2, 3. [Repealed.]

4. Upon the request of (i) the subject of the information, (ii) the parent of a minor who is the subject of the information, (iii) the guardian of the subject of the information, (iv) the authorized agent or representative of the subject of the information, or (v) the owner of the vehicle that is the subject of the information, the Commissioner shall provide him with the requested information and a complete explanation of it. Requests for such information need not be made in writing or in person and may be made orally or by telephone, provided that the Department is satisfied that there is adequate verification of the requester's identity. When so requested in writing by (a) the subject of the information, (b) the parent of a minor who is the subject of the information, (c) the guardian of the subject of the information, (d) the authorized agent or representative of the subject of the information, or (e) the owner of the vehicle that is the subject of the information, the Commissioner shall verify and, if necessary, correct the personal information provided and furnish driver, special identification card, or vehicle information. If the requester is requesting such information in the scope of his official business as counsel from a public defender's office or as counsel appointed by a court, such records shall be provided free of charge.

5. Upon the written request of any insurance carrier or surety, or authorized agent of either, the Commissioner shall furnish to such requester information in the record of any person subject to the provisions of this title. The transcript shall include any record of any conviction of a violation of any provision of any statute or ordinance relating to the operation or ownership of a motor vehicle or of any injury or damage in which he was involved and a report filed pursuant to § 46.2-373. No such report of any conviction or crash shall be made after 60 months from the date of the conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension and any conviction or crash pertaining thereto shall not be reported after 60 months from the date that the driver's license or driving privilege has been reinstated. The response of the Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

6. Upon the written request of any business organization or its authorized agent, in the conduct of its business, the Commissioner shall compare personal information supplied by the requester with that contained in the Department's records and, when the information supplied by the requester is different from that contained in the Department's records, provide the requester with correct information as contained in the Department's records. Personal information provided under this subdivision shall be used solely for the purpose of pursuing remedies that require locating an individual.

7. Upon the written request of any business organization or its authorized agent, the Commissioner shall provide vehicle information to the requester. Disclosures made under this subdivision shall not include any personal information, driver information, or special identification card information and shall not be subject to the limitations contained in subdivision 6.

8. Upon the written request of any motor vehicle rental or leasing company or its authorized agent, the

60 Commissioner shall (i) compare personal information supplied by the requester with that contained in the
61 Department's records and, when the information supplied by the requester is different from that contained in
62 the Department's records, provide the requester with correct information as contained in the Department's
63 records and (ii) provide the requester with driver information of any person subject to the provisions of this
64 title. Such information shall include any record of any conviction of a violation of any provision of any
65 statute or ordinance relating to the operation or ownership of a motor vehicle or of any injury or damage in
66 which the subject of the information was involved and a report of which was filed pursuant to § 46.2-373. No
67 such information shall include any record of any conviction or crash more than 60 months after the date of
68 such conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the
69 suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension
70 and any conviction or crash pertaining thereto shall cease to be included in such information after 60 months
71 from the date on which the driver's license or driving privilege was reinstated. The response of the
72 Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

73 9. Upon the request of any federal, state, or local governmental entity, local government group self-
74 insurance pool, law-enforcement officer, attorney for the Commonwealth, or court, or the authorized agent of
75 any of the foregoing, the Commissioner shall compare personal information supplied by the requester with
76 that contained in the Department's records and, when the information supplied by the requester is different
77 from that contained in the Department's records, provide the requester with correct information as contained
78 in the Department's records. The Commissioner shall also provide driver, special identification card, and

81 subdivision, the Commissioner shall furnish a certificate, under seal of the Department, setting forth a
82 distinguishing number or license plate of a motor vehicle, trailer, or semitrailer, together with the name and
83 address of its owner. The certificate shall be prima facie evidence in any court in the Commonwealth of the
84 ownership of the vehicle, trailer, or semitrailer to which the distinguishing number or license plate has been
85 assigned by the Department. However, the Commissioner shall not release any photographs pursuant to this
86 subdivision unless the requester provides the depicted individual's name and other sufficient identifying
87 information contained on such individual's record. The information in this subdivision shall be provided free
88 of charge.

