§ 51.5-148.1. Adult abuse, neglect and exploitation central registry; retention of records; notice; reports made in bad faith or with malicious intent.

A. The Department shall establish and maintain an adult abuse, neglect, and exploitation information system and a central registry of substantiated reports. Identifying information about (i) an adult who the local department has determined is self-neglecting or (ii) a person who neglected an adult without intent shall not be entered in the central registry. Subject to the provisions of § 51.5-148.2, the operation of the central registry and the information contained in such registry shall be prescribed by regulations promulgated by the Commissioner.

B. The Department shall maintain all reports regarding investigations in which a report was deemed unfounded and all reports determined to be not valid in a record that is separate from the central registry. Such information shall be accessible only by the Department and local departments for adult protective services and by the person alleged to have committed abuse, neglect, or exploitation. In no event shall the mere existence of a prior report be used to determine that a subsequent report is substantiated.

The record of unfounded investigations and reports determined to be not valid shall be purged one year after the date of the report if there are no subsequent reports regarding the same victim or perpetrator within such one-year period. The local department shall retain such records for an additional period of up to two years if requested in writing by the person who was alleged to have committed abuse, neglect, or exploitation in the report. However, upon presentation of a certified copy of a court order stating that the report was found to have been made in bad faith or with malicious intent pursuant to subsection D, the records regarding the person alleged to have committed abuse, neglect, or exploitation in such report shall be purged immediately and written notice of such purging shall be provided to the alleged perpetrator. The Commissioner may promulgate regulations regarding (i) the purging of information from the central registry after a certain period of time and (ii) a process through which persons may file a petition with the Department to be removed from the registry upon satisfaction of certain criteria.

C. At the time the local department notifies a person who is alleged to have committed abuse, neglect, or exploitation in a report made pursuant to this article that the investigation was deemed unfounded, the local department shall also provide notice to such person regarding the length of time the record will be retained and of the availability of the procedures set forth in subsection D. Upon request, the local department shall inform such person whether the report was made anonymously; however, the identity of a reporter shall not be disclosed unless ordered by a court pursuant to subsection D.

D. If any person who was alleged to have committed abuse, neglect, or exploitation in a report that was determined to be unfounded believes that such report was made in bad faith or with malicious intent, such person may petition the circuit court in the jurisdiction in which the report was made for the release to such person of the investigation records. The petition shall specifically set forth the reasons the person believes that such report was made in bad faith or with malicious intent. Upon the filing of such petition, the circuit court shall request and the local department shall provide to the circuit court its records of the investigation for in camera review. The petitioner shall be entitled to present evidence to support his petition. If the circuit court determines that there is a reasonable question of fact as to whether the report was made in bad faith or with malicious intent and that disclosure of the identity of the reporter would not be likely to endanger the life or safety of the reporter, it shall provide to the petitioner a copy of the report and, if an investigation was conducted, the records of the investigation. The original records shall be subject to discovery in any subsequent civil action regarding the making of a report in bad faith or with malicious intent.

§ 51.5-148.2. Adult abuse, neglect and exploitation central registry; disclosure of information.

The Department shall maintain the central registry of substantiated reports of adult abuse, neglect, and exploitation established pursuant to § 51.5-148.1 on its website. Such central registry shall be searchable by members of the public, provided that the person initiating the search provides the first and last name and the last four digits of the social security number or birth date of the person who is the subject of the search.

§ 63.2-1605. Protective services for adults by local departments.

A. Each local board, to the extent that federal or state matching funds are made available to each locality, shall provide, pursuant to regulations and subject to supervision of the Commissioner for Aging and Rehabilitative Services, adult protective services for adults who are found to be abused, neglected, or exploited and who meet one of the following criteria: (i) the adult is 60 years of age or older or (ii) the adult is 18 years of age or older and is incapacitated. The requirement to provide such services shall not limit the right of any individual to refuse to accept any of the services so offered, except as provided in § 63.2-1608.

