346 to have been ingested by the victim that such prescription of a controlled substance was involved in an  
347 overdose. Such model policy shall include that a notification to a prescriber of a controlled substance shall  
348 not be required if such notification would jeopardize an active law-enforcement investigation;

349 71. Establish a training curriculum for law-enforcement agencies, law-enforcement officers, and special  
350 conservators of the peace on the discretion such officers can exercise regarding arrest as provided in Chapter  
351 7 (§ 19.2-71 et seq.) of Title 19.2. Such training shall include (i) instruction on the scope and nature of  
352 law-enforcement officer discretion in arrest decisions, with particular emphasis on encounters with  
353 individuals experiencing a mental health crisis, including individuals currently subject to an emergency  
354 custody order pursuant to § 37.2-808, a temporary detention order pursuant to § 37.2-809, or an involuntary  
355 admission order pursuant to § 37.2-817, and (ii) instruction on the immediate and long-term effects of arrests  
356 on individuals in need of mental health services due to a mental health crisis, including impacts on treatment  
357 outcomes as identified in substantially accepted peer-reviewed research literature;

358 72. Establish a model policy for the provision of security at nonprofit institutions that serve individuals  
359 and communities at risk of hate crimes as defined in § 52-8.5 within the Commonwealth, incorporating  
360 relevant information about various traditions, services, or activities that any law-enforcement officer,  
361 unarmed security officer, or armed security officer providing such security may encounter; ~~and~~

362 73. *Develop and approve a training certificate course for law-enforcement officers, retired sworn law-*  
363 *enforcement officers, as that term is defined in § 46.2-882.1, registered special conservators of the peace,*  
364 *and technicians for the review of sworn or affirmed certificates for the purposes of enforcement of violations*  
365 *recorded by traffic light signal violation monitoring systems or traffic control device violation monitoring*  
366 *systems pursuant to § 15.2-968.1, photo speed monitoring devices pursuant to § 46.2-882.1, or video-*  
367 *monitoring systems pursuant to § 46.2-844; and*

368 74. Perform such other acts as may be necessary or convenient for the effective performance of its duties.

369 **§ 15.2-968.1. (For contingent expiration date, see Acts 2023, c. 738, cl. 2) Use of violation monitoring**

370 **systems to enforce traffic light signals and certain traffic control devices.**

371 A. For purposes of this section:

372 "Owner" means the registered owner on record with the Department of Motor Vehicles.

373 "Traffic control device" has the same meaning as set forth in § 46.2-100.

374 "Traffic control device violation monitoring system" means equipment that produces one or more  
375 photographs, microphotographs, video, or other recorded images of vehicles used or operated in violation of  
376 signs or markings placed in accordance with § 46.2-830. Traffic control device violation monitoring systems  
377 shall not be used to enforce violations of traffic light signals or speed limits.

378 "Traffic light signal violation monitoring system" means a vehicle sensor installed to work in conjunction  
379 with a traffic light that automatically produces two or more photographs, two or more microphotographs,  
380 video, or other recorded images of each vehicle at the time it is used or operated in violation of § 46.2-833,  
381 46.2-835, or 46.2-836. For each such vehicle, at least one recorded image shall be of the vehicle before it has  
382 illegally entered the intersection, and at least one recorded image shall be of the same vehicle after it has  
383 illegally entered the intersection.

384 B. 1. The governing body of any county, city, or town may provide by ordinance for the establishment of  
385 a traffic signal enforcement program imposing monetary liability on the operator of a motor vehicle for  
386 failure to comply with traffic light signals in such locality in accordance with the provisions of this section.  
387 Each such locality may install and operate traffic light signal violation monitoring systems at no more than  
388 one intersection for every 10,000 residents within each county, city, or town at any one time, provided,  
389 however, that within planning District 8, each such locality may install and operate traffic light signal  
390 violation monitoring systems at no more than 10 intersections, or at no more than one intersection for every  
391 10,000 residents within each county, city, or town, whichever is greater, at any one time.

392 2. In addition to the authority provided in subdivision 1, the governing body of any locality in Planning  
393 District 23 may provide by ordinance for the establishment of a traffic control device violation monitoring  
394 system imposing monetary liability on the operator of a motor vehicle for failure to comply with traffic  
395 control devices in such locality in accordance with the provisions of this section. Such governing body may  
396 install and operate a traffic control device violation monitoring system at any intersection deemed by the  
397 governing body to be negatively impacted by traffic due to the Hampton Roads Bridge-Tunnel Express Lanes  
398 Hampton Segment (4C) Project (HREL-P).

399 C. The operator of a vehicle shall be liable for a monetary penalty imposed pursuant to this section if such  
400 vehicle is found, (i) as evidenced by information obtained from a traffic light signal violation monitoring  
401 system, to have failed to comply with a traffic light signal within such locality or (ii) as evidenced by  
402 information obtained from a traffic control device violation monitoring system, to have failed to comply with  
403 a traffic control device within such locality. No operator shall be liable for a penalty pursuant to clause (i) and  
404 a penalty pursuant to clause (ii) arising out of the same act. No monetary penalty shall be imposed pursuant to  
405 this section for a first offense of failing to comply with a traffic control device, as evidenced by information  
406 obtained from a traffic control device violation monitoring system, and such operator shall be issued a written  
407 warning.

