Be it enacted by the General Assembly of Virginia:

1. That §§ 20-156, 20-158 through 20-163, 20-165, 32.1-257, and 32.1-258.1 of the Code of Virginia are amended and reenacted as follows:

§ 20-156. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Assisted conception" means a pregnancy resulting from any intervening medical technology, whether in vivo or in vitro, which completely or partially replaces sexual intercourse as the means of conception. Such intervening medical technology includes, but is not limited to, conventional medical and surgical treatment as well as noncoital reproductive technology such as artificial insemination by donor, cryopreservation of gametes and embryos, in vitro fertilization, uterine embryo lavage, embryo transfer, gamete intrafallopian tube transfer, and low tubal ovum transfer.

"Compensation" means payment of any valuable consideration for services in excess of reasonable medical and ancillary costs.

"Cryopreservation" means freezing and storing of gametes and embryos for possible future use in assisted conception.

"Donor" means an individual, other than a surrogate, who contributes the sperm or egg used in assisted conception.

"Gamete" means either a sperm or an ovum.

"Genetic parent" means an individual who contributes a gamete resulting in a conception.

"Gestational mother" means the woman who gives birth to a child, regardless of her genetic relationship to the child.

"Embryo" means the organism resulting from the union of a sperm and an ovum from first cell division until approximately the end of the second month of gestation.

"Embryo transfer" means the placing of a viable embryo into the uterus of a gestational mother.

"Infertile" means the inability to conceive after one year of unprotected sexual intercourse.

"Intended parents" means a ~~man and a woman~~, married to each other, couple who enter into an agreement with a surrogate under the terms of which they will be the parents of any child born to the surrogate through assisted conception regardless of the genetic relationships between the intended parents, the surrogate, and the child.

"In vitro" means any process that can be observed in an artificial environment such as a test tube or tissue culture plate.

"In vitro fertilization" means the fertilization of ova by sperm in an artificial environment.

"In vivo" means any process occurring within the living body.

"Ovum" means the female gamete or reproductive cell prior to fertilization.

"Reasonable medical and ancillary costs" means the costs of the performance of assisted conception, the costs of prenatal maternal health care, the costs of maternal and child health care for a reasonable ~~post partum~~ *postpartum* period, the reasonable costs for medications and maternity clothes, and any additional and reasonable costs for housing and other living expenses attributable to the pregnancy.

"Sperm" means the male gametes or reproductive cells which impregnate the ova.

"Surrogacy contract" means an agreement between intended parents, a surrogate, and her ~~husband~~ spouse, if any, in which the surrogate agrees to be impregnated through the use of assisted conception, to carry any resulting fetus, and to relinquish to the intended parents the custody of and parental rights to any resulting child.

"Surrogate" means any adult woman who agrees to bear a child carried for intended parents.

§ 20-158. Parentage of child resulting from assisted conception.

A. Determination of parentage, generally. — Except as provided in subsections B, C, D, and E of this section, the parentage of any child resulting from the performance of assisted conception shall be determined as follows:

1. The gestational mother of a child is the child's mother.

59 2. The ~~husband~~ *spouse* of the gestational mother of a child is the child's ~~father~~ *other parent*,  
 60 notwithstanding any declaration of invalidity or annulment of the marriage obtained after the  
 61 performance of assisted conception, unless ~~he~~ *such spouse* commences an action in which the mother  
 62 and child are parties within two years after ~~he~~ *such spouse* discovers or, in the exercise of due diligence,  
 63 reasonably should have discovered the child's birth and in which it is determined that ~~he~~ *such spouse*  
 64 did not consent to the performance of assisted conception.

65 3. A donor is not the parent of a child conceived through assisted conception, unless the donor is the  
 66 ~~husband~~ *spouse* of the gestational mother.

67 B. Death of spouse. — Any child resulting from the insemination of a ~~wife's~~ *mother's* ovum using  
 68 her ~~husband's~~ *spouse's* sperm, with ~~his~~ *such spouse's* consent, is the child of the ~~husband and wife~~  
 69 *spouses* notwithstanding that, during the ~~ten-month~~ *10-month* period immediately preceding the birth,  
 70 either party died.

