§ 6.2-2240. Minimum standards.

The provisions of this chapter establish minimum standards of conduct for virtual currency kiosk operators, and no provision of this chapter shall be construed to (i) limit the authority of any county, municipality, or other political subdivision of the Commonwealth to adopt or enforce ordinances, regulations, resolutions, or rules that are more stringent than those set forth herein or (ii) preempt or nullify any local law that provides greater protections, requirements, or restrictions than those set forth herein.

§ 6.2-2241. License required.

No virtual currency kiosk operator shall (i) engage or offer to engage in a virtual currency kiosk transaction with or on behalf of any other person or (ii) locate or permit a third party to locate a virtual currency kiosk in the Commonwealth, except after first obtaining a license from the Commission pursuant to this chapter. Any virtual currency transaction made in violation of this section is void, and no person shall have the right to collect, receive, or retain any charge in connection with such transaction.

§ 6.2-2242. Application for license; form; content; fee.

A. An application for a license under this chapter shall be made in writing, under oath, and on a form provided by the Commissioner.

B. The application shall set forth:

1. The name and address of the applicant and (i) if the applicant is a partnership, firm, or association, the name and address of each partner or member; (ii) if the applicant is a corporation or limited liability company, the name and address of each director, member, registered agent, and principal; or (iii) if the applicant is a business trust, the name and address of each trustee and beneficiary;

D. The application fee shall not be refundable in any event. The fee shall not be abated by surrender, suspension, or revocation of the license.

§ 6.2-2243. Bond required.

An application for a license under this chapter shall be accompanied by a bond filed with the Commissioner with corporate surety authorized to execute the bond in the Commonwealth and in the principal amount as determined by the Commission. The amount of the bond shall be not less than \$1,000 nor more than \$25,000. The form of the bond shall be approved by the Commission. The bond shall be continuously maintained thereafter in full force, and the Commission may require the principal amount to be adjusted as it deems necessary. The bond shall be conditioned upon the licensee performing all written agreements with consumers and conducting the licensed business in conformity with this chapter and all applicable law. Any person who may be damaged by noncompliance of the licensee with any condition of the bond may proceed on the bond against the principal or surety thereon, or both, to recover damages. The aggregate liability under the bond shall not exceed the penal sum of the bond.

§ 6.2-2244. Investigation of applications.

The Commissioner may make such investigations as he deems necessary to determine if the applicant has complied with all applicable provisions of law and regulations adopted thereunder.

§ 6.2-2245. Qualifications.

A. Upon the filing and investigation of an application for a license, and compliance by the applicant with the provisions of §§ 6.2-2242 and 6.2-2243, the Commission shall issue and deliver to the applicant the license to engage in business under this chapter at the locations specified in the application if it finds that the financial responsibility, character, reputation, experience, and general fitness of the applicant and its members, senior officers, directors, trustees, and principals are such as to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law.

B. If the Commission fails to make such findings, no license shall be issued and the Commissioner shall notify the applicant of the denial and the reasons for such denial.

§ 6.2-2246. Licenses; place of business; changes.

A. Each license shall state the licensee's principal place of business and the legal name of the licensee as well as any fictitious name by which the licensee is operating in the Commonwealth. Licenses shall not be transferable or assignable, by operation of law or otherwise. No licensee shall use or permit any name to appear on a virtual currency kiosk other than the legal name or fictitious name set forth on the license issued by the Commission.

B. No licensee shall open an additional virtual currency kiosk or relocate any virtual currency kiosk without providing written notice to the Commission within 10 days after such opening or relocation.

C. Every licensee shall notify the Commissioner in writing within 10 days after the removal or deactivation of any virtual currency kiosk and, if applicable, of the name, address, and position of each new senior officer, member, partner, or director and provide any other information with respect to any change as the Commissioner may reasonably require.

D. Every license shall remain in force until it is surrendered, revoked, or suspended. The surrender, revocation, or suspension of a license shall not affect any preexisting legal right or obligation of such licensee.