408 D. Proof of a violation of this section shall be evidenced by information obtained from a traffic light  
409 signal violation monitoring system or traffic control device violation monitoring system authorized pursuant  
410 to this section. A certificate, sworn to or affirmed by a law-enforcement officer, *retired sworn law-*  
411 *enforcement officer, as that term is defined in § 46.2-882.1, registered special conservator of the peace, or*  
412 *technician, who has completed a training course developed and approved pursuant to subdivision 73 of*  
413 *§ 9.1-102, employed by a locality authorized to impose penalties pursuant to this section, or a facsimile*  
414 *thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images*  
415 *produced by a traffic light signal violation monitoring system or traffic control device violation monitoring*  
416 *system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs,*  
417 *videotape, or other recorded images evidencing such a violation shall be available for inspection in any*  
418 *proceeding to adjudicate the liability for such violation pursuant to an ordinance adopted pursuant to this*  
419 *section.*

420 E. In the prosecution for a violation of any local ordinance adopted as provided in this section, prima facie  
421 evidence that the vehicle described in the summons issued pursuant to this section was operated in violation  
422 of such ordinance, together with proof that the defendant was at the time of such violation the owner, lessee,  
423 or renter of the vehicle, shall constitute in evidence a rebuttable presumption that such owner, lessee, or  
424 renter of the vehicle was the person who committed the violation. Such presumption shall be rebutted if the  
425 owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the clerk of the general district  
426 court that he was not the operator of the vehicle at the time of the alleged violation or (ii) testifies in open  
427 court under oath that he was not the operator of the vehicle at the time of the alleged violation. Such  
428 presumption shall also be rebutted if a certified copy of a police report, showing that the vehicle had been  
429 reported to the police as stolen prior to the time of the alleged violation of this section, is presented, prior to  
430 the return date established on the summons issued pursuant to this section, to the court adjudicating the  
431 alleged violation.

432 F. Imposition of a penalty pursuant to this section shall not be deemed a conviction as an operator and  
433 shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall it  
434 be used for insurance purposes in the provision of motor vehicle insurance coverage. No monetary penalty  
435 imposed under this section shall exceed \$50, nor shall it include court costs. Any finding in a district court  
436 that an operator has violated an ordinance adopted as provided in this section shall be appealable to the circuit  
437 court in a civil proceeding.

438 G. A summons for a violation of this section may be executed pursuant to § 19.2-76.2. Notwithstanding  
439 the provisions of § 19.2-76, a summons for a violation of this section may be executed by mailing by first  
440 class mail a copy thereof to the owner, lessee, or renter of the vehicle. In the case of a vehicle owner, the copy  
441 shall be mailed to the address contained in the records of the Department of Motor Vehicles; in the case of a  
442 vehicle lessee or renter, the copy shall be mailed to the address contained in the records of the lessor or renter.  
443 Every such mailing shall include, in addition to the summons, a notice of (i) the summoned person's ability to  
444 rebut the presumption that he was the operator of the vehicle at the time of the alleged violation through the  
445 filing of an affidavit as provided in subsection E and (ii) instructions for filing such affidavit, including the  
446 address to which the affidavit is to be sent. If the summoned person fails to appear on the date of return set  
447 out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in  
448 § 19.2-76.3. No proceedings for contempt or arrest of a person summoned by mailing shall be instituted for  
449 failure to appear on the return date of the summons. Any summons executed for a violation of this section  
450 shall provide to the person summoned at least 30 business days from the mailing of the summons to inspect  
451 information collected by a traffic light signal violation monitoring system or traffic control device violation  
452 monitoring system in connection with the violation.

453 H. Information collected by a traffic light signal violation monitoring system or traffic control device  
454 violation monitoring system installed and operated pursuant to subsection B shall be limited exclusively to  
455 that information that is necessary for the enforcement of traffic light or traffic control device violations. On  
456 behalf of a locality, a private entity that operates a traffic light signal violation monitoring system or traffic  
457 control device violation monitoring system may enter into an agreement with the Department of Motor  
458 Vehicles, in accordance with the provisions of subdivision B 21 of § 46.2-208, to obtain vehicle owner  
459 information regarding the registered owners of vehicles that fail to comply with a traffic light signal or traffic  
460 control device. Information provided to the operator of a traffic light signal violation monitoring system or  
461 traffic control device violation monitoring system shall be protected in a database with security comparable to  
462 that of the Department of Motor Vehicles' system, and used only for enforcement against individuals who  
463 violate the provisions of this section. Notwithstanding any other provision of law, all photographs,  
464 microphotographs, electronic images, or other personal information collected by a traffic light signal  
465 violation monitoring system or traffic control device violation monitoring system shall be used exclusively  
466 for enforcing traffic light or traffic control device violations and shall not (i) be open to the public; (ii) be sold  
467 or used for sales, solicitation, or marketing purposes; (iii) be disclosed to any other entity except as may be  
468 necessary for the enforcement of a traffic light or traffic control device violation or to a vehicle owner or  
469 operator as part of a challenge to the violation; or (iv) be used in a court in a pending action or proceeding  
470 unless the action or proceeding relates to a violation of § 46.2-830, 46.2-833, 46.2-835, or 46.2-836 or  
471 requested upon order from a court of competent jurisdiction. Information collected under this section  
472 pertaining to a specific violation shall be purged and not retained later than 60 days after the collection of any  
473 civil penalties. If a locality does not execute a summons for a violation of this section within 10 business  
474 days, all information collected pertaining to that suspected violation shall be purged within two business  
475 days. Any locality operating a traffic light signal violation monitoring system or traffic control device  
476 violation monitoring system shall annually certify compliance with this section and make all records  
477 pertaining to such system available for inspection and audit by the Commissioner of Highways or the  
478 Commissioner of the Department of Motor Vehicles or his designee. Any person who discloses personal  
479 information in violation of the provisions of this subsection shall be subject to a civil penalty of \$1,000 per  
480 disclosure. Any unauthorized use or disclosure of such personal information shall be grounds for termination  
481 of the agreement between the Department of Motor Vehicles and the private entity.

482 I. A private entity may enter into an agreement with a locality to be compensated for providing the traffic  
483 light signal violation monitoring system or equipment or traffic control device violation monitoring system or  
484 equipment, and all related support services, to include consulting, operations and administration. However,  
485 only a law-enforcement officer, *retired sworn law-enforcement officer, as that term is defined in*  
486 *§ 46.2-882.1, registered special conservator of the peace, or technician, who has completed a training course*  
487 *developed and approved pursuant to subdivision 73 of § 9.1-102, employed by a locality may swear to or*  
488 *affirm the certificate required by subsection D. No locality shall enter into an agreement for compensation*  
489 *based on the number of violations or monetary penalties imposed.*

490 J. When selecting potential intersections for a traffic light signal violation monitoring system, a locality  
491 shall consider factors such as (i) the accident rate for the intersection, (ii) the rate of red light violations  
492 occurring at the intersection (number of violations per number of vehicles), (iii) the difficulty experienced by  
493 law-enforcement officers in patrol cars or on foot in apprehending violators, and (iv) the ability of law-

494 enforcement officers to apprehend violators safely within a reasonable distance from the violation. Localities  
495 may consider the risk to pedestrians as a factor, if applicable.

