As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. No child whose parent or other person responsible for his care allows the child to engage in independent activities without adult supervision shall for that reason alone be considered to be an abused or neglected child, provided that (a) such independent activities are appropriate based on the child's age, maturity, and physical and mental abilities and (b) such lack of supervision does not constitute conduct that is so grossly negligent as to endanger the health or safety of the child. Such independent activities include traveling to or from school or nearby locations by bicycle or on foot, playing outdoors, or remaining at home for a reasonable period of time. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care, or an intimate partner of such parent or person, commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian or other person standing in loco parentis;

Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a Tier III offender pursuant to § 9.1-902; or

7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the Trafficking Victims Protection Act of 2000, 22 U.S.C. § 7102 et seq., and in the Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

 378 assumption of temporary control.

379 **§ 63.2-319.1. Intervention by Commissioner; corrective action plans; assumption of temporary control**
 380 **of local boards.**

381 A. In cases where a local department of social services requests assistance, the Commissioner shall have
 382 the authority to utilize Department staff or contract with private entities to provide child welfare services in
 383 the locality served by the local board and manage funds appropriated for such purposes.

384 B. The Commissioner shall have the authority to create and enforce a corrective action plan for any local
 385 board that, in the Commissioner's discretion, (i) fails to provide child welfare services in accordance with
 386 applicable law or regulations or (ii) takes any action or fails to act in a manner that poses a substantial risk
 387 to the health, safety, or well-being of a child. The corrective action plan shall (a) include specific objectives
 388 that the local board shall meet in order to comply with applicable laws and regulations and ensure the
 389 health, safety, and well-being of all children about whom a report of abuse or neglect was made or who is in
 390 the local board's supervision and control and (b) set the date by which such objectives shall be completed,
 391 which shall not extend beyond 90 days after implementation of the corrective action plan unless the
 392 Commissioner determines that the objectives of the corrective action plan cannot be reasonably
 393 accomplished within such time frame. During the time the corrective action plan is in effect, the
 394 Commissioner may direct Department staff to provide assistance to the local board, monitor its progress in
 395 meeting the objectives stated in the plan, and take any measures necessary to protect the health, safety, and
 396 well-being of children about whom a report of abuse or neglect was properly made or who are in the local

400 Prior to implementing a corrective action plan, the Commissioner shall provide written notice of his
 401 intent to implement the corrective action plan and the reasons that such plan was developed to the chairman
 402 of the Board, chairman of the local board, and local director. Upon request by the chairman of the Board,
 403 chairman of the local board, or local director, the Commissioner shall hold a hearing to determine whether a
 404 corrective action plan is appropriate.

405 C. If the local board fails to timely comply with the corrective action plan, the Commissioner shall have

 407 associated funds. Upon assuming such control, the Commissioner may utilize Department staff or contract
 408 with private entities to provide child welfare services in the locality served by the local board and manage
 409 funds appropriated for such purposes. For any period during which a local board is under the
 410 Commissioner's control, the Commissioner shall work with the local board and local director to make any
 411 adjustments necessary to facilitate the local board's resumption of control over its child welfare services and
 412 funds. The Commissioner shall remit control of such child welfare services and funds to the local board upon
 413 determining that the local board has made all adjustments necessary to ensure that child welfare services are
 414 provided in compliance with state and federal law and regulations and in a manner that adequately protects
 415 the health, safety, and well-being of all children about whom a report of abuse or neglect was made or who
 416 are in the local board's supervision and control.

417 D. Whenever the Commissioner assumes temporary control over a local board's child welfare services
 418 and funds pursuant to this section, the amount of local funding made available for such services shall remain
 419 equal to or greater than the amounts available immediately prior to the Commissioner's assumption of
 420 temporary control. Additionally, the locality in which the local board is located shall be required to pay the
 421 local share of any costs associated with any services necessary to align the local board's child welfare
 422 services with state and federal laws and regulations.
