Bill Number: HB1063S1

Patron: Hodges

Bill Title: Inspection of certified nursing facilities; compliance with federal reporting requirements; civil penalty.

Bill Summary: Directs the Department of Health to maintain a list of agencies and organizations that submit requests for and receive opioid antagonists through its distribution program and requires the Department to submit a quarterly report to the Chairs of the House Committee on Appropriations, the House Committee on Health and Human Services, the Senate Committee on Finance and Appropriations, and the Senate Committee on Education and Health, and the chair of the Virginia Opioid Abatement Authority on its distribution of opioid antagonists. The Department shall submit an annual report estimating the opioid antagonist distribution program costs for the following fiscal year using such methodology to the Joint Commission on Health Care and the Chairs of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations by December 1 of each year.

Amendments are technical in nature.

Budget Amendment Necessary: No

Items Impacted: None

Fiscal Summary: Minimal fiscal impact.

Fiscal Analysis: The provisions of this legislation are not expected to have any significant fiscal impact on the Virginia Department of Health (VDH). VDH indicates that any increase in workload to maintain a list of agencies and organizations, to develop a methodology to estimate the cost of an opioid antagonist distribution program, and submit an annual report can be handled within existing resources.
