5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 22.1-349.3 of the Code of Virginia is amended and reenacted as follows:**8 **§ 22.1-349.3. Establishment and operation of college partnership laboratory schools; requirements.**

9 A. A college partnership laboratory school is subject to all federal and state laws and regulations and  
 10 constitutional provisions prohibiting discrimination on the basis of disability, race, creed, color, sex, sexual  
 11 orientation, gender identity, national origin, religion, ancestry, or need for special education services.

12 B. Enrollment in college partnership laboratory schools shall be open through a lottery process on a  
 13 space-available basis to any student who is deemed to reside within the Commonwealth. A waiting list shall  
 14 be established if adequate space is not available to accommodate all students whose parents have requested to  
 15 be entered in the lottery process. Such waiting list shall also be prioritized through a lottery process, and  
 16 parents shall be informed of their student's position on the list. For college partnership laboratory schools that  
 17 form a collaborative partnership with one or more local school divisions in accordance with subsection G, (i)  
 18 enrollment in the college partnership laboratory school shall be administered by one of the partnering  
 19 divisions *and (ii) the parents of any enrolled student shall be notified of such collaborative partnership and*  
 20 *provided with contact information for an administrator in such partnering division that the parent can*  
 21 *contact with questions or concerns about program administration or the student's experience at the college*  
 22 *partnership laboratory school.*

23 C. A college partnership laboratory school shall be administered and managed by a governing board.  
 24 Pursuant to a contract and as specified in § 22.1-349.4, a college partnership laboratory school is subject to  
 25 the requirements of the Standards of Quality, including the Standards of Learning and the Standards of  
 26 Accreditation, and such regulations as are determined by the Board. *Each college partnership laboratory*  
 27 *shall identify in a conspicuous and publicly accessible manner and location on the school's website the*  
 28 *members and meeting schedule of the school's governing board; a summary of the operational, budgetary,*  
 29 *and contractual decisions of such governing board; and the Board regulations to which such school is*  
 30 *subject.*

31 D. Pursuant to a college partnership laboratory school agreement, a college partnership laboratory school  
 32 is responsible for its own operations, including such budget preparation, contracts for services, and personnel  
 33 matters as are specified in the agreement. A college partnership laboratory school may also negotiate and  
 34 contract with a school board, the governing body of an institution of higher education, or any third party for  
 35 the use of a school building or grounds, the operation and maintenance of such building or grounds, and the  
 36 provision of any service, activity, or undertaking that the college partnership laboratory school is required to  
 37 perform in order to carry out the educational program described in its contract. Any services for which a  
 38 college partnership laboratory school contracts with a school board or institution of higher education shall not  
 39 exceed the cost to the school division or institution to provide such services.

40 E. No college partnership laboratory school shall charge tuition for courses required for high school  
 41 graduation. However, (i) tuition may be charged for courses for which the student receives college credit and  
 42 enrichment courses that are not required to earn a Board-approved high school diploma and, (ii) for college  
 43 partnership laboratory schools that form a collaborative partnership with one or more local school divisions in  
 44 accordance with subsection G, the school board of the partnering school division that administers student  
 45 enrollment in accordance with subsection A may charge tuition in accordance with § 22.1-5 for students who  
 46 do not reside within the partnering school division.

47 F. An approved college partnership laboratory school shall be designated as a local education agency but  
 48 shall not constitute a school division.

49 G. College partnership laboratory schools are encouraged to develop collaborative partnerships with local  
 50 school divisions for the purpose of building seamless education opportunities for all preschool through  
 51 postsecondary students in the Commonwealth. An educational program provided to students enrolled in a  
 52 local school division pursuant to a collaborative partnership between the college partnership laboratory  
 53 school and the local school division is the educational program of the local school division for purposes of  
 54 the Standards of Accreditation.
