 121 instances where such manufacturer, bottler, or wholesaler and such retailer are under common control, by

 127 educating the consuming public about wine or malt beverage products. Such manufacturer shall be limited to
 128 eight banquet licenses, whether or not jointly obtained, for such events per year without regard to the number
 129 of wineries or breweries owned or operated by such manufacturer or by any parent, subsidiary, or company
 130 under common control with such manufacturer. Where the event occurs on no more than three consecutive
 131 days, a manufacturer need only obtain one such license for the event.

 133 licensed in the Commonwealth or not, may obtain a banquet license for a special event as provided in
 134 subdivision D 1 b of § 4.1-206.3 upon application to the Board, provided that such event is (i) at a place
 135 approved by the Board and (ii) conducted for the purposes of featuring and educating the consuming public

 142 to one and one-half ounces of spirits, and (b) no more than three ounces of spirits may be offered to any
 143 patron per day. Nothing in this paragraph shall prohibit such manufacturer from serving such samples as part
 144 of a mixed beverage.

145 4. *Notwithstanding any other provision of this subtitle, a manufacturer, bottler, broker, importer, or*
 146 *wholesaler may sponsor or provide support, including equipment, staff, financial, and other support, for a*
 147 *special event for which a municipality or nonprofit organization has been issued a banquet license when such*
 148 *special event is to be held on the grounds of a museum or a government-registered national, state, or local*
 149 *historic site at which the municipality or nonprofit organization is licensed to operate a gift shop, provided*

 151 *special event. Such municipality or nonprofit organization shall be limited to no more than eight banquet*

153 B. This section shall not apply to:

154 1. Corporations operating dining cars, buffet cars, club cars, or boats;

155 2. Brewery, distillery, or winery licensees engaging in conduct authorized by subdivision A 5 of
 156 § 4.1-201;

157 3. Farm winery licensees engaging in conduct authorized by subdivision 6 of § 4.1-206.1;

 164 common ownership or control with one restaurant licensed to sell wine at retail in Virginia, so long as any
 165 wine produced by that winery is purchased from a Virginia wholesale wine licensee by the restaurant before
 166 it is offered for sale to consumers.

167 C. The General Assembly finds that it is necessary and proper to require a separation between
 168 manufacturing interests, wholesale interests, and retail interests in the production and distribution of alcoholic
 169 beverages in order to prevent suppliers from dominating local markets through vertical integration and to
 170 prevent excessive sales of alcoholic beverages caused by overly aggressive marketing techniques. The
 171 exceptions established by this section to the general prohibition against tied interests shall be limited to their
 172 express terms so as not to undermine the general prohibition and shall therefore be construed accordingly.
