2026 General Assembly Session
State Fiscal Impact Statement

for one criminal justice analyst position to support training or model policy development and regular updates is \$138,621, including salary and benefits.

The enrolled bill creates a Class 1 misdemeanor. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both.

There is not enough information available to reliably estimate the increase in jail population as a result of this proposal. However, any increase in jail population will increase costs to the state. The Commonwealth currently pays localities \$5.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g., correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2025), the estimated total state support for local jails averaged \$58.25 per inmate, per day in FY 2024.

Other: This bill is identical to HB1482.