496 K. 1. Before the implementation of a traffic light signal violation monitoring system at an intersection, the  
497 locality shall complete an engineering safety analysis that addresses signal timing and other location-specific  
498 safety features. The length of the yellow phase shall be established based on the recommended methodology  
499 of the Institute of Transportation Engineers. No traffic light signal violation monitoring system shall be  
500 implemented or utilized for a traffic signal having a yellow signal phase length of less than three seconds. All  
501 traffic light signal violation monitoring systems shall provide a minimum 0.5-second grace period between  
502 the time the signal turns red and the time the first violation is recorded. If recommended by the engineering  
503 safety analysis, the locality shall make reasonable location-specific safety improvements, including signs and  
504 pavement markings.

505 2. Before the implementation of a traffic control device violation monitoring system at an intersection, the  
506 governing body of the implementing locality shall complete an engineering safety analysis that addresses the  
507 impact of the HREL-P on congestion, accident rates, and driver disregard for traffic control devices. If  
508 recommended by the engineering safety analysis, the locality shall make reasonable location-specific safety  
509 improvements, including signs and pavement markings.

510 L. Any locality that uses a traffic light signal violation monitoring system or traffic control device  
511 violation monitoring system shall evaluate the system on a monthly basis to ensure all cameras and traffic  
512 signals are functioning properly. Evaluation results shall be made available to the public.

513 M. Any locality that uses a traffic light signal violation monitoring system to enforce traffic light signals  
514 shall place conspicuous signs within 500 feet of the intersection approach at which a traffic light signal  
515 violation monitoring system is used. There shall be a rebuttable presumption that such signs were in place at  
516 the time of the commission of the traffic light signal violation.

517 N. Prior to or coincident with the implementation or expansion of a traffic light signal violation  
518 monitoring system or traffic control device violation monitoring system, a locality shall conduct a public  
519 awareness program, advising the public that the locality is implementing or expanding a traffic light signal  
520 violation monitoring system or traffic control device violation monitoring system.

521 O. Notwithstanding any other provision of this section, if a vehicle depicted in images recorded by a  
522 traffic light signal violation monitoring system or traffic control device violation monitoring system is owned,  
523 leased, or rented by a county, city, or town, then the county, city, or town may access and use the recorded  
524 images and associated information for employee disciplinary purposes.

525 **§ 15.2-968.1. (For contingent effective date, see Acts 2023, c. 738, cl. 2) Use of violation monitoring**  
526 **systems to enforce traffic light signals and certain traffic control devices.**

527 A. The governing body of any county, city, or town may provide by ordinance for the establishment of a  
528 traffic signal enforcement program imposing monetary liability on the operator of a motor vehicle for failure  
529 to comply with traffic light signals in such locality in accordance with the provisions of this section. Each  
530 such locality may install and operate traffic light signal photo-monitoring systems at no more than one  
531 intersection for every 10,000 residents within each county, city, or town at any one time, provided, however,  
532 that within planning District 8, each such locality may install and operate traffic light signal photo-monitoring  
533 systems at no more than 10 intersections, or at no more than one intersection for every 10,000 residents  
534 within each county, city, or town, whichever is greater, at any one time.

535 B. The operator of a vehicle shall be liable for a monetary penalty imposed pursuant to this section if such  
536 vehicle is found, as evidenced by information obtained from a traffic light signal violation monitoring system,  
537 to have failed to comply with a traffic light signal within such locality.

538 C. Proof of a violation of this section shall be evidenced by information obtained from a traffic light  
539 signal violation monitoring system authorized pursuant to this section. A certificate, sworn to or affirmed by  
540 a law-enforcement officer, *retired sworn law-enforcement officer, as that term is defined in § 46.2-882.1,*  
541 *registered special conservator of the peace, or technician, who has completed a training course developed*  
542 *and approved pursuant to subdivision 73 of § 9.1-102,* employed by a locality authorized to impose penalties  
543 pursuant to this section, or a facsimile thereof, based upon inspection of photographs, microphotographs,  
544 videotape, or other recorded images produced by a traffic light signal violation monitoring system, shall be  
545 prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other  
546 recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate  
547 the liability for such violation pursuant to an ordinance adopted pursuant to this section.

548 D. In the prosecution for a violation of any local ordinance adopted as provided in this section, prima facie  
549 evidence that the vehicle described in the summons issued pursuant to this section was operated in violation  
550 of such ordinance, together with proof that the defendant was at the time of such violation the owner, lessee,  
551 or renter of the vehicle, shall constitute in evidence a rebuttable presumption that such owner, lessee, or  
552 renter of the vehicle was the person who committed the violation. Such presumption shall be rebutted if the  
553 owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the clerk of the general district  
554 court that he was not the operator of the vehicle at the time of the alleged violation or (ii) testifies in open  
555 court under oath that he was not the operator of the vehicle at the time of the alleged violation. Such

556 presumption shall also be rebutted if a certified copy of a police report, showing that the vehicle had been  
557 reported to the police as stolen prior to the time of the alleged violation of this section, is presented, prior to  
558 the return date established on the summons issued pursuant to this section, to the court adjudicating the  
559 alleged violation.

560 E. For purposes of this section, "owner" means the registered owner of such vehicle on record with the  
561 Department of Motor Vehicles. For purposes of this section, "traffic light signal violation monitoring system"  
562 means a vehicle sensor installed to work in conjunction with a traffic light that automatically produces two or  
563 more photographs, two or more microphotographs, video, or other recorded images of each vehicle at the  
564 time it is used or operated in violation of § 46.2-833, 46.2-835, or 46.2-836. For each such vehicle, at least  
565 one recorded image shall be of the vehicle before it has illegally entered the intersection, and at least one  
566 recorded image shall be of the same vehicle after it has illegally entered that intersection.

