the attorney for the Commonwealth, or when summoned*
3352 *by the Commonwealth and sworn as a witness by the court or the clerk and sent before the grand jury, shall*
3353 *be in no case used against him nor shall he be prosecuted as to the offense as to which he testifies.*

3354 **§ 4.1-1307. Previous convictions.**

3355 *In any indictment, information, or warrant charging any person with a violation of any provision of this*
3356 *subtitle, it may be alleged and evidence may be introduced at the trial of such person to prove that such*

3357 *person has been previously convicted of a violation of this subtitle.*

3358 **§ 4.1-1308. Label on sealed container prima facie evidence of marijuana content.**

3359 *In any prosecution for violations of this subtitle, where a sealed container is labeled as containing*
3360 *marijuana or marijuana products, such labeling shall be prima facie evidence of the marijuana content of the*
3361 *container. Nothing shall preclude the introduction of other relevant evidence to establish the marijuana*
3362 *content of a container, whether sealed or not.*

3363 **§ 4.1-1309. No recovery for marijuana or marijuana products illegally sold.**

3364 *No action to recover the price of any marijuana or marijuana products sold in contravention of this*
3365 *subtitle may be maintained.*

3366 **§ 4.1-1402. Outdoor advertising restrictions; limitations; variances.**

3367 *A. No outdoor advertising regarding marijuana, marijuana products, or any substance containing a*
3368 *synthetic tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol shall be placed within 500*
3369 *linear feet on the same side of the road, and parallel to such road, measured from the nearest edge of the sign*
3370 *face upon which the advertisement is placed to the nearest edge of a building or structure located on the real*
3371 *property of (i) a church, synagogue, mosque, or other place of religious worship; (ii) a public, private, or*
3372 *parochial school or an institution of higher education; (iii) a public or private playground or similar*
3373 *recreational facility; (iv) a substance use disorder treatment center; or (v) a dwelling used for residential use.*

3374 *B. However, (i) if there is no building or structure on a playground or similar recreational facility, the*
3375 *measurement shall be from the nearest edge of the sign face upon which the advertisement is placed to the*
3376 *property line of such playground or similar recreational facility and (ii) if a public or private school providing*
3377 *grades K through 12 education is located across the road from a sign, the measurement shall be from the*
3378 *nearest edge of the sign face upon which the advertisement is placed to the nearest edge of a building or*
3379 *structure located on such real property across the road.*

3380 *C. If, at the time the advertisement was displayed, the advertisement was more than 500 feet from (i) a*
3381 *church, synagogue, mosque, or other place of religious worship; (ii) a public, private, or parochial school or*
3382 *an institution of higher education; (iii) a public or private playground or similar recreational facility; (iv) a*
3383 *substance use disorder treatment center; or (v) a dwelling used for residential use, but the circumstances*
3384 *change such that the advertiser would otherwise be in violation of subsection A, the Board shall permit the*
3385 *advertisement to remain as displayed for the remainder of the term of any written advertising contract, but in*
3386 *no event more than one year from the date of the change in circumstances.*

3387 D. The Board may grant a permit authorizing a variance from the distance requirements of this section
3388 upon a finding that the placement of the advertisement on a sign will not unduly expose children to
3389 advertising regarding marijuana, marijuana products, or any substance containing a synthetic
3390 tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol.

3391 E. The distance and zoning restrictions contained in this section shall not apply to any sign that is included
3392 in the Integrated Directional Sign Program administered by the Virginia Department of Transportation or its
3393 agents.

3394 F. *Any outdoor signs placed on the property of a marijuana establishment shall not (i) display imagery of*
3395 *marijuana or the use of marijuana or (ii) draw undue attention to the facility, but may be designed to assist*
3396 *consumers to find the marijuana establishment.*

3397 G. Nothing in this section shall be construed to authorize billboard signs containing outdoor advertising
3398 regarding marijuana, marijuana products, or any substance containing a synthetic tetrahydrocannabinol or
3399 synthetic derivative of tetrahydrocannabinol on property zoned agricultural or residential, or on any unzoned
3400 property. Nor shall this section be construed to authorize the erection of new billboard signs containing
3401 outdoor advertising that would be prohibited under state law or local ordinance.

