

Fiscal Impact Statement for Proposed Legislation

Virginia State Corporation Commission

Published: March 23, 2026

Senate Bill 172

Version: Enrolled

Patron: Pekarsky

Title: Health insurance; carrier business practices; electronic attachments.

Summary as Passed: Provides that, in the following contexts, information may be submitted by a provider to a health insurance carrier through electronic attachment, as defined in the bill: (i) information related to services rendered as required by the carrier in its provider contract; (ii) information related to any defect or impropriety that prevents the carrier from deeming a health insurance claim a clean claim, as defined in existing law; and (iii) information required to establish medical necessity, benefit coverage, or prior authorization of services, or to conduct reconsideration activities. The bill has a delayed effective date of January 1, 2027. This bill is identical to [HB 676](#).

Effective Date(s): January 1, 2027

Amendment Necessary: Budget, Item ###
 Technical, see *Technical Note* below
 None

Fiscal Summary

The State Corporation Commission does not anticipate a fiscal impact.