B. Upon receipt of the report pursuant to § 63.2-1606, the local department shall determine the validity of such report and, if the local department deems the report valid, shall initiate an investigation pursuant to § 63.2-1605.1 within 24 hours of the time the report is received in the local department. Local departments shall consider valid any report meeting all of the following criteria: (i) the subject of the report is an adult as defined in this article, (ii) the report concerns a specific adult and there is enough information to locate the adult, and (iii) the report describes the circumstances of the alleged abuse, neglect, or exploitation.

C. The local department shall immediately refer the matter and all relevant documentation to the local law-enforcement agency where the adult resides or where the alleged abuse, neglect, or exploitation took place or, if these places are unknown, where the alleged abuse, neglect, or exploitation was discovered for investigation, upon receipt of an initial report pursuant to § 63.2-1606 involving any of the following or upon determining, during the course of an investigation pursuant to this article, the occurrence of any of the following:

1. Sexual abuse as defined in § 18.2-67.10;
2. Death that is believed to be the result of abuse or neglect;
3. Serious bodily injury or disease as defined in § 18.2-369 that is believed to be the result of abuse or neglect;
4. Suspected financial exploitation of an adult; or
5. Any other criminal activity involving abuse or neglect that places the adult in imminent danger of death or serious bodily harm.

Local law-enforcement agencies shall provide local departments with a preferred point of contact for referrals.

D. The local department shall refer any appropriate matter and all relevant documentation, to the appropriate licensing, regulatory, or legal authority for administrative action or criminal investigation.

E. If a local department is denied access to an adult for whom there is reason to suspect the need for adult protective services, then the local department may petition the circuit court for an order allowing access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry.

F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive or medical power of attorney, or by a person authorized, pursuant to § 54.1-2986. In the event no agent or authorized representative is immediately available, then consent shall be deemed to be given.

G. Local departments shall foster the development, implementation, and coordination of adult protective services to prevent adult abuse, neglect, and exploitation.

H. Local departments shall not investigate allegations of abuse, neglect, or exploitation of adults incarcerated in state correctional facilities.

I. The report and evidence received by the local department and any written findings, evaluations, records, and recommended actions shall be confidential and shall be exempt from disclosure requirements of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), except that such information may be disclosed to persons having a legitimate interest in the matter in accordance with §§ 63.2-102 and 63.2-104 and, pursuant to official interagency agreements or memoranda of understanding between state agencies, or as otherwise authorized under the provisions of § 63.2-1605.2.

J. ~~All~~ Except as provided in § 63.2-1605.3, written findings and actions of the local department or its director regarding adult protective services investigations are final and shall not be (i) appealable to the Commissioner for Aging and Rehabilitative Services or (ii) considered a final agency action for purposes of judicial review pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

K. Each local department may foster, when practicable, the creation, maintenance, and coordination of community-based multidisciplinary teams that shall include, where possible, members of the medical, mental health, social work, nursing, education, legal, and law-enforcement professions. Such teams shall:

1. Assist the local department in identifying abused, neglected, and exploited adults as defined in § 63.2-1603.

2. Coordinate medical, social, and legal services for abused, neglected, and exploited adults and their families.

3. Develop innovative programs for detection and prevention of the abuse, neglect, and exploitation of adults.

4. Promote community awareness and action to address the abuse, neglect, and exploitation of adults.

5. Disseminate information to the general public regarding the problem of abuse, neglect, and exploitation of adults, strategies and methods for preventing such abuse, neglect, and exploitation, and treatment options for abused, neglected, and exploited adults.

Such multidisciplinary teams may share information among the parties in the performance of their duties but shall be bound by confidentiality and shall execute a sworn statement to honor the confidentiality of the information they share. A violation of this subsection is punishable as a Class 3 misdemeanor. All such information and records shall be used by the team only in the exercise of its proper function and shall not be disclosed. No person who participated in the team and no member of the team shall be required to make any statement as to what transpired during a meeting or what information was collected during the meeting. Upon the conclusion of a meeting, all information and records concerning the adult shall be returned to the originating agency or destroyed. Any information exchanged in accordance with the multidisciplinary review team shall not be considered to be a violation of any of the provisions of § 63.2-102, 63.2-104, or 63.2-105.

§ 63.2-1605.1. Investigations by local departments.

