149 Commonwealth and the United States government.

150 H. Nothing in this section shall require delinquency charges to be filed or prevent schools from dealing
151 with school-based offenses through graduated sanctions or educational programming before a delinquency

152 charge is filed with the juvenile court.

153 **§ 22.1-279.6. Board of Education guidelines and model policies for codes of student conduct; school**
154 **board regulations.**

166 dress or grooming codes; and (v) standards for reducing bias and harassment in the enforcement of any code
167 of student conduct.

168 In accordance with the most recent enunciation of constitutional principles by the Supreme Court of the
169 United States of America, the Board's standards for school board policies on alcohol and drugs and search
170 and seizure shall include guidance for procedures relating to voluntary and mandatory drug testing in schools,
171 including which groups may be tested, use of test results, confidentiality of test information, privacy
172 considerations, consent to the testing, need to know, and release of the test results to the appropriate school
173 authority.

174 In the case of suspension and expulsion, the procedures set forth in this article shall be the minimum
175 procedures that the school board may prescribe.

176 B. School boards shall adopt and revise, as required by § 22.1-253.13:7 and in accordance with the
177 requirements of this section, regulations on codes of student conduct that are consistent with, but may be
178 more stringent than, the guidelines of the Board. School boards shall include in the regulations on codes of
179 student conduct procedures for suspension, expulsion, and exclusion decisions and shall biennially review the
180 model student conduct code to incorporate discipline options and alternatives to preserve a safe,
181 nondisruptive environment for effective teaching and learning.

182 C. Each school board shall include in its code of student conduct prohibitions against hazing and profane

183 or obscene language or conduct. School boards shall also cite in their codes of student conduct the provisions

188 board policies on bullying and cyberbullying developed by the Board pursuant to subsection A; (ii) direct the
189 principal or his designee to notify the parent of any student involved in an alleged incident of bullying within
190 24 hours of learning of the allegation of bullying; (iii) address instances of cyberbullying that occur outside of
191 school property between students enrolled in the school division; (iv) provide protections designed to ensure
192 that any student who is a victim of or a witness to an instance of cyberbullying is not deterred from reporting
193 or seeking support for such instance of cyberbullying by fears of retaliation, social alienation or rejection, or
194 other negative treatment; ~~and~~ (v) *include a prohibition against aggravated bullying, which shall (a) include*
195 *detailed procedures for reporting any incident of aggravated bullying; (b) prescribe clear and escalating*

201 *relating to reporting and seeking support after experiencing an instance of cyberbullying, including mental*
202 *health support services, and any information necessary to access any such support services and resources.*

203 Such policies and procedures shall not be interpreted to infringe upon the First Amendment rights of
204 students and are not intended to prohibit expression of religious, philosophical, or political views, provided
205 that such expression does not cause an actual, material disruption of the work of the school.

206 E. A school board may regulate the use or possession of beepers or other portable communications
207 devices and laser pointers by students on school property or attending school functions or activities and
208 establish disciplinary procedures pursuant to this article to which students violating such regulations will be
209 subject.

210 F. Nothing in this section shall be construed to require any school board to adopt policies requiring or
211 encouraging any drug testing in schools. However, a school board may, in its discretion, require or encourage
212 drug testing in accordance with the Board of Education's guidelines and model student conduct policies
213 required by subsection A and the Board's guidelines for student searches required by § 22.1-279.7.

214 G. The Board shall establish standards to ensure compliance with the federal Improving America's
215 Schools Act of 1994 (Part F-Gun-Free Schools Act of 1994), as amended, in accordance with § 22.1-277.07.

216 This subsection shall not be construed to diminish the authority of the Board or to diminish the Governor's
217 authority to coordinate and provide policy direction on official communications between the Commonwealth
218 and the United States government.

219 H. Each school board shall include in its code of student conduct a prohibition on possessing any retail

226 by subjecting any student to the same set of rules and standards regardless of gender; (iii) not have a disparate
227 impact on students of a particular gender; (iv) be clear, specific, and objective in defining terms, if used; (v)
228 prohibit any school board employee from enforcing the dress or grooming code by direct physical contact
