

## Fiscal Impact Statement for Proposed Legislation

*Virginia State Corporation Commission*

**Published:** March 24, 2026

### Senate Bill 497

**Version:** Enrolled

**Patron:** Perry

**Title:** Policy of the Commonwealth; siting of certain new electric transmission facilities; Department of Transportation work group; report.

**Summary as Passed:** Provides that in the siting of new electric transmission facilities, it is the policy of the Commonwealth that existing linear infrastructure corridors shall be prioritized over new corridors. The bill directs the Department of Transportation to convene a work group to identify opportunities and develop recommendations to amend regulations and permitting processes to facilitate the expedient and efficient siting of new electrical transmission infrastructure in existing state highway rights-of-way. This bill is identical to HB 889.