A. Local departments conducting investigations pursuant to subsection B of § 63.2-1605 shall collect information necessary to determine:

1. The immediate safety needs of the adult alleged to be the victim of abuse, neglect, or exploitation;

2. The protective, rehabilitative, or other service needs of the adult alleged to be the victim of abuse, neglect, or exploitation;

3. Risk of future harm to the adult alleged to be the victim of abuse, neglect, or exploitation;

4. Alternative plans for the safety of the adult alleged to be the victim of abuse, neglect, or exploitation if protective, rehabilitative, or other services are needed and the adult is unable or unwilling to participate in such services;

5. Whether abuse, neglect, or exploitation has occurred;

245 6. If abuse, neglect, or exploitation has occurred, who abused, neglected, or exploited the adult; and
 246 7. Whether the report is substantiated or unfounded.
 247 B. If the local department responds to a report of adult abuse, neglect, or exploitation by conducting an
 248 investigation, the local department shall:
 249 1. Document the findings and results of the investigation and enter such information into the adult abuse,
 250 neglect, and exploitation information system maintained by the Department for Aging and Rehabilitative
 251 Services;
 252 2. Consult with the adult alleged to be the victim of abuse, neglect, or exploitation to arrange for
 253 necessary protective, rehabilitative, and other services to be provided to such adult;
 254 3. If the adult alleged to be the victim of abuse, neglect, or exploitation lacks the capacity to consent to
 255 receive adult protective services, petition the court for services deemed necessary pursuant to § 63.2-1608;
 256 4. Determine within 45 days if the report of abuse, neglect, or exploitation is substantiated or unfounded,
 257 enter such disposition in the adult abuse, neglect, and exploitation information system maintained by the
 258 Department for Aging and Rehabilitative Services, and transmit a report to such effect to the alleged
 259 perpetrator of adult abuse, neglect, or exploitation. Upon written justification by the local department, the
 260 time for such determination may be extended not to exceed a total of 60 days or, in the event that the
 261 investigation is being conducted in cooperation with a law-enforcement agency and both parties agree that
 262 circumstances so warrant, as stated in the written justification, the time for such determination may be
 263 extended not to exceed a total of 90 days. If through the exercise of reasonable diligence the local department
 264 is unable to find the adult who is the alleged victim of abuse, neglect, or exploitation, the time during which
 265 such adult cannot be found shall not be computed as part of the total time period allowed for the
 266 investigation and determination, and documentation of such reasonable diligence shall be placed in the
 267 record. In cases involving the death or alleged sexual abuse or financial exploitation of an adult, the time
 268 during which records necessary for the investigation of the report but not created by or under the control of
 269 the local department, including autopsy, medical, forensic, or financial records or reports, are not available
 270 to the local department due to circumstances beyond the local department's control shall not be computed as
 271 part of the total time period allowed for the investigation and determination, and documentation of the
 272 circumstances that resulted in the delay shall be placed in the record; and
 273 5. If the investigation is unfounded, provide notice of such investigation disposition to the reporter, the
 274 alleged victim, and his guardian, as applicable, and the person alleged to have committed adult abuse,
 275 neglect, or exploitation.
 276 Any information exchanged for the purposes of this subsection shall not be considered a violation of
 277 § 51.5-122, 63.2-102, or 63.2-104.
 278 **§ 63.2-1605.2. Cooperation by state entities.**
 279 All law-enforcement departments and other state and local departments, agencies, authorities, and
 280 institutions shall cooperate with each adult protective services worker of a local department in the detection,
 281 investigation, and prevention of abuse, neglect, or exploitation.
 282 **§ 63.2-1605.3. Appeals of certain actions of local departments.**
 283 A. A person who is found to have committed abuse, neglect, or exploitation pursuant to this article may,
 284 within 30 days of being notified of that determination, request the local department to amend its
 285 determination and related records. Upon written request, the local department shall provide the appellant all
 286 information used in making its determination. Disclosure of the reporter's name, information that may
 287 endanger the well-being of the victim or any other person, or information prohibited from disclosure by state
 288 or federal law or regulation shall not be released.
 289 The local department shall hold an informal conference or consultation in which the appellant, who may
 290 be represented by counsel, and representatives of the local department shall be entitled to informally present
 291 testimony of witnesses, documents, factual data, arguments, or other submissions of proof to the local
 292 department. With the exception of the local director, no person whose regular duties include substantial
 293 involvement with adult abuse, neglect, or exploitation cases shall preside over the informal conference.
 294 If the local department refuses the request for amendment or fails to act within 45 days after receiving
 295 such request, the appellant may, within 30 days thereafter, petition the Commissioner for Aging and
 296 Rehabilitative Services for an administrative review hearing. The appellant may obtain an extension of the
 297 45-day period in which the local department must act by submitting a written request for such extension to
 298 the Commissioner for Aging and Rehabilitative Services. The extension period, which shall not exceed 60
 299 days, shall begin at the end of the original 45-day period in which the local department must act. In the event
 300 an extension is granted, the 30-day period in which the appellant is permitted to request an administrative
 301 review hearing by the Commissioner for Aging and Rehabilitative Services shall begin on the termination of
 302 the extension period. Upon receiving a timely request for an administrative review hearing, the
 303 Commissioner for Aging and Rehabilitative Services shall grant a hearing to determine whether it appears,
 304 by a preponderance of the evidence, that the local department's determination or record contains information
 305 that is irrelevant or inaccurate regarding the commission of abuse, neglect, or exploitation by the appellant
 306 and therefore shall be amended.

