[H 1046]

Approved

Be it enacted by the General Assembly of Virginia:
1. That §§ 2.2-4343 and 23.1-1003 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Article 1 of Chapter 43 of Title 2.2 a section numbered 2.2-4302.3 as follows:

§ 2.2-4302.3. *Additional public works contract requirements.*
A. For purposes of this section, "construction contract" means any public contract for construction initiated after July 1, 2027.

B. For any construction contract, a public body shall require the contractor and its subcontractors at any tier to demonstrate compliance with the following requirements:

- 1. Completion of specified safety training programs established by the U.S. Department of Labor's Occupational Safety and Health Administration; and
- 2. Demonstration of no more than one administrative determination, arbitral award, civil judgment, or settlement agreement of more than \$25,000 in the past three years involving the contractor or subcontractor for violations of the National Labor Relations Act, 29 U.S.C. § 151 et seq.; the federal Fair Labor Standards Act, 29 U.S.C. § 201 et seq.; the federal Davis-Bacon Act, 40 U.S.C. § 3141, or Davis-Bacon Related Acts; the Virginia Minimum Wage Act (§ 40.1-28.8 et seq.); Article 2 (§ 40.1-29 et seq.) of Chapter 3 of Title 40.1; the provisions of § 2.2-4321.3; or the provisions of § 40.1-28.7:7.

C. If a construction contract with a state public body is valued at an amount greater than \$5 million, no contractor, subcontractor, or party to such contract shall provide remuneration to more than one independent contractor for each contractor, subcontractor, or party to such contract for the performance of construction work on such contract unless the prime contractor receives written authorization from the state public body.

Such written authorization shall disclose that the state public body finds that:

- 1. The remunerating party demonstrated a good faith effort to directly hire employees to perform the work sought;
- 2. The remunerating party demonstrated that it was not feasible to directly hire employees to perform the work sought due to the work being of a specialized nature that cannot be performed by the remunerating party's own workforce, and it would require significant investment of time and resources on the part of the remunerating party to directly hire employees to perform the work sought; and
- 3. The remunerating party has provided adequate notice to all independent contractors pursuant to subsection F.

No state public body shall be liable for any determination made by such body in response to a request for authorization pursuant to this subsection. An authorization from a state public body pursuant to this subsection shall not be considered a defense by a contractor against any violation of law.

D. If a construction contract with a local public body is valued at an amount greater than \$5 million, the prime contractor shall provide written notification to the local public body party to such contract:

- 1. Detailing information on any independent contractors hired by any contractor, subcontractor, or party to the construction contract. Such information shall include the independent contractor's trade and at least one point of contact;
- 2. Demonstrating compliance to the requirements of remunerating parties pursuant to subdivisions C1, C2, and C3.

E. Nothing in subsection C or D shall be construed as limiting a contractor's right to subcontract work to a bona fide firm that performs work on a construction contract with its own employees and that otherwise complies with the provisions of this section.

F. If a contractor, subcontractor, or any party on a construction contract provides remuneration to an independent contractor, such remunerating party shall provide a written notice to each such independent contractor that contains the following information:

- 1. Notification to the individual that he has been hired as an independent contractor;
- 2. A statement by the remunerating party that the independent contractor will perform work free from control of the remunerating party except as to the product and result;

57 3. Notification regarding the independent contractor's tax obligations, including the filing of self-
58 employment income tax with the U.S. Internal Revenue Service;

59 4. Notification that the individual's classification as an independent contractor means that he is not
60 eligible for protection under protective laws, including employment discrimination and anti-retaliation laws,
61 occupational safety and health laws, living wage and prevailing wage laws, and wage and hour laws;

62 5. Notification that, if the independent contractor hires employees to perform work, the independent
63 contractor or exempt person is responsible as an employer for all tax, unemployment insurance, workers'
64 compensation insurance, and labor and employment law obligations on behalf of those employees;

65 6. Notification that the independent contractor is obligated to provide a written notice containing the
66 information in this subsection to independent contractors or exempt persons with whom they contract;

67 7. Notification that the individual is required to provide copies of any licenses or registrations issued to
68 the individual related to the work to be performed;

69 8. Instructions for filing a complaint with the Department of Labor and Industry if the individual is being
70 misclassified; and

71 9. A detailed statement of the work to be performed by the independent contractor or exempt person or the
72 appropriate provisions of the contract between the parties, which shall be attached to the notice.