3402 ~~G.~~ H. All lawfully erected outdoor signs regarding marijuana, marijuana products, or any substance
3403 containing a synthetic tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol shall comply with
3404 the provisions of this subtitle, Board regulations, and Chapter 12 (§ 33.2-1200 et seq.) of Title 33.2 and
3405 regulations adopted pursuant thereto by the Commonwealth Transportation Board. Further, any outdoor
3406 directional sign regarding marijuana, marijuana products, or any substance containing a synthetic
3407 tetrahydrocannabinol or synthetic derivative of tetrahydrocannabinol that is located or to be located on
3408 highway rights of way shall also be governed by and comply with the Integrated Directional Sign Program
3409 administered by the Virginia Department of Transportation or its agents.

3410 **§ 4.1-1403. Board to establish regulations for marijuana testing.**

3411 *The Board shall establish a testing program for marijuana and marijuana products. Except as otherwise*
3412 *provided in this subtitle or otherwise provided by law, the program shall require a licensee, prior to selling*
3413 *or distributing marijuana or a marijuana product to a consumer or to another licensee, to submit a*
3414 *representative sample of the marijuana or marijuana product, not to exceed an amount of the total harvest or*
3415 *batch as established by the Board, to a licensed marijuana testing facility for testing to ensure that the*
3416 *marijuana or marijuana product does not exceed the maximum level of allowable contamination for any*
3417 *contaminant that is injurious to health and for which testing is required and to ensure correct labeling. The*

3418 Board shall adopt regulations (i) establishing a testing program pursuant to this section; (ii) establishing
3419 acceptable testing and research practices, including regulations relating to testing practices, methods, and
3420 standards; quality control analysis; equipment certification and calibration; marijuana testing facility
3421 recordkeeping, documentation, and business practices; disposal of used, unused, and waste marijuana and
3422 marijuana products; and reporting of test results; (iii) identifying the types of contaminants that are injurious
3423 to health for which marijuana and marijuana products shall be tested under this subtitle; and (iv)
3424 establishing the maximum level of allowable contamination for each contaminant.

3425 **§ 4.1-1404. Mandatory testing; scope; recordkeeping; notification; additional testing not required;**
3426 **required destruction; random testing.**

3427 A. A licensee may not sell or distribute marijuana or a marijuana product to a consumer or to another
3428 licensee under this subtitle unless a representative sample of the marijuana or marijuana product has been
3429 tested pursuant to this subtitle and the regulations adopted pursuant to this subtitle and the mandatory testing
3430 has demonstrated that (i) the marijuana or marijuana product does not exceed the maximum level of
3431 allowable contamination for any contaminant that is injurious to health and for which testing is required and
3432 (ii) the labeling on the marijuana or marijuana product is correct.

3433 B. Mandatory testing of marijuana and marijuana products under this section shall include testing for:

- 3434 1. Residual solvents;
3435 2. Heavy metals;
3436 3. Microbiological contaminants;

3441 consumed.

3442 C. A licensee shall maintain a record of all mandatory testing that includes a description of the marijuana
3443 or marijuana product provided to the marijuana testing facility, the identity of the marijuana testing facility,
3444 and the results of the mandatory test.

3445 D. If the results of a mandatory test conducted pursuant to this section indicate that the tested marijuana
3446 or marijuana product exceeds the maximum level of allowable tetrahydrocannabinol or contamination for
3447 any contaminant that is injurious to health and for which testing is required, the marijuana testing facility
3448 shall immediately quarantine, document, and properly destroy the marijuana or marijuana product, unless

3449 remedial measures can bring the marijuana or marijuana product into compliance with such required health
3450 and safety standards, and within seven days of completing the test shall notify the Board of the test results.

3451 A marijuana testing facility is not required to notify the Board of the results of any test:

3452 1. Conducted on marijuana or a marijuana product at the direction of a licensee pursuant to this section
3453 that demonstrates that the marijuana or marijuana product does not exceed the maximum level of allowable
3454 tetrahydrocannabinol or contamination for any contaminant that is injurious to health and for which testing
3455 is required;

3456 2. Conducted on marijuana or a marijuana product at the direction of a licensee for research and
3457 development purposes only, so long as the licensee notifies the marijuana testing facility prior to the
3458 performance of the test that the testing is for research and development purposes only; or

3459 3. Conducted on marijuana or a marijuana product at the direction of a person who is not a licensee.

