Referred to Committee for Courts of Justice

**Be it enacted by the General Assembly of Virginia:**

**1. That § 64.2-2019 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 64.2-2012.1 as follows:**

**§ 64.2-2012.1. Petitions regarding communication between incapacitated persons and others.**

*A. Upon petition by a guardian, and for good cause shown, the court may restrict an incapacitated person's right to communicate with, visit, or interact with other persons whom the incapacitated person has expressed a desire to communicate with, visit, or interact with or with whom the incapacitated person has an established relationship. The petition shall specify if the incapacitated person's health is in significant decline or if the incapacitated person's death may be imminent. Where such a specification is made, the petition shall take precedence on the court's docket.*

*B. If the court finds that such a restriction is warranted, the court shall limit itself to the least restrictive means possible. In making its decision, the court shall consider (i) reasonable time, manner, or place restrictions on communication between the incapacitated person and the person with whom the incapacitated person has expressed a desire to communicate with, visit, or interact with or with whom the incapacitated person has an established relationship; (ii) supervised communication, visitation, or interaction between the incapacitated person and the person with whom the incapacitated person has expressed a desire to communicate with, visit, or interact with or with whom the incapacitated person has an established relationship; (iii) a denial of communication, visitation, or interaction between the incapacitated person and the person with whom the incapacitated person has expressed a desire to communicate with, visit, or interact with or with whom the incapacitated person has an established relationship; or (iv) other appropriate relief.*

*C. Upon notification by the incapacitated person or any other person that the guardian is in violation of an order issued pursuant to this section, the court may issue summons or order to show cause why the guardian is in violation of such an order. A hearing on such summons or order to show cause shall take precedence on the court's docket.*

*D. If the court finds that a guardian brought a petition under this section in bad faith or not for the benefit of the incapacitated person, the court may require the guardian to pay or reimburse all or some of the incapacitated person's reasonable costs and fees. Such a finding may also be grounds for termination of the guardianship appointment.*

**§ 64.2-2019. Duties and powers of guardian.**

*A. A guardian stands in a fiduciary relationship to the incapacitated person for whom he was appointed guardian and may be held personally liable for a breach of any fiduciary duty to the incapacitated person. A guardian shall not be liable for the acts of the incapacitated person unless the guardian is personally negligent. A guardian shall not be required to expend personal funds on behalf of the incapacitated person.*

*B. A guardian's duties and authority shall not extend to decisions addressed in a valid advance directive or durable power of attorney previously executed by the incapacitated person. A guardian may seek court authorization to revoke, suspend, or otherwise modify a durable power of attorney, as provided by the Uniform Power of Attorney Act (§ 64.2-1600 et seq.). Notwithstanding the provisions of the Health Care Decisions Act (§ 54.1-2981 et seq.) and in accordance with the procedures of § 64.2-2012, a guardian may seek court authorization to modify the designation of an agent under an advance directive, but the modification shall not in any way affect the incapacitated person's directives concerning the provision or refusal of specific medical treatments or procedures.*

*C. A guardian shall maintain sufficient contact with the incapacitated person to know of his capabilities, limitations, needs, and opportunities. The guardian shall visit the incapacitated person as often as necessary.*

*D. A guardian shall be required to seek prior court authorization to change the incapacitated person's residence to another state, to terminate or consent to a termination of the person's parental rights, or to*
