For the purposes of this section:

"Day-care service" means provision of supplementary care and protection during a part of the day for the minor child of another; and

"School" means any public, religious or private educational institution, including any preschool, elementary school, secondary school, post-secondary school, trade or professional institution, or institution of higher education.

§ 15.2-914. Regulation of child-care services and facilities in cities and certain counties.

Any (i) county that has adopted the urban county executive form of government or (ii) city may by ordinance provide for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities. "Child-care services" means provision of regular care, protection and guidance to one or more children not related by blood or marriage while such children are separated from their parent, guardian or legal custodian in a dwelling not the residence of the child during a part of the day for at least four days of a calendar week. "Child-care facilities" includes any commercial or residential structure that is used to provide child-care services.

Such local ordinance shall not require the regulation or licensing of any child-care facility that is licensed by the Commonwealth and such ordinance shall not require the regulation or licensing of any facility operated by a religious institution as exempted from licensure by § 22.1-289.031.

Except as otherwise provided in this section, such local ordinances shall not be more extensive in scope than comparable state regulations applicable to ~~family day homes~~ *home-based child care*. Such local ordinances may regulate the possession and storage of firearms, ammunition, or components or combination thereof at child-care facilities and may be more extensive in scope than comparable state statutes or regulations applicable to ~~family day homes~~ *home-based child care*. Such local ordinances may require that persons who provide child-care services shall provide certification from the Central Criminal Records Exchange and a national criminal background check, in accordance with §§ 19.2-389 and 19.2-392.02, that such persons have not been convicted of any offense involving the sexual molestation of children or the physical or sexual abuse or rape of a child or any barrier crime defined in § 19.2-392.02, and such ordinances may require that persons who provide child-care services shall provide certification from the central registry of the Department of Social Services that such persons have not been the subject of a founded complaint of abuse or neglect. If an applicant is denied licensure because of any adverse information appearing on a record obtained from the Central Criminal Records Exchange, the national criminal background check, or the Department of Social Services, the applicant shall be provided a copy of the information upon which that denial was based.

§ 15.2-2292. Zoning provisions for home-based child care.

A. Zoning ordinances for all purposes shall consider a ~~family day home~~ *home-based child care* as defined in § 22.1-289.02, serving one through four children, exclusive of the provider's own children and any children who reside in the home as residential occupancy by a single family. No conditions more restrictive than those imposed on residences occupied by persons related by blood, marriage, or adoption shall be imposed upon such a home. Nothing in this section shall apply to any county or city which is subject to § 15.2-741 or 15.2-914.

B. The ordinance may contain such standards as the local governing body deems appropriate and shall include a requirement that notification be sent by registered or certified letter to the last known address of each adjacent property owner. If the zoning administrator receives no written objection from a person so notified within 30 days of the date of sending the letter and determines that the ~~family day home~~ *home-based child care* otherwise complies with the provisions of the ordinance and all other applicable local ordinances, the zoning administrator shall issue the permit sought. If the zoning administrator receives a written objection from a person so notified within 30 days of the date of sending the letter and determines that the ~~family day home~~ *home-based child care* otherwise complies with the provisions of the ordinance, the zoning administrator shall consider such objection and may (i) issue or deny the permit sought or (ii) if required by the ordinance, refer the permit to the local governing body for consideration. The ordinance shall provide a process whereby an applicant for a ~~family day home~~ *home-based child care* that is denied a permit through the administrative process may request that its application be considered after a hearing following public notice as provided in § 15.2-2204. Upon such hearing, the local governing body may, in its discretion, approve the permit, subject to such conditions as agreed upon by the applicant and the locality, or deny the permit. The provisions of this subsection shall not prohibit a local governing body from exercising its authority, if at all, under subdivision A 3 of § 15.2-2286.

3. It is an affirmative defense to prosecution for a violation of this subsection if the parent, guardian, or other person responsible for the care of a child caused or enabled such child to gain possession of a firearm while in a dwelling because of a reasonable belief that he or such child was in imminent danger of bodily injury.

D. Any parent, guardian, or other person having care, custody, or control of a minor child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall not, for that reason alone, be considered in violation of this section.

Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

D. The Superintendent may extend or shorten the duration of licensure periods for a child day program or ~~family day~~ *home-based child care* system whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the child day program or ~~family day~~ *home-based child care* system for which it is issued.

F. The license and any other documents required by the Superintendent shall be posted in a conspicuous place on the licensed premises.

The commissioner of the revenue or other local business license official shall report to the Department on a semiannual basis the name, address, and contact information of any child day center or ~~family day~~ *home-based child care* to which a business license was issued.

§ 22.1-289.014. Variances.

The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a licensee or applicant for licensure as a child day program or ~~family day~~ *home-based child care* system has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The Superintendent shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

§ 22.1-289.015. Voluntary registration of home-based child care; inspections; investigation upon receipt of complaint; revocation or suspension of registration.

A. Any person who ~~maintains a family day~~ *home provides home-based child care* serving fewer than five children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration. 4. The criteria and process for the renewal of the certificate of registration; and
5. The requirement that upon receipt of a complaint concerning a registered ~~family day home~~ *home-based child care*, the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary, of the activities, services, and facilities. The person who maintains such home shall afford the Superintendent reasonable opportunity to inspect the operator's facilities and records and to interview any employees and any child or other person within his custody or control. Whenever a registered ~~family day home~~ *home-based child care* is determined by the Superintendent to be in noncompliance with the regulations for voluntarily registered ~~family day homes~~ *home-based child care*, the Superintendent shall give reasonable notice to the operator of the nature of the noncompliance and may thereafter revoke or suspend the registration.

C. Upon receiving the application on forms prescribed by the Superintendent, and after having determined that the home has satisfied the requirements of the regulations for voluntarily registered ~~family day homes~~ *home-based child care*, the Superintendent shall issue a certificate of registration ~~to the family day home for~~ *such home-based child care*.

D. The Superintendent shall contract in accordance with the requirements of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to review applications and certify ~~family day homes~~ *home-based child care* as eligible for registration, pursuant to the regulations for voluntarily registered ~~family day homes~~ *home-based child care*. If no qualified local agencies or community organizations are available, the Superintendent shall implement the provisions of this section. For the purposes of this subsection, "qualified" means demonstrated ability to provide sound financial management and administrative services including application processing, maintenance of records and reports, technical assistance, consultation, training, monitoring, and random inspections.

E. The scope of services in contracts shall include:

1. The identification of ~~family day homes~~ *home-based child care* which may meet the standards for voluntary registration provided in subsection A; and
2. A requirement that the contract organization shall provide administrative services, including, but not limited to, processing applications for the voluntary registration of ~~family day homes~~ *home-based child care*; certifying such homes as eligible for registration; providing technical assistance, training, and consultation with ~~family day homes~~ *home-based child care providers*; ensuring providers' compliance with the regulations for voluntarily registered ~~family day homes~~ *home-based child care*, including monitoring and random inspections; and maintaining permanent records regarding all ~~family day homes~~ *home-based child care* that it may certify as eligible for registration.

F. The contract organization, upon determining that a ~~family day home~~ *home-based child care* has satisfied the requirements of the regulations for voluntarily registered ~~family day homes~~ *home-based child care*, shall certify the home as eligible for registration on forms prescribed by the Superintendent. The Superintendent, upon determining that certification has been properly issued, may register the ~~family day home~~ *home-based child care*.

G. The provisions of this section shall not apply to any ~~family day home~~ *home-based child care* located in a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities pursuant to the provisions of § 15.2-914.

§ 22.1-289.016. Unlicensed and unregistered home-based child care; notice to parents.

Every unlicensed, unregistered ~~family day home~~ *home-based child care provider* shall provide written notice to the parents of every child receiving care, at the time the ~~family day home~~ *home-based child care provider* begins providing care for the child, stating that the ~~family day home~~ *home-based child care* is not

regulated by the Department and referring parents to a website maintained by the Department for additional information regarding licensed, registered, and unlicensed, unregistered ~~family day homes~~ *home-based child care*. The provisions of this section shall not apply to an unlicensed, unregistered ~~family day home~~ *home-based child care* in which all of the children receiving care are related to the provider by blood or marriage.

§ 22.1-289.017. Compliance with Uniform Statewide Building Code.