§ 6.2-2247. Acquisition of control; application.

A. Except as provided in this section, no person shall acquire, directly or indirectly, 25 percent or more of the voting shares of a corporation or 25 percent or more of the ownership of any other licensee under this chapter unless such person has:

1. Filed an application with the Commission in such form as the Commissioner may prescribe from time to time;

2. Delivered such other information to the Commissioner as the Commissioner may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, trustees, beneficiaries, principals, and members, and any proposed new directors, senior officers,

principals, or members of the licensee; and

3. Paid such application fee as the Commission may prescribe.

B. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant and its directors, senior officers, members, trustees, beneficiaries, and principals, and any proposed new directors, senior officers, principals, or members of the licensee have the financial responsibility, character, reputation, experience, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application accompanied by the required fee is filed unless the period is extended by the Commissioner reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.

C. The provisions of this section shall not apply to (i) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person licensed by this chapter; (ii) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person affiliated through common ownership with the licensee; or (iii) the acquisition of an interest in a licensee by a person by bequest, descent, survivorship, or operation of law. The person acquiring an interest in a licensee in a transaction that is exempt from filing an application by this subsection shall send written notice to the Commissioner of such acquisition within 30 days of its closing.

§ 6.2-2248. Retention of books, accounts, and records; responding to Bureau.

A. Every licensee shall maintain in its licensed offices such books, accounts, and records as the Commission may reasonably require in order to determine whether the licensee is complying with the provisions of this chapter and other applicable laws. Such books, accounts, and records shall be maintained separately from any other business in which the licensee is involved.

B. When the Bureau requests a written response, books, records, documentation, or other information from a licensee in connection with the Bureau's investigation, enforcement, or examination of compliance with applicable laws, the licensee shall deliver a written response, as well as any requested books, records, documentation, or information within the time period specified in the Bureau's request. If no time period is specified, a written response, as well as any requested books, records, documentation, or information, shall be delivered by the licensee to the Bureau not later than 30 days from the date of such request. In determining the specified time period for responding to the Bureau and when considering a request for an extension of time to respond, the Bureau shall take into consideration the volume and complexity of the requested written response, books, records, documentation, or information and such other factors as the Bureau determines to be relevant under the circumstances.

§ 6.2-2249. Annual and quarterly reports.

A. Annually on or before March 31, each licensee under this chapter shall file a written report with the Commissioner containing such information as the Commissioner may require concerning its business and operations during the preceding calendar year in each location. Reports shall be made under oath in the form prescribed by the Commissioner and shall include the following information:

1. The gross revenue attributable to virtual currency transactions conducted via virtual currency kiosks operated by the licensee in the Commonwealth;

2. A copy of each complaint filed by a user against the licensee with the Better Business Bureau or any state or federal agency other than the Commission and a description of the resolution, if any, of such complaint;

Such quarterly report shall include the following information:

The Commissioner shall publish annually and make available to the public an analysis of the information required under this section and other information the Commissioner may choose to include.

§ 6.2-2250. Other reporting requirements.

Within 15 days following the occurrence of any of the following events, a licensee shall file a written report with the Commission describing such event and its expected impact on the business of the licensee:

A. The Commission may, by its designated officers and employees, as often as it deems necessary, investigate and examine the affairs, business, premises, and records of any person licensed or required to be licensed under this chapter insofar as they pertain to any business for which a license is required by this chapter. Examinations of licensees shall be conducted at least once in each three-year period. In the course of such investigations and examinations, the owners, members, officers, directors, partners, trustees, beneficiaries, and employees of such person being investigated or examined shall, upon demand of the person making such investigation or examination, afford full access to all premises, books, records, and information that the person making such investigation or examination deems necessary. For the purposes of this section, the person making such investigation or examination shall have authority to administer oaths, examine under oath all the aforementioned persons, and compel the production of papers and objects of all kinds.

