HOUSE BILL NO. 677

AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the House Committee on Labor and Commerce
on February 5, 2026)

(Patron Prior to Substitute—Delegate Maldonado)

A BILL to amend and reenact §§ 38.2-2114 and 59.1-200 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 38.2-1905.2 and by adding in Title 59.1 a chapter numbered 60, consisting of sections numbered 59.1-614 through 59.1-617, relating to residential property owners; insurance policies; roofing services by contractors; prohibited practices and consumer protection.

Be it enacted by the General Assembly of Virginia:

1. That §§ 38.2-2114 and 59.1-200 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 38.2-1905.2 and by adding in Title 59.1 a chapter numbered 60, consisting of sections numbered 59.1-614 through 59.1-617, as follows:

§ 38.2-1905.2. Insurer not to increase premiums in certain instances; roof age and condition.

A. No insurer shall increase the premiums of a policy written to insure an owner-occupied dwelling solely based on the age of the roof (i) if the roof is less than 15 years old or (ii) without permitting the owner or purchaser of the dwelling to provide written proof of the actual age of the roof. In the absence of such proof, the insurer shall permit a roof inspection performed by an authorized inspector at the owner's or purchaser's expense to determine the actual age of the roof.

B. For the purposes of this section, the actual age of the roof shall be calculated using (i) the last date on which 100 percent of the roof's surface area was built or replaced in accordance with the building code in effect at such time or (ii) the initial date of a partial roof replacement when subsequent partial roof builds or replacements were completed that resulted in 100 percent of the roof's surface area being built or replaced.

C. Notwithstanding the age of the roof, no insurer shall increase the premiums of a policy written to insure an owner-occupied dwelling solely based on the condition of the roof if an authorized inspector reports that the roof has five years or more of useful life remaining.

D. For the purposes of this section, "authorized inspector" means a home inspector licensed under Chapter 5 of Title 54.1 (§ 54.1-500 et seq.), a contractor with a residential building classification licensed under Chapter 11 of Title 54.1 (§ 54.1-1100 et seq.), a professional engineer, or any other individual or entity recognized by an insurer as possessing the necessary qualifications to properly complete a general inspection of a residential structure insured with a homeowner's insurance policy.

E. For the purposes of this subsection, copies of receipts or contracts from the initial roof installation or replacement, copies of building permits for installation or replacement, or a report from an authorized inspector estimating the age of the roof or that the roof has five years or more of useful life remaining provided by the owner or purchaser shall be sufficiently determinative of the age or condition of the roof.

F. The Commission may review rates and rating plans for compliance with this section pursuant to § 38.2-1909 and may disapprove rates, pursuant to § 38.2-1910, that do not comply.

§ 38.2-2114. Grounds and procedure for termination of policy; contents of notice; review by Commissioner; exceptions; immunity from liability.

A. Notwithstanding the provisions of § 38.2-2105, no policy or contract written to insure owner-occupied dwellings shall be canceled by an insurer unless written notice is mailed or delivered to the named insured at the address stated in the policy, or is delivered electronically to the address provided by the named insured, and cancellation is for one of the following reasons:

1. Failure to pay the premium when due;
2. Conviction of a crime arising out of acts increasing the probability that a peril insured against will occur;
3. Discovery of fraud or material misrepresentation;
4. Willful or reckless acts or omissions increasing the probability that a peril insured against will occur as determined from a physical inspection of the insured premises;
5. Physical changes in the property which result in the property becoming uninsurable as determined from a physical inspection of the insured premises; or
6. Foreclosure efforts by the secured party against the subject property covered by the policy that have resulted in the sale of the property by a trustee under a deed of trust as duly recorded in the land title records of the jurisdiction in which the property is located.

B. No policy or contract written to insure owner-occupied dwellings shall be terminated by an insurer by refusal to renew except at the expiration of the stated policy period or term and unless the insurer or its agent, acting on behalf of the insurer mails or delivers to the named insured, at the address stated in the policy, or delivers electronically to the address provided by the named insured, written notice of the insurer's refusal to renew the policy or contract.