Buildings licensed as child day programs or ~~family day~~ *home-based child care* systems shall be classified by and meet the specifications for the proper Use Group as required by the Virginia Uniform Statewide Building Code.

§ 22.1-289.018. Inspections and interviews.

A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable opportunity to inspect all of their facilities, books and records, and to interview their agents and employees and any person living or participating in such facilities, or under their custody, control, direction, or supervision. Interviews conducted pursuant to this section with persons living or participating in a facility operated by or under the custody, control, direction, or supervision of an applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

B. All licensed child day programs and ~~family day~~ *home-based child care* systems shall be inspected not less than twice annually, and one of those inspections shall be unannounced.

C. The activities, services, and facilities of each applicant for renewal of his license as a child day program or ~~family day~~ *home-based child care* system shall be subject to an inspection or examination by the Superintendent to determine if he is in compliance with current regulations of the Board.

D. The Superintendent may authorize such other announced or unannounced inspections as the Superintendent considers appropriate.

§ 22.1-289.019. Inspections of child day programs and home-based child care systems; prioritization.

The Superintendent shall prioritize inspections of child day programs and ~~family day~~ *home-based child care* systems in the following order: (i) inspections conducted in response to a complaint involving a licensed, registered, license-exempt, or unlicensed child day program or ~~family day~~ *home-based child care* system; (ii) inspections of licensed or registered child day programs and ~~family day~~ *home-based child care* systems that are not conducted in response to a complaint; (iii) inspections of license-exempt or unlicensed child day programs and ~~family day~~ *home-based child care* systems that have entered into a contract with the Department or its agents or designees or a local department of social services to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license-exempt and unlicensed child day programs and ~~family day~~ *home-based child care* systems that are not conducted in response to a complaint.

§ 22.1-289.021. Records and reports.

Every licensed or registered child day program and ~~family day~~ *home-based child care* system shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

§ 22.1-289.022. Enforcement and sanctions; child day programs and home-based child care systems; revocation and denial.

A. The Superintendent may revoke or deny the renewal of the license of any child day program or ~~family day~~ *home-based child care* system that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

B. Pursuant to the procedures set forth in subsection C, and in addition to the authority for other disciplinary actions provided in this title, the Superintendent may issue a notice of summary suspension of the license of any child day program or ~~family day~~ *home-based child care* system, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the child day program or ~~family day~~ *home-based child care* system that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care, and the Superintendent believes the operation of the child day program or ~~family day~~ *home-based child care* system should be suspended during the pendency of such proceeding.

C. A notice of summary suspension issued by the Superintendent to a child day program or ~~family day~~ *home-based child care* system shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this subsection; (iii) facts and evidence that formed the basis for the summary suspension; and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the child day program or ~~family day~~ *home-based child care* system or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the child day program or ~~family day~~ *home-based child care* system.

The summary suspension hearing shall be presided over by a hearing officer selected by the

Superintendent from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of summary suspension; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the hearing officer shall provide to the Superintendent written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended.

Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation, the Superintendent may issue a final order of summary suspension or an order that such summary suspension is not warranted by the facts and circumstances presented. The Superintendent shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. In the event that the Superintendent rejects the hearing officer's findings, conclusions, or recommendation, the Superintendent shall state with particularity the basis for rejection. In issuing a final order of summary suspension, the Superintendent may choose to suspend the license of the child day program or ~~family day~~ *home-based child care* system or to suspend only certain authority of the child day program or ~~family day~~ *home-based child care* system to operate, including the authority to provide certain services or perform certain functions that the Superintendent determines should be restricted or modified in order to protect the health, safety, or welfare of the children receiving care. A final order of summary suspension shall include notice that the licensee may appeal the Superintendent's decision to the appropriate circuit court no later than 10 days following service of the order. The sole issue before the court shall be whether the Superintendent had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

A copy of any final order of summary suspension shall be prominently displayed by the child day program or ~~family day~~ *home-based child care* system at each public entrance of the facility, or in lieu thereof, the child day program or ~~family day~~ *home-based child care* system may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

The willful and material failure to comply with the final order of summary suspension constitutes a violation of subdivision 3 of § 22.1-289.027.

