6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 24.2-404 of the Code of Virginia is amended and reenacted as follows:**8 **§ 24.2-404. Duties of Department of Elections.**

9 A. The Department of Elections shall provide for the continuing operation and maintenance of a central
 10 recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

11 In order to operate and maintain the system, the Department shall:

12 1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth. Such
 13 system shall automatically register a person who has preregistered pursuant to § 24.2-403.1 upon that person
 14 becoming eligible for registration under § 24.2-403 or reaching 18 years of age, whichever comes first. Such
 15 system shall also assign a unique identifier to each voter registered in the system.

16 2. Require the general registrars to enter the names of all registered voters into the system and to change
 17 or correct registration records as necessary.

18 3. Provide to each general registrar voter confirmation documents for newly registered voters, including
 19 voters who were automatically registered pursuant to subdivision 1, and for notice to registered voters on the
 20 system of changes and corrections in their registration records and polling places.

21 4. Require the general registrars to delete from the record of registered voters the name of any voter who
 22 (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due to removal of
 23 his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated, (v) is known not to
 24 be a United States citizen by reason of reports from the Department of Motor Vehicles pursuant to
 25 § 24.2-410.1 or from the Department of Elections based on information received from the Systematic Alien
 26 Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or (vi) is otherwise no
 27 longer qualified to vote as may be provided by law. Such action shall be taken no later than 30 days after
 28 notification from the Department. The Department shall promptly provide the information referred to in this
 29 subdivision, upon receiving it, to general registrars.

30 5. Retain on the system for four years a separate record for registered voters whose names have been
 31 deleted, with the reason for deletion.

32 6. Retain on the system permanently a separate record for information received regarding deaths, felony
 33 convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

34 7. Provide to each general registrar, at least 16 days prior to a general or primary election and three days
 35 prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a precinct
 36 in which the election is being held in the county, city, or town. These precinct lists shall be used as the
 37 official lists of qualified voters and shall constitute the pollbooks. The Department shall provide instructions
 38 for the division of the pollbooks and precinct lists into sections to accommodate the efficient processing of
 39 voter lines at the polls. Prior to any general, primary, or special election, the Department shall provide any
 40 general registrar, upon his request, with a separate electronic list of all registered voters in the registrar's
 41 county or city. If electronic pollbooks are used in the locality or electronic voter registration inquiry devices
 42 are used in precincts in the locality, the Department shall provide a regional or statewide list of registered
 43 voters to the general registrar of the locality. The Department shall determine whether regional or statewide
 44 data is provided. Neither the pollbook nor the regional or statewide list of registered voters shall include the

 48 of the Commonwealth shall cooperate with the Department in procuring and exchanging identification
 49 information for the purpose of maintaining the voter registration system. The Department may share any
 50 information that it receives from another agency of the Commonwealth with any Chief Election Officer of
 51 another state for the maintenance of the voter registration system.

52 10. Cooperate with other states and jurisdictions to develop systems to compare voters, voter history, and
 53 voter registration lists to ensure the accuracy of the voter registration rolls, to identify voters whose addresses
 54 have changed, to prevent duplication of registration in more than one state or jurisdiction, and to determine
 55 eligibility of individuals to vote in Virginia.

56 11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts and

57 polling places, statements of election results by precinct, and any other items required of the Department by
58 law. Receipts from such sales shall be credited to the Board for reimbursement of printing expenses.