3460 E. Notwithstanding the foregoing, a licensee may sell or furnish to a consumer or to another licensee
3461 marijuana or a marijuana product that the licensee has not submitted for testing in accordance with this
3462 subtitle and regulations adopted pursuant to this subtitle if the following conditions are met:

3463 1. The marijuana or marijuana product has previously undergone testing in accordance with this subtitle
3464 and regulations adopted pursuant to this subtitle at the direction of another licensee and the testing
3465 demonstrated that the marijuana or marijuana product does not exceed the maximum level of allowable
3466 tetrahydrocannabinol or contamination for any contaminant that is injurious to health and for which testing
3467 is required;

3468 2. The mandatory testing process and the test results for the marijuana or marijuana product are
3469 documented in accordance with the requirements of this subtitle and all applicable regulations adopted
3470 pursuant to this subtitle;

3471 3. Tracking from immature marijuana plant to the point of retail sale has been maintained for the
3472 marijuana or marijuana product and transfers of the marijuana or marijuana product to another licensee or
3473 to a consumer can be easily identified; and

3474 4. The marijuana or marijuana product has not undergone any further processing, manufacturing, or
3475 alteration subsequent to the performance of the prior testing under subsection A.

3476 F. Licensees shall be required to destroy harvested batches of marijuana or batches of marijuana
3477 products whose testing samples indicate noncompliance with the health and safety standards required by this
3478 subtitle and the regulations adopted by the Board pursuant to this subtitle, unless remedial measures can
3479 bring the marijuana or marijuana product into compliance with such required health and safety standards.

3480 G. A licensee shall comply with all requests for samples of marijuana and marijuana products for the
3481 purpose of random testing by a state-owned laboratory or state-approved private laboratory.

3482 **§ 4.1-1405. Labeling and packaging requirements; prohibitions.**

3483 A. Marijuana and marijuana products to be sold or offered for sale by a licensee to a consumer shall be

3494 that constitutes a single serving;

3497 displayed in bold print and in a clear and legible fashion;

- 3499 9. A QR code or other means prescribed by the Board, linking to the certificate of analysis, produced by a
3500 licensed marijuana testing facility, that states the total tetrahydrocannabinol concentration of the substance
3501 or the total tetrahydrocannabinol concentration of the batch from which the substance originates; and
3502 10. Any other information required by Board regulations.

3503 B. Marijuana and marijuana products to be sold or offered for sale by a licensee to a consumer in
3504 accordance with the provisions of this subtitle shall be packaged in the following manner:

- 3505 1. Marijuana and marijuana products shall be prepackaged in child-resistant, tamper-evident, and
3506 resealable packaging that is opaque or shall be placed at the final point of sale to a consumer in child-

3550 deems necessary for marijuana and marijuana products to be sold or offered for sale by a licensee to a
3551 consumer in accordance with this subtitle. Regulations adopted pursuant to this subsection shall establish
3552 mandatory health and safety standards applicable to the cultivation of marijuana, the processing and

3816 or distribution from each homogenized batch of cannabis oil is required to achieve a representative cannabis
3817 oil sample for analysis. A minimum sample size, to be determined by the certified testing laboratory, from

each batch of botanical cannabis is required to achieve a representative botanical cannabis sample for analysis. Botanical cannabis products shall only be tested for the following: total cannabidiol (CBD), total tetrahydrocannabinol (THC), terpenes, pesticide chemical residue, heavy metals, mycotoxins, moisture, and microbiological contaminants. Remediated botanical cannabis or cannabis oil that passes such quality testing may be packaged and labeled. If a batch of botanical cannabis fails retesting after remediation, it shall be considered usable cannabis and may be processed into cannabis oil. Stability testing shall not be required for any cannabis product with an expiration date assigned by the pharmaceutical processor of 12 months or less from the date of the cannabis product registration approval. Stability testing required for assignment of an expiration date longer than 12 months shall be limited to microbial testing, on a pass/fail basis, and potency testing, on a 15 percent deviation basis, of total THC and total CBD. 4089 for which a pretrial waiver of appearance, plea of guilty and fine payment may be accepted. Such designated
4090 infractions shall include violations of §§ 46.2-830.1, 46.2-878.2 and 46.2-1242 or any parallel local
4091 ordinances. Notwithstanding any rule of the Supreme Court, a person charged with a traffic offense that is
4092 listed as prepayable in the Uniform Fine Schedule may prepay his fines and costs without court appearance
4093 whether or not he was involved in an accident. The prepayable fine amount for a violation of § 46.2-878.2