71 However, any person who dies before in utero implantation of an embryo resulting from the union of  
 72 ~~his~~ *the spouse's* sperm or ~~her~~ *the mother's* ovum with another gamete, whether or not the other gamete  
 73 is that of the person's spouse, is not the parent of any resulting child unless (i) implantation occurs  
 74 before notice of the death can reasonably be communicated to the physician performing the procedure or  
 75 (ii) the person consents to be a parent in writing executed before the implantation.

76 C. Divorce. — Any child resulting from insemination of a ~~wife's~~ *mother's* ovum using her ~~husband's~~  
 77 *spouse's* sperm, with ~~his~~ *such spouse's* consent, is the child of the ~~husband and wife~~ *spouses*  
 78 notwithstanding that either party filed for a divorce or annulment during the ~~ten-month~~ *10-month* period  
 79 immediately preceding the birth. Any person who is a party to an action for divorce or annulment  
 80 commenced by filing before in utero implantation of an embryo resulting from the union of ~~his~~ *the*  
 81 *spouse's* sperm or ~~her~~ *the mother's* ovum with another gamete, whether or not the other gamete is that  
 82 of the person's spouse, is not the parent of any resulting child unless (i) implantation occurs before  
 83 notice of the filing can reasonably be communicated to the physician performing the procedure or (ii)  
 84 the person consents in writing to be a parent, whether the writing was executed before or after the  
 85 implantation.

86 D. Birth pursuant to court approved surrogacy contract. — After approval of a surrogacy contract by  
 87 the court and entry of an order as provided in subsection D of § 20-160, the intended parents are the  
 88 parents of any resulting child. However, if the court vacates the order approving the agreement pursuant  
 89 to subsection B of § 20-161, the surrogate is the mother of the resulting child and her ~~husband~~ *spouse, if*  
 90 *any*, is the ~~father~~ *other parent*. The intended parents may only obtain parental rights through adoption as  
 91 provided in Chapter 12 (§ 63.2-1200 et seq.) of Title 63.2.

92 E. Birth pursuant to surrogacy contract not approved by court. — In the case of a surrogacy contract  
 93 that has not been approved by a court as provided in § 20-160, the parentage of any resulting child shall  
 94 be determined as follows:

95 1. The gestational mother is the child's mother unless ~~the intended mother is a genetic parent, in~~  
 96 ~~which case the intended mother is the mother.~~

97 2. If either of the intended parents is a genetic parent of the resulting child, *in which case* the  
 98 intended ~~father~~ *parents are* the child's ~~father~~ *parents*. However, if (i) the surrogate is married, (ii) her  
 99 ~~husband~~ *spouse* is a party to the surrogacy contract, and (iii) the surrogate exercises her right to retain  
 100 custody and parental rights to the resulting child pursuant to § 20-162, then the surrogate and her  
 101 ~~husband~~ *spouse* are the parents.

102 3. 2. If neither of the intended parents is a genetic parent of the resulting child, the surrogate is the  
 103 mother and her ~~husband~~ *spouse, if any*, is the child's ~~father~~ *other parent* if ~~he~~ *such spouse* is a party to  
 104 the contract. The intended parents may only obtain parental rights through adoption as provided in  
 105 Chapter 12 (§ 63.2-1200 et seq.) of Title 63.2.

106 4. 3. After the signing and filing of the surrogate consent and report form in conformance with the  
 107 requirements of subsection A of § 20-162, the intended parents are the parents of the child and the  
 108 surrogate and her ~~husband~~ *spouse, if any*, shall not be the parents of the child.

109 **§ 20-159. Surrogacy contracts permissible.**

110 A. A surrogate, her ~~husband~~ *spouse, if any*, and prospective intended parents may enter into a written  
 111 agreement whereby the surrogate may relinquish all her rights and duties as parent of a child conceived  
 112 through assisted conception, and the intended parents may become the parents of the child as provided  
 113 in subsection D or E of § 20-158.

114 B. Surrogacy contracts shall be approved by the court as provided in § 20-160. However, any  
 115 surrogacy contract that has not been approved by the court shall be governed by the provisions of  
 116 §§ 20-156 through 20-159 and §§ 20-162 through 20-165 including the provisions for reformation in  
 117 conformance with this chapter as provided in § 20-162.

