If an employee of the local department is suspected of abusing or neglecting a child, the report shall be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of such a report by the court, the judge shall assign the report to a local department that is not the employer of the suspected employee for investigation or family assessment. The judge may consult with the Department in

60 selecting a local department to respond to the report or the complaint.

61 If the information is received by a teacher, staff member, resident, intern, or nurse in the course of  
 62 professional services in a hospital, school, or similar institution, such person may, in place of ~~said~~ *such*  
 63 report, immediately notify the person in charge of the institution or department, or his designee, who shall  
 64 make such report forthwith. If the initial report of suspected abuse or neglect is made to the person in charge  
 65 of the institution or department, or his designee, pursuant to this subsection, such person shall notify the  
 66 teacher, staff member, resident, intern, or nurse who made the initial report when the report of suspected child  
 67 abuse or neglect is made to the local department or to the Department's toll-free child abuse and neglect  
 68 hotline, and of the name of the individual receiving the report, and shall forward any communication  
 69 resulting from the report, including any information about any actions taken regarding the report, to the  
 70 person who made the initial report.

71 The initial report may be an oral report but such report shall be reduced to writing by the child abuse  
 72 coordinator of the local department on a form prescribed by the Board. Any person required to make the  
 73 report pursuant to this subsection shall disclose all information that is the basis for his suspicion of abuse or  
 74 neglect of the child and, upon request, shall make available to the child-protective services coordinator and  
 75 the local department, which is the agency of jurisdiction, any information, records, or reports that document  
 76 the basis for the report. All persons required by this subsection to report suspected abuse or neglect who  
 77 maintain a record of a child who is the subject of such a report shall cooperate with the investigating agency  
 78 and shall make related information, records, and reports available to the investigating agency unless such  
 79 disclosure violates the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g). Provision of  
 80 such information, records, and reports by a health care provider shall not be prohibited by § 8.01-399.  
 81 Criminal investigative reports received from law-enforcement agencies shall not be further disseminated by  
 82 the investigating agency nor shall they be subject to public disclosure.

83 B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall, due to the  
 84 special medical needs of infants affected by substance exposure, include (i) a finding made by a health care  
 85 provider within six weeks of the birth of a child that the child was born affected by substance abuse or  
 86 experiencing withdrawal symptoms resulting from in utero drug exposure; (ii) a diagnosis made by a health  
 87 care provider within four years following a child's birth that the child has an illness, disease, or condition that,  
 88 to a reasonable degree of medical certainty, is attributable to maternal abuse of a controlled substance during  
 89 pregnancy; or (iii) a diagnosis made by a health care provider within four years following a child's birth that  
 90 the child has a fetal alcohol spectrum disorder attributable to in utero exposure to alcohol. When "reason to  
 91 suspect" is based upon this subsection, such fact shall be included in the report along with the facts relied  
 92 upon by the person making the report. Such reports shall not constitute a per se finding of child abuse or  
 93 neglect. If a health care provider in a licensed hospital makes any finding or diagnosis set forth in clause (i),  
 94 (ii), or (iii), the hospital shall require the development of a written discharge plan under protocols established  
 95 by the hospital pursuant to subdivision B 6 of § 32.1-127.

96 C. For purposes of subsection A, "reason to suspect that a child is an abused or neglected child" includes  
 97 any suspected violation of §§ 18.2-370 through 18.2-370.6 or § 18.2-374.3 involving a child.

98 D. Any person who makes a report or provides records or information pursuant to subsection A or who  
 99 testifies in any judicial proceeding arising from such report, records, or information shall be immune from  
 100 any civil or criminal liability or administrative penalty or sanction on account of such report, records,  
 101 information, or testimony, unless such person acted in bad faith or with malicious purpose.

 103 but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect,  
 104 shall be fined not more than \$500 for the first failure and for any subsequent failures not less than \$1,000. In  
 105 cases evidencing acts or attempted acts of rape, sodomy, aggravated sexual battery, or object sexual  
 106 penetration as defined in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, a person who knowingly and  
 107 intentionally fails to make the report required pursuant to this section is guilty of a Class 1 misdemeanor.

108 F. Where such reportable offense is alleged to have occurred at a private or state-operated hospital,  
 109 institution, or facility to which children have been committed or where children have been placed for care  
 110 and treatment, and a person is required to file a report pursuant to this section and fails to do so as soon as  
 111 possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or  
 112 neglect, such person is guilty of a Class 1 misdemeanor. A second or subsequent conviction of this subsection  
 113 is a Class 6 felony.

114 ~~E~~. G. No person shall be required to make a report pursuant to this section if the person has actual  
 115 knowledge that the same matter has already been reported to the local department or the Department's  
 116 toll-free child abuse and neglect hotline.
