§ 24.2-504.1. Confidentiality of personally identifiable information.

A. *The custodian of any filing made by a candidate pursuant to this chapter shall not release the address, phone number, or email address of such candidate in response to a request made under the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) without written consent of the candidate. If written consent is not*

granted or if the candidate does not respond to the custodian's request within five business days, the information shall be redacted. Nothing in this section shall have any bearing upon disclosures required to be made pursuant to any court order or subpoena. No exemption from mandatory disclosure shall be construed to make records or parts of records covered by such exemption privileged under the rules of discovery.

B. A candidate shall be permitted to provide the unique identifier assigned to him in the voter registration system pursuant to subdivision A 1 of § 24.2-404 in place of his residence address on any candidate filing required pursuant to this chapter.

§ 24.2-506. Petition of qualified voters required; number of signatures required; certain towns excepted.

A. The name of any candidate for any office, other than a party nominee, shall not be printed upon any official ballots provided for the election unless he shall file along with his declaration of candidacy a petition therefor, on a form prescribed by the State Board, signed by the number of qualified voters specified in this subsection on and after January 1 of the year in which the general election is held, or on and after the day on which the writ of election is issued in the case of a special election, and listing the residence address of each such voter. Each signature on the petition shall have been witnessed by a person who is not a minor or a felon whose voting rights have not been restored and whose affidavit to that effect appears on each page of the petition. Each such person circulating a petition who is not a legal resident of the Commonwealth shall sign a statement on the affidavit that he consents to the jurisdiction of the courts of Virginia in resolving any disputes concerning the circulation of petitions, or signatures contained therein, by that person. The signatures of qualified voters collected by a nonresident petition circulator who fails to sign such statement, or who later fails to appear or produce documents when properly served with a subpoena to do so, shall not be counted towards the minimum number of signatures required pursuant to this subsection.

Each voter signing the petition may provide on the petition the last four digits of his social security number, if any; however, noncompliance with this requirement shall not be cause to invalidate the voter's signature on the petition.

The minimum number of signatures of qualified voters required for candidate petitions shall be as follows:

1. For a candidate for the United States Senate, Governor, Lieutenant Governor, or Attorney General, 10,000 signatures, including the signatures of at least 400 qualified voters from each congressional district in the Commonwealth;
2. For a candidate for the United States House of Representatives, 1,000 signatures;

4. For a candidate for the House of Delegates or for a constitutional office, 125 signatures;
5. For a candidate for membership on the governing body or elected school board of any county or city, 125 signatures; or if from an election district not at large containing 1,000 or fewer registered voters, 50 signatures;
6. For a candidate for membership on the governing body or elected school board of any town that has more than 3,500 registered voters, 125 signatures; or if from a ward or other district not at large, 25 signatures;
7. For a candidate for membership on the governing body or elected school board of any town that has at least 1,500 but not more than 3,500 registered voters, 50 signatures; or if from a ward or other district not at large, 25 signatures;

10. For any other candidate, 50 signatures.

B. The State Board shall approve uniform standards by which petitions filed by a candidate for office, other than a party nominee, are reviewed to determine if the petitions contain sufficient signatures of qualified voters as required in subsection A. *Such standards shall not include a requirement for a candidate for office to provide his residence address or the unique identifier assigned to the voter in the voter registration system pursuant to subdivision A 1 of § 24.2-404 on the petition prior to it being filed.*

The State Board of Elections, on or before January 1, 2020, shall revise its processes and associated regulations for reviewing and processing candidate petitions. Such revisions shall provide a process for checking petition signatures that includes a method for determining if a petition signature belongs to an individual whose prior registration has been canceled and the reason for such cancellation. The process shall provide for the tracking of such information associated with each petition. The process shall provide for the escalation of cases of suspected fraud to the electoral board, the State Board, or the office of the attorney for the Commonwealth, as appropriate.

C. If a candidate, other than a party nominee, does not qualify to have his name appear on the ballot by reason of the candidate's filed petition not containing the minimum number of signatures of qualified voters for the office sought, the candidate may appeal that determination within five calendar days of the issuance of

the notice of disqualification pursuant to § 24.2-612 or notice from the State Board that the candidate did not meet the requirements to have his name appear on the ballot.

Appeals made by candidates for a county, city, or town office shall be filed with the electoral board. Appeals made by candidates for all other offices shall be filed with the State Board. The appeal shall be heard by the State Board or the electoral board, as appropriate, within five business days of its filing. The electoral board shall notify the State Board of any appeal that is filed with the electoral board.

The State Board shall develop procedures for the conduct of such an appeal. The consideration on appeal shall be limited to whether or not the signatures on the petitions that were filed were reasonably rejected according to the requirements of this title and the uniform standards approved by the State Board for the review of petitions. Immediately after the conclusion of the appeal hearing, the entity conducting the appeal shall notify the candidate and, if applicable, the State Board, of its decision in writing. The decision on appeal shall be final and not subject to further appeal.

§ 24.2-676. Secretary to make out and deliver certificate of election.

Immediately after the electoral board has determined the election results, the secretary shall make out certificates of election for each county, city, town, or district office other than an office shared by more than one county or city, or any combination thereof. The secretary shall make out the certificate for each of the persons who has the highest number of votes for the office, who has sufficient votes to be elected to a multi-member office, or, in case of a tie, who has been decided by lot to be elected. The secretary, or another board member or registrar designated by the secretary, shall deliver in person or the secretary shall transmit by certified mail the certificate to the person elected, as soon as such person has complied with the provisions of § 24.2-948.2. *The certificate shall be delivered to the person declared to be elected with a notice that the person meets the qualifications for being granted protected voter status under the provisions of subsection B of § 24.2-418. The notice shall include instructions for updating the person's voter registration to acquire such protected status.*

§ 24.2-680. Certificates of election.

Subject to the requirements of § 24.2-948.2, the State Board shall without delay complete and transmit to each of the persons declared to be elected a certificate of his election, certified by it under its seal of office. In the election of a member of the United States Congress, it shall also forward a certificate of election to the clerk of the United States Senate or House of Representatives, as appropriate. The names of members elected to the General Assembly shall be certified by the State Board to the clerk of the House of Delegates or Senate, as appropriate. The names of the persons elected Governor, Lieutenant Governor, and Attorney General shall be certified by the State Board to the clerks of the House of Delegates and Senate. The name of any officer shared by more than one county or city, or any combination thereof, shall be certified by the State Board to the clerk of the circuit court having jurisdiction in each affected county or city. The names of the persons elected to soil and water conservation districts shall be certified by the State Board to the Director of the Department of Conservation and Recreation. *The certificate shall be delivered to the person declared to be elected with a notice that the person meets the qualifications for being granted protected voter status under the provisions of subsection B of § 24.2-418. The notice shall include instructions for updating the person's voter registration to acquire such protected status.*