B. If a person licensed or required to be licensed under this chapter owns, operates, or manages a virtual currency kiosk that is located on the premises of a business that is conducted by a third party, then the agreement between the third party and the person licensed or required to be licensed shall obligate the third party to grant the Commission full access to the virtual currency kiosk and its vicinity.

§ 6.2-2252. Annual fees.

A. To defray the costs of the examination, supervision, and regulation of licensees, every licensee under this chapter shall pay an annual fee calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the business volume of licensees, to the actual costs of their examinations, and to other factors relating to their supervision and regulation. All such fees shall be assessed on or before August 1 for every calendar year. All such fees shall be paid by the licensee to the State Treasurer on or before September 1 following each assessment.

B. In addition to such annual fee, when necessary to examine or investigate the books and records of a licensee under this chapter at a location outside the Commonwealth, the licensee shall be liable for and shall pay to the Commission within 30 days of the presentation of an itemized statement the actual travel and reasonable living expenses incurred on account of its examination, supervision, and regulation, or shall pay at a reasonable per diem rate approved by the Commission.

§ 6.2-2253. Required disclosures.

A. A licensee shall disclose in a clear, conspicuous, and reasonably understandable manner in the chosen language of the user all relevant terms and conditions associated with the products, services, and activities of virtual currency transactions, including transaction charges collected and exchange rates used by the licensee.

B. Each time a user engages with a virtual currency kiosk, the licensee shall collect the user's acknowledgement of receipt of all disclosures required by this section via confirmation of consent at the virtual currency kiosk.

C. In addition to the disclosure required by subsection A, a licensee shall provide the following disclosure to each user:

"WARNING: This technology can be used to defraud you.

If someone asked you to deposit money in this machine or is on the phone with you and claims to be a friend or family member, government agent, computer software representative, bill collector, law-enforcement officer, or anyone you do not know personally:

STOP THIS TRANSACTION IMMEDIATELY and contact your local law enforcement and the kiosk operator. This may be a scam. NEVER SEND MONEY to someone you don't know."

D. A licensee shall disclose the material risks associated with virtual currency and virtual currency

transactions to the user on both the physical virtual currency kiosk and on the screen, including:

1. The following statement: "Virtual currency is not backed by the U.S. government and is not legal tender in the United States. Virtual currency is not subject to Federal Deposit Insurance Corporation, National Credit Union Administration, or Securities Investor Protection Corporation protections and its value relative to the U.S. dollar may fluctuate significantly."

2. The name, address, and telephone number of the owner of the kiosk and the means by which a user can contact the owner for assistance and any relevant state or local law-enforcement or government agency for reporting fraud.

3. Any other disclosure that the Commission may require.

§ 6.2-2254. Prevention of fraudulent activity and money laundering.

A. Each licensee shall take reasonable steps to detect and prevent fraud and money laundering, including by establishing and maintaining a written antifraud policy and abiding by all relevant provisions of the federal Bank Secrecy Act (31 U.S.C. § 5311 et seq.). Such policy shall include (i) identification and assessment of fraud and money laundering-related risk areas; (ii) procedures and controls to protect against identified risks; (iii) the allocation of responsibility for monitoring risks; and (iv) procedures for the periodic evaluation and revision of such policy, procedures, and controls.

B. Each licensee shall use blockchain analytics and tracing software to assist in the prevention of sending virtual currency to a virtual currency wallet known or likely to be affiliated with fraudulent activity at the time of a transaction and to detect transaction patterns indicative of fraud or other illicit activities. A licensee shall block transactions to virtual currency wallets associated with overseas exchanges non-accessible to U.S. users. The Commission may request evidence from any virtual currency kiosk operator of their current use of blockchain analytics.

C. Each licensee shall post a conspicuous written warning within readable sight of the virtual currency kiosk providing notice to users that criminals may direct victims of fraud or scams to send money via virtual currency kiosks. Such warning shall include the kiosk operator's toll-free customer service phone number.

