Bill Number: HB712 ER

Patron: Wachsmann

Bill Title: Office-based buprenorphine treatment; Board of Medicine to amend regulations.

Bill Summary: Directs the Board of Medicine to amend its regulations regarding office-based buprenorphine treatment to require providers to offer counseling or referral to counseling to each patient as clinically necessary and mutually agreed-upon. The bill specifies that a patient's refusal of counseling does not preclude the patient from receiving office-based buprenorphine treatment for opioid use disorder. This bill is a recommendation of the Joint Commission on Health Care.

Budget Amendment Necessary: No

Items Impacted: n/a

Fiscal Summary: Minimal/absorbable fiscal impact.

Fiscal Analysis: Any time, workload, or fiscal impacts associated with amending existing regulations for the Board of Medicine are expected to be minimal and can be absorbed within existing resources.

Other: HB712 may be a companion to SB641.
