70 from the date on which the driver's license or driving privilege was reinstated. The response of the

329 retirement kept an up-to-date certification and retired honorably in good standing. A retired sworn law-  
330 enforcement officer shall not be required to keep an up-to-date certification after the date of his retirement.

331 "School crossing zone" has the same meaning ascribed to it in § 46.2-873.

332 "*Speed display sign*" means a self-contained system that uses radar or LIDAR-based speed detection to  
333 measure the real-time speed of an approaching vehicle and displays that speed to the driver.

334 "*Stop sign violation*" means a violation of this title resulting from the operation of a vehicle in violation of  
335 a stop sign placed in accordance with § 46.2-830, including a violation of § 46.2-821 or 46.2-833.1. "*Stop*  
336 *sign violation*" does not include violations of traffic light signals, traffic control devices other than stop signs,  
337 or speed limits.

338 "*Stop sign violation monitoring system*" means equipment that produces one or more photographs,  
339 micrographs, videotapes, or other recorded images of stop sign violations.

341 of the speed limit, including a violation of § 46.2-873 or 46.2-878.1.

342 "*Workers are present*" means one or more individuals are physically present and providing highway  
343 maintenance or construction services pursuant to a contract with the Department of Transportation or a

345 B. A state or local law-enforcement agency may place and operate a photo speed monitoring device in  
346 school crossing zones for the purposes of recording violations of § 46.2-873 and, *when workers are present*,  
347 in highway work zones for the purposes of recording violations of § 46.2-878.1.

348 A state or local law-enforcement agency may place and operate a photo speed monitoring device at a  
349 high-risk intersection segment located within the locality for the purpose of recording vehicle speed  
350 violations, provided that such law-enforcement agency certifies that a traffic fatality has occurred since  
351 January 1, 2014, in such segment.

352 *A state or local law-enforcement agency may place and operate in school crossing zones or highway work*  
353 *zones (i) a pedestrian crossing violation monitoring system for purposes of recording pedestrian crossing*  
354 *violations and (ii) a stop sign violation monitoring system for purposes of recording stop sign violations.*

355 C. The operator of a vehicle shall be liable for a monetary civil penalty imposed pursuant to this section if  
356 such vehicle is found, (i) as evidenced by information obtained from a photo speed monitoring device, to be  
357 traveling at speeds of at least 10 miles per hour above the posted speed limit in the zone monitored by the  
358 photo speed monitoring device; (ii) as evidenced by information obtained from a pedestrian crossing  
359 violation monitoring system, to have committed a pedestrian crossing violation; or (iii) as evidenced by  
360 information obtained from a stop sign violation monitoring system, to have committed a stop sign violation.  
361 *However, no person shall be liable for a monetary civil penalty pursuant to this subsection for any violation*  
362 *in a highway work zone unless workers are present at the time of such violation.* Such civil penalty shall not  
363 exceed \$100, and any prosecution shall be instituted and conducted in the same manner as prosecution for  
364 traffic infractions. Civil penalties collected under this section resulting from a summons issued by a local  
365 law-enforcement officer or retired sworn law-enforcement officer employed by a locality shall be paid to the  
366 locality in which such violation occurred *to be used for its photo speed monitoring device program,*  
367 *pedestrian crossing violation monitoring system program, or a stop sign violation monitoring system*  
368 *program. Any funds in excess of those allocated for such purposes shall be deposited in a local fund used*  
369 *solely for planning, design and construction, implementation, administration, and operation of initiatives,*

370 projects, or programs that improve traffic safety, speed management, bicycle and pedestrian safety, public  
 371 transit, and local systemic safety initiatives otherwise eligible for funding through the Virginia Highway  
 372 Safety Improvement Program established pursuant to § 33.2-373. Any such excess funds shall first be used  
 373 for such purposes in highway work zones, high-risk intersection segments, or school crossing zones prior to  
 374 being used for such purposes in any other area. Civil penalties collected under this section resulting from a  
 375 summons issued after July 1, 2026, by a law-enforcement officer or retired sworn law-enforcement officer  
 376 employed by the Department of State Police shall be paid into the Literary Fund to the Department of State  
 377 Police to be deposited in a fund used solely for the payment of the agreed-upon compensation and actual  
 378 program costs incurred by the Department of State Police in placing and operating such photo speed  
 379 monitoring devices, pedestrian crossing violation monitoring systems, or stop sign violation monitoring  
 380 systems, except that any excess moneys in such fund shall be paid to the Commonwealth Transportation  
 381 Board to be used for the Virginia Highway Safety Improvement Program established pursuant to § 33.2-373.  
 382 However, all civil penalties collected under this section resulting from a summons issued based on evidence  
 383 obtained from a photo speed monitoring device, pedestrian crossing violation monitoring system, or stop sign  
 384 violation monitoring system placed and operated at a high-risk intersection segment shall be paid to the  
 385 Commonwealth Transportation Board to be used for the Virginia Highway Safety Improvement Program  
 386 established pursuant to § 33.2-373.