118 **§ 20-160. Petition and hearing for court approval of surrogacy contract; requirements; orders.**

119 A. Prior to the performance of assisted conception, the intended parents, the surrogate, and her  
 120 ~~husband~~ *spouse, if any*, shall join in a petition to the circuit court of the county or city in which at least

121 one of the parties resides. The surrogacy contract shall be signed by all the parties and acknowledged  
122 before an officer or other person authorized by law to take acknowledgments.

123 A copy of the contract shall be attached to the petition. The court shall appoint a guardian ad litem  
124 to represent the interests of any resulting child and shall appoint counsel to represent the surrogate. The  
125 court shall order a home study by a local department of social services or welfare or a licensed  
126 child-placing agency, to be completed prior to the hearing on the petition.

127 All hearings and proceedings conducted under this section shall be held in camera, and all court  
128 records shall be confidential and subject to inspection only under the standards applicable to adoptions  
129 as provided in § 63.2-1245. The court conducting the proceedings shall have exclusive and continuing  
130 jurisdiction of all matters arising under the surrogacy contract until all provisions of the contract are  
131 fulfilled.

132 B. The court shall hold a hearing on the petition. The court shall enter an order approving the  
133 surrogacy contract and authorizing the performance of assisted conception for a period of ~~twelve~~ 12  
134 months after the date of the order, and may discharge the guardian ad litem and attorney for the  
135 surrogate upon finding that:

136 1. The court has jurisdiction in accordance with § 20-157;

137 2. A local department of social services or welfare or a licensed child-placing agency has conducted  
138 a home study of the intended parents, the surrogate, and her ~~husband~~ spouse, if any, and has filed a  
139 report of this home study with the court;

140 3. The intended parents, the surrogate, and her ~~husband~~ spouse, if any, meet the standards of fitness  
141 applicable to adoptive parents;

142 4. All the parties have voluntarily entered into the surrogacy contract and understand its terms and  
143 the nature, meaning, and effect of the proceeding and understand that any agreement between them for  
144 payment of compensation is void and unenforceable;

145 5. The agreement contains adequate provisions to guarantee the payment of reasonable medical and  
146 ancillary costs either in the form of insurance, cash, escrow, bonds, or other arrangements satisfactory to  
147 the parties, including allocation of responsibility for such costs in the event of termination of the  
148 pregnancy, termination of the contract pursuant to § 20-161, or breach of the contract by any party;

149 6. The surrogate has had at least one pregnancy, and has experienced at least one live birth, and  
150 bearing another child does not pose an unreasonable risk to her physical or mental health or to that of  
151 any resulting child. This finding shall be supported by medical evidence;

152 7. Prior to signing the surrogacy contract, the intended parents, the surrogate, and her ~~husband~~  
153 spouse, if any, have submitted to physical examinations and psychological evaluations by practitioners  
154 licensed to perform such services pursuant to Title 54.1, and the court and all parties have been given  
155 access to the records of the physical examinations and psychological evaluations;

156 8. The intended mother is infertile, is unable to bear a child, or is unable to do so without  
157 unreasonable risk to the unborn child or to the physical or mental health of the intended mother or the  
158 child, *or neither intended parent is female*. This finding shall be supported by medical evidence;

159 9. At least one of the intended parents is expected to be the genetic parent of any child resulting  
160 from the agreement;

161 10. The ~~husband~~ spouse of the surrogate, if any, is a party to the surrogacy agreement;

162 11. All parties have received counseling concerning the effects of the surrogacy by a qualified health  
163 care professional or social worker, and a report containing conclusions about the capacity of the parties  
164 to enter into and fulfill the agreement has been filed with the court; and

165 12. The agreement would not be substantially detrimental to the interests of any of the affected  
166 persons.

167 C. Unless otherwise provided in the surrogacy contract, all court costs, counsel fees, and other costs  
168 and expenses associated with the hearing, including the costs of the home study, shall be assessed  
169 against the intended parents.

