4 [H 826]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 30-342 of the Code of Virginia is amended and reenacted as follows:**8 **§ 30-342. Powers and duties.**

9 The Commission shall have the following powers and duties:

10 1. Monitor the work of appropriate federal and state agencies in implementing the provisions of the
 11 federal Patient Protection and Affordable Care Act (the Act), including amendments thereto and regulations
 12 promulgated thereunder;

13 2. Receive information provided to the Commission pursuant to § 30-343 and, on the basis of such
 14 information, assess the implications of the Act's implementation on residents of the Commonwealth,
 15 businesses operating within the Commonwealth, and the general fund of the Commonwealth;

16 3. Consider the development of a comprehensive strategy for implementing health reform in Virginia,
 17 including recommendations for innovative health care solutions independent of the approach embodied in the
 18 Act that meet the needs of Virginia's citizens and government by creating an improved health system that will
 19 serve as an economic driver for the Commonwealth while allowing for more effective and efficient delivery
 20 of high quality care at lower cost;

21 4. Receive periodic reports from the Bureau of Insurance of the State Corporation Commission (the
 22 Bureau) pursuant to § 30-343 and recommend, in accordance with the provisions of § 30-343.1, health
 23 benefits required to be included within the scope of the essential health benefits provided under health
 24 insurance products offered in the Commonwealth, including any benefits that are not required to be provided
 25 by the terms of the Act;

26 5. Upon request of the Chairman of the House Committee on Labor and Commerce or Senate Committee
 27 on Commerce and Labor, assess proposed mandated benefits and providers as provided in § 30-343 and
 28 recommend whether, on the basis of such assessments, mandated benefits and providers be providers under
 29 health care plans offered through a health benefit exchange, outside a health benefit exchange, neither, or
 30 both;

31 6. *Upon request of the Chairman of the House Committee on Labor and Commerce or Senate Committee*
 32 *on Commerce and Labor, assess proposed legislation affecting the cost of health insurance through changes*
 33 *to plan design or cost sharing impacting consumers, employers, unions, and employee welfare benefit plans.*

34 7. Conduct other studies of mandated benefits and provider issues as requested by the General Assembly;
 35 and

36 ~~7~~ 8. Develop such recommendations as may be appropriate for legislative and administrative
 37 consideration in order to increase access to health insurance coverage, ensure that the costs to business and
 38 individual purchasers of health insurance coverage are reasonable, and encourage a robust market for health
 39 insurance products in the Commonwealth.
