97 **§ 16.1-330.1. Serious or Habitual Offender Comprehensive Action Program; definition; disclosure**
98 **of information; penalty.**

99 A. For purposes of this article, a serious or habitual juvenile offender is a minor who has been (i)
100 adjudicated delinquent or convicted of murder or attempted murder, ~~armed~~ robbery *in violation of subdivision*
101 *B 1, 2, or 3 of §18.2-58*, any felony sexual assault or malicious wounding, or a felony violation of a

103 least three times for offenses which would be felonies or Class 1 misdemeanors if committed by an adult.
104 Qualifying convictions or adjudications shall include only those for offenses occurring after July 1, 1993.
105 However, any Serious or Habitual Offender Comprehensive Action Program (SHOCAP) in existence on July
106 1, 1993, shall be deemed to have been established pursuant to this article and, notwithstanding the limitations
107 of this subsection, may continue to supervise persons who were being supervised on July 1, 1993. Juvenile
108 offenders under SHOCAP supervision at the time of their eighteenth birthday who have been committed to
109 state care pursuant to subdivision A 14 of § 16.1-278.8 or § 16.1-285.1 may continue to be supervised by
110 SHOCAP until their twenty-first birthday.

111 B. The Serious or Habitual Offender Comprehensive Action Program (SHOCAP) is a multidisciplinary
112 interagency case management and information sharing system which enables the juvenile and criminal justice
113 system, schools, and social service agencies to make more informed decisions regarding juveniles who
114 repeatedly commit serious criminal and delinquent acts. Each SHOCAP shall supervise serious or habitual
115 juvenile offenders in the community as well as those under probation or parole supervision and enhance
116 current conduct control, supervision and treatment efforts to provide a more coordinated public safety
117 approach to serious juvenile crime, increase the opportunity for success with juvenile offenders and assist in
118 the development of early intervention strategies.

119 C. Any county or city in the Commonwealth may by action of its governing body establish a SHOCAP
120 committee. The committee shall consist of representatives from local law enforcement, schools, attorneys for
121 the Commonwealth, juvenile court services, juvenile detention centers or group homes, mental and medical

122 health agencies, state and local children and family service agencies, and the Department of Juvenile Justice.
 123 Any county or city which establishes a SHOCAP committee shall, within 45 days of such action, notify the
 124 Department of Criminal Justice Services. The Department shall issue statewide SHOCAP guidelines and
 125 provide technical assistance to local jurisdictions on implementation of SHOCAP.

130 All records and reports concerning serious or habitual juvenile offenders made available to members of a
 131 SHOCAP committee and all records and reports identifying an individual offender which are generated by
 132 the committee from such reports shall be confidential and shall not be disclosed, except as specifically
 133 authorized by this article or other applicable law. Disclosure of the information may be made to other staff
 134 from member agencies as authorized by the SHOCAP committee for the furtherance of case management,
 135 community supervision, conduct control and locating of the offender for the application and coordination of
 136 appropriate services. Staff from the member agencies who receive such information will be governed by the
 137 confidentiality provisions of this article. The staff from the member agencies who will qualify to have access
 138 to the SHOCAP information shall be limited to those individuals who provide direct services to the offender
 139 or who provide community conduct control and supervision to the offender.

140 The provisions of this article authorizing information sharing between and among SHOCAP committees
 141 shall take precedence over the provisions of (i) Article 12 (§ 16.1-299 et seq.) of Chapter 11 of this title
 142 governing dissemination of court and law-enforcement records concerning juveniles, (ii) Article 5
 143 (§ 22.1-287 et seq.) of Chapter 14 of Title 22.1 governing access to pupil records, (iii) Title 37.2 and any
 144 regulations enacted pursuant thereto governing access to juvenile mental health records, and (iv) Title 63.2
 145 and any regulations enacted pursuant thereto governing access to records concerning treatments or services
 146 provided to a juvenile.

147 E. It shall be unlawful for any staff person from a member agency to disclose or to knowingly permit,
 148 assist or encourage the unauthorized release of any identifying information contained in any reports or

319 A. Any court having jurisdiction for the trial of a person charged with a criminal offense, a traffic offense

341 is a suitable candidate for home/electronic incarceration.

342 C. Any person who has been sentenced to jail or convicted and sentenced to confinement in prison but is
343 actually serving his sentence in jail, after notice to the attorney for the Commonwealth of the convicting

350 sexual offense, burglary or manufacturing, selling, giving, distributing or possessing with the intent to
351 manufacture, sell, give or distribute a Schedule I or Schedule II controlled substance. The court shall retain
352 authority to remove the offender from such home/electronic incarceration program. The court which
353 sentenced the offender shall be notified in writing by the sheriff or the administrator of a local or regional jail
354 of the offender's place of home/electronic incarceration and place of employment or other rehabilitative

369 such residential program if the offender commits a noncriminal program violation. The court shall be notified

370 of the violation and of the placement of the offender in the residential program.