60 C. A written notice of cancellation of or refusal to renew a policy or contract written to insure owner-
61 occupied dwellings shall:

62 1. State the date that the insurer proposes to terminate the policy or contract, which shall be at least 30
63 days after mailing or delivering to the named insured the notice of cancellation or refusal to renew. However,
64 when the policy is being terminated for the reason set forth in subdivision A 1, the date that the insurer
65 proposes to terminate the policy may be less than 30 days but at least 10 days from the date of mailing or
66 delivery;

67 2. State the specific reason for terminating the policy or contract and provide for the notification required
68 by the provisions of §§ 38.2-608 and 38.2-609 and subsection B of § 38.2-610. However, those notification
69 requirements shall not apply when the policy is being canceled or not renewed for the reason set forth in
70 subdivision A 1;

71 3. Advise the insured that within 10 days of receipt of the notice of termination he may request in writing
72 that the Commissioner review the action of the insurer in terminating the policy or contract;

73 4. Advise the insured of his possible eligibility for fire insurance coverage through the Virginia Property
74 Insurance Association; and

75 5. Be in a type size authorized by § 38.2-311.

76 D. Within 10 days of receipt of the notice of termination any insured or his attorney shall be entitled to
77 request in writing to the Commissioner that he review the action of the insurer in terminating a policy or
78 contract written to insure owner-occupied dwellings. Upon receipt of the request, the Commissioner shall
79 promptly initiate a review to determine whether the insurer's cancellation or refusal to renew complies with
80 the requirements of this section and of § 38.2-2113, if sent by mail or delivered electronically. The policy
81 shall remain in full force and effect during the pendency of the review by the Commissioner except where the
82 cancellation or refusal to renew is for reason of nonpayment of premium, in which case the policy shall
83 terminate as of the date stated in the notice. Where the Commissioner finds from the review that the
84 cancellation or refusal to renew has not complied with the requirements of this section or of § 38.2-2113, if
85 sent by mail or delivered electronically, he shall immediately notify the insurer, the insured, and any other
86 person to whom notice of cancellation or refusal to renew was required to be given by the terms of the policy
87 that the cancellation or refusal to renew is not effective. Nothing in this section authorizes the Commissioner
88 to substitute his judgment as to underwriting for that of the insurer.

89 E. Nothing in this section shall apply:

90 1. To any policy written to insure owner-occupied dwellings that has been in effect for less than 90 days
91 when the notice of termination is mailed or delivered to the insured, unless it is a renewal policy;

92 2. If the insurer or its agent acting on behalf of the insurer has manifested its willingness to renew by
93 issuing or offering to issue a renewal policy, certificate or other evidence of renewal, or has otherwise
94 manifested its willingness to renew in writing to the insured. The written manifestation shall include the name
95 of a proposed insurer, the expiration date of the policy, the type of insurance coverage, and information
96 regarding the estimated renewal premium;

97 3. If the named insured or his duly constituted attorney-in-fact has notified the insurer or its agent orally,
98 or in writing, if the insurer requires such notification to be in writing, that he wishes the policy to be canceled,
99 or that he does not wish the policy to be renewed, or if, prior to the date of expiration, he fails to accept the
100 offer of the insurer to renew the policy;

101 4. To any contract or policy written through the Virginia Property Insurance Association or any residual
102 market facility established pursuant to Chapter 27 (§ 38.2-2700 et seq.); or

103 5. If an affiliated insurer has manifested its willingness to provide coverage at a lower premium than
104 would have been charged for the same exposures on the expiring policy. The affiliated insurer shall manifest
105 its willingness to provide coverage by issuing a policy with the types and limits of coverage at least equal to
106 those contained in the expiring policy unless the named insured has requested a change in coverage or limits.
107 When such offer is made by an affiliated insurer, an offer of renewal shall not be required of the insurer of the
108 expiring policy, and the policy issued by the affiliated insurer shall be deemed to be a renewal policy.

