	Be it enacted by the General Assembly of Virginia:
	1. That the Code of Virginia is amended by adding in Chapter 13 of Title 22.1 an article numbered 1.6, consisting of sections numbered 22.1-212.33 and 22.1-212.34, as follows:
13 14	Article 1.6.
15	Opportunity Classrooms.
16	§ 22.1-212.33. Definitions.
17	As used in this article, unless the context requires a different meaning:
18	"Alternative curriculum" means a curriculum in English, mathematics, science, history and social
	science, and any other subject area, as set forth in an opportunity classroom agreement, that is different
	than any curriculum that is otherwise offered in such subject areas in the local school division.
21	"Opportunity classroom" means a classroom in which an alternative curriculum is offered.
22	"Requesting party" means a public elementary or secondary school teacher, or a group of such
	teachers in a local school division.
24	§ 22.1-212.34. Opportunity classrooms.
25	A. Each school board (i) shall enter into an agreement to establish an opportunity classroom with a
	requesting party if the requesting party represents a group of at least 20 students and (ii) may enter
	into an agreement to establish an opportunity classroom with a requesting party or make other
	accommodations to meet the objectives of the requesting party if the requesting party represents fewer than 20 students. The school board shall enter into each such agreement within 60 days of the receipt
	of the request, provided, however, that any such agreement may cover a future school year if it is
	entered into no more than three months before or into the start of a school year.
32	B. Each agreement to establish an opportunity classroom shall include:
33	1. The name of any teacher or other certified staff member who will work in the opportunity
	classroom. Any such teacher or other certified staff member shall be agreed upon by the school board
	and the parents of the students who will receive instruction in the opportunity classroom;
36	2. The names of the students who will receive instruction in the opportunity classroom;
37	3. A statement explaining whether the requesting party plans to recertify the agreement before the
	next school year;
39	4. A description of how, when, and where instruction will take place in the opportunity classroom
	and whether such instruction will include in-person, hybrid, or virtual components. The school board
	shall provide physical classroom space for the opportunity classroom if the requesting party so requests;

59 under the terms of employment generally.

E. Students enrolled in an opportunity classroom shall be enrolled in the local school division for the
 purpose of calculating educational funds apportioned to the local school division. The school board
 shall apportion funds for opportunity classroom instruction in an amount substantially similar to funds
 apportioned for instruction of students at the same grade level who are not enrolled in the opportunity

64 classroom.

65 *F.* The school board shall only be responsible for providing the services to students enrolled in an opportunity classroom that are described in the agreement to establish the opportunity classroom.

67 G. Students enrolled in an opportunity classroom shall participate in all required Standards of 68 Learning assessments or such assessments as are specifically required pursuant to the agreement to 69 establish the opportunity classroom.

H. No student enrolled in an opportunity classroom shall be included in Standards of Learning
 assessment results for the school division unless specifically stated in the agreement to establish the
 opportunity classroom or if such inclusion is required by applicable law or regulation.

73 I. Each opportunity classroom shall comply with all conditions and procedures set forth in the
74 agreement to establish the opportunity classroom and shall comply with all applicable laws, including
75 federal, state, and local laws, prohibiting discrimination and governing the safety of students and
76 teachers in the classroom.
