Bill Number: HB924ER

Patron: Rasoul

Bill Title: Board of Education and Superintendent of Public Instruction; state program to support the improvement of low-performing schools.

Bill Summary: Requires the Superintendent of Public Instruction to consistently and effectively implement a state program to support the improvement of low-performing schools based on school accountability standards established by the Board of Education within the standards of accreditation. The bill requires the Superintendent to ensure that the Department of Education is appropriately organized and employs qualified staff to effectively provide this support to such low-performing schools. The bill requires the Board of Education to ensure that the Superintendent and the Department administer an effective school improvement program to support such low-performing schools. The bill is a recommendation of the Joint Legislative Audit and Review Commission.

Budget Amendment Necessary: No

Items Impacted: None

Explanation: There is no anticipated state fiscal impact resulting from the provisions of the bill.

Fiscal Analysis: The Department of Education can absorb any impact to implement the state program as required by the bill with existing resources within the Office of School Improvement.

Other: None