170 D. Within seven days of the birth of any resulting child, the intended parents shall file a written  
171 notice with the court that the child was born to the surrogate within 300 days after the last performance  
172 of assisted conception. Upon the filing of this notice and a finding that at least one of the intended  
173 parents is the genetic parent of the resulting child as substantiated by medical evidence, the court shall  
174 enter an order directing the State Registrar of Vital Records to issue a new birth certificate naming the  
175 intended parents as the parents of the child pursuant to § 32.1-261.

176 If evidence cannot be produced that at least one of the intended parents is the genetic parent of the  
177 resulting child, the court shall not enter an order directing the issuance of a new birth certificate naming  
178 the intended parents as the parents of the child, and the surrogate and her ~~husband~~ spouse, if any, shall  
179 be the parents of the child. The intended parents may obtain parental rights only through adoption as  
180 provided in Chapter 12 (§ 63.2-1200 et seq.) of Title 63.2.

181 **§ 20-161. Termination of court-approved surrogacy contract.**

182 A. Subsequent to an order entered pursuant to subsection B of § 20-160, but before the surrogate  
183 becomes pregnant through the use of assisted conception, the court for cause, or the surrogate, her  
184 husband spouse, if any, or the intended parents may terminate the agreement by giving written notice of  
185 termination to all other parties and by filing notice of the termination with the court. Upon receipt of the  
186 notice, the court shall vacate the order entered under subsection B of § 20-160.

187 B. Within 180 days after the last performance of any assisted conception, a surrogate who is also a  
188 genetic parent may terminate the agreement by filing written notice with the court. The court shall  
189 vacate the order entered pursuant to subsection B of § 20-160 upon finding, after notice to the parties to  
190 the agreement and a hearing, that the surrogate has voluntarily terminated the agreement and that she  
191 understands the effects of the termination.

192 Unless otherwise provided in the contract as approved, the surrogate shall incur no liability to the  
193 intended parents for exercising her rights of termination pursuant to this section.

194 **§ 20-162. Contracts not approved by the court; requirements.**

195 A. In the case of any surrogacy agreement for which prior court approval has not been obtained  
196 pursuant to § 20-160, the provisions of this section and §§ 20-156 through 20-159 and §§ 20-163  
197 through 20-165 shall apply. Any provision in a surrogacy contract that attempts to reduce the rights or  
198 responsibilities of the intended parents, surrogate, or her husband spouse, if any, or the rights of any  
199 resulting child shall be reformed to include the requirements set forth in this chapter. A provision in the  
200 contract providing for compensation to be paid to the surrogate is void and unenforceable. Such  
201 surrogacy contracts shall be enforceable and shall be construed only as follows:

202 1. The surrogate, her husband spouse, if any, and the intended parents shall be parties to any such  
203 surrogacy contract.

204 2. The contract shall be in writing, signed by all the parties, and acknowledged before an officer or  
205 other person authorized by law to take acknowledgments.

206 3. Upon expiration of three days following birth of any resulting child, the surrogate may relinquish  
207 her parental rights to the intended parents, if at least one of the intended parents is the genetic parent of  
208 the child, by signing a surrogate consent and report form naming the intended parents as the parents of  
209 the child. The surrogate consent and report form shall be developed, furnished, and distributed by the  
210 State Registrar of Vital Records. The surrogate consent and report form shall be signed and  
211 acknowledged before an officer or other person authorized by law to take acknowledgments. The  
212 surrogate consent and report form, a copy of the contract, and a statement from the physician who  
213 performed the assisted conception stating the genetic relationships between the child, the surrogate, and  
214 the intended parents, at least one of whom shall be the genetic parent of the child, shall be filed with  
215 the State Registrar within 180 days after the birth. The statement from the physician shall be signed and  
216 acknowledged before an officer or other person authorized by law to take acknowledgments. There shall  
217 be a rebuttable presumption that the statement from the physician accurately states the genetic  
218 relationships among the child, the surrogate, and the intended parents. Where a physician's statement is  
219 not available, DNA testing establishing the genetic relationships between the child, the surrogate, and the  
220 intended parents may be substituted for the physician's statement.

221 4. Upon the filing of the surrogate consent and report form and the required attachments, including  
222 the physician's statement, within 180 days of the birth, a new birth certificate shall be established by the  
223 State Registrar for the child naming the intended parents as the parents of the child as provided in  
224 § 32.1-261.