D. For each attempted virtual currency transaction, the licensee or its agent shall verify the identity of the user prior to accepting payment, including by obtaining a copy of a government-issued identification card that identifies the user and by collecting additional user information including the user's name, date of birth, telephone number, address, and email address. No licensee shall allow a user to engage in any transaction at a virtual currency kiosk under any name, account, or identity other than the user's own true name and identity.

E. On an annual basis, each licensee shall provide each location with staff training materials that outline how criminals may exploit virtual currency kiosks for illicit activity, including red flag indicators that a virtual currency kiosk user may be the victim of fraud or a scam and common signs of financial abuse and exploitation. No licensee shall prohibit or prevent staff at the location of a virtual currency kiosk from educating users about fraud and scams.

F. In cases related to fraud, a licensee shall issue a refund to the user of any transaction fees at the time of the transaction, paid in the originating currency and regardless of any acknowledgements made by the user prior to finalizing such transaction. To receive a full refund, a user shall (i) have engaged in a transaction involving a virtual currency kiosk that was affected by fraud, whether authorized or unauthorized; (ii) inform the virtual currency kiosk operator of the fraudulent nature of the transaction at issue within 90 days after such transaction; and (iii) submit a police report, government agency report, or sworn statement detailing the fraudulent nature of the transaction to the virtual currency kiosk operator within 120 days after such transaction.

§ 6.2-2255. Transaction limits; new user requirements.

A. No licensee shall accept a transaction of greater than \$2,000 in U.S. dollars or the equivalent in virtual currency for any new user per day. A licensee's maximum daily transaction limit for a user shall not exceed \$5,000, and a licensee's maximum monthly transaction limit for any user or new user shall not exceed \$10,000.

B. A licensee shall hold each virtual currency kiosk transaction made by a new user for a period of at least 48 hours, after which the licensee shall complete such transaction. No licensee shall permit a new user to complete a virtual currency kiosk transaction until such hold period has elapsed. During such hold period, the new user may contact the licensee to request the cancellation and full refund of such transaction.

§ 6.2-2256. Maximum charge.

No licensee shall collect any charge from a user relating to a single virtual currency kiosk transaction that exceeds 18 percent of the value of such transaction. Such percentage shall include any charge related to the annual fee required by § 6.2-2252.

§ 6.2-2257. Customer service requirements.

Each licensee in operation shall provide users live customer service during all operating hours and including the hours between 8 a.m. and 10 p.m. each day. A customer service toll-free phone number shall be displayed on each virtual currency kiosk or screen.

§ 6.2-2258. Law enforcement access to investigative information.

Each licensee shall maintain and monitor a dedicated communications line for relevant government agencies via a posted U.S. phone number or email address. Such line shall be used to facilitate law-enforcement and regulatory agency communications with the licensee in the event of a fraud report from a user. Upon receipt of a subpoena issued pursuant to § 19.2-10.1, a licensee shall provide law enforcement with its trace findings upon request and grant the agency assistance with blockchain analytics to assist in any investigative matters related to potential fraud.

§ 6.2-2259. Regulations.

The Commission shall adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to be heard, in accordance with the Commission's Rules.

§ 6.2-2260. Advertising.

No person licensed or required to be licensed under this chapter shall use or cause to be published any advertisement that (i) contains any false, misleading, or deceptive statement or representation or (ii) identifies the person by any name other than the name set forth on the license issued by the Commission. No licensee shall advertise or use in any manner the words "automated teller machine" or "ATM" in connection with a virtual currency kiosk.

§ 6.2-2261. Suspension or revocation of license.

A. The Commission may suspend or revoke any license issued under this chapter upon any of the following grounds:

1. Any ground for denial of a license under this chapter;
2. Any violation of the provisions of this chapter or regulations adopted by the Commission pursuant thereto, or a violation of any other law or regulation applicable to the conduct of the licensee's business;
3. Conviction of a felony or misdemeanor involving fraud, misrepresentation, or deceit;
4. Entry of a judgment against the licensee involving fraud, misrepresentation, or deceit;
5. Entry of a federal or state administrative order against the licensee for violation of any law or any regulation applicable to the conduct of his business;
6. Refusal to permit an investigation or examination by the Commission;
7. Failure to pay any fee or assessment imposed by this chapter; or
8. Failure to comply with any order of the Commission.