The provisions of this subsection shall not apply to any child day program or ~~family day~~ *home-based child care* system operated by an agency of the Commonwealth, which shall instead be governed by the provisions of subsection D.

D. Whenever the Superintendent issues a summary order of suspension of the license to operate a child day program or ~~family day~~ *home-based child care* system operated by an agency of the Commonwealth:

1. Before such summary order of suspension shall take effect, the Superintendent shall issue to the child day program or ~~family day~~ *home-based child care* system a notice of summary order of suspension setting forth (i) the procedures for a hearing and right of review as provided in this section and (ii) facts and evidence that formed the basis on which the summary order of suspension is sought. Such notice shall be served on the licensee or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the licensee. The notice shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the notice of the summary order of suspension and shall be convened by the Superintendent or his designee. After such hearing, the Superintendent may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented.

2. A final order of summary suspension shall include notice that the licensee may request, in writing and within three business days after receiving the Superintendent's decision, that the Superintendent refer the matter to the Secretary of Education for resolution within three business days of the referral. Any determination by the Secretary shall be final and not subject to judicial review. If the final order of summary suspension is upheld, it shall take effect immediately, and a copy of the final order of summary suspension shall be prominently displayed by the licensee at each public entrance of the facility. Any concurrent revocation, denial, or other proceedings shall not be affected by the outcome of any determination by the Secretary.

§ 22.1-289.023. Enforcement and sanctions; special orders; civil penalties.

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Superintendent may issue a special order (i) for violation of any of the provisions of this chapter, § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in a child day program or ~~family day~~ *home-based child care* system. Notice of the Superintendent's intent to take any of the actions enumerated in subdivisions B 1 through 6 shall be provided by the Department, and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or

persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. Actions set forth in subsection B may be appealed by (a) a child day program or ~~family day home-based child care~~ system operated by an agency of the Commonwealth in accordance with § 22.1-289.025 or (b) any other child day program or ~~family day home-based child care~~ system in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Superintendent may take the following actions regarding child day programs and ~~family day home-based child care~~ systems through the issuance of a special order and may require a copy of the special order provided by the Department to be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of children are at risk;
2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;
3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Superintendent concludes that the lack of such training has led directly to violations of regulations;
4. Assess civil penalties of not more than \$500 per inspection upon finding that the child day program or ~~family day home-based child care~~ system is substantially out of compliance with the terms of its license and the health and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this subdivision on any child day program or ~~family day home-based child care~~ system operated by an agency of the Commonwealth;
5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and
6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the regulations from receiving public funds.

C. The Board shall adopt regulations to implement the provisions of this section.

§ 22.1-289.024. Appeal from refusal, denial of renewal, or revocation of license.

A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a child day program or ~~family day home-based child care~~ system operated by an agency of the Commonwealth, the provisions of § 22.1-289.025 shall apply. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for any child day program or ~~family day home-based child care~~ system other than a child day program or ~~family day home-based child care~~ system operated by an agency of the Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the Superintendent's intent to refuse to issue or renew, or revoke a license shall be received in writing from the child day program or ~~family day home-based child care~~ system operator within 15 days of the date of receipt of the notice. Judicial review of a final review agency decision shall be in accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the Supreme Court or the Court of Appeals.

B. In every appeal to a court of record, the Superintendent shall be named defendant.

§ 22.1-289.037. Revocation or denial of renewal based on background checks; failure to obtain background check.

A. The Superintendent may revoke or deny renewal of a license or registration of a child day program or ~~family day home-based child care~~ system, and a ~~family day home-based child care~~ system may revoke the approval of a ~~family day home-based child care~~, if the child day program, ~~family day home-based child care~~ system, or approved ~~family day home-based child care~~ has knowledge that a person specified in § 22.1-289.035 or 22.1-289.036 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-289.038 or is not subject to the exceptions in subsection G of § 22.1-289.035, and the agency or home refuses to separate such person from employment or service or allows the household member to continue to reside in the home.