567 F. Imposition of a penalty pursuant to this section shall not be deemed a conviction as an operator and  
568 shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall it  
569 be used for insurance purposes in the provision of motor vehicle insurance coverage. No monetary penalty  
570 imposed under this section shall exceed \$50, nor shall it include court costs. Any finding in a district court  
571 that an operator has violated an ordinance adopted as provided in this section shall be appealable to the circuit  
572 court in a civil proceeding.

573 G. A summons for a violation of this section may be executed pursuant to § 19.2-76.2. Notwithstanding  
574 the provisions of § 19.2-76, a summons for a violation of this section may be executed by mailing by first  
575 class mail a copy thereof to the owner, lessee, or renter of the vehicle. In the case of a vehicle owner, the copy  
576 shall be mailed to the address contained in the records of the Department of Motor Vehicles; in the case of a  
577 vehicle lessee or renter, the copy shall be mailed to the address contained in the records of the lessor or renter.  
578 Every such mailing shall include, in addition to the summons, a notice of (i) the summoned person's ability to  
579 rebut the presumption that he was the operator of the vehicle at the time of the alleged violation through the  
580 filing of an affidavit as provided in subsection D and (ii) instructions for filing such affidavit, including the  
581 address to which the affidavit is to be sent. If the summoned person fails to appear on the date of return set  
582 out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in  
583 § 19.2-76.3. No proceedings for contempt or arrest of a person summoned by mailing shall be instituted for  
584 failure to appear on the return date of the summons. Any summons executed for a violation of this section  
585 shall provide to the person summoned at least 30 business days from the mailing of the summons to inspect  
586 information collected by a traffic light signal violation monitoring system in connection with the violation.

587 H. Information collected by a traffic light signal violation monitoring system installed and operated  
588 pursuant to subsection A shall be limited exclusively to that information that is necessary for the enforcement  
589 of traffic light violations. On behalf of a locality, a private entity that operates a traffic light signal violation  
590 monitoring system may enter into an agreement with the Department of Motor Vehicles, in accordance with  
591 the provisions of subdivision B 21 of § 46.2-208, to obtain vehicle owner information regarding the  
592 registered owners of vehicles that fail to comply with a traffic light signal. Information provided to the  
593 operator of a traffic light signal violation monitoring system shall be protected in a database with security  
594 comparable to that of the Department of Motor Vehicles' system, and used only for enforcement against  
595 individuals who violate the provisions of this section. Notwithstanding any other provision of law, all  
596 photographs, microphotographs, electronic images, or other personal information collected by a traffic light  
597 signal violation monitoring system shall be used exclusively for enforcing traffic light violations and shall not  
598 (i) be open to the public; (ii) be sold or used for sales, solicitation, or marketing purposes; (iii) be disclosed to  
599 any other entity except as may be necessary for the enforcement of a traffic light violation or to a vehicle  
600 owner or operator as part of a challenge to the violation; or (iv) be used in a court in a pending action or  
601 proceeding unless the action or proceeding relates to a violation of § 46.2-833, 46.2-835, or 46.2-836 or  
602 requested upon order from a court of competent jurisdiction. Information collected under this section  
603 pertaining to a specific violation shall be purged and not retained later than 60 days after the collection of any  
604 civil penalties. If a locality does not execute a summons for a violation of this section within 10 business  
605 days, all information collected pertaining to that suspected violation shall be purged within two business  
606 days. Any locality operating a traffic light signal violation monitoring system shall annually certify  
607 compliance with this section and make all records pertaining to such system available for inspection and audit  
608 by the Commissioner of Highways or the Commissioner of the Department of Motor Vehicles or his  
609 designee. Any person who discloses personal information in violation of the provisions of this subsection  
610 shall be subject to a civil penalty of \$1,000 per disclosure. Any unauthorized use or disclosure of such  
611 personal information shall be grounds for termination of the agreement between the Department of Motor  
612 Vehicles and the private entity.

613 I. A private entity may enter into an agreement with a locality to be compensated for providing the traffic  
614 light signal violation monitoring system or equipment, and all related support services, to include consulting,  
615 operations and administration. However, only a law-enforcement officer, *retired sworn law-enforcement*  
616 *officer, as that term is defined in § 46.2-882.1, registered special conservator of the peace, or technician,*  
617 *who has completed a training course developed and approved pursuant to subdivision 73 of § 9.1-102,*

618 employed by a locality may swear to or affirm the certificate required by subsection C. No locality shall enter  
619 into an agreement for compensation based on the number of violations or monetary penalties imposed.

620 J. When selecting potential intersections for a traffic light signal violation monitoring system, a locality  
621 shall consider factors such as (i) the accident rate for the intersection, (ii) the rate of red light violations  
622 occurring at the intersection (number of violations per number of vehicles), (iii) the difficulty experienced by  
623 law-enforcement officers in patrol cars or on foot in apprehending violators, and (iv) the ability of law-  
624 enforcement officers to apprehend violators safely within a reasonable distance from the violation. Localities  
625 may consider the risk to pedestrians as a factor, if applicable.

626 K. Before the implementation of a traffic light signal violation monitoring system at an intersection, the  
627 locality shall complete an engineering safety analysis that addresses signal timing and other location-specific  
628 safety features. The length of the yellow phase shall be established based on the recommended methodology  
629 of the Institute of Transportation Engineers. No traffic light signal violation monitoring system shall be  
630 implemented or utilized for a traffic signal having a yellow signal phase length of less than three seconds. All  
631 traffic light signal violation monitoring systems shall provide a minimum 0.5-second grace period between  
632 the time the signal turns red and the time the first violation is recorded. If recommended by the engineering  
633 safety analysis, the locality shall make reasonable location-specific safety improvements, including signs and  
634 pavement markings.

635 L. Any locality that uses a traffic light signal violation monitoring system shall evaluate the system on a  
636 monthly basis to ensure all cameras and traffic signals are functioning properly. Evaluation results shall be  
637 made available to the public.

638 M. Any locality that uses a traffic light signal violation monitoring system to enforce traffic light signals  
639 shall place conspicuous signs within 500 feet of the intersection approach at which a traffic light signal  
640 violation monitoring system is used. There shall be a rebuttable presumption that such signs were in place at  
641 the time of the commission of the traffic light signal violation.