371 G. The director or administrator of a home/electronic incarceration program may charge the offender or
 372 accused a fee for participating in the program which shall be used for the cost of home/electronic
 373 incarceration equipment. The offender or accused shall be required to pay the program for any damage to the
 374 equipment which is in his possession or for failure to return the equipment to the program.

375 H. Any wages earned by an offender or accused assigned to a home/electronic incarceration program and
 376 participating in work release shall be paid to the director or administrator after standard payroll deductions
 377 required by law. Distribution of the money collected shall be made in the following order of priority to:

 385 chooses.

386 The State Board of Local and Regional Jails shall promulgate regulations governing the receipt of wages
 387 paid to persons participating in such programs, except programs operated under the supervision of a
 388 Department of Corrections probation and parole district office established pursuant to § 53.1-141, the
 389 withholding of payments, and the disbursement of appropriate funds. The Director shall prescribe rules
 390 governing the receipt of wages paid to persons participating in such programs operated under the supervision
 391 of a Department of Corrections probation and parole district office established pursuant to § 53.1-141, the
 392 withholding of payments, and the disbursement of appropriate funds.

393 I. For the purposes of this section, "sheriff" means the sheriff of the jurisdiction where the person charged
 394 with the criminal offense was convicted and sentenced, provided that the sheriff may designate a deputy
 395 sheriff or regional jail administrator to assign offenders to home/electronic incarceration programs pursuant
 396 to this section.

397 **§ 53.1-151. Eligibility for parole.**

398 A. Except as herein otherwise provided, every person convicted of a felony and sentenced and committed
 399 by a court under the laws of this Commonwealth to the Department of Corrections, whether or not such
 400 person is physically received at a Department of Corrections facility, or as provided for in § 19.2-308.1:

401 1. For the first time, shall be eligible for parole after serving one-fourth of the term of imprisonment
 402 imposed, or after serving twelve years of the term of imprisonment imposed if one-fourth of the term of
 403 imprisonment imposed is more than twelve years;

404 2. For the second time, shall be eligible for parole after serving one-third of the term of imprisonment
 405 imposed, or after serving thirteen years of the term of imprisonment imposed if one-third of the term of
 406 imprisonment imposed is more than thirteen years;

407 3. For the third time, shall be eligible for parole after serving one-half of the term of imprisonment
 408 imposed, or after serving fourteen years of the term of imprisonment imposed if one-half of the term of
 409 imprisonment imposed is more than fourteen years;

410 4. For the fourth or subsequent time, shall be eligible for parole after serving three-fourths of the term of
 411 imprisonment imposed, or after serving fifteen years of the term of imprisonment imposed if three-fourths of
 412 the term of imprisonment imposed is more than fifteen years.

413 For the purposes of subdivisions 2, 3 and 4 of subsection A and for the purposes of subsections B1 and

 419 Commonwealth. Only prior commitments interrupted by a person's being at liberty, or resulting from the
 420 commission of a felony while in a correctional facility of the Commonwealth, of any other state or of the
 421 United States, shall be included in determining the number of times such person has been convicted,
 422 sentenced and committed for the purposes of subdivisions 2, 3 and 4 of subsection A. "At liberty" as used
 423 herein shall include not only freedom without any legal restraints, but shall also include release pending trial,
 424 sentencing or appeal, or release on probation or parole or escape. In the case of terms of imprisonment to be
 425 served consecutively, the total time imposed shall constitute the term of the imprisonment; in the case of
 426 terms of imprisonment to be served concurrently, the longest term imposed shall be the term of
 427 imprisonment. In any case in which a parolee commits an offense while on parole, only the sentence imposed
 428 for such offense and not the sentence or sentences or any part thereof from which he was paroled shall
 429 constitute the term of imprisonment.

430 The Department of Corrections shall make all reasonable efforts to determine prior convictions and
 431 commitments of each inmate for the enumerated offenses.

432 B. Persons sentenced to die shall not be eligible for parole. Any person sentenced to life imprisonment

438 part of a common act, transaction, or scheme shall not be eligible for parole. In the event of a determination
439 by the Department of Corrections that an individual is not eligible for parole under this subsection, the Parole
440 Board may in its discretion, review that determination, and make a determination for parole eligibility
441 pursuant to regulations promulgated by it for that purpose. Any determination of the Parole Board of parole
442 eligibility thereby shall supersede any prior determination of parole ineligibility by the Department of
443 Corrections under this subsection.