387 D. If a photo speed monitoring device, pedestrian crossing violation monitoring system, or stop sign  
 388 violation monitoring system is used, proof of a vehicle speed violation, pedestrian crossing violation, or stop  
 389 sign violation, respectively, shall be evidenced by information obtained from such device. A certificate, or a  
 390 facsimile thereof, sworn to or affirmed by a law-enforcement officer or a retired sworn law-enforcement  
 391 officer, based upon inspection of photographs, microphotographs, videotapes, or other recorded images  
 392 produced by a photo speed monitoring device, pedestrian crossing violation monitoring system, or stop sign  
 393 violation monitoring system, shall be prima facie evidence of the facts contained therein. However, for any  
 394 photo speed monitoring device placed in a school crossing zone, such sworn certificate or facsimile thereof  
 395 shall not be prima facie evidence of the facts contained therein unless such photographs, microphotographs,  
 396 videotapes, or other recorded images, or documentation, depict or confirm a portable sign or tilt-over sign  
 397 that is in position or blinking sign that is activated, indicating the school crossing zone pursuant to  
 398 § 46.2-873, at the time of such vehicle speed violation. However, for any photo speed monitoring device,  
 399 pedestrian crossing violation monitoring system, or stop sign violation monitoring system placed in a  
 400 highway work zone, such sworn certificate or facsimile thereof shall not be prima facie evidence of the facts  
 401 contained therein unless the operator of the photo speed monitoring device, pedestrian crossing violation  
 402 monitoring system, or stop sign violation monitoring system, respectively, provides a sworn certification  
 403 verifying that workers were present at the time of such violation. Any photographs, microphotographs,  
 404 videotapes, or other recorded images evidencing such a violation shall be available for inspection in any  
 405 proceeding to adjudicate the liability for such vehicle speed violation, pedestrian crossing violation, or stop  
 406 sign violation.

407 E. In the prosecution for a vehicle speed violation, pedestrian crossing violation, or stop sign violation in  
 408 which a summons was issued by mail, prima facie evidence that the vehicle described in the summons issued  
 409 pursuant to this section was operated in a manner constituting a vehicle speed violation, pedestrian crossing  
 410 violation, or stop sign violation, together with proof that the defendant was at the time of such violation the  
 411 owner, lessee, or renter of the vehicle, shall constitute in evidence a rebuttable presumption that such owner,  
 412 lessee, or renter of the vehicle was the person who committed the violation. Such presumption shall be  
 413 rebutted if the owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the clerk of the  
 414 general district court that he was not the operator of the vehicle at the time of the alleged violation and  
 415 provides the name and address of the person who was operating the vehicle at the time of the alleged  
 416 violation or (ii) testifies in open court under oath that he was not the operator of the vehicle at the time of the  
 417 alleged violation and provides the name and address of the person who was operating the vehicle at the time  
 418 of the alleged violation. Such presumption shall also be rebutted if a certified copy of a police report,  
 419 showing that the vehicle had been reported to the police as stolen prior to the time of the alleged vehicle  
 420 speed violation, pedestrian crossing violation, or stop sign violation, is presented, prior to the return date  
 421 established on the summons issued pursuant to this section, to the court adjudicating the alleged violation.

422 F. Imposition of a penalty pursuant to this section by mailing a summons shall not be deemed a conviction  
 423 as an operator and shall not be made part of the operating record of the person upon whom such liability is  
 424 imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.  
 425 However, if a law-enforcement officer uses a photo speed monitoring device to record a vehicle speed  
 426 violation and personally issues a summons at the time of the violation, the conviction that results shall be  
 427 made a part of such driver's driving record and used for insurance purposes in the provision of motor vehicle  
 428 insurance coverage.

