Unanimous consent to introduce

 Referred to Committee on Education and Health

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Chapter 2 of Title 32.1 an article numbered 25, consisting of sections numbered 32.1-73.33 through 32.1-73.36, as follows:

Article 25.

*Breakthrough Therapies for Veteran Suicide Prevention Act.***§ 32.1-73.33. Definitions.**

As used in this article:

"Compassionate use" means treating patients suffering from terminal or life-threatening conditions, including treatment-resistant mental health conditions, under either the federal Right to Try Act (P.L. 115-176) or the U.S. Food and Drug Administration's expanded access program (21 U.S.C. § 360bbb(b)).

"Council" means the Breakthrough Therapies for Veteran Suicide Prevention Advisory Council.

"FDA Breakthrough Therapies" means investigational drugs that have been granted breakthrough therapy designation by the U.S. Food and Drug Administration (FDA) under § 506(a) of the federal Food, Drug, and Cosmetic Act (21 U.S.C. § 356(a)).

"Fund" means the Breakthrough Therapies for Veteran Suicide Prevention Fund.

"Veteran" means a former member of the following entities who was discharged from active duty:

1. The Armed Forces of the United States;
2. A reserve component of the Armed Forces of the United States; or
3. The National Guard of any state.

§ 32.1-73.34. Breakthrough Therapies for Veteran Suicide Prevention Fund.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Breakthrough Therapies for Veteran Suicide Prevention Fund within the Department of Health. The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of providing an annual and perpetual source of funding to support clinical research and implementation of FDA Breakthrough Therapies for the treatment of post-traumatic stress disorder (PTSD), treatment-resistant depression (TRD), major depressive disorder (MDD), or traumatic brain injury (TBI), which are conditions that disproportionately impact veterans and significantly increase the risk of suicide. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the State Health Commissioner.

B. The appropriated funds shall be used for any of the following activities consistent with the purpose of the Fund under subsection A:

1. Establishing public-private partnerships to jointly fund Phase III clinical trials of FDA Breakthrough Therapies;
2. Investigator-initiated clinical trials, including for the following purposes:
 - a. Informing optimal methods of treatment delivery for FDA Breakthrough Therapies; and
 - b. Informing safety and efficacy of FDA Breakthrough Therapies to treat patients with conditions frequently comorbid with PTSD, TRD, MDD, or TBI.
3. Establishing a compassionate use program, including data collection and analysis;
4. Education and training opportunities for mental health professionals;
5. Patient access pilot programs, including real-world data collection and analysis; and
6. Implementation studies, including research and analyses of best practices, cost-effectiveness, and methods to reduce treatment costs.

§ 32.1-73.35. Breakthrough Therapies for Veteran Suicide Prevention Advisory Council established;