444 B2. Any person convicted of three separate felony offenses of manufacturing, selling, giving, distributing
445 or possessing with the intent to manufacture, sell, give or distribute a controlled substance, when such
446 offenses were not part of a common act, transaction or scheme, and who has been at liberty as defined in this
447 section between each conviction, shall not be eligible for parole.

448 C. Any person sentenced to life imprisonment for the first time shall be eligible for parole after serving
449 fifteen years, except that if such sentence was for a Class 1 felony violation or the first degree murder of a
450 child under the age of eight in violation of § 18.2-32, he shall be eligible for parole after serving twenty-five
451 years, unless he is ineligible for parole pursuant to subsection B1 or B2.

453 provisions of subsection B1, B2, or E of this section are applicable, shall be eligible for parole after serving

462 for parole after serving two-thirds of the term of imprisonment imposed or after serving fourteen years of the
463 term of imprisonment imposed if two-thirds of the term of imprisonment imposed is more than fourteen
464 years. If such person has been previously committed to the Department of Corrections, such person shall be
465 eligible for parole after serving three-fourths of the term of imprisonment imposed or after serving fifteen
466 years of the terms of imprisonment imposed if three-fourths of the term of imprisonment imposed is more
467 than fifteen years.

468 F. If the sentence of a person convicted of a felony and sentenced to the Department is partially
469 suspended, he shall be eligible for parole based on the portion of such sentence execution which was not
470 suspended.

471 G. The eligibility time for parole as specified in subsections A, C and D of this section may be modified

552 B. For any offense other than those enumerated in subsection A for which sentence credits may be earned,
 553 earned sentence credits shall be awarded and calculated using the following four-level classification system:

- 554 1. Level I. For persons receiving Level I sentence credits, 15 days shall be deducted from the person's
 555 sentence for every 30 days served. Level I sentence credits shall be awarded to persons who participate in and

556 cooperate with all programs to which the person is assigned pursuant to § 53.1-32.1 and who have no more
557 than one minor correctional infraction and no serious correctional infractions as established by the
558 Department's policies or procedures.

559 2. Level II. For persons receiving Level II sentence credits, 7.5 days shall be deducted from the person's
560 sentence for every 30 days served. Level II sentence credits shall be awarded to persons who participate in
561 and cooperate with all programs, job assignments, and educational curriculums to which the person is
562 assigned pursuant to § 53.1-32.1, but who require improvement in not more than one area as established by
563 the Department's policies or procedures.

564 3. Level III. For persons receiving Level III sentence credits, 3.5 days shall be deducted from the person's
565 sentence for every 30 days served. Level III sentence credits shall be awarded to persons who participate in
566 and cooperate with all programs, job assignments, and educational curriculums to which the person is
567 assigned pursuant to § 53.1-32.1, but who require significant improvement in two or more areas as
568 established by the Department's policies or procedures.

569 4. Level IV. No sentence credits shall be awarded to persons classified in Level IV. A person will be
570 classified in Level IV if that person willfully fails to participate in or cooperate with all programs, job
571 assignments, and educational curriculums to which the person is assigned pursuant to § 53.1-32.1 or that
572 person causes substantial security or operational problems at the correctional facility as established by the
573 Department's policies or procedures.

574 C. A person's classification level under subsection B shall be reviewed at least once annually, and the
575 classification level may be adjusted based upon that person's participation in and cooperation with programs,
576 job assignments, and educational curriculums assigned pursuant to § 53.1-32.1. A person's classification and
577 calculation of earned sentence credits shall not be lowered or withheld due to a lack of programming,
578 educational, or employment opportunities at the correctional facility at which the person is confined. Records
579 from this review, including an explanation of the reasons why a person's classification level was or was not
580 adjusted, shall be maintained in the person's correctional file.

581 D. A person's classification level under subsection B may be immediately reviewed and adjusted
582 following removal from a program, job assignment, or educational curriculum that was assigned pursuant to
583 § 53.1-32.1 for disciplinary or noncompliance reasons.

584 E. A person may appeal a reclassification determination under subsection C or D in the manner set forth
585 in the grievance procedure established by the Director pursuant to his powers and duties as set forth in
586 § 53.1-10.

587 F. For a juvenile sentenced to serve a portion of his sentence as a serious juvenile offender under
588 § 16.1-285.1, consideration for earning sentence credits shall be conditioned, in part, upon full participation
589 in and cooperation with programs afforded to the juvenile during that portion of the sentence. The
590 Department of Juvenile Justice shall provide a report that describes the juvenile's adherence to the facility's
591 rules and the juvenile's progress toward treatment goals and objectives while sentenced as a serious juvenile
592 offender under § 16.1-285.1.

593 G. Notwithstanding any other provision of law, no portion of any sentence credits earned shall be applied
594 to reduce the period of time a person must serve before becoming eligible for parole upon any sentence.