89 The Department shall release to a requester information that is required for a requester to carry out the
90 requester's official functions in accordance with this subdivision. If the requester has entered into an
91 agreement with the Department, such agreement shall be in a manner prescribed by the Department, and such
92 agreement shall contain the legal authority that authorizes the performance of the requester's official
93 functions and a description of how such information will be used to carry out such official functions. If the
94 Commissioner determines that sufficient authority has not been provided by the requester to show that the
95 purpose for which the information shall be used is one of the requester's official functions, the Commissioner
96 shall refuse to enter into any agreement. If the requester submits a request for information in accordance with
97 this subdivision without an existing agreement to receive the information, the request shall be in a manner
98 prescribed by the Department, and such request shall contain the legal authority that authorizes the
99 performance of the requester's official functions and a description of how such information will be used to
100 carry out such official functions. If the Commissioner determines that sufficient authority has not been
101 provided by the requester to show that the purpose for which such information shall be used is one of the
102 requester's official functions, the Commissioner shall deny such request.

103 Notwithstanding the provisions of this subdivision, the Department shall not disseminate to any federal,
104 state, or local government entity, law-enforcement officer, or law-enforcement agency any privileged
105 information for any purposes related to civil immigration enforcement unless (i) the subject of the
106 information provides consent or (ii) the requesting agency presents a lawful judicial order, judicial subpoena,
107 or judicial warrant. When responding to a lawful judicial order, judicial subpoena, or judicial warrant, the
108 Department shall disclose only those records or information specifically requested. Within three business
109 days of receiving a request for information for the purpose of civil immigration enforcement, the
110 Commissioner shall send a notification to the individual about whom such information was requested that
111 such a request was made and the identity of the entity that made such request.

112 The Department shall not enter into any agreement pursuant to subsection E with a requester pursuant to
113 this subdivision unless the requester certifies that the information obtained will not be used for civil

 148 request is accompanied by appropriate written evidence that the person is a member of or applicant for
 149 membership in a volunteer fire company or a volunteer emergency medical services agency and the transcript
 150 is needed by the requester to establish the qualifications of the member, volunteer, or applicant to operate
 151 equipment owned by the volunteer fire company or volunteer emergency medical services agency.

152 13. Upon the written request of a Virginia affiliate of Big Brothers Big Sisters of America, a Virginia
 153 affiliate of Compeer, or the Virginia Council of the Girl Scouts of the USA, and with the consent of the

 165 the requester as provided in this subdivision.

166 14. On the written request of any person who has applied to be a volunteer with a court-appointed special
 167 advocate program pursuant to § 9.1-153, the Commissioner shall provide a transcript of the applicant's

266 written agreement consistent with this title. The requesting entity shall disseminate privileged information
267 only to third parties subject to the original purpose specified in the written agreement consistent with this
268 title. Any agreement that does not allow third-party distribution shall include a statement that such
269 distribution is prohibited. Such agreement may limit the scope of any authorized distribution consistent with
270 this title. Privileged information distributed to any third party shall only be further distributed by such third

281 government entity, through the Virginia Criminal Information Network (VCIN) or any other method of
282 dissemination controlled by the Department of State Police, has access to information stored by the
283 Department in violation of the protections contained in this section. The Department of State Police shall
284 notify the Department prior to when a new entity is to be granted S-ORI status and provide a copy of the
285 S-ORI application to the Department. The Department of State Police shall not allow any entity to access
286 Department data through VCIN if the Department objects in writing to the entity obtaining such data.

287 The provisions of this subsection shall not apply to (a) requests for information made pursuant to
288 subdivision B 4; (b) a request made by an entity authorized to receive privileged information pursuant to
289 subsection B, provided that such request is made on a form provided by the Department, other than a written
290 agreement, that requires the requester to certify that such entity is entitled to receive such information
291 pursuant to this title, state the purpose authorized pursuant to subsection B that forms the basis for the
292 request, explain why the information requested is necessary to accomplish the stated purpose, and certify that
293 the information will be used only for the stated purpose and the information received shall not be

297 is in the interest of public safety, and (3) the requesting entity completes the form required pursuant to clause
298 (b) within 48 hours of the release of such information.

299 F. Any person that receives any privileged information that such person knows or has reason to know was
300 received in violation of this title shall not disseminate any such information and shall notify the Department
301 of the receipt of such privileged information.

302 G. The Department shall conduct audits annually based on a risk assessment to ensure that privileged
303 information released by the Department pursuant to this title is being used as authorized by law and pursuant
304 to the agreements entered into by the Department. If the Department finds that privileged information has
305 been used in a manner contrary to law or the relevant agreement, the Department may revoke access.