B. Failure to obtain background checks pursuant to §§ 22.1-289.035 and 22.1-289.036 shall be grounds for denial, revocation, or termination of a license, registration, or approval or any contract with the Department or its agents or designees or a local department of social services to provide child care services to clients of the Department or its agents or designees or the local department of social services. The Superintendent may grant a waiver if the Superintendent determines that (i) the person is of good moral character and reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the person's care. The Superintendent shall not grant a waiver to any person who has been convicted of any barrier crime as defined in § 19.2-392.02. However, the Superintendent may grant a waiver to a ~~family day home-based child care~~ licensed or registered by the Department if any other adult living in the home of the applicant or provider has been convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction, provided that (a) five years have elapsed following the conviction and (b) the Department has conducted a home study that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and (2) a determination that the offender is now a person of good moral character and reputation. The waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction. Any waiver granted under this section shall be available for inspection by the public. Such regulations shall be developed in consultation with representatives of the affected entities and shall include matters relating to the sex, age, and number of children and other persons to be maintained or cared for, as the case may be, and to the buildings and premises to be used, and reasonable standards for the activities, services and facilities to be employed. Such limitations and standards shall be specified in each license and renewal thereof. Such regulations shall not require the adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation services of any single private accreditation or certification agency.

Such regulations governing child day programs providing care for school-age children at a location that is currently approved by the Department or recognized as a private school by the Board for school occupancy and that houses a public or private school during the school year shall not (i) prohibit school-age children from using outdoor play equipment and areas approved for use by students of the school during school hours or (ii) in the case of public schools, require inspection or approval of the building, vehicles used to transport children attending the child day program that are owned by the school, or meals served to such children that are prepared by the school.

Such regulations governing orientation and training of child day program staff shall provide that parents or other persons who participate in a cooperative preschool center on behalf of a child attending such cooperative preschool center, including such parents and persons who are counted for the purpose of determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. The regulated child day program shall also require that the person enrolling the child present the regulated child day program with the proof of the child's identity and age. The proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction, or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.

D. Upon receiving notification of such failure to provide the information required by subsection A, the

law-enforcement agency shall, if available information warrants, immediately submit an inquiry to the Missing Children Information Clearinghouse and, with the assistance of the local department of social services, if available information warrants, conduct the appropriate investigation to determine whether the child is missing.

E. The Board shall adopt regulations to implement the provisions of this section.

B. Each parent or guardian shall acknowledge, in writing, receipt of such notice. In the event there is no longer insurance coverage, the person operating the ~~family day home~~ *home-based child care* shall (i) notify each parent or guardian within 10 business days after the effective date of the change and (ii) obtain written acknowledgment of such notice. A copy of an acknowledgment required under this section shall be maintained on file at the ~~family day home~~ *in which home-based child care is provided* at all times while the child attends the ~~family day home~~ *home-based child care* and for 12 months after the child's last date of attendance.

§ 22.1-289.055. Public funds to be withheld for serious or persistent violations.

The Board may adopt policies, as permitted by state and federal law, to restrict the eligibility of a child day program or ~~family day home-based child care~~ system to receive or continue to receive funds when such agency is found to be in serious or persistent violation of regulations.

§ 22.1-289.056. Storage of firearms in certain homes in which home-based child care is provided.

During hours of operation, all firearms in a ~~family day home~~ *in which home-based child care* licensed pursuant to § 22.1-289.011 or voluntarily registered pursuant to § 22.1-289.011 *is provided* or in a ~~family day home~~ *in which home-based child care* approved by a ~~family day home-based child care~~ system *is provided* shall be stored unloaded in a locked container, compartment, or cabinet, and all ammunition shall be stored in a separate locked container, compartment, or cabinet. The key or combination to such locked containers, compartments, or cabinets shall be inaccessible to all children in the home.

§ 22.1-289.059. Possession and administration of an appropriate weight-based dosage of epinephrine by employees.

A. The Board shall amend its regulations to require each child day center to implement policies for the possession and administration of epinephrine in every such center to be administered by any nurse at the center, employee at the center, or employee of a local health department who is authorized by a prescriber and trained in the administration of epinephrine to any child believed to be having an anaphylactic reaction. Such policies shall require that at least one school nurse, employee at the center, or employee of a local health department who is authorized by a prescriber and trained in the administration of epinephrine has the means to access at all times during regular facility hours any such appropriate weight-based dosage of epinephrine that is stored in a locked or otherwise generally inaccessible container or area.

