Bill Title: Members of the Virginia State Bar; rules and regulations relating to schedule of fees.

Bill Summary: This enrolled bill raises the annual fee cap that an attorney member of the Virginia State Bar may be required to pay pursuant to any rules and regulations promulgated related to fixing a schedule of fees. Budget Amendment Necessary: Indeterminate **Items Impacted:** N/A

Explanation: The enrolled bill raises the annual fee cap that an attorney member of the Virginia State Bar may be required to pay.

Fiscal Summary: Virginia State Bar dues revenue is dedicated special revenue**.** This proposal may increase the special revenue by an indeterminate amount. The Virginia Indigent Defense Commission (VIDC) may incur a fiscal impact of $44,100. This revision is to clarify that the fiscal impact of this bill depends on the promulgation of regulations by the Supreme Court.

Fiscal Analysis: According to the Virginia State Bar, an increase in the dues would increase the amount in the Virginia State Bar dedicated special revenue fund.

According to the Virginia Indigent Defense Commission (VIDC), the VIDC pays its lawyer's dues. The Introduced bill was not specific as to the amount of the increase in the fee cap, so the fiscal impact was indeterminate. With this enrolled bill, the fee may be raised up to $350. This is $100 more than the current fee. There are 441 lawyers at the VIDC. If the fee is raised to $350, the fiscal impact on VIDC would be $44,100.

Other: None.