307 *B. The Commissioner for Aging and Rehabilitative Services shall designate and authorize one or more*
308 *duly qualified hearing officers to preside over such administrative review hearings. The decision of such*
309 *hearing officers shall have the same force and effect as if the Commissioner for Aging and Rehabilitative*
310 *Services had made the decision. The hearing officer shall have the authority to issue subpoenas for the*
311 *production of documents and the appearance of witnesses. The hearing officer is authorized to determine the*
312 *number of depositions that will be allowed and to administer oaths or affirmations to all parties and*
313 *witnesses who plan to testify at the hearing.*

314 *The Commissioner for Aging and Rehabilitative Services shall adopt regulations necessary for the*
315 *conduct of such appeals and hearings. Such regulations shall include provisions stating that (i) the appellant*
316 *and local department have the right to submit oral or written testimony or documents, (ii) the appellant may*
317 *be represented by counsel at the hearing, and (iii) the appellant shall be informed of the procedures by which*
318 *information will be made available to or withheld from the appellant. In the case of any information withheld,*
319 *the appellant shall be advised of the general nature of such information and the reasons, for privacy or*
320 *otherwise, that it is being withheld. Upon giving reasonable notice, either party at his own expense may*
321 *depose a nonparty and submit such deposition at the hearing pursuant to regulation. Upon written motion*
322 *and good cause shown, the hearing officer may issue subpoenas for the production of documents or to*
323 *compel the attendance of witnesses at the hearing. Hearing officers shall have the authority to order the*
324 *amendment of any determinations or records presented if necessary to ensure such determinations or records*
325 *are accurate and in compliance with the requirements of this chapter or regulations adopted pursuant*
326 *thereto. Upon petition, the court shall have the power to enforce any subpoena that is not complied with or to*
327 *review any refusal to issue a subpoena. Such decisions may not be further appealed except as part of a final*
328 *decision that is subject to judicial review.*

329 *If, after hearing the facts of the case, the hearing officer determines that the appellant has presented*
330 *information that was not available to the local department at the time of the local conference and, if made*
331 *available, may have resulted in a different determination by the local department, the hearing officer may*
332 *remand the case to the local department for reconsideration. Upon remand, the local department shall*
333 *reconsider the case within 14 days. If the local department fails to act or amend the record to the satisfaction*
334 *of the appellant within 14 days, the case shall be returned to the hearing officer for a determination.*

335 *If aggrieved by the decision of the hearing officer, the appellant may request further review of the*
336 *decision in accordance with Article 5 (§ 2.2-4025 et seq.) of the Administrative Process Act.*