306 H. Any request for privileged information by an authorized agent of a governmental entity shall be

307 governed by the provisions of subdivision B 9.

308 **§ 46.2-1051.1. Noise abatement monitoring systems; local pilot programs; civil penalties.**

309 A. For the purposes of this section:

310 "Exhaust system violation" means the operation of a passenger car or a commercial motor vehicle, as that
311 term is defined in § 46.2-341.4, that has an exhaust system that emits noise in excess of 95 A-weighted
312 decibels (dBA) or is in violation of a local ordinance enacted pursuant to § 46.2-1051.

313 "Noise abatement monitoring system" means a mobile or fixed motor vehicle sensor equipped with a noise
314 measuring device that, when such noise measuring device is activated, automatically produces two or more
315 photographs or microphotographs, videotapes, or other recorded images of a motor vehicle.

316 "Noise measuring device" means an electronic device that (i) uses automated equipment that activates
317 when the sound level exceeds the maximum sound level limits established by state law, (ii) records audio
318 when activated, (iii) records decibel levels when activated, and (iv) allows the operator of a noise abatement
319 monitoring system to manually review recorded audio to ensure an exhaust system violation has occurred.

320 B. The local governing body of any county or city in Planning District 8, Planning District 9, Planning
321 District 15, or Planning District 16 may place and operate noise abatement monitoring systems on any
322 highway located in the locality for the purpose of recording and enforcing exhaust system violations.

323 C. The operator of a vehicle shall be liable for a monetary civil penalty imposed pursuant to this section if
324 such operator is found, as evidenced by information obtained from a noise abatement monitoring device, to
325 have committed an exhaust system violation. Such civil penalty shall not exceed \$100, and any prosecution
326 shall be instituted and conducted in the same manner as prosecution for traffic infractions. Civil penalties
327 collected under this section shall be paid to the locality in which such violation occurred and used for the
328 cost of administering the noise abatement monitoring system program and for transportation safety
329 initiatives.

330 D. If a noise abatement monitoring system is used, proof of an exhaust system violation shall be evidenced
331 by information obtained from such device. A certificate, or a facsimile thereof, sworn to or affirmed by a law-
332 enforcement officer, based upon inspection of photographs, microphotographs, videotapes, or other recorded
333 images produced by such noise abatement monitoring system, shall be prima facie evidence of the facts
334 contained therein. Any photographs, microphotographs, videotapes, or other recorded images evidencing
335 such a violation shall be available for inspection in any proceeding to adjudicate the liability for such
336 exhaust system violation.

337 E. In the prosecution for an exhaust system violation in which a summons was issued by mail, prima facie
338 evidence that the vehicle described in the summons issued pursuant to this section was operated in a manner
339 constituting an exhaust system violation, together with proof that the defendant was at the time of such
340 violation the owner, lessee, or renter of the vehicle, shall constitute in evidence a rebuttable presumption that
341 such owner, lessee, or renter of the vehicle was the person who committed the violation. Such presumption
342 shall be rebutted if the owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the
343 clerk of the general district court that he was not the operator of the vehicle at the time of the alleged
344 violation and provides the name and address of the person who was operating the vehicle at the time of the
345 alleged violation or (ii) testifies in open court under oath that he was not the operator of the vehicle at the
346 time of the alleged violation and provides the name and address of the person who was operating the vehicle
347 at the time of the alleged violation. Such presumption shall also be rebutted if a certified copy of a police
348 report, showing that the vehicle had been reported to the police as stolen prior to the time of the alleged
349 exhaust system violation, is presented prior to the return date established on the summons issued pursuant to
350 this section to the court adjudicating the alleged violation.

351 F. Imposition of a civil penalty pursuant to this section by mailing a summons shall not be deemed a
352 conviction as an operator and shall not be made part of the operating record of the person upon whom such
353 liability is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance
354 coverage.