B. The Board shall amend its regulations to require each ~~family day home~~ *home-based child care* provider or at least one other caregiver employed by such provider in the ~~family day home~~ *home-based child care* to be trained in the administration of epinephrine and to notify the parents of each child who receives care in such ~~family day home~~ *home-based child care* whether the provider stores an appropriate weight-based dosage of epinephrine in the residence or home in which the ~~family day home~~ *home-based child care* operates.

§ 22.1-296.3. Certain private school employees subject to fingerprinting and criminal records checks.

A. As a condition of employment, the governing boards or administrators of private elementary or secondary schools that are accredited pursuant to § 22.1-19 shall require any applicant who accepts employment, whether full time or part time or permanent or temporary, to submit to fingerprinting and to provide personal descriptive information to be forwarded along with the applicant's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such applicant.

The Central Criminal Records Exchange, upon receipt of an applicant's record or notification that no record exists, shall report to the governing board or administrator, or to a private organization coordinating such records on behalf of such governing board or administrator pursuant to a written agreement with the Department of State Police, that the applicant meets the criteria or does not meet the criteria for employment based on whether or not the applicant has ever been convicted of any barrier crime as defined in

§ 19.2-392.02.

B. The Central Criminal Records Exchange shall not disclose information to such governing board, administrator, or private organization coordinating such records regarding charges or convictions of any crimes. If any applicant is denied employment because of information appearing on the criminal history record and the applicant disputes the information upon which the denial was based, the Central Criminal Records Exchange shall, upon request, furnish the applicant the procedures for obtaining a copy of the criminal history record from the Federal Bureau of Investigation. The information provided to the governing board, administrator, or private organization coordinating such records shall not be disseminated except as provided in this section. A governing board or administrator employing or previously employing a temporary teacher or a private organization coordinating such records on behalf of such governing board or administrator pursuant to a written agreement with the Department of State Police may disseminate, at the written request of such temporary teacher, whether such teacher meets the criteria or does not meet the criteria for employment pursuant to subsection A to the governing board or administrator of another accredited private elementary or secondary school in which such teacher has accepted employment. Such governing board, administrator, or private organization transferring criminal records information pursuant to this section shall be immune from civil liability for any official act, decision, or omission done or made in the performance of such transfer, when such acts or omissions are taken in good faith and are not the result of gross negligence or willful misconduct.

Fees charged for the processing and administration of background checks pursuant to this section shall not exceed the actual cost to the state of such processing and administration.

C. The governing board or administrator of a private elementary or secondary school may disclose information in records received pursuant to subsection A to the Virginia Council for Private Education (the Council) or its authorized designee for purposes of seeking or maintaining accreditation by the Council as permitted pursuant to § 22.1-19.

D. The governing board or administrator of a private elementary or secondary school that is accredited pursuant to § 22.1-19 that operates a child day program or ~~family day~~ *home-based child care* system regulated by the Department pursuant to Chapter 14.1 (§ 22.1-289.02 et seq.) shall accept evidence of a background check in accordance with § 22.1-289.035 for individuals who are required to undergo a background check in accordance with that section as a condition of employment in lieu of the background check required by subsection A.

E. The governing boards or administrators of private elementary and secondary schools that are accredited pursuant to § 22.1-19 shall adopt and implement policies prohibiting any individual who is a governing board member, administrator, employee, contractor, or agent of a private elementary or secondary school to assist a governing board member, administrator, employee, contractor, or agent of such private elementary or secondary school in obtaining a new job if such individual knows or has probable cause to believe that the individual seeking new employment engaged in sexual misconduct regarding a minor or student in violation of law.

F. For purposes of this section, "governing board" or "administrator" means the unit or board or person designated to supervise operations of a system of private schools or a private school accredited pursuant to § 22.1-19.

§ 32.1-46. Immunization of patients against certain diseases.

A. The parent, guardian or person standing in loco parentis of each child within this Commonwealth shall cause such child to be immunized in accordance with the Immunization Schedule developed and published by the Centers for Disease Control and Prevention (CDC), Advisory Committee on Immunization Practices (ACIP), the American Academy of Pediatrics (AAP), and the American Academy of Family Physicians (AAFP). The required immunizations for attendance at a public or private elementary, middle, or secondary school, a child care center, a nursery school, ~~family day care home~~ *home-based child care*, or a developmental center shall be those set forth in the State Board of Health Regulations for the Immunization of School Children. 12. Two doses of properly spaced human papillomavirus (HPV) vaccine. The first dose shall be administered before the child enters the seventh grade.