4094 shall be \$200 plus an amount per mile-per-hour in excess of posted speed limits, as authorized in

4111 prior to the plea, waiver, and payment, be informed of his right to stand trial, that his signature to a plea of
4112 guilty will have the same force and effect as a judgment of court, and that the record of conviction will be
4113 sent to the Commissioner of the Department of Motor Vehicles.

4114 C. The Supreme Court, upon the recommendation of the Committee on District Courts, shall establish a
4115 schedule, within the limits prescribed by law, of the amounts of fines and any civil penalties to be imposed,
4116 designating each infraction specifically. The schedule, which may from time to time be amended,
4117 supplemented or repealed, shall be uniform in its application throughout the Commonwealth. Such schedule
4118 shall not be construed or interpreted so as to limit the discretion of any trial judge trying individual cases at

The chief judge of each circuit may establish a schedule of the fines, within the limits prescribed by local ordinances, to be imposed for prepayment of local ordinances designating each offense specifically. Upon the entry of such order it shall be forwarded within 10 days to the Supreme Court of Virginia by the clerk of the local circuit court. The schedule, which from time to time may be amended, supplemented or repealed, shall be uniform in its application throughout the circuit. Such schedule shall not be construed or interpreted so as to limit the discretion of any trial judge trying individual cases at the time fixed for trial. This schedule shall be prominently posted in the place where fines are paid. Fines and costs shall be paid in accordance with the provisions of this Code or any rules or regulations promulgated thereunder.

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests, and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk; (ii) designated nonattorney employees of the Department of Social Services may complete, sign, and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the Supreme Court of Virginia with the clerk; (iii) designated nonattorney employees of a local department of social services may complete, sign, and file with the clerk, on forms approved by the Supreme Court of Virginia, petitions for foster care review, petitions for permanency planning hearings, petitions to establish paternity, motions to establish or modify support, motions to amend or review an order, and motions for a rule to show cause; and (iv) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision, or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public

4153 assistance shall be denied the right to file a petition or motion to establish, modify, or enforce an order for
4154 support of a child. If the petitioner is seeking or receiving child support services or public assistance, the
4155 clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the
4156 court date, to the Division of Child Support Enforcement. If a petitioner is seeking to establish child support,
4157 the intake officer shall provide the petitioner information on the possible availability of medical assistance
4158 through the Family Access to Medical Insurance Security (FAMIS) plan or other government-sponsored
4159 coverage through the Department of Medical Assistance Services.

4160 B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake
4161 officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and
4162 audio communication is used, an intake officer may exercise all powers conferred by law. All
4163 communications and proceedings shall be conducted in the same manner as if the appearance were in person,
4164 and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed
4165 by the officer or person to whom sent, and returned in the same manner, and with the same force, effect,
4166 authority, and liability as an original document. All signatures thereon shall be treated as original signatures.
4167 Any two-way electronic video and audio communication system used for an appearance shall meet the
4168 standards as set forth in subsection B of § 19.2-3.1.

4169 When the court service unit of any court receives a complaint alleging facts which may be sufficient to
4170 invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed
4171 informally to make such adjustment as is practicable without the filing of a petition or may authorize a
4172 petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause
4173 for the issuance of the petition.

4174 An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of
4175 supervision, or delinquent only if the juvenile (a) is not alleged to have committed a violent juvenile felony or
4176 (b) has not previously been proceeded against informally or adjudicated delinquent for an offense that would
4177 be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony
4178 shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a
4179 felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded
4180 against informally by intake or had been adjudicated delinquent for an offense that would be a felony if
4181 committed by an adult.