B. For the purposes of this section, acts of any senior officer, director, member, partner, trustee, beneficiary, or principal shall be deemed acts of the licensee.

§ 6.2-2262. Cease and desist orders.

A. If the Commission determines that any person has violated any provision of this chapter or any regulation adopted hereunder, the Commission may, upon 21 days' notice in writing, order such person to cease and desist from such practices and to comply with the provisions of this chapter. The notice shall be sent by certified mail to the principal place of business of such person or other address authorized under § 12.1-19.1 and shall state the grounds for the contemplated action. Within 14 days of mailing the notice, the person or persons named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not issue a cease and desist order except based upon findings made at such hearing. Such hearing shall be conducted in accordance with the Commission's Rules. The Commission may enforce compliance with any order issued under this section by imposition and collection of such fines and penalties as may be prescribed by law.

B. When, in the opinion of the Commission, immediate action is required to protect the public interest, a cease and desist order may be issued without prior hearing. In such cases, the Commission shall make a hearing available to the person on an expedited basis.

C. The Commission shall have jurisdiction to enter and enforce a cease and desist order against any person, regardless of whether such person is present in the Commonwealth, who violates any provision of this chapter or any regulation adopted hereunder.

§ 6.2-2263. Notice of proposed suspension or revocation.

The Commission shall not revoke or suspend the license of any person licensed under this chapter upon any of the grounds set forth in § 6.2-2261 until it has given the licensee 21 days' notice in writing of the reasons for the proposed revocation or suspension and an opportunity to introduce evidence and be heard. The notice shall be sent by certified mail to the principal place of business of the licensee or other address authorized under § 12.1-19.1 and shall state with particularity the grounds for the contemplated action. Within 14 days of mailing the notice, the person or persons named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not suspend or revoke the license except on the basis of findings made at such hearing. The hearing shall be conducted in accordance with the Commission's Rules.

§ 6.2-2264. Civil penalties.

In addition to the authority conferred under § 6.2-2251, the Commission may impose a fine or penalty not exceeding \$1,000 upon any person who it determines, in proceedings commenced in accordance with the Commission's Rules of Practice and Procedure, has violated any provision of this chapter or regulations

promulgated by the Commission pursuant thereto, or violated any other law or regulation applicable to the conduct of a licensee's business. For the purposes of this section, each separate violation shall be subject to the fine or penalty herein prescribed.

§ 6.2-2265. Authority of Attorney General; referral by Commission to Attorney General.

A. If the Commission determines that a person is in violation of, or has violated, any provision of this chapter, the Commission may refer the information to the Attorney General and may request that the Attorney General investigate such violations. With or without such referral, the Attorney General is hereby authorized to seek to enjoin violations of this chapter. The circuit court having jurisdiction may enjoin such violations notwithstanding the existence of an adequate remedy at law.

B. The Attorney General may also seek, and the circuit court may order or decree, damages and such other relief allowed by law, including restitution to the extent available to borrowers under applicable law. Persons entitled to any relief as authorized by this section shall be identified by order of the court within 180 days after the date of the order permanently enjoining the unlawful act or practice.

C. In any action brought by the Attorney General by virtue of the authority granted in this section, the Attorney General shall be entitled to seek reasonable attorney fees and costs.

§ 6.2-2266. Violation of the Virginia Consumer Protection Act.

Any violation of the provisions of this chapter shall constitute a prohibited practice in accordance with § 59.1-200 and shall be subject to any and all of the enforcement provisions of the Virginia Consumer Protection Act (§ 59.1-196 et seq.).

§ 59.1-200. Prohibited practices.
