2. Patron: Kent

3. Committee: Privileges and Elections

4. Title: Elections; voting equipment and systems; State Board approval process; printed receipt for ballot.

5. Summary: Requires voting systems approved by the State Board of Elections to produce a printed receipt for each voter who has cast a ballot that shows the date and time the voter's ballot was cast, the voter's number corresponding to the order in which ballots were cast, and a list of all the voter's selections on the ballot as recorded by the voting system.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary; no state fiscal impact.

8. Fiscal Implications: This bill would require the printing of a receipt for each cast ballot. The proposed legislation is not expected to have a state fiscal impact, though this would require a significant investment by localities for voting machines to have the capabilities to produce a receipt.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, and localities (General Registrars and Electoral Boards).

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is a companion to SB303.
