When so requested in writing by (a) the subject of the information, (b) the parent of a minor who is the subject of the information, (c) the guardian of the subject of the information, (d) the authorized agent or representative of the subject of the information, or (e) the owner of the vehicle that is the subject of the information, the Commissioner shall verify and, if necessary, correct the personal information provided and furnish driver, special identification card, or vehicle information. If the requester is requesting such information in the scope of his official business as counsel from a public defender's office or as counsel appointed by a court, such records shall be provided free of charge.

5. Upon the written request of any insurance carrier or surety, or authorized agent of either, the Commissioner shall furnish to such requester information in the record of any person subject to the provisions of this title. The transcript shall include any record of any conviction of a violation of any provision of any statute or ordinance relating to the operation or ownership of a motor vehicle or of any injury or damage in which he was involved and a report filed pursuant to § 46.2-373. No such report of any conviction or crash shall be made after 60 months from the date of the conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension and any conviction or crash pertaining thereto shall not be reported after 60 months from the date that the driver's license or driving privilege has been reinstated. The response of the Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

6. Upon the written request of any business organization or its authorized agent, in the conduct of its business, the Commissioner shall compare personal information supplied by the requester with that contained in the Department's records and, when the information supplied by the requester is different from that contained in the Department's records, provide the requester with correct information as contained in the Department's records. 64 which the subject of the information was involved and a report of which was filed pursuant to § 46.2-373. No
65 such information shall include any record of any conviction or crash more than 60 months after the date of
66 such conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the
67 suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension
68 and any conviction or crash pertaining thereto shall cease to be included in such information after 60 months
69 from the date on which the driver's license or driving privilege was reinstated. The response of the
70 Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

71 9. Upon the request of any federal, state, or local governmental entity, local government group self-

79 subdivision, the Commissioner shall furnish a certificate, under seal of the Department, setting forth a
80 distinguishing number or license plate of a motor vehicle, trailer, or semitrailer, together with the name and
81 address of its owner. The certificate shall be prima facie evidence in any court in the Commonwealth of the
82 ownership of the vehicle, trailer, or semitrailer to which the distinguishing number or license plate has been
83 assigned by the Department. However, the Commissioner shall not release any photographs pursuant to this
84 subdivision unless the requester provides the depicted individual's name and other sufficient identifying

86 of charge.

87 The Department shall release to a requester information that is required for a requester to carry out the
88 requester's official functions in accordance with this subdivision. If the requester has entered into an
89 agreement with the Department, such agreement shall be in a manner prescribed by the Department, and such
90 agreement shall contain the legal authority that authorizes the performance of the requester's official
91 functions and a description of how such information will be used to carry out such official functions. If the
92 Commissioner determines that sufficient authority has not been provided by the requester to show that the
93 purpose for which the information shall be used is one of the requester's official functions, the Commissioner
94 shall refuse to enter into any agreement. If the requester submits a request for information in accordance with
95 this subdivision without an existing agreement to receive the information, the request shall be in a manner
96 prescribed by the Department, and such request shall contain the legal authority that authorizes the
97 performance of the requester's official functions and a description of how such information will be used to
98 carry out such official functions. If the Commissioner determines that sufficient authority has not been
99 provided by the requester to show that the purpose for which such information shall be used is one of the
100 requester's official functions, the Commissioner shall deny such request.

101 Notwithstanding the provisions of this subdivision, the Department shall not disseminate to any federal,
102 state, or local government entity, law-enforcement officer, or law-enforcement agency any privileged
103 information for any purposes related to civil immigration enforcement unless (i) the subject of the
104 information provides consent or (ii) the requesting agency presents a lawful judicial order, judicial subpoena,
105 or judicial warrant. When responding to a lawful judicial order, judicial subpoena, or judicial warrant, the
106 Department shall disclose only those records or information specifically requested. Within three business
107 days of receiving a request for information for the purpose of civil immigration enforcement, the
108 Commissioner shall send a notification to the individual about whom such information was requested that
109 such a request was made and the identity of the entity that made such request.

110 The Department shall not enter into any agreement pursuant to subsection E with a requester pursuant to

 299 dissemination controlled by the Department of State Police, has access to information stored by the
 300 Department in violation of the protections contained in this section. The Department of State Police shall
 301 notify the Department prior to when a new entity is to be granted S-ORI status and provide a copy of the
 302 S-ORI application to the Department. The Department of State Police shall not allow any entity to access

308 pursuant to this title, state the purpose authorized pursuant to subsection B that forms the basis for the
309 request, explain why the information requested is necessary to accomplish the stated purpose, and certify that

318 of the receipt of such privileged information.

319 G. The Department shall conduct audits annually based on a risk assessment to ensure that privileged
320 information released by the Department pursuant to this title is being used as authorized by law and pursuant
321 to the agreements entered into by the Department. If the Department finds that privileged information has
322 been used in a manner contrary to law or the relevant agreement, the Department may revoke access.

323 H. Any request for privileged information by an authorized agent of a governmental entity shall be
324 governed by the provisions of subdivision B 9.

337 B. Any institution of higher education that enters into an agreement with the Department pursuant to this
338 section thereby waives any royalty fees to which it might otherwise be entitled for use of its seal, symbol,
