In addition to requesting the sealing of a charge or conviction, such petition may also request the sealing of any specifically identified ancillary matter related to such charge or conviction.

B. A person shall not be required to pay any court fees or costs for filing a petition pursuant to this section.

C. The petition with a copy of the warrant, summons, or indictment, if reasonably available, shall be filed in the circuit court of the county or city in which the case was disposed of and shall contain, except when not reasonably available, the date of arrest, the name of the arresting agency, the date of conviction or deferred dismissal, and the case number associated with each court record that is the subject of the petition. When this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the charge or conviction and any ancillary matters to be sealed; the date of final disposition of the charge or conviction and any ancillary matters as set forth in the petition; the petitioner's date of birth, sex, race, and social security number, if available; and the full name used by the petitioner at the time of arrest or summons. E. In addition to the filing of the petition under subsection C, the petitioner shall request that the Central Criminal Records Exchange (CCRE) electronically forward a copy of the petitioner's Virginia and national criminal history record to the circuit court in which the petition was filed. Upon receiving such request, the CCRE shall electronically forward such record to the circuit court; however, if the circuit court is unable to receive an electronic transmission, the CCRE shall forward a copy of such record to the circuit court which shall be maintained under seal by the clerk unless otherwise ordered by the court. Upon completion of the hearing, the court shall cause the criminal history record to be destroyed unless, within 30 days of the date of the entry of the final order in the matter, the petitioner or the attorney for the Commonwealth notes an appeal as provided by law in civil cases.

F. After receiving the criminal history record of the petitioner, the court may conduct a hearing on the petition. The court shall enter an order requiring the sealing of the criminal history record information and court records, including electronic records, related to the charge or conviction, only if the court finds that all criteria in subdivisions 1 through 6 are met, as follows:

4. If the petitioner was ordered by a court to pay restitution as a condition of any charge, conviction, or ancillary matter that is the subject of the petition, such restitution has been paid in full;

5. The petitioner has not previously obtained the sealing of two other deferrals or convictions arising out of different sentencing events under this section; and

6. The continued existence and possible dissemination of information relating to the charge or conviction of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner.

G. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) stipulates in such written notice that the petitioner is eligible to have such offense sealed, and the continued existence and possible dissemination of information relating to the charge or conviction of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner, the court may enter an order of sealing without conducting a hearing.

H. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

I. Upon the entry of an order of sealing, the clerk of the court shall maintain a copy of such order under seal and shall cause an electronic notification of such order to be forwarded to the Department of State Police. Upon receipt of such electronic notification, the Department of State Police shall seal such records in accordance with § 19.2-392.13. When sealing such charge, conviction, or ancillary matter, the Department of State Police shall include a notation on the criminal history record that such offense was sealed pursuant to this section. The Department of State Police shall also electronically notify the Office of the Executive Secretary of the Supreme Court and any other agencies and individuals known to maintain or to have obtained such a record that such record has been ordered to be sealed and may only be disseminated in accordance with § 19.2-392.13 and pursuant to the rules and regulations adopted pursuant to § 9.1-128 and the procedures adopted pursuant to § 9.1-134.

J. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order for the sealing of records contrary to law shall be voidable upon motion and notice made within two years of the entry of such order.

K. A petition filed under this section and any responsive pleadings filed by the attorney for the Commonwealth shall be maintained under seal by the clerk unless otherwise ordered by the court.