225 B. Any contract governed by the provisions of this section shall include or, in the event such  
226 provisions are not explicitly covered in the contract or are included but are inconsistent with this section,  
227 shall be deemed to include the following provisions:

228 1. The intended parents shall be the parents of any resulting child only when the surrogate  
229 relinquishes her parental rights as provided in subdivision A 3 of this section and a new birth certificate  
230 is established as provided in subdivision A 4 of this section and § 32.1-261;

231 2. Incorporation of this chapter and a statement by each of the parties that they have read and  
232 understood the contract, they know and understand their rights and responsibilities under Virginia law,  
233 and the contract was entered into knowingly and voluntarily; and

234 3. A guarantee by the intended parents for payment of reasonable medical and ancillary costs either  
235 in the form of insurance, cash, escrow, bonds, or other arrangements satisfactory to the parties, including  
236 allocation of responsibility for such costs in the event of termination of the pregnancy, termination of  
237 the contract, or breach of the contract by any party.

238 C. Under any contract that does not include an allocation of responsibility for reasonable medical and  
239 ancillary costs in the event of termination of the pregnancy, termination of the contract, or breach of the  
240 contract by any party, the following provisions shall control:

241 1. If the intended parents and the surrogate and her husband spouse, if any, and if he such spouse is  
242 a party to the contract, consent in writing to termination of the contract, the intended parents are  
243 responsible for all reasonable medical and ancillary costs for a period of six weeks following the

244 termination.

245 2. If the surrogate voluntarily terminates the contract during the pregnancy, without consent of the  
246 intended parents, the intended parents shall be responsible for one-half of the reasonable medical and  
247 ancillary costs incurred prior to the termination.

248 3. If, after the birth of any resulting child, the surrogate fails to relinquish parental rights to the  
249 intended parents pursuant to the contract, the intended parents shall be responsible for one-half of the  
250 reasonable medical and ancillary costs incurred prior to the birth.

251 **§ 20-163. Miscellaneous provisions related to all surrogacy contracts.**

252 A. The surrogate shall be solely responsible for the clinical management of the pregnancy.

253 B. After the entry of an order under subsection B of § 20-160 or upon the execution of a contract  
254 pursuant to § 20-162, the marriage of the surrogate shall not affect the validity of the order or contract,  
255 and her ~~husband~~ spouse shall not be deemed a party to the contract in the absence of ~~his~~ such spouse's  
256 explicit written consent.

257 C. Following the entry of an order pursuant to subsection D of § 20-160 or upon the relinquishing of  
258 the custody of and parental rights to any resulting child and the filing of the surrogate consent and  
259 report form as provided in § 20-162, the intended parents shall have the custody of, parental rights to,  
260 and full responsibilities for any child resulting from the performance of assisted conception from a  
261 surrogacy agreement regardless of the child's health, physical appearance, any mental or physical  
262 handicap, and regardless of whether the child is born alive.

263 D. A child born to a surrogate within 300 days after assisted conception pursuant to an order under  
264 subsection B of § 20-160 or a contract under § 20-162 is presumed to result from the assisted  
265 conception. This presumption is conclusive as to all persons who fail to file an action to test its validity  
266 within two years after the birth of the child. The child and the parties to the contract shall be named as  
267 parties in any such action. The action shall be filed in the court that issued or could have issued an  
268 order under § 20-160.

269 E. Health care providers shall not be liable for recognizing the surrogate as the mother of the  
270 resulting child before receipt of a copy of an order entered under § 20-160 or a copy of the contract, or  
271 for recognizing the intended parents as the parents of the resulting child after receipt of such order or  
272 copy of the contract.

273 **§ 20-165. Surrogate brokers prohibited; penalty; liability of surrogate brokers.**

274 A. It shall be unlawful for any person, firm, corporation, partnership, or other entity to accept  
275 compensation for recruiting or procuring surrogates or to accept compensation for otherwise arranging or  
276 inducing intended parents and surrogates to enter into surrogacy contracts in ~~this~~ the Commonwealth. A  
277 violation of this section shall be punishable as a Class 1 misdemeanor.