109 F. Each insurer shall maintain, for at least one year, records of cancellation and refusal to renew and
110 copies of every notice or statement referred to in subsection E that it sends to any of its insureds.

111 G. There shall be no liability on the part of and no cause of action of any nature shall arise against the
112 Commissioner or his subordinates; any insurer, its authorized representative, its agents, or its employees; or
113 any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or refusal
114 to renew, for any statement made by any of them in complying with this section or for providing information
115 pertaining to the cancellation or refusal to renew.

116 H. Nothing in this section requires an insurer to renew a policy written to insure owner-occupied
117 dwellings, if the insured does not conform to the occupational or membership requirements of an insurer who
118 limits its writings to an occupation or membership of an organization.

119 I. No insurer or agent shall refuse to renew a policy written to insure an owner-occupied dwelling, solely
120 because of any one or more of the following factors:

121 1. Age;

122 2. Sex;
 123 3. Residence;
 124 4. Race;
 125 5. Color;
 126 6. Creed;
 127 7. National origin;
 128 8. Ancestry;
 129 9. Marital status;
 130 10. Sexual orientation;
 131 11. Gender identity;
 132 12. Lawful occupation, including the military service; however, nothing in this subsection shall require
 133 any insurer to renew a policy for an insured where the insured's occupation has changed so as to increase
 134 materially the risk;
 135 13. Credit information contained in a "consumer report," as defined in the federal Fair Credit Reporting
 136 Act, 15 U.S.C. § 1681 et seq., bearing on a natural person's creditworthiness, credit standing or credit
 137 capacity. If credit information is used, in part, as the basis for the nonrenewal, such credit information shall
 138 be based on a consumer report procured within 120 days from the effective date of the nonrenewal;
 139 14. Any claim resulting primarily from natural causes;
 140 15. One or more claims that were incurred more than 60 months immediately prior to the expiration of the
 141 current policy period; or
 142 16. Any inquiry from an insured about his insurance coverage or policy provisions. For purposes of this
 143 subdivision, "inquiry" means a written or oral communication by an insured seeking information regarding
 144 coverage or policy provisions that does not notify the insurer of a loss, incident or accident, and that does not
 145 provide information indicating an increase in the hazard insured against. An insurer shall not report any
 146 inquiry as a claim to a loss history database maintained by a consumer reporting agency or insurance support
 147 organization.

148 Nothing in this section prohibits any insurer from setting rates in accordance with relevant actuarial data.

149 J. No insurer shall cancel or refuse to renew a policy written to insure an owner-occupied dwelling
 150 because an insured under the policy is a foster parent and foster children reside at the insured dwelling.

151 *K. No insurer shall refuse coverage or cancel or refuse to renew a policy written to insure an owner-
 152 occupied dwelling solely based on the age of the roof (i) if the roof is less than 15 years old or (ii) without
 153 permitting the owner or purchaser of the dwelling to provide written proof of the actual age of the roof. In the
 154 absence of such proof, the insurer shall permit a roof inspection performed by an authorized inspector at the
 155 owner's or purchaser's expense to determine the actual age of the roof.*

156 1. *For the purposes of this subsection, the actual age of the roof shall be calculated using (i) the last date
 157 on which 100 percent of the roof's surface area was built or replaced in accordance with the building code in
 158 effect at such time or (ii) the initial date of a partial roof replacement when subsequent partial roof builds or
 159 replacements were completed that resulted in 100 percent of the roof's surface area being built or replaced.*