642 N. Prior to or coincident with the implementation or expansion of a traffic light signal violation  
643 monitoring system, a locality shall conduct a public awareness program, advising the public that the locality  
644 is implementing or expanding a traffic light signal violation monitoring system.

645 O. Notwithstanding any other provision of this section, if a vehicle depicted in images recorded by a  
646 traffic light signal photo-monitoring system is owned, leased, or rented by a county, city, or town, then the  
647 county, city, or town may access and use the recorded images and associated information for employee  
648 disciplinary purposes.

649 **§ 19.2-13. Special conservators of the peace; authority; jurisdiction; registration; liability of**  
650 **employers; penalty; report.**

651 A. Upon the submission of an application, which shall include the results of the background investigation  
652 conducted pursuant to subsection C, from (i) any sheriff or chief of police of any county, city, or town; (ii)  
653 any corporation authorized to do business in the Commonwealth; (iii) the owner, proprietor, or authorized  
654 custodian of any place within the Commonwealth; or (iv) any museum owned and managed by the  
655 Commonwealth, a circuit court judge of any county or city shall appoint special conservators of the peace  
656 who shall serve as such for such length of time as the court may designate, but not exceeding four years under  
657 any one appointment, during which time the court shall retain jurisdiction over the appointment order, upon a  
658 showing by the applicant of a necessity for the security of property or the peace and presentation of evidence  
659 that the person or persons to be appointed as a special conservator of the peace possess a valid registration  
660 issued by the Department of Criminal Justice Services in accordance with the provisions of subsection C.  
661 Upon an application made pursuant to clause (ii), (iii), or (iv), the court shall, prior to entering the order of  
662 appointment, transmit a copy of the application to the local attorney for the Commonwealth and the local  
663 sheriff or chief of police who may submit to the court a sworn, written statement indicating whether the order  
664 of appointment should be granted. However, a judge may deny the appointment for good cause, and shall  
665 state the specific reasons for the denial in writing in the order denying the appointment. A judge also may  
666 revoke the appointment order for good cause shown, upon the filing of a sworn petition by the attorney for  
667 the Commonwealth, sheriff, or chief of police for any locality in which the special conservator of the peace is  
668 authorized to serve or by the Department of Criminal Justice Services. Prior to revocation, a hearing shall be  
669 set and the special conservator of the peace shall be given notice and the opportunity to be heard. The judge  
670 may temporarily suspend the appointment pending the hearing for good cause shown. A hearing on the  
671 petition shall be heard by the court as soon as practicable. If the appointment order is suspended or revoked,  
672 the clerk of court shall notify the Department of Criminal Justice Services, the Department of State Police,  
673 the applicable local law-enforcement agencies in all cities and counties where the special conservator of the  
674 peace is authorized to serve, and the employer of the special conservator of the peace.

675 The order of appointment shall provide that a special conservator of the peace may perform only the  
676 duties for which he is qualified by training as established by the Criminal Justice Services Board. The order  
677 of appointment shall provide that such duties shall be exercised only within geographical limitations specified  
678 by the court, which shall be within the confines of the county, city or town that makes application or on the  
679 real property where the corporate applicant is located, or any real property contiguous to such real property,

680 limited, except as provided in subsection F, to the city or county wherein application has been made, and only  
681 when such special conservator of the peace is engaged in the performance of his duties as such; however, a  
682 court may, in its discretion, specify in the order of appointment additional jurisdictions in which a special  
683 conservator of the peace employed by the Shenandoah Valley Regional Airport Commission or the  
684 Richmond Metropolitan Transportation Authority may exercise his duties. The order may provide that the  
685 special conservator of the peace shall have the authority to make an arrest outside of such geographical  
686 limitations if the arrest results from a close pursuit that was initiated when the special conservator of the  
687 peace was within the confines of the area wherein he has been authorized to have the powers and authority of  
688 a special conservator of the peace; the order shall further delineate a geographical limitation or distance  
689 beyond which the special conservator of the peace may not effectuate such an arrest that follows from a close  
690 pursuit. The order shall require the special conservator of the peace to comply with the provisions of the  
691 United States Constitution and the Constitution of Virginia. The order shall not identify the special  
692 conservator of the peace as a law-enforcement officer pursuant to § 9.1-101. The order may provide,  
693 however, that the special conservator of the peace is a "law-enforcement officer" for the purposes of Article 4  
694 (§ 37.2-808 et seq.) of Chapter 8 of Title 37.2 or Article 16 (§ 16.1-335 et seq.) of Chapter 11 of Title 16.1,  
695 but such designation shall not qualify the special conservator of the peace as a "qualified law-enforcement  
696 officer" or "qualified retired law-enforcement officer" within the meaning of the federal Law Enforcement  
697 Officer Safety Act, 18 U.S.C. § 926(B) et seq., and the order of appointment shall specifically state this. The  
698 order may also provide that a special conservator of the peace who has completed the minimum training  
699 standards established by the Criminal Justice Services Board, has the authority to affect arrests, using up to  
700 the same amount of force as would be allowed to a law-enforcement officer employed by the Commonwealth  
701 or any of its political subdivisions when making a lawful arrest. The order shall prohibit blue flashing lights,  
702 but upon request and for good cause shown may provide that the special conservator of the peace may use  
703 flashing lights and sirens on any vehicle used by the special conservator of the peace when he is in the  
704 performance of his duties. Prior to granting an application for appointment, the circuit court shall ensure that  
705 the applicant has met the registration requirements established by the Criminal Justice Services Board.

706 B. All applications and orders for appointments of special conservators of the peace shall be submitted on  
707 forms developed by the Office of the Executive Secretary of the Supreme Court of Virginia in consultation  
708 with the Department of Criminal Justice Services and shall specify the duties for which the applicant is  
709 qualified. The applications and orders shall specify the geographic limitations consistent with subsection A.

