Bill Number: HB1523S1

Patron: McGuire

Bill Title: Certified violence prevention professional; requirements for certification.

Bill Summary: Establishes requirements for use of the title "certified violence prevention professional" and directs the Board of Health (the Board) to promulgate regulations setting forth requirements for use of the title and education and training programs necessary to meet requirements for certification.

The bill, as amended, updates the definition for certified violence prevention professionals.

Budget Amendment Necessary: No

Items Impacted: None

Fiscal Summary: Minimal fiscal impact.

Fiscal Analysis: Any increase in workload for the Board to adopt regulations can be handled within existing resources. The bill directs the Board to approve an entity to handle such certifications, training, and education. It is unknown what entity would be approved to certify these professionals and provide the necessary training and education. Therefore, any increase in workload on such entity cannot be determined.

Other: None