160 2. *Notwithstanding the age of the roof, no insurer shall refuse coverage or cancel or refuse to renew a
 161 policy written to insure an owner-occupied dwelling solely based on the condition of the roof if an authorized
 162 inspector reports that the roof has five years or more of useful life remaining. If an authorized inspector
 163 reports that the roof has five years or more of useful life remaining, replacement of the roof shall not be
 164 required as a condition of issuing or renewing a policy to insure an owner-occupied dwelling. For a roof that
 165 is at least 15 years old, the insurer shall permit a roof inspection performed by an authorized inspector at the
 166 owner's or purchaser's expense before requiring the replacement of the roof as a condition of issuing or
 167 renewing a policy to insure an owner-occupied dwelling.*

168 3. *For the purposes of this subsection, "authorized inspector" means a home inspector licensed under
 169 Chapter 5 of Title 54.1 (§ 54.1-500 et seq.), a contractor with a residential building classification licensed
 170 under Chapter 11 of Title 54.1 (§ 54.1-1100 et seq.), a professional engineer, or any other individual or
 171 entity recognized by an insurer as possessing the necessary qualifications to properly complete a general
 172 inspection of a residential structure insured with an owner-occupied dwelling insurance policy.*

173 4. *For the purposes of this subsection, copies of receipts or contracts from the initial roof installation or
 174 replacement, copies of building permits for installation or replacement, or a report from an authorized
 175 inspector estimating the age of the roof or that the roof has five years or more of useful life remaining
 176 provided by the owner or purchaser shall be sufficiently determinative of the age or condition of the roof.*

177 **§ 59.1-200. Prohibited practices.**

178 A. The following fraudulent acts or practices committed by a supplier in connection with a consumer
 179 transaction are hereby declared unlawful:

180 1. Misrepresenting goods or services as those of another;
 181 2. Misrepresenting the source, sponsorship, approval, or certification of goods or services;
 182 3. Misrepresenting the affiliation, connection, or association of the supplier, or of the goods or services,
 183 with another;

184 4. Misrepresenting geographic origin in connection with goods or services;
185 5. Misrepresenting that goods or services have certain quantities, characteristics, ingredients, uses, or
186 benefits;
187 6. Misrepresenting that goods or services are of a particular standard, quality, grade, style, or model;
188 7. Advertising or offering for sale goods that are used, secondhand, repossessed, defective, blemished,
189 deteriorated, or reconditioned, or that are "seconds," irregulars, imperfects, or "not first class," without clearly
190 and unequivocally indicating in the advertisement or offer for sale that the goods are used, secondhand,
191 repossessed, defective, blemished, deteriorated, reconditioned, or are "seconds," irregulars, imperfects, or
192 "not first class";
193 8. Advertising goods or services with intent not to sell them as advertised, or with intent not to sell at the
194 price or upon the terms advertised.

195 In any action brought under this subdivision, the refusal by any person, or any employee, agent, or servant
196 thereof, to sell any goods or services advertised or offered for sale at the price or upon the terms advertised or
197 offered, shall be *prima facie* evidence of a violation of this subdivision. This paragraph shall not apply when
198 it is clearly and conspicuously stated in the advertisement or offer by which such goods or services are
199 advertised or offered for sale, that the supplier or offeror has a limited quantity or amount of such goods or
200 services for sale, and the supplier or offeror at the time of such advertisement or offer did in fact have or
201 reasonably expected to have at least such quantity or amount for sale;

202 9. Making false or misleading statements of fact concerning the reasons for, existence of, or amounts of
203 price reductions;

204 10. Misrepresenting that repairs, alterations, modifications, or services have been performed or parts
205 installed;

206 11. Misrepresenting by the use of any written or documentary material that appears to be an invoice or bill
207 for merchandise or services previously ordered;

208 12. Notwithstanding any other provision of law, using in any manner the words "wholesale,"
209 "wholesaler," "factory," or "manufacturer" in the supplier's name, or to describe the nature of the supplier's
210 business, unless the supplier is actually engaged primarily in selling at wholesale or in manufacturing the
211 goods or services advertised or offered for sale;