4182 If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the
4183 attendance officer has provided documentation to the intake officer that the relevant school division has

4184 complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The
4185 intake officer may defer filing the petition and proceed informally by developing a truancy plan, provided
4186 that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of
4187 supervision on more than two occasions for failure to comply with compulsory school attendance as provided
4188 in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three
4189 calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person
4190 standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may
4191 include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco
4192 parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and
4193 limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided
4194 in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of
4195 developing a truancy plan using an interagency interdisciplinary team approach. The team may include
4196 qualified personnel who are reasonably available from the appropriate department of social services,
4197 community services board, local school division, court service unit, and other appropriate and available
4198 public and private agencies and may be the family assessment and planning team established pursuant to
4199 § 2.2-5207. If at the end of the deferral period the juvenile has not successfully completed the truancy plan or
4200 the truancy program, then the intake officer shall file the petition.

4201 Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in
4202 need of services, in need of supervision, or delinquent, the intake officer shall (A) develop a plan for the
4203 juvenile, which may include restitution, the performance of community service, or on a complaint alleging
4204 that a child has committed a delinquent act other than an act that would be a felony or a Class 1 misdemeanor
4205 if committed by an adult and with the consent of the juvenile's parent or legal guardian, referral to a youth
4206 justice diversion program established pursuant to § 16.1-309.11, based upon community resources and the
4207 circumstances which resulted in the complaint, (B) create an official record of the action taken by the intake
4208 officer and file such record in the juvenile's case file, and (C) advise the juvenile and the juvenile's parent,
4209 guardian, or other person standing in loco parentis and the complainant that any subsequent complaint
4210 alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to
4211 invoke the jurisdiction of the court pursuant to § 16.1-241, or in the case of a referral to a youth justice
4212 diversion program established pursuant to § 16.1-309.11, that any subsequent report from the youth justice
4213 diversion program alleging that the juvenile failed to comply with the youth justice diversion program's
4214 sentence within 180 days of the sentencing date, may result in the filing of a petition with the court.

4215 C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or
4216 support of a child is the subject of controversy or requires determination, (ii) a person has deserted,
4217 abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent,
4218 guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or
4219 other services which are required by law, (iv) family abuse has occurred and a protective order is being
4220 sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has
4221 occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either
4222 the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake
4223 officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of
4224 supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the
4225 authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be
4226 effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition.
4227 The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4,
4228 or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of
4229 protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective
4230 order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written
4231 explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders
4232 pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

4233 D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be
4234 reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need
4235 of supervision have utilized or attempted to utilize treatment and services available in the community and
4236 have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer
4237 determines that the parties have not attempted to utilize available treatment or services or have not exhausted
4238 all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to
4239 be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or
4240 services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a
4241 reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

4242 E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult
4243 would be punishable as a Class 1 misdemeanor or as a felony, when such refusal is based solely upon a
4244 finding that no probable cause exists, the complainant shall be notified in writing at that time of the
4245 complainant's right to apply to a magistrate for a warrant. The application for a warrant to the magistrate shall

be filed within 10 days of the issuance of the written notification. The written notification shall indicate that the intake officer made a finding that no probable cause exists and shall provide notice that the complainant has 10 days to apply for a warrant to the magistrate. The complainant shall provide the magistrate with a copy of the written notification upon application to the magistrate. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony when such refusal is based upon a finding that (i) probable cause exists, but that (ii) the matter is appropriate for diversion, his decision is final and the complainant shall not have a right to apply to a magistrate for a warrant.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;

2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;

3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;

4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;

5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to

4277 Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

4278 6. Manufacture, sale or distribution of marijuana pursuant to ~~Article 4 Chapter 11 (§ 18.2-247 4.1-1100 et~~
4279 ~~seq.) of Chapter 7 of Title 18.2 4.1;~~

4280 7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;

4281 8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;

4282 9. Robbery pursuant to § 18.2-58;

4283 10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;

4284 11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;

4285 12. An act of violence by a mob pursuant to § 18.2-42.1;

4286 13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; or

4287 14. A threat pursuant to § 18.2-60.

4288 The failure to provide information regarding the school in which the student who is the subject of the
4289 petition may be enrolled shall not be grounds for refusing to file a petition.