13. Two or three properly spaced doses of rotavirus vaccine, depending on the manufacturer, for children up to eight months of age.

14. Two properly spaced doses of hepatitis A vaccine (HAV). The first dose shall be administered at age 12 months or older.

15. Two properly spaced doses of meningococcal conjugate vaccine (MenACWY). The first dose shall be administered prior to entry to seventh grade. The second dose shall be administered prior to entry to twelfth grade.

The parent, guardian or person standing in loco parentis may have such child immunized by a physician, a physician assistant, an advanced practice registered nurse, a registered nurse, or a licensed practical nurse, or a pharmacist who administers pursuant to a valid prescription, or may present the child to the appropriate local health department, which shall administer the vaccines required by the State Board of Health Regulations for the Immunization of School Children without charge to the parent or person standing in loco parentis to the child if (i) the child is eligible for the Vaccines for Children Program or (ii) the child is eligible for coverages issued pursuant to Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. (Medicare), Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq. (Medicaid), Title XXI of the Social Security Act, 42 U.S.C. § 1397aa et seq. (CHIP), or 10 U.S.C. § 1071 et seq. (CHAMPUS). In all cases in which a child is covered by a health carrier, Medicare, Medicaid, CHIP, or CHAMPUS, the Department shall seek reimbursement from the health carrier, Medicare, Medicaid, CHIP, or CHAMPUS for all allowable costs associated with the provision of the vaccine. For the purposes of this section, the Department shall be deemed a participating provider with a managed care health insurance plan as defined in § 32.1-137.1.

B. A physician, a physician assistant, an advanced practice registered nurse, a registered nurse, a licensed practical nurse, a pharmacist, or a local health department administering a vaccine required by this section shall provide to the person who presents the child for immunizations a certificate that shall state the diseases for which the child has been immunized, the numbers of doses given, the dates when administered and any further immunizations indicated.

C. The vaccines required by this section shall meet the standards prescribed in, and be administered in accordance with, the State Board of Health Regulations for the Immunization of School Children. The State Board of Health shall amend the State Board of Health Regulations for the Immunization of School Children as necessary from time to time to maintain conformity with evidence-based, routinely recommended vaccinations for children. The adoption of such regulations shall be exempt from the requirements of Article 2 (§ 2.2-4006 et seq.) of the Administrative Process Act (§ 2.2-4000 et seq.). However, the Department shall (i) provide a Notice of Intended Regulatory Action and (ii) provide for a 60-day public comment period prior to the Board's adoption of the regulations.

D. The provisions of this section shall not apply if:

1. The parent or guardian of the child objects thereto on the grounds that the administration of immunizing agents conflicts with his religious tenets or practices, unless an emergency or epidemic of disease has been declared by the Board;

2. The parent or guardian presents a statement from a physician licensed to practice medicine in Virginia, a licensed advanced practice registered nurse, or a local health department that states that the physical condition of the child is such that the administration of one or more of the required immunizing agents would be detrimental to the health of the child; or

3. Because the human papillomavirus is not communicable in a school setting, a parent or guardian, at the parent's or guardian's sole discretion, may elect for the parent's or guardian's child not to receive the human papillomavirus vaccine, after having reviewed materials describing the link between the human papillomavirus and cervical cancer approved for such use by the Board.

E. For the purpose of protecting the public health by ensuring that each child receives age-appropriate immunizations, any physician, physician assistant, advanced practice registered nurse, licensed institutional health care provider, or local or district health department, the Virginia Immunization Information System, and the Department of Health may share immunization and patient locator information without parental

authorization, including, but not limited to, the month, day, and year of each administered immunization; the patient's name, address, telephone number, birth date, and social security number; and the parents' names. The immunization information; the patient's name, address, telephone number, birth date, and social security number; and the parents' names shall be confidential and shall only be shared for the purposes set out in this subsection.

F. The State Board of Health shall review this section annually and make recommendations for revision by September 1 to the Governor, the General Assembly, and the Joint Commission on Health Care.