73 G. The provisions of this section shall not apply to transportation-related construction projects.

74 **§ 2.2-4343. Exemption from operation of chapter for certain transactions.**

75 A. The provisions of this chapter shall not apply to:

76 1. The Virginia Port Authority in the exercise of any of its powers in accordance with Chapter 10
77 (§ 62.1-128 et seq.) of Title 62.1, provided that the Authority implements, by policy or regulation adopted by
78 the Board of Commissioners, procedures to ensure fairness and competitiveness in the procurement of goods
79 and services and in the administration of its capital outlay program. This exemption shall be applicable only
80 so long as such policies and procedures meeting the requirements remain in effect.

81 2. The Virginia Retirement System for selection of services related to the management, purchase or sale of
82 authorized investments, actuarial services, and disability determination services. Selection of these services
83 shall be governed by the standard set forth in § 51.1-124.30.

84 3. The State Treasurer in the selection of investment management services related to the external
85 management of funds shall be governed by the standard set forth in § 2.2-4514, and shall be subject to
86 competitive guidelines and policies that are set by the Commonwealth Treasury Board and approved by the
87 Department of General Services.

88 4. The Department of Social Services or local departments of social services for the acquisition of motor
89 vehicles for sale or transfer to Temporary Assistance to Needy Families (TANF) recipients.

90 5. The College of William and Mary in Virginia, Virginia Commonwealth University, the University of
91 Virginia, and Virginia Polytechnic Institute and State University in the selection of services related to the
92 management and investment of their endowment funds, endowment income, gifts, all other nongeneral fund
93 reserves and balances, or local funds of or held by the respective public institution of higher education
94 pursuant to § 23.1-2210, 23.1-2306, 23.1-2604, or 23.1-2803. However, selection of these services shall be
95 governed by the Uniform Prudent Management of Institutional Funds Act (§ 64.2-1100 et seq.) as required by
96 §§ 23.1-2210, 23.1-2306, 23.1-2604, and 23.1-2803.

97 6. The Board of the Commonwealth Savers Plan for the selection of services related to the operation and
98 administration of the Plan, including, but not limited to, contracts or agreements for the management,
99 purchase, or sale of authorized investments or actuarial, record keeping, or consulting services. However,
100 such selection shall be governed by the standard set forth in § 23.1-706.

101 7. Public institutions of higher education for the purchase of items for resale at retail bookstores and
102 similar retail outlets operated by such institutions. However, such purchase procedures shall provide for
103 competition where practicable.

104 8. The purchase of goods and services by agencies of the legislative branch that may be specifically
105 exempted therefrom by the ~~Chairman~~ Chair of the Committee on Rules of either the House of Delegates or
106 the Senate. Nor shall the contract review provisions of § 2.2-2012 apply to such procurements. The
107 exemption shall be in writing and kept on file with the agency's disbursement records.

108 9. Any town with a population of less than 3,500, except as stipulated in the provisions of §§ 2.2-4305,

110 Chapter 43.1 (§ 2.2-4378 et seq.).

111 10. Any county, city or town whose governing body has adopted, by ordinance or resolution, alternative
112 policies and procedures which are (i) based on competitive principles and (ii) generally applicable to
113 procurement of goods and services by such governing body and its agencies, except as stipulated in
114 subdivision 12.

115 This exemption shall be applicable only so long as such policies and procedures, or other policies and
116 procedures meeting the requirements of § 2.2-4300, remain in effect in such county, city or town. Such
117 policies and standards may provide for incentive contracting that offers a contractor whose bid is accepted the
118 opportunity to share in any cost savings realized by the locality when project costs are reduced by such

119 contractor, without affecting project quality, during construction of the project. The fee, if any, charged by
120 the project engineer or architect for determining such cost savings shall be paid as a separate cost and shall
121 not be calculated as part of any cost savings.

122 11. Any school division whose school board has adopted, by policy or regulation, alternative policies and
123 procedures that are (i) based on competitive principles and (ii) generally applicable to procurement of goods
124 and services by the school board, except as stipulated in subdivision 12.

126 procedures meeting the requirements of § 2.2-4300, remain in effect in such school division. This provision
127 shall not exempt any school division from any centralized purchasing ordinance duly adopted by a local
128 governing body.

