 173 hearings, to be held no later than one year after the initial appointment and no later than every three years
 174 thereafter, unless the court orders that such hearings are to be waived because they are unnecessary or
 175 impracticable or that such hearings shall be held on such other schedule as the court shall determine. Any
 176 such determination to waive the hearing or use a schedule differing from that prescribed in this subsection
 177 shall be supported in the order and address the reason for such determination, including (i) the likelihood that
 178 the respondent's condition will improve or the respondent will regain capacity, (ii) whether concerns or
 179 questions were raised about the suitability of the person appointed as a guardian or conservator at the time of
 180 the initial appointment, and (iii) whether the appointment of a guardian or conservator or the appointment of
 181 the specifically appointed guardian or conservator was contested by the respondent or another party.

190 Secretary of the Supreme Court of Virginia, to hold a periodic review hearing prior to the scheduled date set
191 forth in the order of appointment. The court shall hold an earlier hearing upon good cause shown. *For the*

195 A2. If the court has ordered a hearing pursuant to subsection A1, the court shall appoint a guardian ad
196 litem, who shall conduct an investigation in accordance with the stated purpose of the hearing and file a

208 C. Unless the guardian has a professional relationship with the incapacitated person or is employed by or
209 affiliated with a facility where the person resides, the court's order may authorize the guardian to consent to
210 the admission of the person to a facility pursuant to § 37.2-805.1, upon finding by clear and convincing
211 evidence that (i) the person has severe and persistent mental illness that significantly impairs the person's
212 capacity to exercise judgment or self-control, as confirmed by the evaluation of a licensed psychiatrist; (ii)
213 such condition is unlikely to improve in the foreseeable future; and (iii) the guardian has formulated a plan
214 for providing ongoing treatment of the person's illness in the least restrictive setting suitable for the person's
215 condition.

217 executed in accordance with the provisions of Article 8 (§ 54.1-2981 et seq.) of Chapter 29 of Title 54.1,
218 unless the court determines that the agent is not acting in accordance with the wishes of the principal or there
219 is a need for decision making outside the purview of the advance directive. A guardian need not be appointed
220 for a person where a health care decision is made pursuant to, and within the scope of, the Health Care
221 Decisions Act (§ 54.1-2981 et seq.).

223 attorney, unless the court determines pursuant to the Uniform Power of Attorney Act (§ 64.2-1600 et seq.)
224 that the agent is not acting in the best interests of the principal or there is a need for decision making outside
225 the purview of the durable power of attorney or (ii) whose only or major source of income is from the Social

241 the expressed wishes of the incapacitated person. Such restrictions shall only be imposed pursuant to
242 § 64.2-2019.1.