429 G. 1. The Supreme Court of Virginia shall develop a summons for purposes of this section. Every  
 430 summons issued pursuant to this section shall be such a summons.

431 2. A summons for a vehicle speed violation, pedestrian crossing violation, or stop sign violation issued by

432 mail pursuant to this section may be executed pursuant to § 19.2-76.2. Notwithstanding the provisions of  
433 § 19.2-76, a summons issued by mail pursuant to this section may be executed by mailing by first-class mail a  
434 copy thereof to the owner, lessee, or renter of the vehicle. In the case of a vehicle owner, the copy shall be  
435 mailed to the address contained in the records of or accessible to the Department. In the case of a vehicle  
436 lessee or renter, the copy shall be mailed to the address contained in the records of the lessor or renter. Every  
437 such mailing shall include, in addition to the summons, a notice of (i) the summoned person's ability to rebut  
438 the presumption that he was the operator of the vehicle at the time of the alleged violation through the filing  
439 of an affidavit as provided in subsection E and (ii) instructions for filing such affidavit, including the address  
440 to which the affidavit is to be sent. *Every such mailing shall also include an explanation of and any*  
441 *information necessary for the process of contesting such an alleged violation and payment of a civil penalty.*  
442 If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this  
443 section, the summons shall be executed in the manner set out in § 19.2-76.3. No proceedings for contempt or  
444 arrest of a person summoned by mailing shall be instituted for failure to appear on the return date of the  
445 summons. If the summons is issued to an owner, lessee, or renter of a vehicle with a registration outside the  
446 Commonwealth and such person fails to appear on the date of return set out in the summons mailed pursuant  
447 to this section, the summons will be eligible for all legal collections activities. Any summons executed for a  
448 vehicle speed violation, *pedestrian crossing violation, or stop sign violation* issued pursuant to this section  
449 shall provide to the person summoned at least 30 days from the mailing of the summons to inspect  
450 information collected by a photo speed monitoring device, *pedestrian crossing violation, or stop sign*  
451 *violation, respectively*, in connection with the violation, *including proof of calibration of the photo speed*  
452 *monitoring device used to record the alleged vehicle speed violation if the citation is contested.* If the  
453 law-enforcement agency that was operating the photo speed monitoring device, *pedestrian crossing violation*  
454 *monitoring system, or stop sign violation monitoring system* does not execute a summons for a vehicle speed  
455 violation, *pedestrian crossing violation, or stop sign violation, respectively*, issued pursuant to this section  
456 within 30 days from the date of the violation, all information collected pertaining to that suspected violation  
457 shall be purged within 60 days from the date of the violation.

458 H. A private vendor may enter into an agreement with a law-enforcement agency to be compensated for  
459 providing a photo speed monitoring device, *pedestrian crossing violation monitoring system, or stop sign*  
460 *violation monitoring system* and all related support services, including consulting, operations, and  
461 administration. However, only a law-enforcement officer or retired sworn law-enforcement officer may swear  
462 to or affirm the certificate required by this section. Any such agreement for compensation shall be based on  
463 the value of the goods and services provided, not on the number of violations paid or monetary penalties  
464 imposed. *Any such agreement for compensation shall provide that if such private vendor is responsible for*  
465 *mailing a summons pursuant to this section, such private vendor shall not impose or collect any additional*  
466 *fee, including any administrative fee, and shall only collect a civil penalty as authorized pursuant to this*  
467 *section, except that a reasonable postage and convenience fee for electronic payment of the civil penalty, not*  
468 *to exceed five percent of the civil penalty, may be imposed and collected.* Any private vendor contracting with  
469 a law-enforcement agency pursuant to this section may enter into an agreement with the Department, in  
470 accordance with the provisions of subdivision B 31 of § 46.2-208, to obtain vehicle owner information  
471 regarding the registered owners of vehicles that committed a vehicle speed violation, *pedestrian crossing*  
472 *violation, or stop sign violation.* Any such information provided to such private vendor shall be protected in a  
473 database. *Any such private vendor providing a photo speed monitoring device that is also compensated for*  
474 *the calibration of such device shall calibrate such device in the same manner and to the same specifications*  
475 *as all other devices determining speed, to the extent that such devices utilize the same method of speed*  
476 *detection as such photo speed monitoring device, that are used by the law-enforcement agency with which*  
477 *such vendor has entered into an agreement. Upon request of any person who received a summons by mail for*  
478 *a vehicle speed violation recorded by a photo speed monitoring device provided by such a private vendor and*  
479 *who contests such citation, such private vendor shall deliver proof of calibration of such photo speed*  
480 *monitoring device for the time period in which the alleged violation was recorded to such person and to the*  
481 *court in which such citation is to be contested. If such proof of calibration is delivered by mail, it shall be*  
482 *postmarked within 10 days of such request for such proof of calibration, and if such proof of calibration is*  
483 *electronically delivered, it shall be electronically delivered within 10 days of such request for such proof of*  
484 *calibration. Such summons shall include notice of such person's right to request such proof of calibration.*  
485 *Any private vendor that fails to provide such proof of calibration within the time specified shall be subject to*  
486 *a civil penalty of \$1,000. All civil penalties received pursuant to this subsection shall be paid to the*  
487 *Commonwealth Transportation Board to be used for the Virginia Highway Safety Improvement Program*  
488 *established pursuant to § 33.2-373.*