§ 63.2-603. Eligibility for TANF; childhood immunizations.

An applicant for TANF shall provide verification that all eligible children not enrolled in school, a licensed ~~family day home~~ *home-based child care* as defined in § 22.1-289.02, or a licensed child day center as defined in § 22.1-289.02, have received immunizations in accordance with § 32.1-46. However, if an eligible child has not received immunizations in accordance with § 32.1-46, verification shall be provided at the next scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's age and that the child's physician or the local health department has developed a plan for completing the immunizations. Verification of compliance with the plan for completing the immunizations shall be presented at subsequent redeterminations of eligibility for TANF.

If necessary, the local department shall provide assistance to the TANF recipient in obtaining verification from immunization providers. No sanction may be imposed until the reason for the failure to comply with the immunization requirement has been identified and any barriers to accessing immunizations have been removed.

Failure by the recipient to provide the required verification of immunizations shall result in a reduction in the amount of monthly assistance received from the TANF program until the required verification is provided. The reduction shall be \$50 for the first child and \$25 for each additional child for whom verification is not provided.

Any person who becomes ineligible for TANF payments as a result of this provision shall nonetheless be considered a TANF recipient for all other purposes.

§ 63.2-1506. Family assessments by local departments.

A. A family assessment requires the collection of information necessary to determine:

1. The immediate safety needs of the child;
2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;
3. Risk of future harm to the child;
4. Whether the mother of a child who was exposed in utero to a controlled substance sought substance abuse counseling or treatment prior to the child's birth; and
5. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services.

B. When a local department has been designated as a child-protective services differential response system participant by the Department pursuant to § 63.2-1504 and responds to the report or complaint by conducting a family assessment, the local department shall:

1. Conduct an immediate family assessment and, if the report or complaint was based upon one of the factors specified in subsection B of § 63.2-1509, the local department may file a petition pursuant to § 16.1-241.3;

2. Obtain and consider the results of a search of the child abuse and neglect registry for any individual who is the subject of a family assessment. The local board shall determine whether the individual has resided in another state within at least the preceding five years, and, if he has resided in another state, the local board shall request a search of the child abuse and neglect registry or equivalent registry maintained by such state. The local board also may obtain and consider, in accordance with regulations of the Board, statewide criminal history record information from the Central Criminal Records Exchange for any individual who is the subject of a family assessment;

3. Immediately contact the subject of the report and the family of the child alleged to have been abused or neglected and give each a written and an oral explanation of the family assessment procedure. The family assessment shall be in writing and shall be completed in accordance with Board regulation;

4. Complete the family assessment within 60 days and transmit a report to such effect to the Department and to the person who is the subject of the family assessment;

5. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to the child and his family. Families have the option of declining the services offered as a result of the family assessment. If the family declines the services, the case shall be closed unless the local department determines that sufficient cause exists to redetermine the case as one that needs to be investigated. In no instance shall a case be redetermined as an investigation solely because the family declines services;

6. Petition the court for services deemed necessary;

7. Make no disposition of founded or unfounded for reports in which a family assessment is completed. Reports in which a family assessment is completed shall not be entered into the central registry contained in

§ 63.2-1515;

8. Commence an immediate investigation, if at any time during the completion of the family assessment, the local department determines that an investigation is required; and

9. Upon request, disclose to the child's parent or guardian the location of the child, provided that (i) the family assessment has not been completed and a report has not been transmitted pursuant to subdivision 4; (ii) the parent or guardian requesting disclosure of the child's location has not been the subject of a founded report of child abuse or neglect; (iii) the parent or guardian requesting disclosure of the child's location has legal custody of the child and provides to the local department any records or other information necessary to verify such custody; (iv) the local department is not aware of any court order, and has confirmed with the child's other parent or guardian or other person responsible for the care of the child that no court order has been issued, that prohibits or limits contact by the parent or guardian requesting disclosure of the child's location with the child, the child's other parent or guardian or other person responsible for the care of the child, or any member of the household in which the child is located; and (v) disclosure of the child's location to the parent or guardian will not compromise the safety of the child, the child's other parent or guardian, or any other person responsible for the care of the child.

C.
