**Bill Number:** HB452 ER

**Patron:** Willett

**Bill Title:** Practice of radiologic technology; licensure exceptions, sunset.

**Bill Summary:** Permits a person employed or engaged by a hospital, health system, or urgent care center that is affiliated with a hospital or health care system to practice within the scope of his employment as a radiologic technologist, radiologic assistant, or radiologic technologist, limited without obtaining a license. Under current law, such exception only applies to radiologic technologists who are employees of a hospital. The bill exempts the initial promulgation of regulations pursuant to the bill by the Board of Medicine from the requirements of the Administrative Process Act. The bill has a sunset date of July 1, 2029.

**Budget Amendment Necessary:** No

**Items Impacted:** n/a

**Fiscal Summary:** Minimal/absorbable fiscal impact.

**Fiscal Analysis:** This legislation expands the allowable circumstances under which it is permissible for a person to practice as a radiologic technologist, radiologic assistant, or radiologic technologist, limited, without obtaining a license. The bill further establishes a sunset date of July 1, 2029 for such expanded practice capacities. The Board of Medicine will be required to promulgate new regulations to reflect the provisions of this legislation; it is expected that any associated time, workload, or fiscal impacts are minimal and can be absorbed within existing appropriation.
