Bill Number: HB497H1

Patron: Guzman

Bill Title: Certain students with disabilities; certain communication, reporting, and data posting.

Bill Summary: Requires each division superintendent to annually collect, summarize, and either post in a conspicuous and publicly accessible manner on the division website or present to the local school board at a public meeting of such board data from cases in which (i) individualized education program (IEP) teams determined that a student is not eligible to receive special education and related services as a student with a disability pursuant to relevant federal and state laws and regulations and (ii) any complaint or dispute procedure that resulted from such determination of ineligibility. Requires each posting to comply with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) and all other applicable state and federal laws and regulations relating the protection and privacy of students' personally identifiable information.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact resulting from the provisions of this bill. Any impact to local school divisions is indeterminate.

Fiscal Analysis: This bill places a requirement on local school divisions, therefore there is no anticipated state fiscal impact. Any impact to local school divisions to collect and post data is indeterminate.
