 198 *this article, as well as to implement initiatives to enhance the development of small businesses,*
 199 *microbusinesses, women-owned businesses, minority-owned businesses, and service disabled veteran-owned*
 200 *businesses in the Commonwealth.*

201 **§ 2.2-1619. Small SWaM Business Procurement Enhancement Program established; report.**

202 *A. The Small SWaM Business Procurement Enhancement Program (the Program) is hereby established to*
 203 *facilitate the participation of small SWaM businesses in state procurement. The goal of the Program shall be*
 204 *the achievement of a 42 percent small SWaM business utilization rate, including a five percent utilization rate*
 205 *directed to microbusiness utilization. For purposes of this section, "utilization rate" means the percentage of*
 206 *discretionary spending directed to a particular subset of business in relation to all discretionary spending by*
 207 *executive branch agencies and covered institutions in procurement orders, prime contracts, and*
 208 *subcontracts. The 42-percent target shall be determined based on the aggregate level of such discretionary*
 209 *spending by executive branch agencies and covered institutions and shall not require each individual*
 210 *executive branch agency or covered institution to meet the 42-percent target. The Department shall be*
 211 *responsible for implementing the Program. Beginning on July 1, 2026, executive branch state agencies and*
 212 *covered institutions shall increase their utilization rates of small SWaM businesses by three percent each*
 213 *year until achievement of the 42-percent target. If an executive branch agency or covered institution is*
 214 *unable to increase its small SWaM business utilization rate by three percent per year, such agency or*
 215 *institution shall establish and implement achievable goals to increase its small SWaM business utilization*
 216 *rate and include such goals in its SWaM business procurement plan required by § 2.2-1621. In addition, for*
 217 *all new capital outlay construction solicitations that are issued, there shall be a target goal of 50 percent*
 218 *subcontracting to small SWaM businesses in instances where the prime contractor is not a small SWaM*
 219 *business.*

220 *B. The Program shall include a small SWaM business set-aside for the purchase of goods, services, and*
 221 *construction by executive branch agencies and covered institutions. Purchases up to \$200,000 shall be set*
 222 *aside for award to small SWaM businesses. Such set-aside may allow for small SWaM businesses to have a*
 223 *price preference over noncertified businesses competing for the same contract award on designated*
 224 *procurements, provided that the bid of the small SWaM business does not exceed the low bid by more than*
 225 *five percent.*

226 **§ 2.2-1620. SWaM business subcontracting plan required for certain proposals or bids.**

227 *A. For purchases over \$200,000, executive branch agencies and covered institutions shall require each*
 228 *bidder or offeror to include in each bid or proposal a SWaM business subcontracting plan detailing intended*
 229 *subcontractor participation of such businesses whenever the prime contractor will rely on subcontractors to*
 230 *meet the applicable goals established in § 2.2-1619. Nothing in this section shall prohibit a bidder or offeror*
 231 *from submitting a SWaM business subcontracting plan when SWaM business participation deviates from the*
 232 *applicable goals established in § 2.2-1619. The Department shall develop guidelines for considering any*
 233 *such SWaM business subcontracting plan. Each bidder or offeror awarded a contract shall comply with the*
 234 *SWaM business subcontracting plan that is included in its bid or proposal.*

235 *B. Whenever the actual subcontractor participation does not meet the level included in the SWaM*
 236 *business subcontracting plan, the prime contractor shall provide a written explanation of the prime*
 237 *contractor's good faith efforts to comply with the SWaM business subcontracting plan, which shall be made a*
 238 *part of the contract file. The Department, with assistance from the Department of General Services, the*
 239 *Virginia Information Technologies Agency, the Department of Transportation, and covered institutions, shall*
 240 *(i) establish a uniform methodology for evaluating and monitoring SWaM business subcontracting plans, (ii)*
 241 *establish and conduct panels to review the failure of prime contractors to comply with their SWaM business*
 242 *subcontracting plans, and (iii) implement processes for producing reliable data on (a) the utilization of*
 243 *SWaM business subcontractors by prime contractors and (b) the amounts paid by prime contractors to*
 244 *SWaM business subcontractors. Each executive branch agency and covered institution shall report such data*
 245 *on the Department of General Services' central electronic procurement website known as eVA unless*

246 otherwise directed by the Director of the Department and the Director of the Department of General
 247 Services. The record of a prime contractor's compliance with SWaM business subcontracting plan
 248 requirements, including reviews of the failure of such prime contractor to comply with its SWaM business
 249 subcontracting plan, shall be considered in the prospective award of a contract or renewal of an existing
 250 contract and may, if the prime contractor has been found to have not complied with its SWaM business
 251 subcontracting plan in good faith, result in the prime contractor being barred from being awarded a contract
 252 or renewal of an existing contract for a period of up to one year.

253 C. Notwithstanding the foregoing, the provisions of this section shall not apply to Department of
 254 Transportation projects for the design or construction of highways.