355 G. A summons for an exhaust system violation issued by mail pursuant to this section may be executed
356 pursuant to § 19.2-76.2. Notwithstanding the provisions of § 19.2-76, a summons issued by mail pursuant to
357 this section may be executed by mailing by first-class mail a copy thereof to the owner, lessee, or renter of the
358 vehicle. In the case of a vehicle owner, the copy shall be mailed to the address contained in the records of or
359 accessible to the Department. In the case of a vehicle lessee or renter, the copy shall be mailed to the address
360 contained in the records of the lessor or renter. Every such mailing shall include, in addition to the summons,
361 (i) a notice of the summoned person's ability to rebut the presumption that he was the operator of the vehicle
362 at the time of the alleged violation through the filing of an affidavit as provided in subsection E and (ii)
363 instructions for filing such affidavit, including the address to which the affidavit is to be sent. If the
364 summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section,
365 the summons shall be executed in the manner set out in § 19.2-76.3. No proceedings for contempt or arrest of
366 a person summoned by mailing shall be instituted for failure to appear on the return date of the summons. If
367 the summons is issued to an owner, lessee, or renter of a vehicle with a registration outside the
368 Commonwealth and such person fails to appear on the date of return set out in the summons mailed pursuant

369 to this section, the summons will be eligible for all legal collections activities. Any summons executed for an
 370 exhaust system violation issued pursuant to this section shall provide to the person summoned at least 30
 371 days from the mailing of the summons to inspect information collected by the noise abatement monitoring
 372 system in connection with the violation. If the law-enforcement agency that was operating the noise
 373 abatement monitoring system does not execute a summons for an exhaust system violation issued pursuant to
 374 this section within 30 days from the date of the violation, all information collected pertaining to that
 375 suspected violation shall be purged within 60 days from the date of the violation.

376 H. A private vendor may enter into an agreement with a locality to be compensated for providing a noise
 377 abatement monitoring system and all related support services, including consulting, operations, and
 378 administration. However, only a law-enforcement officer may swear to or affirm the certificate required by
 379 this section. Any such agreement for compensation shall be based on the value of the goods and services
 380 provided, not on the number of violations paid or monetary penalties imposed. Any private vendor
 381 contracting with a locality pursuant to this section may enter into an agreement with the Department, in
 382 accordance with the provisions of subdivision B 31 of § 46.2-208, to obtain vehicle owner information
 383 regarding the registered owners of vehicles that committed exhaust system violations. Any such information
 384 provided to such private vendor shall be protected in a database.

385 I. Information collected by a noise abatement monitoring system operated pursuant to this section shall be
 386 limited exclusively to that information that is necessary for the enforcement of exhaust system violations.
 387 Information provided to the operator of a noise abatement monitoring system shall be protected in a
 388 database and used only for enforcement of exhaust system violations and against individuals who violate the
 389 provisions of this section. Notwithstanding any other provision of law, all photographs, microphotographs,
 390 videotapes, or other recorded images collected by a noise abatement monitoring system shall be used
 391 exclusively for enforcing exhaust system violations and shall not be (i) open to the public; (ii) sold or used for
 392 sales, solicitation, or marketing purposes; (iii) disclosed to any other entity except as may be necessary for
 393 the enforcement of an exhaust system violation or to a vehicle owner or operator as part of a challenge to the
 394 violation; or (iv) used in a court in a pending action or proceeding unless the action or proceeding relates to
 395 an exhaust system violation or a violation of this section or such information is requested upon order from a
 396 court of competent jurisdiction. Information collected under this section pertaining to a specific violation
 397 shall be purged and not retained later than 60 days after the collection of any civil penalties. Any locality
 398 using noise abatement monitoring systems shall annually certify compliance with this section and make all
 399 records pertaining to such systems available for inspection and audit by the Commissioner of Highways or
 400 the Commissioner of the Department of Motor Vehicles or his designee. Any person who discloses personal
 401 information in violation of the provisions of this subsection shall be subject to a civil penalty of \$1,000 per
 402 disclosure.

403 J. A conspicuous sign shall be placed within 1,000 feet of any noise abatement monitoring system,
 404 indicating the use of the device. There shall be a rebuttable presumption that such sign was in place at the
 405 time of the commission of the exhaust system violation. Additionally, the locality in which the noise
 406 abatement monitoring systems are operated shall post the locations of all such systems on the official website
 407 of such locality.

408 K. Any locality that places and operates a noise abatement monitoring system pursuant to the provisions
 409 of this section shall report on its public website by January 15 of each year the number of exhaust system
 410 violations prosecuted, the number of successful prosecutions, and the total amount of monetary civil penalties
 411 collected.

412 **2. That the provisions of this act shall expire on July 1, 2028.**