212 13. Using in any contract or lease any liquidated damage clause, penalty clause, or waiver of defense, or
213 attempting to collect any liquidated damages or penalties under any clause, waiver, damages, or penalties that
214 are void or unenforceable under any otherwise applicable laws of the Commonwealth, or under federal
215 statutes or regulations;

216 13a. Failing to provide to a consumer, or failing to use or include in any written document or material
217 provided to or executed by a consumer, in connection with a consumer transaction any statement, disclosure,
218 notice, or other information however characterized when the supplier is required by 16 C.F.R. Part 433 to so
219 provide, use, or include the statement, disclosure, notice, or other information in connection with the
220 consumer transaction;

221 14. Using any other deception, fraud, false pretense, false promise, or misrepresentation in connection
222 with a consumer transaction;

223 15. Violating any provision of § 3.2-6509, 3.2-6512, 3.2-6513, 3.2-6513.1, 3.2-6514, 3.2-6515, 3.2-6516,
224 or 3.2-6519 is a violation of this chapter;

225 16. Failing to disclose all conditions, charges, or fees relating to:

226 a. The return of goods for refund, exchange, or credit. Such disclosure shall be by means of a sign
227 attached to the goods, or placed in a conspicuous public area of the premises of the supplier, so as to be
228 readily noticeable and readable by the person obtaining the goods from the supplier. If the supplier does not
229 permit a refund, exchange, or credit for return, he shall so state on a similar sign. The provisions of this
230 subdivision shall not apply to any retail merchant who has a policy of providing, for a period of not less than
231 20 days after date of purchase, a cash refund or credit to the purchaser's credit card account for the return of
232 defective, unused, or undamaged merchandise upon presentation of proof of purchase. In the case of
233 merchandise paid for by check, the purchase shall be treated as a cash purchase and any refund may be
234 delayed for a period of 10 banking days to allow for the check to clear. This subdivision does not apply to
235 sale merchandise that is obviously distressed, out of date, post season, or otherwise reduced for clearance; nor
236 does this subdivision apply to special order purchases where the purchaser has requested the supplier to order
237 merchandise of a specific or unusual size, color, or brand not ordinarily carried in the store or the store's
238 catalog; nor shall this subdivision apply in connection with a transaction for the sale or lease of motor
239 vehicles, farm tractors, or motorcycles as defined in § 46.2-100;

240 b. A layaway agreement. Such disclosure shall be furnished to the consumer (i) in writing at the time of
241 the layaway agreement, or (ii) by means of a sign placed in a conspicuous public area of the premises of the
242 supplier, so as to be readily noticeable and readable by the consumer, or (iii) on the bill of sale. Disclosure
243 shall include the conditions, charges, or fees in the event that a consumer breaches the agreement;

244 16a. Failing to provide written notice to a consumer of an existing open-end credit balance in excess of \$5
245 (i) on an account maintained by the supplier and (ii) resulting from such consumer's overpayment on such

246 account. Suppliers shall give consumers written notice of such credit balances within 60 days of receiving
 247 overpayments. If the credit balance information is incorporated into statements of account furnished
 248 consumers by suppliers within such 60-day period, no separate or additional notice is required;

249 17. If a supplier enters into a written agreement with a consumer to resolve a dispute that arises in
 250 connection with a consumer transaction, failing to adhere to the terms and conditions of such an agreement;

 261 (§ 59.1-207.34 et seq.);

290 49. Selling, offering for sale, or manufacturing for sale a children's product the supplier knows or has
 291 reason to know was recalled by the U.S. Consumer Product Safety Commission. There is a rebuttable
 292 presumption that a supplier has reason to know a children's product was recalled if notice of the recall has
 293 been posted continuously at least 30 days before the sale, offer for sale, or manufacturing for sale on the
 294 website of the U.S. Consumer Product Safety Commission. This prohibition does not apply to children's
 295 products that are used, secondhand or "seconds";