255 D. Notwithstanding the foregoing, any covered institution shall provide the data or plans required by this
 256 section using the Department of General Services' central electronic procurement website known as eVA or
 257 by integration or interface with the eVA system.

 266 requirements of this article and any guidance developed by the Department, its SWaM business procurement
 267 plan. If the SWaM business procurement plan is updated, it shall be submitted to the Department along with
 268 the annual certification.

269 B. The Department shall review and provide meaningful feedback to executive branch agencies and
 270 covered institutions regarding the plan required by subsection A in order to improve and accelerate
 271 compliance with the goals provided by this article. Executive branch agencies and covered institutions may
 272 revise and resubmit such plan to incorporate such feedback.

273 C. Any executive branch agency or covered institution that is unable to increase its small SWaM business
 274 utilization rate by three percent per year, as required by § 2.2-1619, shall include in the plan required by
 275 subsection A (i) an explanation as to why it is unable to comply with such goals and requirements and (ii)
 276 achievable goals to increase its small SWaM business utilization rate.

277 D. Each executive branch agency and covered institution shall designate an existing employee as a SWaM
 278 business procurement enhancement liaison whose responsibilities shall be to promote participation in the
 279 Small SWaM Business Procurement Enhancement Program by small SWaM businesses and to serve as an
 280 advocate for small SWaM businesses that hold active contracts with such executive branch agency or covered
 281 institution.

282 **§ 2.2-1622. Report.**

283 On or before November 30 of each year, the Department shall report to the Governor and the General
 284 Assembly on the implementation and effectiveness of the Small SWaM Business Procurement Enhancement
 285 Program.

286 **§ 2.2-4310. Discrimination prohibited; participation of small, women-owned, minority-owned,**
 287 **military family-owned, and service disabled veteran-owned businesses and employment services**
 288 **organizations.**

289 A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or
 290 offeror because of race, religion, color, sex, sexual orientation, gender identity, national origin, age,
 291 disability, status as a service disabled veteran, status as a military family, or any other basis prohibited by
 292 state law relating to discrimination in employment. Whenever solicitations are made, each public body shall
 293 include businesses selected from a list made available by the Department of Small Business and Supplier
 294 Diversity, which list shall include all companies and organizations certified by the Department.

295 B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of
 296 small businesses, businesses owned by women, minorities, and service disabled veterans, military
 297 family-owned businesses, and employment services organizations in procurement transactions. The programs
 298 established shall be in writing and shall comply with the provisions of any enhancement or remedial
 299 measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of
 300 a local governing body pursuant to § 15.2-965.1, and shall include specific plans to achieve any goals

 303 reports on (i) small, women-owned, and minority-owned business procurement; (ii) service disabled

 306 in a form specified by the Department of Small Business and Supplier Diversity. All state agencies shall
 307 cooperate with the Department of Small Business and Supplier Diversity's annual review of their programs

308 pursuant to § 2.2-1605 and shall update such programs to incorporate any feedback and suggestions for
309 improvement. Contracts and subcontracts awarded to employment services organizations and service disabled
310 veteran-owned or military family-owned businesses shall be credited toward the small business,
311 women-owned business, and minority-owned business contracting and subcontracting goals of state agencies
312 and contractors. The Department of Small Business and Supplier Diversity shall make information on service
313 disabled veteran-owned or military family-owned procurement available to the Department of Veterans
314 Services upon request.

315 C. Whenever there exists (i) a rational basis for small business or employment services organization
316 enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the
317 availability and utilization of women-owned and minority-owned businesses, the Governor is authorized and
318 encouraged to require state agencies to implement appropriate enhancement or remedial measures consistent
319 with prevailing law. *The Governor may rely on the recommendations of disparity studies conducted pursuant*
320 *to § 2.2-1610 in implementing requirements pursuant to this subsection.* Any enhancement or remedial
321 measure authorized by the Governor pursuant to this subsection for state public bodies may allow for small
322 businesses certified by the Department of Small Business and Supplier Diversity or a subcategory of small
323 businesses established as a part of the enhancement program to have a price preference over noncertified
324 businesses competing for the same contract award on designated procurements, provided that the bid of the
325 certified small business or the business in such subcategory of small businesses established as a part of an
326 enhancement program does not exceed the low bid by more than five percent.

327 D. In awarding a contract for services to a small, women-owned, or minority-owned business that is
328 certified in accordance with § 2.2-1606, or to a business identified by a public body as a service disabled
329 veteran-owned or military family-owned business where the award is being made pursuant to an
330 enhancement or remedial program as provided in subsection C, *or when awarding a contract under the Small*
331 *SWaM Business Procurement Enhancement Program established in § 2.2-1619*, the public body shall include
332 in every such contract of more than \$10,000 the following:

334 shall include in the proposal a plan to subcontract to small, women-owned, minority-owned, and service
335 disabled veteran-owned and military family-owned businesses."

336 E. In the solicitation or awarding of contracts, no state agency, department, or institution shall
337 discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state
