Bill Number: SB332S1

Patron:

Bill Title: Medical marijuana; administration to terminally ill patients.

Bill Summary: The provisions of this legislation, as amended in the nature of a substitute, directs the Virginia Department of Health (VDH), after consulting with stakeholders as it deems appropriate, to promulgate regulations for the administration of medical cannabis. The provisions of this act shall become effective upon the date that marijuana is federally rescheduled from Schedule I to Schedule III under the federal Controlled Substances Act.

Fiscal Summary: Minimal fiscal impact.

Fiscal Analysis: Any increase in workload to promulgate regulations or consult with stakeholders can be handled within existing resources.

Other: None