710 C. No person shall seek appointment as a special conservator of the peace from a circuit court judge  
711 without possessing a valid registration issued by the Department of Criminal Justice Services, except as  
712 provided in this section. Applicants for registration may submit an application on or after January 1, 2004. A  
713 temporary registration may be issued in accordance with regulations established by the Criminal Justice  
714 Services Board while awaiting the results of a state and national fingerprint search. However, no person shall  
715 be issued a valid registration or temporary registration until he has (i) complied with, or been exempted from  
716 the compulsory minimum training standards as set forth in this section; (ii) submitted his fingerprints on a  
717 form provided by the Department to be used for the conduct of a national criminal records search and a  
718 Virginia criminal history records search; (iii) submitted the results of a background investigation, performed  
719 by any state or local law-enforcement agency, which may, at its discretion, charge a reasonable fee to the  
720 applicant and which shall include a review of the applicant's criminal history records and may include a  
721 review of the applicant's school records, employment records, or interviews with persons possessing general  
722 knowledge of the applicant's character and fitness for such appointment; and (iv) met all other requirements  
723 of this article and Board regulations. No person with a criminal conviction for a misdemeanor involving (a)  
724 moral turpitude, (b) assault and battery, (c) damage to real or personal property, (d) controlled substances or  
725 imitation controlled substances as defined in Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2, (e)  
726 prohibited sexual behavior as described in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, or (f)  
727 firearms, or any felony, or who is required to register with the Sex Offender and Crimes Against Minors  
728 Registry pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, or who is prohibited from possessing,  
729 transporting, or purchasing a firearm shall be eligible for registration or appointment as a special conservator  
730 of the peace. A special conservator of the peace shall report if he is arrested for, charged with, or convicted of  
731 any misdemeanor or felony offense or becomes ineligible for registration or appointment as a special  
732 conservator of the peace pursuant to this subsection to the Department of Criminal Justice Services and the  
733 chief law-enforcement officer of all localities in which he is authorized to serve within three days of such  
734 arrest or of becoming ineligible for registration or appointment as a special conservator of the peace. Any  
735 appointment for a special conservator of the peace shall be eligible for suspension and revocation after a  
736 hearing pursuant to subsection A if the special conservator of the peace is convicted of any offense listed in  
737 this subsection or becomes ineligible for registration or appointment as a special conservator of the peace  
738 pursuant to this subsection. All appointments for special conservators of the peace shall become void on  
739 September 15, 2004, unless they have obtained a valid registration issued by the Department of Criminal  
740 Justice Services.

741 D. Each person registered as or seeking registration as a special conservator of the peace shall be covered

742 by evidence of a policy of (i) personal injury liability insurance, as defined in § 38.2-117; (ii) property  
743 damage liability insurance, as defined in § 38.2-118; and (iii) miscellaneous casualty insurance, as defined in  
744 subsection B of § 38.2-111, which includes professional liability insurance that provides coverage for any  
745 activity within the scope of the duties of a special conservator of the peace as set forth in this section, in an  
746 amount and with coverage for each as fixed by the Board, or self-insurance in an amount and with coverage  
747 as fixed by the Board. Any person who is aggrieved by the misconduct of any person registered as a special  
748 conservator of the peace and recovers a judgment against the registrant, which is unsatisfied in whole or in  
749 part, may bring an action in his own name against the insurance policy of the registrant.

750 E. Effective July 1, 2015, all persons currently appointed or seeking appointment or reappointment as a  
751 special conservator of the peace are required to register with the Department of Criminal Justice Services,  
752 regardless of any other standing the person may have as a law-enforcement officer or other position requiring  
753 registration or licensure by the Department. The employer of any special conservator of the peace shall notify  
754 the circuit court, the Department of Criminal Justice Services, the Department of State Police, and the chief  
755 law-enforcement officer of all localities in which the special conservator of the peace is authorized to serve  
756 within 30 days after the date such individual has left employment and all powers of the special conservator of  
757 the peace shall be void. Failure to provide such notification shall be punishable by a fine of \$250 plus an  
758 additional \$50 per day for each day such notice is not provided.

759 F. When the application is made by any sheriff or chief of police, the circuit court shall specify in the  
760 order of appointment the name of the applicant authorized under subsection A and the geographic jurisdiction  
761 of the special conservator of the peace. Such appointments shall be limited to the city or county wherein  
762 application has been made. When the application is made by any corporation authorized to do business in the  
763 Commonwealth, any owner, proprietor, or authorized custodian of any place within the Commonwealth, or  
764 any museum owned and managed by the Commonwealth, the circuit court shall specify in the order of  
765 appointment the name of the applicant authorized under subsection A and the specific real property where the  
766 special conservator of the peace is authorized to serve. Such appointments shall be limited to the specific real  
767 property within the county, city, or town wherein application has been made. In the case of a corporation or  
768 other business, the court appointment may also include, for good cause shown, any real property owned or  
769 leased by the corporation or business, including any subsidiaries, in other specifically named cities and  
770 counties, but shall provide that the powers of the special conservator of the peace do not extend beyond the  
771 boundaries of such real property. The clerk of the appointing circuit court shall transmit to the Department of  
772 State Police, the clerk of the circuit court of each locality where the special conservator of the peace is  
773 authorized to serve, and the sheriff or chief of police of each such locality a copy of the order of appointment  
774 that shall specify the following information: the person's complete name, address, date of birth, social  
775 security number, gender, race, height, weight, color of hair, color of eyes, firearm authority or limitation as  
776 set forth in subsection G, date of the order, and other information as may be required by the Department of  
777 State Police. The Department of State Police shall enter the person's name and other information into the  
778 Virginia Criminal Information Network established and maintained by the Department pursuant to Chapter 2  
779 (§ 52-12 et seq.) of Title 52. The Department of State Police may charge a fee not to exceed \$10 to cover its  
780 costs associated with processing these orders. Each special conservator of the peace so appointed on  
781 application shall present his credentials to the chief of police or sheriff or his designee of all jurisdictions  
782 where he has conservator powers. If his powers are limited to certain areas of real property owned or leased  
783 by a corporation or business, he shall also provide notice of the exact physical addresses of those areas. Each  
784 special conservator shall provide to the circuit court a temporary registration letter issued by the Department  
785 of Criminal Justice Services to include the results of the background check prior to seeking an appointment  
786 by the circuit court. Once the applicant receives the appointment from the circuit court the applicant shall file  
787 the appointment order and a copy of the application with the Department of Criminal Justice Services in order  
788 to receive his special conservator of the peace registration document. If the court appointment includes any  
789 real property owned or leased by the corporation or business in other specifically named cities and counties  
790 not within the city or county wherein application has been made, the clerk of the appointing court shall  
791 transmit a copy of the order of appointment to (i) the clerk of the circuit court for each jurisdiction where the  
792 special conservator of the peace is authorized to serve and (ii) the sheriff or chief of police of each  
793 jurisdiction where the special conservator of the peace is authorized to serve.