4290 The information provided to a division superintendent pursuant to this section may be disclosed only as
4291 provided in § 16.1-305.2.

4292 H. The filing of a petition shall not be necessary:

4293 1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other
4294 pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any
4295 ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the
4296 court may proceed on a summons issued by the officer investigating the violation in the same manner as
4297 provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene
4298 of the accident or at any other location where a juvenile who is involved in such an accident may be located,
4299 proceed on a summons in lieu of filing a petition.

4300 2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of
4301 § 16.1-241.

4302 3. In the case of a misdemeanor violation of § 18.2-266, 18.2-266.1, or 29.1-738 or the commission of any
4303 other alcohol-related offense, provided that the juvenile is released to the custody of a parent or legal
4304 guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal
4305 guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal
4306 guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner

provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 4.1-305 or 4.1-1105 is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided that such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 4.1-305 or 4.1-1105 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses, *other than marijuana-related offenses*, which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

§ 16.1-273. Court may require investigation of social history and preparation of victim impact statement.

A. When a juvenile and domestic relations district court or circuit court has adjudicated any case involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing curfew violations, the court before final disposition thereof may require an investigation, which (i) shall include a drug screening and (ii) may, and for the purposes of subdivision A 14 or 17 of § 16.1-278.8 shall, include a social history of the physical, mental, and social conditions, including an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated delinquent on the basis of an

act committed on or after January 1, 2000, which would be (a) a felony if committed by an adult, ~~or~~ (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or Class 2 misdemeanor if committed by an adult, *or (c) a violation of § 4.1-1105*, the court shall order the juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court services unit or by an individual employed by or currently under contract to such agencies and who is specifically trained to conduct such assessments under the supervision of such counselor.

B. The court also shall, on motion of the attorney for the Commonwealth with the consent of the victim, or may in its discretion, require the preparation of a victim impact statement in accordance with the provisions of § 19.2-299.1 if the court determines that the victim may have suffered significant physical, psychological, or economic injury as a result of the violation of law.

§ 16.1-278.9. Delinquent children; loss of driving privileges for alcohol, firearm, and drug offenses; truancy.

A. If a court has found facts which would justify a finding that a child at least 13 years of age at the time of the offense is delinquent and such finding involves (i) a violation of § 18.2-266 or of a similar ordinance of any county, city, or town; (ii) a refusal to take a breath test in violation of § 18.2-268.2; (iii) a felony violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248, ~~18.2-248.1~~, or 18.2-250; (iv) a misdemeanor violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248, ~~18.2-248.1~~, or 18.2-250 *or a violation of § 4.1-1105*; (v) the unlawful purchase, possession, or consumption of alcohol in violation of § 4.1-305 or the unlawful drinking or possession of alcoholic beverages in or on public school grounds in violation of § 4.1-309; (vi) public intoxication in violation of § 18.2-388 or a similar ordinance of a county, city, or town; (vii) the unlawful use or possession of a handgun or possession of a "streetsweeper" as defined below; or (viii) a violation of § 18.2-83, the court shall order, in addition to any other penalty that it may impose as provided by law for the offense, that the child be denied a driver's license. In addition to any other penalty authorized by this section, if the offense involves a violation designated under clause (i) and the child was transporting a person 17 years of age or younger, the court shall impose the additional fine and order community service as provided in § 18.2-270. If the offense involves a violation designated under clause (i), (ii), (iii), or (viii), the denial of a driver's license shall be for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile

