Bill Title: Drug Control Act; adds certain chemicals to Schedule I; penalties.

Bill Summary: Adds certain chemicals to Schedule I of the Drug Control Act. The Board of Pharmacy has added these substances in an expedited regulatory process. A substance added via this process is removed from the schedule after 18 months unless a general law is enacted adding the substance to the schedule.

Budget Amendment Necessary: No

Items Impacted: n/a

Fiscal Summary: No fiscal impact.

Fiscal Analysis: The Board of Pharmacy has already engaged in an expedited regulatory process to add the substances included in this bill to Schedule I; it is not expected that any new costs will result from codifying these regulations via general law. As passed both houses, the bill removes one common name for a drug already on the list.