337 *C. Whenever an appeal of the local department's finding is made and a criminal charge or investigation is*
338 *also filed or commenced against the appellant for the same conduct involving the same victim as investigated*
339 *by the local department, the appeal process shall automatically be stayed until the criminal prosecution in*
340 *the trial court is completed, until the criminal investigation is closed, or, in the case of a criminal*
341 *investigation that is not completed within 180 days of the appellant's request for an appeal of the local*
342 *department's finding, for 180 days after the appellant's request for appeal. During such stay, the appellant's*
343 *right of access to the records of the local department regarding the matter being appealed shall also be*
344 *stayed. Once the criminal prosecution in the trial court has been completed, the criminal investigation is*
345 *closed, or, in the case of a criminal investigation that is not completed within 180 days of the appellant's*
346 *request for an appeal of the local department's finding, 180 days have passed, the local department shall*
347 *advise the appellant in writing of his right to resume his appeal within the time frames provided by law and*

349 *D. The local department shall transmit all decisions and findings made during an appeal pursuant to this*
350 *section to the Commissioner for Aging and Rehabilitative Services.*

351 **§ 63.2-1606. Protection of aged or incapacitated adults; mandated and voluntary reporting.**

352 *A. Matters giving reason to suspect the abuse, neglect or exploitation of adults shall be reported*
353 *immediately upon the reporting person's determination that there is such reason to suspect. Medical facilities*
354 *inspectors of the Department of Health are exempt from reporting suspected abuse immediately while*
355 *conducting federal inspection surveys in accordance with § 1864 of Title XVIII and Title XIX of the Social*
356 *Security Act, as amended, of certified nursing facilities as defined in § 32.1-123. Reports shall be made to the*

7. Any law-enforcement officer; and

8. Any person who engages in the practice of behavior analysis, as defined in § 54.1-2900.

B. The report shall be made in accordance with subsection A to the local department of the county or city wherein the adult resides or wherein the adult abuse, neglect or exploitation is believed to have occurred or to the adult protective services hotline. Nothing in this section shall be construed to eliminate or supersede any other obligation to report as required by law. If a person required to report under this section receives information regarding abuse, neglect or exploitation while providing professional services in a hospital, nursing facility or similar institution, then he may, in lieu of reporting, notify the person in charge of the institution or his designee, who shall report such information, in accordance with the institution's policies and procedures for reporting such matters, immediately upon his determination that there is reason to suspect abuse, neglect or exploitation. Any person required to make the report or notification required by this subsection shall do so either orally or in writing and shall disclose all information that is the basis for the suspicion of adult abuse, neglect or exploitation. Upon request, any person required to make the report shall make available to the adult protective services worker and the local department investigating the reported case of adult abuse, neglect or exploitation any information, records or reports which document the basis for the report. All persons required to report suspected adult abuse, neglect or exploitation shall cooperate with the investigating adult protective services worker of a local department and shall make information, records and reports which are relevant to the investigation available to such worker to the extent permitted by state and federal law. Criminal investigative reports received from law-enforcement agencies shall not be further disseminated by the investigating agency nor shall they be subject to public disclosure; such reports may, however, be disclosed to the Adult Fatality Review Team as provided in § 32.1-283.5 or to a local or regional adult fatality review team as provided in § 32.1-283.6 and, if reviewed by the Team or a local or regional adult fatality review team, shall be subject to applicable confidentiality requirements of the Team or a local or regional adult fatality review team.

C. Any financial institution staff who suspects that an adult has been exploited financially may report such suspected financial exploitation and provide supporting information and records to the local department of the county or city wherein the adult resides or wherein the exploitation is believed to have occurred or to the adult protective services hotline.

D. Any person other than those specified in subsection A who suspects that an adult is an abused, neglected or exploited adult may report the matter to the local department of the county or city wherein the adult resides or wherein the abuse, neglect or exploitation is believed to have occurred or to the adult protective services hotline.

E. Any person who makes a report or provides records or information pursuant to subsection A, C, or D, or who testifies in any judicial proceeding arising from such report, records or information, or who takes or causes to be taken with the adult's or the adult's legal representative's informed consent photographs, video recordings, or appropriate medical imaging of the adult who is subject of a report shall be immune from any civil or criminal liability on account of such report, records, information, photographs, video recordings, appropriate medical imaging or testimony, unless such person acted in bad faith or with a malicious purpose.