4369 reaches the age of 18, whichever is longer, for a second or subsequent such offense. If the offense involves a
4370 violation designated under clause (iv), (v), or (vi) the denial of driving privileges shall be for a period of six
4371 months unless the offense is committed by a child under the age of 16 years and three months, in which case
4372 the child's ability to apply for a driver's license shall be delayed for a period of six months following the date
4373 he reaches the age of 16 and three months. If the offense involves a first violation designated under clause (v)
4374 or (vi), the court shall impose the license sanction and may enter a judgment of guilt or, without entering a
4375 judgment of guilt, may defer disposition of the delinquency charge until such time as the court disposes of the
4376 case pursuant to subsection F. If the offense involves a violation designated under clause (iii) or (iv), the
4377 court shall impose the license sanction and shall dispose of the delinquency charge pursuant to the provisions
4378 of this chapter or § 18.2-251. If the offense involves a violation designated under clause (vii), the denial of
4379 driving privileges shall be for a period of not less than 30 days, except when the offense involves possession
4380 of a concealed handgun or a striker 12, commonly called a "streetsweeper," or any semi-automatic folding
4381 stock shotgun of like kind with a spring tension drum magazine capable of holding 12 shotgun shells, in
4382 which case the denial of driving privileges shall be for a period of two years unless the offense is committed
4383 by a child under the age of 16 years and three months, in which event the child's ability to apply for a driver's
4384 license shall be delayed for a period of two years following the date he reaches the age of 16 and three
4385 months.

4386 A1. If a court finds that a child at least 13 years of age has failed to comply with school attendance and
4387 meeting requirements as provided in § 22.1-258, the court shall order the denial of the child's driving
4388 privileges for a period of not less than 30 days. If such failure to comply involves a child under the age of 16
4389 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not
4390 less than 30 days following the date he reaches the age of 16 and three months.

4391 If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a
4392 period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability
4393 to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three
4394 months, as may be appropriate.

4395 A2. If a court finds that a child at least 13 years of age has refused to take a blood test in violation of
4396 § 18.2-268.2, the court shall order that the child be denied a driver's license for a period of one year or until
4397 the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or
4398 until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense.

4399 B. Any child who has a driver's license at the time of the offense or at the time of the court's finding as

4400 provided in subsection A1 or A2 shall be ordered to surrender his driver's license, which shall be held in the
4401 physical custody of the court during any period of license denial.

4402 C. The court shall report any order issued under this section to the Department of Motor Vehicles, which
4403 shall preserve a record thereof. The report and the record shall include a statement as to whether the child was
4404 represented by or waived counsel or whether the order was issued pursuant to subsection A1 or A2.
4405 Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) or the provisions of Title 46.2, this record
4406 shall be available only to all law-enforcement officers, attorneys for the Commonwealth and courts. No other
4407 record of the proceeding shall be forwarded to the Department of Motor Vehicles unless the proceeding
4408 results in an adjudication of guilt pursuant to subsection F.

4409 The Department of Motor Vehicles shall refuse to issue a driver's license to any child denied a driver's
4410 license until such time as is stipulated in the court order or until notification by the court of withdrawal of the
4411 order of denial under subsection E.

4412 D. If the finding as to the child involves a violation designated under clause (i), (ii), (iii) or (vi) of
4413 subsection A or a violation designated under subsection A2, the child may be referred to a certified alcohol
4414 safety action program in accordance with § 18.2-271.1 upon such terms and conditions as the court may set
4415 forth. If the finding as to such child involves a violation designated under clause (iii), (iv), (v), (vii) or (viii)
4416 of subsection A, such child may be referred to appropriate rehabilitative or educational services upon such
4417 terms and conditions as the court may set forth.

4418 The court, in its discretion and upon a demonstration of hardship, may authorize the use of a restricted
4419 permit to operate a motor vehicle by any child who has a driver's license at the time of the offense or at the
4420 time of the court's finding as provided in subsection A1 or A2 for any of the purposes set forth in subsection
4421 E of § 18.2-271.1 or for travel to and from school, except that no restricted license shall be issued for travel to
4422 and from home and school when school-provided transportation is available and no restricted license shall be
4423 issued if the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A,
4424 or if it involves a second or subsequent violation of any offense designated in subsection A, a second finding
4425 by the court of failure to comply with school attendance and meeting requirements as provided in subsection
4426 A1, or a second or subsequent finding by the court of a refusal to take a blood test as provided in subsection
4427 A2. The issuance of the restricted permit shall be set forth within the court order, a copy of which shall be
4428 provided to the child, and shall specifically enumerate the restrictions imposed and contain such information
4429 regarding the child as is reasonably necessary to identify him. The child may operate a motor vehicle under
4430 the court order in accordance with its terms. Any child who operates a motor vehicle in violation of any

4431 restrictions imposed pursuant to this section is guilty of a violation of § 46.2-301.