489 I. Information collected by a photo speed monitoring device, *pedestrian crossing violation monitoring*  
490 *system, or stop sign violation monitoring system* operated pursuant to this section shall be limited exclusively  
491 to that information that is necessary for the enforcement of vehicle speed violations, *pedestrian crossing*  
492 *violations, or stop sign violations, respectively.* Information provided to the operator of a photo speed  
493 monitoring device, *pedestrian crossing violation monitoring system, or stop sign violation monitoring system*

494 shall be protected in a database and used only for enforcement of vehicle speed violations, *pedestrian*  
 495 *crossing violations, or stop sign violations* and enforcement against individuals who violate the provisions of  
 496 this section. Notwithstanding any other provision of law, all photographs, microphotographs, videotapes, or  
 497 other recorded images collected by a photo speed monitoring device, *pedestrian crossing violation*  
 498 *monitoring system, or stop sign violation monitoring system* shall be used exclusively for enforcing vehicle  
 499 speed violations, *pedestrian crossing violations, or stop sign violations, respectively*, and shall not be (i) open  
 500 to the public; (ii) sold or used for sales, solicitation, or marketing purposes; (iii) disclosed to any other entity  
 501 except as may be necessary for the enforcement of a vehicle speed violation, *pedestrian crossing violation, or*  
 502 *stop sign violation, respectively*, or to a vehicle owner or operator as part of a challenge to the violation; or  
 503 (iv) used in a court in a pending action or proceeding unless the action or proceeding relates to a vehicle  
 504 speed violation, *pedestrian crossing violation, or stop sign violation, respectively*, or a violation of this  
 505 section, or such information is requested upon order from a court of competent jurisdiction. Information  
 506 collected under this section pertaining to a specific violation shall be purged and not retained ~~later than 60~~  
 507 ~~days after~~ *21 days after the date of its capture in such a manner that such data is destroyed and not*  
 508 *recoverable by either a private vendor or the law-enforcement agency, except that when a summons is issued*  
 509 *for a violation, such information may be retained until the collection of any civil penalties or the final*  
 510 *disposition of any civil matter related to the information. A law-enforcement agency or private vendor using*  
 511 *such a database shall maintain records sufficient to facilitate reporting as required by this section. Any*  
 512 *law-enforcement agency using a photo speed monitoring devices device, pedestrian crossing violation*  
 513 *monitoring system, or stop sign violation monitoring system* shall annually certify compliance with this  
 514 section and make all records pertaining to such system available for inspection and audit by the  
 515 Commissioner of Highways or the Commissioner of the Department of Motor Vehicles or his designee. Any  
 516 person who discloses personal information in violation of the provisions of this subsection shall be subject to  
 517 a civil penalty of \$1,000 per disclosure.

 525 *pedestrian crossing violation, or stop sign violation, respectively.*

526 K. Any state or local law-enforcement agency that places and operates a photo speed monitoring device,  
 527 *pedestrian crossing violation monitoring system, or stop sign violation monitoring system* pursuant to the  
 528 provisions of this section shall report to the Department of State Police, in a format to be determined by the  
 529 Department of State Police, by ~~January~~ *November 15* of each year on the number of traffic violations
