The response of the Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

6. Upon the written request of any business organization or its authorized agent, in the conduct of its business, the Commissioner shall compare personal information supplied by the requester with that contained in the Department's records and, when the information supplied by the requester is different from that contained in the Department's records, provide the requester with correct information as contained in the Department's records. No such information shall include any record of any conviction or crash more than 60 months after the date of such conviction or crash unless the Commissioner or court used the conviction or crash as a reason for the suspension or revocation of a driver's license or driving privilege, in which case the revocation or suspension and any conviction or crash pertaining thereto shall cease to be included in such information after 60 months from the date on which the driver's license or driving privilege was reinstated. The response of the Commissioner under this subdivision shall not be admissible in evidence in any court proceedings.

If the requester has entered into an agreement with the Department, such agreement shall be in a manner prescribed by the Department, and such agreement shall contain the legal authority that authorizes the performance of the requester's official functions and a description of how such information will be used to carry out such official functions. If the Commissioner determines that sufficient authority has not been provided by the requester to show that the purpose for which the information shall be used is one of the requester's official functions, the Commissioner shall refuse to enter into any agreement. If the requester submits a request for information in accordance with this subdivision without an existing agreement to receive the information, the request shall be in a manner prescribed by the Department, and such request shall contain the legal authority that authorizes the performance of the requester's official functions and a description of how such information will be used to carry out such official functions. The Department of State Police shall notify the Department prior to when a new entity is to be granted S-ORI status and provide a copy of the S-ORI application to the Department. The Department of State Police shall not allow any entity to access Department data through VCIN if the Department objects in writing to the entity obtaining such data.

The provisions of this subsection shall not apply to (a) requests for information made pursuant to subdivision B 4; (b) a request made by an entity authorized to receive privileged information pursuant to subsection B, provided that such request is made on a form provided by the Department, other than a written agreement, that requires the requester to certify that such entity is entitled to receive such information

pursuant to this title, state the purpose authorized pursuant to subsection B that forms the basis for the request, explain why the information requested is necessary to accomplish the stated purpose, and certify that the information will be used only for the stated purpose and the information received shall not be disseminated to third parties unless there is authorization to do so; or (c) the release of information to a law-enforcement officer or agency during an emergency situation, provided that (1) the requesting entity is authorized to receive such information pursuant to subdivision B 9, (2) the timely release of such information is in the interest of public safety, and (3) the requesting entity completes the form required pursuant to clause (b) within 48 hours of the release of such information.

F. Any person that receives any privileged information that such person knows or has reason to know was received in violation of this title shall not disseminate any such information and shall notify the Department of the receipt of such privileged information.

G. The Department shall conduct audits annually based on a risk assessment to ensure that privileged information released by the Department pursuant to this title is being used as authorized by law and pursuant to the agreements entered into by the Department. H. Any request for privileged information by an authorized agent of a governmental entity shall be governed by the provisions of subdivision B 9.

For each set of license plates issued hereunder, the Commissioner shall charge, in addition to the prescribed cost of state license plates, an annual fee of \$25.

B. Any institution of higher education that enters into an agreement with the Department pursuant to this section thereby waives any royalty fees to which it might otherwise be entitled for use of its seal, symbol, emblem, or logotype as provided in this section. However, any such institution located in Virginia shall annually receive an allocation of \$15 for each set of license plates in excess of 1,000 registrations pursuant to the institution's agreement with the Department during the term of the agreement. The allocated funds shall be deposited by the Department into the state treasury and credited to the relevant institution to be used to support scholarships for eligible undergraduate students enrolled in the institution. Only students who (i) are bona fide domiciliaries of Virginia as defined in § 23.1-502 and (ii) are enrolled in educational programs whose primary purpose is not to provide religious training or theological education shall be eligible to receive such scholarships.

The State Council of Higher Education for Virginia shall review and approve plans for each participating institution for the implementation of these scholarship programs. These plans shall include, but need not be limited to, criteria for the awarding of the scholarships and procedures for determining the recipients.

The provisions of subdivisions B 1 and 2 of § 46.2-725 shall not apply to license plates issued under this section for any institution of higher education in the Commonwealth. The provisions of subdivision B 1 of § 46.2-725 shall not apply to license plates issued under this section for any institution of higher education located outside Virginia.

C. The Department is authorized to release personal information related to special license plates issued pursuant to this section to requesting institutions only in accordance with the provisions of subdivision B 35 of § 46.2-208.

2. That the provisions of the first enactment of this act shall become effective on January 1, 2027.

3.