4432 E. Upon petition made at least 90 days after issuance of the order, the court may review and withdraw any
4433 order of denial of a driver's license if for a first such offense or finding as provided in subsection A1 or A2.
4434 For a second or subsequent such offense or finding, the order may not be reviewed and withdrawn until one
4435 year after its issuance.

4436 F. If the finding as to such child involves a first violation designated under clause (vii) of subsection A,
4437 upon fulfillment of the terms and conditions prescribed by the court and after the child's driver's license has
4438 been restored, the court shall or, in the event the violation resulted in the injury or death of any person or if
4439 the finding involves a violation designated under clause (i), (ii), (v), or (vi) of subsection A, may discharge
4440 the child and dismiss the proceedings against him. Discharge and dismissal under these provisions shall be
4441 without an adjudication of guilt but a record of the proceeding shall be retained for the purpose of applying
4442 this section in subsequent proceedings. Failure of the child to fulfill such terms and conditions shall result in
4443 an adjudication of guilt. If the finding as to such child involves a violation designated under clause (iii) or (iv)
4444 of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of
4445 pursuant to the provisions of this chapter or § 18.2-251. If the finding as to such child involves a second
4446 violation under clause (v), (vi) or (vii) of subsection A, the charge shall not be dismissed pursuant to this
4447 subsection but shall be disposed of under § 16.1-278.8.

4466 § 18.2-247. Use of terms "controlled substances," "Schedules I, II, III, IV, V, and VI," "imitation
4467 controlled substance," and "counterfeit controlled substance" in Title 18.2.

4468 A. Wherever the terms "controlled substances" and "Schedules I, II, III, IV, V, and VI" are used in Title
4469 18.2, such terms refer to those terms as they are used or defined in the Drug Control Act (§ 54.1-3400 et
4470 seq.).

4471 B. The term "imitation controlled substance" when used in this article means (i) a counterfeit controlled

4475 representations made, would cause the likelihood that such a pill, capsule, tablet, or substance in any other

4477 commerce prior to the initial introduction into commerce of the controlled substance which it is alleged to
4478 imitate; or

4479 2. Which by express or implied representations purports to act like a controlled substance as a stimulant or
4480 depressant of the central nervous system and which is not commonly used or recognized for use in that
4481 particular formulation for any purpose other than for such stimulant or depressant effect, unless marketed,
4482 promoted, or sold as permitted by the U.S. Food and Drug Administration.

4483 C. In determining whether a pill, capsule, tablet, or substance in any other form whatsoever, is an
4484 "imitation controlled substance," there shall be considered, in addition to all other relevant factors,
4485 comparisons with accepted methods of marketing for legitimate nonprescription drugs for medicinal purposes
4486 rather than for drug abuse or any similar nonmedicinal use, including consideration of the packaging of the

4530 amount of such consideration was substantially greater than the reasonable value of such pill, capsule, tablet
4531 or substance in any other form whatsoever, considering the actual chemical composition of such pill, capsule,
4532 tablet or substance in any other form whatsoever and, where applicable, the price at which over-the-counter

6203 **§ 19.2-392.12:1. (Effective July 1, 2026) Sealing of charges and convictions related to automatic**

6210 and court records relating to the charge or conviction. In addition to requesting the sealing of a charge or

6231 convictions, and ancillary matters are eligible for sealing under this section. A petition may not request the
6232 sealing of the criminal history record information and court records where the charge, conviction, or ancillary

6246 CCRE shall electronically forward such record to the circuit court; however, if the circuit court is unable to
6247 receive an electronic transmission, the CCRE shall forward a copy of such record to the circuit court which
6248 shall be maintained under seal by the clerk unless otherwise ordered by the court. Upon completion of the
6249 hearing, the court shall cause the criminal history record to be destroyed unless, within 30 days of the date of
6250 the entry of the final order in the matter, the petitioner or the attorney for the Commonwealth notes an appeal
6251 as provided by law in civil cases.

6252 H. After receiving the criminal history record of the petitioner, the court may conduct a hearing on the
6253 petition.

6254 I. For a petition filed pursuant to subsection A, the court shall enter an order requiring the sealing of the