F. An employer of a mandated reporter shall not prohibit a mandated reporter from reporting directly to the local department or to the adult protective services hotline. Employers whose employees are mandated reporters shall notify employees upon hiring of the requirement to report.

G. Any person 14 years of age or older who makes or causes to be made a report of adult abuse, neglect, or exploitation that he knows to be false is guilty of a Class 4 misdemeanor. Any subsequent conviction of this provision is a Class 2 misdemeanor.

H. Any person who fails to make a required report or notification pursuant to subsection A shall be subject to a civil penalty of not more than \$500 for the first failure and not less than \$100 nor more than \$1,000 for any subsequent failures. Civil penalties under subdivision A 7 shall be determined by a court of competent jurisdiction, in its discretion. All other civil penalties under this section shall be determined by the Commissioner for Aging and Rehabilitative Services or his designee. The Commissioner for Aging and Rehabilitative Services shall establish by regulation a process for imposing and collecting civil penalties, and a process for appeal of the imposition of such penalty pursuant to § 2.2-4026 of the Administrative Process Act.

I. Any mandated reporter who has reasonable cause to suspect that an adult died as a result of abuse or neglect shall immediately report such suspicion to the appropriate medical examiner and to the appropriate law-enforcement agency, notwithstanding the existence of a death certificate signed by a licensed physician. The medical examiner and the law-enforcement agency shall receive the report and determine if an investigation is warranted. The medical examiner may order an autopsy. If an autopsy is conducted, the medical examiner shall report the findings to law enforcement, as appropriate, and to the local department or to the adult protective services hotline.

J. No person or entity shall be obligated to report any matter if the person or entity has actual knowledge that the same matter has already been reported to the local department or to the adult protective services

431 hotline.

432 K. All law-enforcement departments and other state and local departments, agencies, authorities, and
433 institutions shall cooperate with each adult protective services worker of a local department in the detection,
434 investigation, and prevention of adult abuse, neglect, and exploitation, *including matters related to the*
435 *central registry of substantiated reports of adult abuse, neglect, or exploitation.*

436 L. Financial institution staff may refuse to execute a transaction, may delay a transaction, or may refuse to
437 disburse funds if the financial institution staff (i) believes in good faith that the transaction or disbursement
438 may involve, facilitate, result in, or contribute to the financial exploitation of an adult or (ii) makes, or has
439 actual knowledge that another person has made, a report to the local department or adult protective services
440 hotline stating a good faith belief that the transaction or disbursement may involve, facilitate, result in, or
441 contribute to the financial exploitation of an adult. The financial institution staff may continue to refuse to
442 execute a transaction, delay a transaction, or refuse to disburse funds for a period no longer than 30 business
443 days after the date upon which such transaction or disbursement was initially requested based on a good faith
444 belief that the transaction or disbursement may involve, facilitate, result in, or contribute to the financial
445 exploitation of an adult, unless otherwise ordered by a court of competent jurisdiction. Upon refusing to
446 execute a transaction, delaying a transaction, or refusing to disburse funds, the financial institution shall
447 report such refusal or delay within five business days to the local department or the adult protective services
448 hotline. Upon request, and to the extent permitted by state and federal law, financial institution staff may
449 report any information or records relevant to a report or investigation to the local department of social
450 services or to a court-appointed guardian ad litem for the adult who is the subject of the investigation. Absent
451 gross negligence or willful misconduct, the financial institution and its staff shall be immune from civil or
452 criminal liability for (a) providing information or records to the local department of social services or to a
453 court-appointed guardian ad litem or (b) refusing to execute a transaction, delaying a transaction, or refusing
454 to disburse funds pursuant to this subsection. The authority of a financial institution staff to refuse to execute
455 a transaction, to delay a transaction, or to refuse to disburse funds pursuant to this subsection shall not be
456 contingent upon whether financial institution staff has reported suspected financial exploitation of the adult
457 pursuant to subsection C.