794 If any such special conservator of the peace is the employee, agent or servant of another, his appointment  
795 as special conservator of the peace shall not relieve his employer, principal or master from civil liability to  
796 another arising out of any wrongful action or conduct committed by such special conservator of the peace  
797 while within the scope of his employment.

798 Effective July 1, 2002, no person employed by a local school board as a school security officer, as defined  
799 in § 9.1-101, shall be eligible for appointment as a conservator for purposes of maintaining safety in a public  
800 school in the Commonwealth. All appointments of special conservators of the peace granted to school  
801 security officers as defined in § 9.1-101 prior to July 1, 2002 are void.

802 G. The court may limit or prohibit the carrying of weapons by any special conservator of the peace  
803 initially appointed on or after July 1, 1996, while the appointee is within the scope of his employment as

804 such.

805 H. The governing body of any locality or the sheriff of a county where no police department has been  
806 established may enter into mutual aid agreements with any entity employing special conservators of the peace  
807 that is located in such locality for the use of their joint forces and their equipment and materials to maintain  
808 peace and good order. Any law-enforcement officer or special conservator of the peace, while performing his  
809 duty under any such agreement, shall have the same authority as lawfully conferred on him within his own  
810 jurisdiction.

811 I. No special conservator of the peace shall display or use the word "police" on any uniform, badge,  
812 credential, or vehicle in the performance of his duties as a special conservator of the peace. Other than special  
813 conservators of the peace employed by a state agency, no special conservator of the peace shall use the seal of  
814 the Commonwealth on any uniform, badge, credential, or vehicle in the performance of his duties. However,  
815 upon request and for good cause shown, the order of appointment may provide that a special conservator of  
816 the peace who (i) meets all requirements, including the minimum compulsory training requirements, for  
817 law-enforcement officers set forth in Chapter 1 (§ 9.1-100 et seq.) of Title 9.1 and (ii) is employed by the  
818 Shenandoah Valley Regional Airport Commission or the Richmond Metropolitan Transportation Authority  
819 may use the word "police" on any badge, uniform, or vehicle in the performance of his duties or the seal of  
820 the Commonwealth on any badge or credential in the performance of his duties.

821 J. A special conservator of the peace may possess simultaneous registration with the Department of  
822 Criminal Justice Services as an armed security officer pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of  
823 Title 9.1 and shall maintain the rights, requirements, and restrictions contained therein.

824 *K. A special conservator of the peace who has completed a training course developed and approved by*  
825 *the Department of Criminal Justice Services pursuant to subdivision 73 of § 9.1-102 may swear to or affirm a*  
826 *certificate for the purposes of enforcement of violations recorded by traffic light signal violation monitoring*  
827 *systems or traffic control device violation monitoring systems pursuant to § 15.2-968.1, photo speed*  
828 *monitoring devices pursuant to § 46.2-882.1, or video-monitoring systems pursuant to § 46.2-844.*

829 **§ 46.2-882.1. Use of photo speed monitoring devices in highway work zones, school crossing zones,**  
830 **and high-risk intersection segments; civil penalty.**

831 A. For the purposes of this section:

832 "High-risk intersection segment" means any highway or portion thereof located not more than 1,000 feet  
833 from the limits of the property of a school that is part of or adjacent to an intersection containing a marked  
834 crosswalk that is identified in the manner provided in this section as one in which a traffic fatality has  
835 occurred since January 1, 2014.

836 "Highway work zone" has the same meaning ascribed to it in § 46.2-878.1.

837 "Photo speed monitoring device" means equipment that uses radar or LIDAR-based speed detection and  
838 produces one or more photographs, microphotographs, videotapes, or other recorded images of vehicles.

839 "Retired sworn law-enforcement officer" means any officer of the United States, or of a state or political  
840 subdivision thereof, who was empowered by law to conduct investigations and make arrests and any attorney  
841 authorized by law to prosecute or participate in the prosecution of such offenses, who at the time of  
842 retirement kept an up-to-date certification and retired honorably in good standing. A retired sworn law-  
843 enforcement officer shall not be required to keep an up-to-date certification after the date of his retirement.

844 "School crossing zone" has the same meaning ascribed to it in § 46.2-873.

845 "Vehicle speed violation" means a violation of this title resulting from the operation of a vehicle in excess  
846 of the speed limit, including a violation of § 46.2-873 or 46.2-878.1.

847 B. A state or local law-enforcement agency may place and operate a photo speed monitoring device in  
848 school crossing zones for the purposes of recording violations of § 46.2-873 and in highway work zones for  
849 the purposes of recording violations of § 46.2-878.1.

850 A state or local law-enforcement agency may place and operate a photo speed monitoring device at a  
851 high-risk intersection segment located within the locality for the purpose of recording vehicle speed  
852 violations, provided that such law-enforcement agency certifies that a traffic fatality has occurred since  
853 January 1, 2014, in such segment.