278 B. Any person who acts as a surrogate broker in violation of this section shall, in addition, be liable  
279 to all the parties to the purported surrogacy contract in a total amount equal to three times the amount  
280 of compensation to have been paid to the broker pursuant to the contract. One-half of the damages  
281 under this subsection shall be due the surrogate and her ~~husband~~ spouse, if any, and if ~~he~~ such spouse is  
282 a party to the contract, and one-half shall be due the intended parents.

283 An action under this section shall be brought within five years of the date of the contract.

284 C. The provisions of this section shall not apply to the services of an attorney in giving legal advice  
285 or in preparing a surrogacy contract.

286 **§ 32.1-257. Filing birth certificates; from whom required; signatures of parents.**

287 A. A certificate of birth for each live birth which occurs in this Commonwealth shall be filed with  
288 the State Registrar within seven days after such birth. The certificate of birth shall be registered by the  
289 State Registrar if it has been completed and filed in accordance with this section.

290 B. When a birth occurs in an institution or en route thereto, the person in charge of such institution  
291 or an authorized designee shall obtain the personal data, and prepare the certificate either on forms  
292 furnished by the State Registrar or by an electronic process as approved by the Board. Such person or  
293 designee shall, if submitting a form, secure the signatures required by the certificate. The physician or  
294 other person in attendance shall provide the medical information required by the certificate within five  
295 days after the birth. The person in charge of the institution or an authorized designee shall certify to the  
296 authenticity of the birth registration either by affixing his signature to the certificate or by an electronic  
297 process approved by the Board, and shall file the certificate of birth with the State Registrar within  
298 seven days after such birth.

299 C. When a birth occurs outside an institution, the certificate shall be prepared on forms furnished by  
300 the State Registrar and filed by one of the following in the indicated order of priority, in accordance  
301 with the regulations of the Board:

- 302 1. The physician in attendance at or immediately after the birth, or in the absence of such physician,
- 303 2. Any other person in attendance at or immediately after the birth, or in the absence of such a
- 304 person,

305 3. The ~~father, the~~ mother, *the other parent*, or, in the absence of the ~~father~~ *other parent* and the  
306 inability of the mother, the person in charge of the premises where the birth occurred.

307 C1. When a birth occurs on a moving conveyance within the United States of America and the child  
308 is first removed from the conveyance in this Commonwealth, the birth shall be registered in this  
309 Commonwealth and the place where the child is first removed from the conveyance shall be considered  
310 the place of birth. When a birth occurs on a moving conveyance while in international waters or air  
311 space or in a foreign country or its air space and the child is first removed from the conveyance in this  
312 Commonwealth, the birth shall be registered in this Commonwealth although the certificate shall indicate  
313 the actual place of birth insofar as can be determined.

314 D. If the mother of a child is not married to the natural father of the child at the time of birth or was  
315 not married to the natural father at any time during the ~~ten~~ 10 months next preceding such birth, the  
316 name of the father shall not be entered on the certificate of birth without a sworn acknowledgment of  
317 paternity, executed subsequent to the birth of the child, of both the mother and of the person to be  
318 named as the father. In any case in which a final determination of the paternity of a child has been  
319 made by a court of competent jurisdiction pursuant to § 20-49.8, from which no appeal has been taken  
320 and for which the time allowed to perfect an appeal has expired, the name of the father and the surname  
321 of the child shall be entered on the certificate of birth in accordance with the finding and order of the  
322 court.

323 Children born of marriages prohibited by law, deemed null or void, or dissolved by a court shall  
324 nevertheless be legitimate and the birth certificate for such children shall contain full information  
325 concerning the ~~father~~ *other parent*.

326 For the purpose of birth registration in the case of a child resulting from assisted conception,  
327 pursuant to Chapter 9 (§ 20-156 et seq.) of Title 20, the birth certificate of such child shall contain full  
328 information concerning the mother's ~~husband~~ *spouse* as the ~~father~~ *other parent* of the child and the  
329 gestational mother as the mother of the child. Donors of sperm or ova shall not have any parental rights  
330 or duties for any such child.

331 In the event any person desires to have the name of the father entered on the certificate of birth