129 12. Notwithstanding the exemptions set forth in subdivisions 9 through 11, § 2.2-4302.3, the provisions of
130 subsections B, C, and D of § 2.2-4303, §§ 2.2-4305, 2.2-4311, 2.2-4315, 2.2-4317, 2.2-4330, 2.2-4333
131 through 2.2-4338, 2.2-4342, 2.2-4343.1, and 2.2-4367 through 2.2-4377, Chapter 43.1 (§ 2.2-4378 et seq.),
132 and § 58.1-1902 shall apply to all counties, cities, and school divisions and to all towns having a population
133 greater than 3,500 in the Commonwealth.

134 The method for procurement of professional services through competitive negotiation set forth in

136 all towns having a population greater than 3,500, where the cost of the professional service is expected to
137 exceed \$80,000 in the aggregate or for the sum of all phases of a contract or project. A school board that
138 makes purchases through its public school foundation or purchases educational technology through its
139 educational technology foundation, either as may be established pursuant to § 22.1-212.2:2 shall be exempt

141 provisions of §§ 2.2-4311 and 2.2-4367 through 2.2-4377.

142 13. A public body that is also a utility operator may purchase services through or participate in contracts
143 awarded by one or more utility operators that are not public bodies for utility marking services as required by
144 the Underground Utility Damage Prevention Act (§ 56-265.14 et seq.). A purchase of services under this
145 subdivision may deviate from the procurement procedures set forth in this chapter upon a determination made
146 in advance by the public body and set forth in writing that competitive sealed bidding is either not practicable
147 or not fiscally advantageous to the public, and the contract is awarded based on competitive principles.

148 14. Procurement of any construction or planning and design services for construction by a Virginia
149 nonprofit corporation or organization not otherwise specifically exempted when (i) the planning, design or
150 construction is funded by state appropriations of \$10,000 or less or (ii) the Virginia nonprofit corporation or
151 organization is obligated to conform to procurement procedures that are established by federal statutes or
152 regulations, whether those federal procedures are in conformance with the provisions of this chapter.

159 instrumentality, institution, agency or other unit of state government when such purchases are made under a
160 remedial plan established by the Governor pursuant to subsection C of § 2.2-4310 or by a chief administrative
161 officer of a county, city or town pursuant to § 15.2-965.1.

162 19. The contract by community services boards or behavioral health authorities with an administrator or
163 management body pursuant to a joint agreement authorized by § 37.2-512 or 37.2-615.

164 20. The purchase of Virginia-grown food products for use by a public body where the annual cost of the
165 product is not expected to exceed \$100,000, provided that the procurement is accomplished by (i) obtaining
166 written informal solicitation of a minimum of three bidders or offerors if practicable and (ii) including a
167 written statement regarding the basis for awarding the contract.

168 21. The Virginia Industries for the Blind when procuring components, materials, supplies, or services for
169 use in commodities and services furnished to the federal government in connection with its operation as an
170 AbilityOne Program-qualified nonprofit agency for the blind under the Javits-Wagner-O'Day Act, 41 U.S.C.
171 §§ 8501-8506, provided that the procurement is accomplished using procedures that ensure that funds are

174 components, materials, supplies, services, or commodities.

175 22. The purchase of personal protective equipment for private, nongovernmental entities by the Governor
176 pursuant to subdivision (11) of § 44-146.17 during a disaster caused by a communicable disease of public

178 competition where practicable and include a written statement regarding the basis for awarding any contract.
179 As used in this subdivision, "personal protective equipment" means equipment or supplies worn or employed
180 to minimize exposure to hazards that cause serious workplace injuries and illnesses and may include items

181 such as gloves, safety glasses and shoes, earplugs or earmuffs, hard hats, respirators, coveralls, vests, full
 182 body suits, hand sanitizer, plastic shields, or testing kits for the communicable disease of public health threat.

183 B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the
 184 receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations
 185 not in conformance with the provisions of this chapter, a public body may comply with such federal
 186 requirements, notwithstanding the provisions of this chapter, only upon the written determination of the
 187 Governor, in the case of state agencies, or the governing body, in the case of political subdivisions, that
 188 acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such
 189 determination shall state the specific provision of this chapter in conflict with the conditions of the grant or
 190 contract.

191 **§ 23.1-1003. Memoranda of understanding.**

192 A. Each public institution of higher education that meets the state goals set forth in subsection A of

 222 of higher education, he shall notify the ~~Chairmen~~ *Chairs* of the House Committee on Appropriations and the
 223 Senate Committee on Finance and Appropriations of the reasons for denying the institution's request. If an
 224 institution's request is denied, nothing in this section shall prohibit a public institution of higher education