854 C. The operator of a vehicle shall be liable for a monetary civil penalty imposed pursuant to this section if  
855 such vehicle is found, as evidenced by information obtained from a photo speed monitoring device, to be  
856 traveling at speeds of at least 10 miles per hour above the posted speed limit in the zone monitored by the  
857 photo speed monitoring device. Such civil penalty shall not exceed \$100, and any prosecution shall be  
858 instituted and conducted in the same manner as prosecution for traffic infractions. Civil penalties collected  
859 under this section resulting from a summons issued by a local law-enforcement officer or retired sworn  
860 law-enforcement officer employed by a locality shall be paid to the locality in which such violation occurred.  
861 Civil penalties collected under this section resulting from a summons issued by a law-enforcement officer or  
862 retired sworn law-enforcement officer employed by the Department of State Police shall be paid into the  
863 Literary Fund. However, all civil penalties collected under this section resulting from a summons issued  
864 based on evidence obtained from a photo speed monitoring device placed and operated at a high-risk  
865 intersection segment shall be paid to the Commonwealth Transportation Board to be used for the Virginia

866 Highway Safety Improvement Program established pursuant to § 33.2-373.

867 D. If a photo speed monitoring device is used, proof of a vehicle speed violation shall be evidenced by  
 868 information obtained from such device. A certificate, or a facsimile thereof, sworn to or affirmed by a  
 869 law-enforcement officer ~~or a~~, retired sworn law-enforcement officer, *registered special conservator of the*  
 870 *peace, or technician, who has completed a training course developed and approved pursuant to subdivision*  
 871 *73 of § 9.1-102, employed by a locality* based upon inspection of photographs, microphotographs, videotapes,  
 872 or other recorded images produced by a photo speed monitoring device, shall be prima facie evidence of the  
 873 facts contained therein. However, for any photo speed monitoring device placed in a school crossing zone,  
 874 such sworn certificate or facsimile thereof shall not be prima facie evidence of the facts contained therein  
 875 unless such photographs, microphotographs, videotapes, or other recorded images, or documentation, depict  
 876 or confirm a portable sign or tilt-over sign that is in position or blinking sign that is activated, indicating the  
 877 school crossing zone pursuant to § 46.2-873, at the time of such vehicle speed violation. Any photographs,  
 878 microphotographs, videotapes, or other recorded images evidencing such a violation shall be available for  
 879 inspection in any proceeding to adjudicate the liability for such vehicle speed violation.

880 E. In the prosecution for a vehicle speed violation in which a summons was issued by mail, prima facie  
 881 evidence that the vehicle described in the summons issued pursuant to this section was operated in a manner  
 882 constituting a vehicle speed violation, together with proof that the defendant was at the time of such violation  
 883 the owner, lessee, or renter of the vehicle, shall constitute in evidence a rebuttable presumption that such  
 884 owner, lessee, or renter of the vehicle was the person who committed the violation. Such presumption shall  
 885 be rebutted if the owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the clerk of  
 886 the general district court that he was not the operator of the vehicle at the time of the alleged violation and  
 887 provides the name and address of the person who was operating the vehicle at the time of the alleged  
 888 violation or (ii) testifies in open court under oath that he was not the operator of the vehicle at the time of the  
 889 alleged violation and provides the name and address of the person who was operating the vehicle at the time  
 890 of the alleged violation. Such presumption shall also be rebutted if a certified copy of a police report,  
 891 showing that the vehicle had been reported to the police as stolen prior to the time of the alleged vehicle  
 892 speed violation, is presented, prior to the return date established on the summons issued pursuant to this  
 893 section, to the court adjudicating the alleged violation.

894 F. Imposition of a penalty pursuant to this section by mailing a summons shall not be deemed a conviction  
 895 as an operator and shall not be made part of the operating record of the person upon whom such liability is  
 896 imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.  
 897 However, if a law-enforcement officer uses a photo speed monitoring device to record a vehicle speed  
 898 violation and personally issues a summons at the time of the violation, the conviction that results shall be  
 899 made a part of such driver's driving record and used for insurance purposes in the provision of motor vehicle  
 900 insurance coverage.

901 G. A summons for a vehicle speed violation issued by mail pursuant to this section may be executed  
 902 pursuant to § 19.2-76.2. Notwithstanding the provisions of § 19.2-76, a summons issued by mail pursuant to  
 903 this section may be executed by mailing by first-class mail a copy thereof to the owner, lessee, or renter of  
 904 the vehicle. In the case of a vehicle owner, the copy shall be mailed to the address contained in the records of  
 905 or accessible to the Department. In the case of a vehicle lessee or renter, the copy shall be mailed to the  
 906 address contained in the records of the lessor or renter. Every such mailing shall include, in addition to the  
 907 summons, a notice of (i) the summoned person's ability to rebut the presumption that he was the operator of  
 908 the vehicle at the time of the alleged violation through the filing of an affidavit as provided in subsection E  
 909 and (ii) instructions for filing such affidavit, including the address to which the affidavit is to be sent. If the  
 910 summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section,  
 911 the summons shall be executed in the manner set out in § 19.2-76.3. No proceedings for contempt or arrest of  
 912 a person summoned by mailing shall be instituted for failure to appear on the return date of the summons. If  
 913 the summons is issued to an owner, lessee, or renter of a vehicle with a registration outside the  
 914 Commonwealth and such person fails to appear on the date of return set out in the summons mailed pursuant  
 915 to this section, the summons will be eligible for all legal collections activities. Any summons executed for a  
 916 vehicle speed violation issued pursuant to this section shall provide to the person summoned at least 30 days  
 917 from the mailing of the summons to inspect information collected by a photo speed monitoring device in  
 918 connection with the violation. If the law-enforcement agency that was operating the photo speed monitoring  
 919 device does not execute a summons for a vehicle speed violation issued pursuant to this section within 30  
 920 days from the date of the violation, all information collected pertaining to that suspected violation shall be  
 921 purged within 60 days from the date of the violation.

922 H. A private vendor may enter into an agreement with a law-enforcement agency to be compensated for  
 923 providing a photo speed monitoring device and all related support services, including consulting, operations,  
 924 and administration. However, only a law-enforcement officer ~~or~~, retired sworn law-enforcement officer,  
 925 *registered special conservator of the peace, or technician, who has completed a training course developed*  
 926 *and approved pursuant to subdivision 73 of § 9.1-102, employed by a locality* may swear to or affirm the  
 927 certificate required by this section. Any such agreement for compensation shall be based on the value of the

928 goods and services provided, not on the number of violations paid or monetary penalties imposed. Any  
929 private vendor contracting with a law-enforcement agency pursuant to this section may enter into an  
930 agreement with the Department, in accordance with the provisions of subdivision B 31 of § 46.2-208, to  
931 obtain vehicle owner information regarding the registered owners of vehicles that committed a vehicle speed  
932 violation. Any such information provided to such private vendor shall be protected in a database.
